FORM OF SOLVENCY CERTIFICATE

To the Administrative Agents and each of the Lenders party to the Credit Agreements referred to below:

I, the undersigned, the Chief Financial Officer of **GOBP HOLDINGS, INC.**, a Delaware corporation (the "Borrower"), in that capacity only and not in my individual capacity (and without personal liability), do hereby certify as of the date hereof, and based upon facts and circumstances as they exist as of the date hereof (and disclaiming any responsibility for changes in such facts and circumstances after the date hereof), that:

1. This certificate is furnished to the Administrative Agents and the Lenders pursuant to (i) Section 6.8 of the First Lien Credit Agreement, dated as of [●], 2018 (as amended, restated, supplemented or otherwise modified from time to time, the "First Lien Credit Agreement"), among the Borrower, **GLOBE INTERMEDIATE CORP.**, a Delaware corporation ("Holdings"), the several Lenders and Letter of Credit Issuers from time to time party thereto and **MORGAN STANLEY SENIOR FUNDING, INC.** (the "First Lien Administrative Agent"), as the Administrative Agent, the Collateral Agent and the Swingline Lender, and (ii) Section 6.8 of the Second Lien Credit Agreement, dated as of [●], 2018 (the "Second Lien Credit Agreement" and, together with the First Lien Credit Agreement, the "Credit Agreements"), among the Borrower, Holdings, the several Lenders from time to time party thereto and **MORGAN STANLEY SENIOR FUNDING, INC.** (the "Second Lien Administrative Agent" and, together with the First Lien Administrative Agent, the "Administrative Agents"), as the Administrative Agent and the Collateral Agent. Unless otherwise defined herein, capitalized terms used in this certificate shall have the meanings set forth in the First Lien Credit Agreement or the Second Lien Credit Agreement, as applicable.

2. For purposes of this certificate, the terms below shall have the following definitions:

(a) "Fair Value"

The amount at which the assets (both tangible and intangible), in their entirety, of the Borrower and its Subsidiaries taken as a whole would change hands between a willing buyer and a willing seller, within a commercially reasonable period of time, each having reasonable knowledge of the relevant facts, with neither being under any compulsion to act.

(b) "Present Fair Salable Value"

The amount that could be obtained by an independent willing seller from an independent willing buyer if the assets (both tangible and intangible) of the Borrower and its Subsidiaries taken as a whole are sold on a going concern basis with reasonable promptness in an arm's-length transaction under present conditions for the sale of comparable business enterprises insofar as such conditions can be reasonably evaluated.

(c) "Stated Liabilities"

The recorded liabilities (including contingent liabilities that would be recorded in accordance with GAAP) of the Borrower and its Subsidiaries taken as a whole, as of the date hereof after giving effect to the consummation of the Transactions (including the execution and delivery of the First Lien Credit Agreement and the Second Lien Credit Agreement, the making of the Loans and the use of proceeds of such Loans on the date hereof), determined in accordance with GAAP consistently applied.

(d) "Identified Contingent Liabilities"

The maximum estimated amount of liabilities reasonably likely to result from pending litigation, asserted claims and assessments, guaranties, uninsured risks and other contingent liabilities of the Borrower and its Subsidiaries taken as a whole after giving effect to the Transactions (including the execution and delivery of the First Lien Credit Agreement and the Second Lien Credit Agreement, the making of the Loans and the use of proceeds of such Loans on the date hereof) (including all fees and expenses related thereto but exclusive of such contingent liabilities to the extent reflected in Stated Liabilities), as identified and explained in terms of their nature and estimated magnitude by responsible officers of the Borrower.

(e) "Can pay their Stated Liabilities and Identified Contingent Liabilities as they mature"

The Borrower and its Subsidiaries taken as a whole after giving effect to the Transactions (including the execution and delivery of the First Lien Credit Agreement and the Second Lien Credit Agreement, the making of the Loans and the use of proceeds of such Loans on the date hereof) have sufficient assets and cash flow to pay their respective Stated Liabilities and Identified Contingent Liabilities as those liabilities mature or (in the case of contingent liabilities) otherwise become payable.

(f) "Do not have Unreasonably Small Capital"

The Borrower and its Subsidiaries taken as a whole after giving effect to the Transactions (including the execution and delivery of the First Lien Credit Agreement and the execution and delivery of the Second Lien Credit Agreement, the making of the Loans under each such agreement and the use of proceeds of such Loans on the date hereof) have sufficient capital to ensure that it is a going concern.

3. For purposes of this certificate, I, or officers of the Borrower under my direction and supervision, have performed the following procedures as of and for the periods set forth below.

(a) I have reviewed the financial statements referred to in Section 6.9 of the First Lien Credit Agreement and Section 6.9 of the Second Lien Credit Agreement.

(b) I have knowledge of and have reviewed to my satisfaction the First Lien Credit Agreement and the Second Lien Credit Agreement.

(c) As chief financial officer, I am familiar with the financial condition of the Borrower and its Subsidiaries.

4. Based on and subject to the foregoing, I hereby certify on behalf of the Borrower that after giving effect to the consummation of the Transactions (including the execution and delivery of the First Lien Credit Agreement and the Second Lien Credit Agreement, the making of the Loans and the use of proceeds of such Loans on the date hereof), it is my opinion that (i) each of the Fair Value and the Present Fair Salable Value of the assets of the Borrower and its Subsidiaries taken as a whole exceed their Stated Liabilities and Identified Contingent Liabilities; (ii) the Borrower and its Subsidiaries taken as a whole do not have Unreasonably Small Capital; and (iii) the Borrower and its Subsidiaries taken as a whole can pay their Stated Liabilities and Identified Contingent Liabilities as they mature.

(ii) If any Event of Default (under and as defined in either of the Credit Agreements) occurs and is continuing after prior written notice from either Collateral Agent to the Borrower, then (x) no payment or distribution of any kind or character shall be made by or on behalf of the Payor or any other Person on its behalf with respect to this Note and (y) upon the request of either of the

Collateral Agents, no amounts evidenced by this Note owing by any Payor to any Payee that is a Credit Party shall be forgiven or otherwise reduced in any way, other than as a result of payment in full thereof made in cash;

(iii) If any payment or distribution of any character, whether in cash, securities or other property (other than Restructured Debt Securities), in respect of this Note shall (despite these subordination provisions) be received by any Payee in violation of clause (i) or (ii) above before all Senior Indebtedness shall have been irrevocably paid in full in cash (other than Hedging Obligations under Secured Hedging Agreements, Cash Management Obligations under Secured Cash Management Agreements or contingent indemnification obligations), such payment or distribution shall be held in trust (segregated from other property of such Payee) for the benefit of the Collateral Agents, and shall be paid over or delivered in accordance with the Intercreditor Agreement; and

(iv) Each Payee agrees to file all claims against each relevant Payor in any bankruptcy or other proceeding in which the filing of claims is required by law in respect of any Senior Indebtedness, and the Collateral Agents shall be entitled to all of such Payee's rights thereunder. If for any reason a Payee fails to file such claim at least ten Business Days prior to the last date on which such claim should be filed, such Payee hereby irrevocably appoints each Collateral Agent as its true and lawful attorney-in-fact and each Collateral Agent is hereby authorized to act as attorney-in-fact in such Payee's name to file such claim or, in such Collateral Agent's discretion, to assign such claim to and cause proof of claim to be filed in the name of the relevant Collateral Agent or its nominee. In all such cases, whether in administration, bankruptcy or otherwise, the person or persons authorized to pay such claim shall pay to the Collateral Agents the full amount payable on the claim in the proceeding, and, to the full extent necessary for that purpose, each Payee hereby assigns to the Collateral Agents all of such Payee's rights to any payments or distributions to which such Payee otherwise would be entitled. If the amount so paid is greater than such Payee's liability hereunder, the Collateral Agents shall pay the excess amount to the party entitled thereto. In addition, each Payee hereby irrevocably appoints each Collateral Agent as its attorney in fact to exercise all of such Payee's voting rights in connection with any bankruptcy proceeding or any plan for the reorganization of each relevant Payor.

To the fullest extent permitted by law, no present or future holder of Senior Indebtedness shall be prejudiced in its right to enforce the subordination of this Note by any act or failure to act on the part of any Payor or by any act or failure to act on the part of such holder or any trustee or agent for such holder. Each Payee and each Payor hereby agree that the subordination of this Note is for the benefit of the Collateral Agents and the other Secured Parties. The Collateral Agents and the other Secured Parties are obligees under this Note to the same extent as if their names were written herein as such and the respective Collateral Agent may, on behalf of itself, and the Secured Parties, proceed to enforce the subordination provisions herein.

Nothing contained in the subordination provisions set forth above is intended to or will impair, as between each Payor and each Payee, the obligations of such Payor, which are absolute and unconditional, to pay to such Payee the principal of and interest on this Note as and when due and payable in accordance with its terms, or is intended to or will affect the relative rights of such Payee and other creditors of such Payor other than the holders of Senior Indebtedness.

Each Payee is hereby authorized to record all loans and advances made by it to any Payor (all of which shall be evidenced by this Note), and all repayments or prepayments thereof, in its books and records, such books and records constituting prima facie evidence of the accuracy of the information contained therein; provided that the failure of any Payee to record such information shall not affect any Payor's obligations in respect of intercompany Indebtedness extended by such Payee to such Payor.

Each Payor hereby waives presentment, demand, protest or notice of any kind in connection with this Note. All payments under this Note shall be made without offset, counterclaim or deduction of any kind.

It is understood that this Note shall only evidence Indebtedness.

This Note shall be binding upon each Payor and its successors and assigns, and the terms and provisions of this Note shall inure to the benefit of each Payee and their respective successors and assigns, including subsequent holders hereof. Notwithstanding anything to the contrary contained herein, in any other Credit Document or in any other promissory note or other instrument, this Note replaces and supersedes any and all promissory notes or other instruments which create or evidence any loans or advances made on, before or after the date hereof by any Payee to any other Subsidiary.

From time to time after the date hereof, additional Subsidiaries of Holdings may become parties hereto (as Payor and/or Payee, as the case may be) by executing a counterpart signature page hereto, which shall automatically be incorporated into this Note (each additional Subsidiary, an "Additional Party"). This Note shall be fully effective as to any Payor or Payee that is or becomes a party hereto regardless of whether any other person becomes or fails to become or ceases to be a Payor or Payee hereunder.

In the event either of the Collateral Agents enter into any Customary Intercreditor Agreement, the Collateral Agents shall be authorized (without the consent of any Lender) to enter into such amendments to this Note as may be necessary to reflect the provisions of such Customary Intercreditor Agreement.

THIS NOTE AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Agents or other Person, as applicable, pursuant to this Note and the exercise of any right or remedy by the Collateral Agents or other Person, as applicable, hereunder are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and this Note, the terms of the Intercreditor Agreement shall govern and control.

(B) the Collateral shall not include any Excluded Property and no Grantor shall be deemed to have granted a Security Interest in any of such Grantor's rights or interests in any Excluded Property; and

(b) Each Grantor hereby irrevocably authorizes the Collateral Agent at any time and from time to time to file in any relevant jurisdiction any initial financing statements (including fixture filings) with respect to the Collateral or any part thereof and amendments thereto and continuations thereof that contain the information required by Article 9 of the Uniform Commercial Code of each applicable jurisdiction for the filing of any financing statement or amendment or continuation, including whether such Grantor is an organization, the type of organization and any organizational identification number issued to such Grantor. Such financing statements may describe the Collateral in the same manner as described herein or may contain an indication or description of collateral that describes such property in any other manner such as "all assets" or "all personal property, whether now owned or hereafter acquired" of such Grantor or words of similar effect as being of an equal or lesser scope or with greater detail and in the case of a financing statement filed as a fixture filing or covering the Collateral constituting minerals or the like to be extracted or timber to be cut, a sufficient description of the real property to which such Collateral relates. Each Grantor agrees to provide such information to the Collateral Agent promptly upon request.

Each Grantor also ratifies any authorization previously given in writing to the Collateral Agent to file in any relevant jurisdiction any initial financing statements or amendments thereto or continuations thereof if filed prior to the date hereof.

The Collateral Agent is further authorized to file with the United States Patent and Trademark Office or United States Copyright Office (or any successor office) such documents executed by any Grantor as may be necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing, protecting or providing notice of the Security Interests granted by such Grantor in respect of U.S. Recordable Intellectual Property, executed by such Grantor, and naming the applicable Grantor or the Grantors as debtors and the Collateral Agent as secured party.

This Agreement secures the payment of all the First Lien Obligations. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts that constitute part of the First Lien Obligations and would be owed to the Collateral Agent or the First Lien Secured Parties but for the fact that they are unenforceable or not allowable due to the existence of a proceeding under any Debtor Relief Law involving any Grantor.

The Security Interests created hereby are granted as security only and shall not subject the Collateral Agent or any other First Lien Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Collateral.

3. Representations and Warranties.

Each Grantor hereby represents and warrants to the Collateral Agent and each other First Lien Secured Party that:

To the knowledge of such Grantor, no action or proceeding seeking to limit, cancel or question the validity of such Grantor's ownership interest in the Collateral, that would reasonably be expected to result in a Material Adverse Effect, is pending or threatened. None of the Grantors has filed or consented to the filing of any (x) security agreement, financing statement or analogous document under the Uniform Commercial Code or any other Applicable Laws covering any Collateral, (y) assignment for security in which any Grantor assigns any U.S. Recordable Intellectual Property or any security agreement or similar instrument covering any U.S. Recordable Intellectual Property that is part of the Intellectual Property Collateral with the United States Patent and Trademark Office or the United States Copyright Office, which security agreement, financing statement or similar instrument or assignment is still in effect or (z) assignment for security in which any Grantor assigns any Collateral or any security agreement or similar instrument covering any Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except in the case of each of clauses (x), (y) and (z) above, such as (i) have been filed in favor of the Collateral Agent for the benefit of the First Lien Secured Parties pursuant to this Agreement and the other Credit Documents or (ii) are filed in respect of Liens permitted under each of the First Lien Credit Agreement and any Additional First Lien Agreements. For the avoidance of doubt, any reference herein to Liens permitted under each of the First Lien Credit Agreement and any Additional First Lien Agreements shall mean only Liens permitted to be outstanding under both the First Lien Credit Agreement (so long as it is in effect) and any Additional First Lien Agreement (but only to the extent such agreement exists and is in effect).

3.2. Intellectual Property.

(a) As of the Closing Date, Schedule 1 hereto contains a true and correct list of all (i) United States federal issued patents, pending patent applications, trademark registrations, pending trademark applications and copyright registrations (collectively, the "U.S. Registered Intellectual Property"), owned by each Grantor, and indicating for each such item, as applicable, the application and/or registration number and the identity of the current applicant or registered owner, and (ii) exclusive licenses of third party U.S. Registered Intellectual Property to which a Grantor is an exclusive licensee (together with the U.S. Registered Intellectual Property, the "U.S. Recordable Intellectual Property"), and indicating for each item the name of the agreement, the parties, the date, and a list of any U.S. Registered Intellectual Property exclusively licensed pursuant thereto. Except as set forth on Schedule 1, each Grantor exclusively owns all right, title and interest in and to the U.S. Registered Intellectual Property identified on Schedule 1.

(b) Except as would not reasonably be expected to result in a Material Adverse Effect:

(i) the Intellectual Property Collateral is subsisting, and to such Grantor's knowledge, valid and enforceable and there are no pending or, to such Grantor's knowledge, threatened (in writing) claims challenging the ownership, right to use, validity or enforceability of the Intellectual Property Collateral owned by each Grantor; and

(ii) to such Grantor's knowledge, no Person is engaging in any activity that infringes, misappropriates, dilutes or otherwise violates the Intellectual Property Collateral owned by each Grantor or the Grantor's rights in or use thereof.

3.3. Perfected Security Interests.

(a) Subject to the limitations set forth in clause (b) of this Section 3.3, the First Lien Pledge Agreement and Section 9.11 of the First Lien Credit Agreement, the Security Interests granted pursuant to this Agreement (i) will constitute legal and valid perfected security interests in the Collateral in favor of the Collateral Agent, for the benefit of the First Lien Secured Parties, as collateral security for the First Lien Obligations, upon (A) in the case of Collateral in which a security interest may be perfected by filing a financing statement under the Uniform Commercial Code of any jurisdiction, the filing of financing statements naming each Grantor as "debtor" and the Collateral Agent as "secured party" and describing the Collateral in the applicable filing offices, (B) in the case of Instruments, Tangible Chattel Paper, negotiable Documents and Certificated Securities, the earlier of the delivery thereof to the Collateral Agent and the filing of the financing statements referred to in clause (A), and/or (C) in the case of U.S. Recordable Intellectual Property that is part of the Intellectual Property Collateral in which a security interest may be perfect by such filings, the filing of the financing statements referred to in clause (A) and the completion of the filing and recordation of fully executed agreements in the form of the Intellectual Property Security Agreement set forth in Exhibit 2 hereto with, as applicable, (x) the United States Patent and Trademark Office or (y) the United States Copyright Office and (ii) are prior to all other Liens on the Collateral other than Liens permitted by each of the First Lien Credit Agreement and any Additional First Lien Agreements or Liens having priority over the Collateral Agent's Lien by operation of Applicable Law. No Grantor shall be required to complete any filings or otherwise take any action with respect to the perfection of the Security Interests created hereby in any jurisdiction outside of the United States or incur or reimburse any expense in connection therewith.

(b) Notwithstanding anything to the contrary herein, no Grantor shall be required to perfect the Security Interests created hereby by any means other than (i) filings pursuant to the Uniform Commercial Code, (ii) filings with the United States Patent and Trademark Office or the United States Copyright Office, as applicable, with respect to U.S. Recordable Intellectual Property, (iii) in the case of Collateral that constitutes Tangible Chattel Paper, Instruments, negotiable Documents or Certificated Securities, in each case, to the extent included in the Collateral and required by Section 4.5, delivery to the Collateral Agent to be held in its possession in the United States and (iv) in the case of Collateral that constitutes Commercial Tort Claims taking the actions specified by Section 4.1(d). No Grantor shall be required to (1) (x) enter into any security agreements governed under foreign law or (y) complete any filings or take any other actions in any foreign jurisdiction or required by foreign law to create any security interest in Collateral located or titled outside the United States or to perfect or make enforceable any Security Interest in any foreign jurisdiction or required by foreign law, (2) except as described in clauses (iii) and (iv) above, take actions to perfect by Control, including delivering control agreements with respect to Deposit Accounts, Securities Accounts or Commodity Accounts, (3) take any perfection actions with respect to (x) Letter of Credit Rights, except to the extent constituting Supporting Obligations of other Collateral as to which perfection is accomplished by the filing of a Uniform Commercial Code financing statement or equivalent (it being understood that no actions shall be required to perfect a security interest in Letter of Credit Rights, other than the filing of a Uniform Commercial Code financing statement or equivalent) and (y) Vehicles and other assets subject to certificates of title or (4) deliver Certificated Securities, if any, representing or evidencing the Securities of an Immaterial Subsidiary or Special Purpose Subsidiary or of any Person that is not a Subsidiary.

(c) It is understood and agreed that the Security Interests created hereby shall not prevent the Grantors from using the Collateral in the ordinary course of their respective businesses or as otherwise permitted by the First Lien Credit Agreement and any Additional First Lien Agreements.

(d) The Perfection Certificate has been duly prepared, completed and executed and the information set forth therein (including, without limitation, (i) the exact legal name of each Grantor and (ii) the jurisdiction of organization of each Grantor) is correct and complete in all material respects as of the Closing Date.

4. Covenants.

Each Grantor hereby covenants and agrees with the Collateral Agent and the other First Lien Secured Parties that, from and after the date of this Agreement until the Termination Date:

4.1. Maintenance of Perfected Security Interest; Further Documentation.

(a) Such Grantor shall (i) maintain the Security Interests created hereby as perfected first priority security interests (subject to Section 3.3(b) and to any Lien permitted by each of the First Lien Credit Agreement and any Additional First Lien Agreements) unless such Security Interests cease to be perfected first priority security interests (x) as a result of a release of Collateral permitted under Section 13.17 of the First Lien Credit Agreement or (y) as a result of the Collateral Agent's failure to (1) maintain possession of any Tangible Chattel Paper, Instruments or Certificated Securities delivered to it under the Security Documents or (2) file and maintain proper Uniform Commercial Code statements (including continuation statements) and (ii) subject to Section 3.3(b), take any such actions as may be required under Applicable Law or which the Collateral Agent or the Required Lenders may reasonably request to defend the Security Interests created hereby and the priority thereof against the claims and demands not expressly permitted by each of the First Lien Credit Agreement and any Additional First Lien Agreements of all Persons whomsoever.

(b) Such Grantor will furnish to the Collateral Agent from time to time statements, at such Grantor's sole cost and expense, and schedules further identifying and describing the assets and property of such Grantor and such other reports in connection therewith as the Collateral Agent may reasonably request, all in such detail as the Collateral Agent may reasonably request.

(c) Each Grantor agrees that should it, after the Closing Date, (i) obtain an ownership interest in or become a party to any U.S. Recordable Intellectual Property or (ii) obtain an ownership interest in any United States "intent-to-use" trademark application for which an "Amendment to Allege Use" or a verified "Statement of Use" has been filed and accepted by the United States Patent and Trademark Office that would, in each case, had it been owned on the Closing Date, be considered a part of the Intellectual Property Collateral (collectively, "After-Acquired Intellectual Property Collateral"), such After-Acquired Intellectual Property Collateral shall automatically become part of the Intellectual Property Collateral, subject to the terms and conditions of this Agreement with respect thereto. In addition, such Grantor shall, on the date the Borrower is required to deliver the Section 9.1 Financials for the immediately succeeding fiscal period of the Borrower occurring after the acquisition of such After-Acquired Intellectual Property Collateral, execute and deliver to the Collateral Agent agreements substantially in the form of Exhibit 2 hereto (an "Intellectual Property Security Agreement") covering such After-Acquired Intellectual Property Collateral to be recorded with the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

(d) As of the Closing Date, each Grantor hereby represents and warrants that it holds no individual Commercial Tort Claim with a value in excess of $10,000,000 other than those listed in

Schedule 2. If any Grantor shall at any time hold or acquire a Commercial Tort Claim for which a claim or counterclaim has been filed and is known to an Authorized Officer of the applicable Grantor, such Grantor shall, on each date that the Borrower is required to deliver Section 9.1 Financials for the next fiscal period of the Borrower to occur after first holding or acquiring such Commercial Tort Claim, notify the Collateral Agent in writing signed by such Grantor setting forth in reasonable detail the basis for and nature of such Commercial Tort Claim and promptly thereafter grant to the Collateral Agent a Security Interest therein and in the Proceeds thereof, all upon the terms of this Agreement. The requirement in the preceding sentence shall not apply to the extent that the amount of any such individual Commercial Tort Claim does not exceed $10,000,000 or the extent that such Grantor shall have previously notified the Collateral Agent with respect to any previously held or acquired Commercial Tort Claim.

(e) Subject to Section 3.3(b), each Grantor agrees that at any time and from time to time, at the expense of such Grantor, it will execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements and other documents or authorizing the Collateral Agent or its designees or sub-agents to do so), which may be required under any Applicable Law or which the Collateral Agent or the Required Lenders (or if there are any Additional First Lien Obligations outstanding, subject to the terms of any intercreditor agreement among the holders of First Lien Obligations, the requisite holders or lenders of such Additional First Lien Obligations) may reasonably request, in order (x) to grant, preserve, protect and perfect the validity and priority of the Security Interests created or intended to be created hereby or (y) to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral, including the filing of any financing or continuation statements under the Uniform Commercial Code in effect in any jurisdiction with respect to the Security Interests created hereby, all at the expense of such Grantor. Without limiting the generality of the foregoing, such Grantor shall comply with Section 9.14 of the First Lien Credit Agreement and any equivalent provision of any Additional First Lien Agreement.

4.2. Changes in Locations, Name, etc. Each Grantor will furnish to the Collateral Agent prompt written notice (which shall in any event be provided within 60 days of such change or such longer period as the Collateral Agent may agree) of any change (i) in its legal name, (ii) in its jurisdiction of incorporation or organization, (iii) in its identity or type of organization or corporate structure or (iv) in its Federal Taxpayer Identification Number or organizational identification number, if any, to the extent such Federal Taxpayer Identification Number or organizational identification number is required to be listed on Uniform Commercial Code financing statements for purposes of perfecting any Security Interest, in each case to the extent required in order for the Collateral Agent to continue at all times following such change to have a valid, legal and perfected Security Interest in the Collateral for the benefit of the First Lien Secured Parties. Each Grantor agrees promptly to provide the Collateral Agent with certified Organizational Documents reflecting any of the changes described in the first sentence of this paragraph.

4.3. Notices.

(a) Each Grantor will advise the Collateral Agent in reasonable detail, of any Lien of which it has knowledge (other than the Security Interests created hereby and other Liens permitted under each of the First Lien Credit Agreement and any Additional First Lien Agreements) on any of the Collateral which would adversely affect, in any material respect, the ability of the Collateral Agent to exercise any of its remedies hereunder.

(b) Upon the occurrence and during the continuation of any Event of Default, and after written notice is delivered to the applicable Grantor, (i) the Collateral Agent may adjust settlement for any insurance policy covering the Collateral in the event of any loss thereunder and/or approve any award granted in any condemnation or similar proceeding affecting the Collateral and (ii) all insurance payments or condemnation awards in respect of any Collateral shall be paid to and applied by the Collateral Agent as specified in Section 5.4.

4.4. Intellectual Property.

(a) With respect to each item of Intellectual Property Collateral owned by each Grantor, each Grantor agrees to take, at its expense, all commercially reasonable steps, including, as applicable, in the United States Patent and Trademark Office, the United States Copyright Office and any other Governmental Authority located in the United States, to (i) maintain the validity and enforceability of such Intellectual Property Collateral and maintain such Intellectual Property Collateral in full force and effect, and (ii) pursue the registration and maintenance of each Patent, Trademark, or Copyright registration or application for registration, now or hereafter included in such Intellectual Property Collateral of such Grantor, in each case except to the extent otherwise permitted by the First Lien Credit Agreement or to the extent failure to do any of the foregoing would not reasonably be expected to result in a Material Adverse Effect.

(b) Such Grantor shall (and shall take reasonable efforts to cause all its licensees to), in such Grantor's reasonable business judgment (i) (1) continue to use each Trademark included in the Intellectual Property Collateral in order to maintain such Trademark in full force and effect with respect to each class of goods or services for which such Trademark is currently used, free from any claim of abandonment for non-use, (2) maintain at least the same standards of quality of products and services offered under such Trademark as are currently maintained, (3) use such Trademark with the appropriate notice of registration and all other notices and legends required by Applicable Law and (ii) not do any act or omit to do any act whereby (w) such Trademark (or any goodwill associated therewith) may become destroyed, invalidated, impaired or harmed in any way, (x) any Patent included in the Intellectual Property Collateral may become forfeited, misused, unenforceable, abandoned or dedicated to the public or (y) any portion of the Copyrights included in the Intellectual Property Collateral may become invalidated, otherwise impaired or fall into the public domain, in each case except to the extent otherwise permitted by the First Lien Credit Agreement or to the extent failure to do any of the foregoing would not reasonably be expected to result in a Material Adverse Effect.

(c) Except as permitted by the First Lien Credit Agreement or except to the extent any of the following actions would not reasonably be expected to result in a Material Adverse Effect, no Grantor shall abandon or allow to lapse any owned Intellectual Property Collateral unless such Grantor shall have determined that the pursuit or maintenance of such Intellectual Property Collateral is no longer desirable in the conduct of such Grantor's business.

(d) In the event that any Grantor becomes aware after the Closing Date that any item of its material Intellectual Property Collateral is being infringed, diluted, violated or misappropriated by a third party in any way that would reasonably be expected to have a Material Adverse Effect, such Grantor shall promptly notify the Collateral Agent and take such actions, at its expense, as such Grantor deems to be reasonable and appropriate under the circumstances to protect or enforce such Intellectual Property Collateral, including, if such Grantor deems it necessary, suing for infringement, dilution, violation or misappropriation and for an injunction against such infringement, dilution violation or misappropriation.

(e) With respect to its U.S. Recordable Intellectual Property owned by such Grantor in its own name or to which such Grantor is a party on the Closing Date, as and when required by Section 4.1(c), each Grantor agrees to execute and deliver an Intellectual Property Security Agreement, to the Collateral Agent covering such U.S. Recordable Intellectual Property to be recorded with, as applicable, the United States Patent and Trademark Office or the United States Copyright Office.

(f) Notwithstanding anything to the contrary, nothing in this Agreement prevents any Grantor from disposing of, discontinuing the use or maintenance of, failing to pursue, or otherwise allowing to lapse, terminate or put into the public domain any of its Intellectual Property Collateral to the extent determined in its reasonable business judgment or as permitted by the First Lien Credit Agreement.

4.5. Investment Property. Subject to Section 3.3(b) and the First Lien Pledge Agreement, and limited to the requirements of Section 9.11 of the First Lien Credit Agreement, if any of the Collateral (other than any property included in the definition of "Collateral" in the First Lien Pledge Agreement) is or shall become evidenced or represented by any Instrument, negotiable Document, Certificated Security or Tangible Chattel Paper, such Instrument (other than checks received in the ordinary course of business), negotiable Document, Certificated Security or Tangible Chattel Paper shall, in each case, be promptly delivered to the Collateral Agent on each date that the Borrower is required to deliver Section 9.1 Financials for the next fiscal period of the Borrower to occur after such Collateral first is or becomes evidenced or represented by any Instrument, negotiable Document, Certificated Security or Tangible Chattel Paper, duly endorsed in a manner reasonably satisfactory to the Collateral Agent, to be held as Collateral pursuant to this Agreement, if the Fair Market Value of any such individual Instrument, negotiable Document or Tangible Chattel Paper exceeds $10,000,000, in each case except to the extent constituting Excluded Capital Stock, Capital Stock of an Immaterial Subsidiary or Special Purpose Subsidiary or Capital Stock of a Minority Investment.

5. Remedial Provisions.

5.1. Certain Matters Relating to Accounts.

(a) At any time after the occurrence and during the continuation of an Event of Default, and after prior written notice is delivered to the Grantor, the Collateral Agent shall have the right to make test verifications of the Accounts in any manner and through any medium that it reasonably considers advisable, and each Grantor shall furnish all such assistance and information as the Collateral Agent may reasonably require in connection with such test verifications. The Collateral Agent shall have the absolute right to share any information it gains from such inspection or verification with any First Lien Secured Party; provided that the provisions of Section 13.16 of the First Lien Credit Agreement or any equivalent provision of any Additional First Lien Agreement shall apply to such information.

(b) The Collateral Agent hereby authorizes each Grantor to collect such Grantor's Accounts and the Collateral Agent may curtail or terminate said authority at any time upon three Business Days' prior written notice after the occurrence and during the continuation of an Event of Default. If required in writing by the Collateral Agent at any time after the occurrence and during the continuation of an Event of Default, any payments of Accounts, when collected by any Grantor, (i) shall be forthwith (and, in any event, within three Business Days) deposited by such Grantor in the exact form received, duly endorsed by such Grantor to the Collateral Agent if required, in a Deposit Account maintained under the sole dominion and control of and on terms and conditions reasonably satisfactory to the Collateral Agent (the "Collateral Account"), subject to withdrawal by the Collateral Agent for the account of the First Lien Secured Parties only as provided in Sections 5.4 and 5.5, and (ii) until so turned over, shall be held by such Grantor in trust for the Collateral Agent and the other First Lien Secured Parties, segregated from other funds of such Grantor. Each such deposit of Proceeds of Accounts shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

(c) At the Collateral Agent's written request at any time after the occurrence and during the continuation of an Event of Default, each Grantor shall deliver to the Collateral Agent all original and other documents evidencing, and relating to, the agreements and transactions which gave rise to the Accounts, including all original orders, invoices and shipping receipts.

(d) Upon the occurrence and during the continuation of an Event of Default, and after prior written notice thereof is delivered to the Grantor, a Grantor shall not grant any extension of the time of payment of any of the Accounts, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any person liable for the payment thereof, or allow any credit or discount whatsoever thereon if the Collateral Agent shall have instructed such Grantor in writing not to grant or make any such extension, credit, discount, compromise, or settlement under any circumstances during the continuation of such Event of Default.

(e) Except as otherwise provided in this Section 5.1, each Grantor may continue to collect, at its own expense, all amounts due or to become due to such Grantor under the Accounts. In connection with such collections, each Grantor may take such action as such Grantor may deem necessary or advisable to enforce collection of amounts due or to become due under the Accounts.

5.2. Communications with Obligors; Grantors Remain Liable.

(a) The Collateral Agent in its own name or in the name of others may at any time after the occurrence and during the continuation of an Event of Default, after giving reasonable prior written notice to the relevant Grantor of its intent to do so, communicate with obligors under the Accounts to verify with them to the Collateral Agent's satisfaction the existence, amount and terms of any Accounts. The Collateral Agent shall have the absolute right to share any information it gains from such inspection or verification with any First Lien Secured Party; provided, that the provisions of Section 13.16 of the First Lien Credit Agreement or any equivalent provision of any Additional First Lien Agreement shall apply to such information.

(b) Upon the prior written request of the Collateral Agent at any time after the occurrence and during the continuation of an Event of Default (it being understood that the exercise of remedies by the First Lien Secured Parties in connection with an Event of Default under Section 11.5 of the First Lien Credit Agreement or any equivalent provision of any Additional First Lien Agreement shall be deemed to constitute a request by the Collateral Agent for the purposes of this sentence and in such circumstances, no such written notice shall be required), each Grantor shall notify obligors on the Accounts that the Accounts have been assigned to the Collateral Agent, for the benefit of the First Lien Secured Parties, and that payments in respect thereof shall be made directly to the Collateral Agent and that the Collateral Agent may enforce such Grantor's rights against such obligors.

(c) Anything herein to the contrary notwithstanding, each Grantor shall remain liable under each of the Accounts to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. Neither the Collateral Agent nor any First Lien Secured Party shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by the Collateral Agent or any First Lien Secured Party of any payment relating thereto, nor shall the Collateral Agent or any First Lien Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

5.3. Proceeds to be Turned Over To Collateral Agent. In addition to the rights of the Collateral Agent and the other First Lien Secured Parties specified in Section 5.1 with respect to payments of Accounts, if an Event of Default shall occur and be continuing and the Collateral Agent gives prior notice in writing to the relevant Grantor (it being understood that the exercise of remedies by

the First Lien Secured Parties in connection with an Event of Default under Section 11.5 of the Credit Agreement or any equivalent provision of any Additional First Lien Agreement shall be deemed to constitute a request by the Collateral Agent for the purposes of this sentence and in such circumstances, no such written notice shall be required), all Proceeds received by any Grantor consisting of cash, checks and other near-cash items shall be held by such Grantor in trust for the Collateral Agent and the other First Lien Secured Parties, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, be turned over to the Collateral Agent in the exact form received by such Grantor (duly endorsed by such Grantor to the Collateral Agent, if required). All Proceeds received by the Collateral Agent under this Section 5.3 shall be held by the Collateral Agent in a Collateral Account maintained under its sole dominion and control and on terms and conditions reasonably satisfactory to the Collateral Agent. All Proceeds while held by the Collateral Agent in a Collateral Account (or by such Grantor in trust for the Collateral Agent and the other First Lien Secured Parties) shall continue to be held as collateral security for all the First Lien Obligations and shall not constitute payment thereof until applied as provided in Section 5.4.

5.4. Application of Proceeds.

(a) Except as expressly provided elsewhere in this Agreement or any other Credit Document, all proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral (including, for the avoidance of doubt, all amounts on deposit in the Collateral Account) shall be applied as follows:

(i) FIRST, to the payment of all reasonable and documented out-of-pocket costs and expenses incurred by the Collateral Agent in connection with such sale, collection or realization or otherwise in connection with this Agreement, the other Credit Documents, any Additional First Lien Agreement or any of the First Lien Obligations, including all court costs and the reasonable and documented fees and expenses of its agents and legal counsel, the repayment of all advances made by the Collateral Agent hereunder or under any other Credit Document on behalf of any Grantor and any other reasonable and documented out-of-pocket costs or expenses incurred in connection with the exercise of any right or remedy hereunder, under any other Credit Document or under any Additional First Lien Agreement;

(ii) SECOND, to the First Lien Secured Parties, an amount equal to all First Lien Obligations owing to them on the date of any such distribution, and, if such moneys shall be insufficient to pay such amounts in full, then ratably (without priority of any one over any other) to such First Lien Secured Parties in proportion to the unpaid amounts thereof;

(iii) THIRD, any balance of such proceeds shall be applied as set forth in Section 4.01 of the First Lien/Second Lien Intercreditor Agreement; and

(iv) FOURTH, any surplus then remaining shall be paid to the Grantors or their successors or assigns or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

Notwithstanding the foregoing, (i) no amounts received from any Grantor shall be applied to any Excluded Swap Obligation of such Grantor and (ii) after the payments pursuant to clause FIRST above, if an intercreditor agreement (including an Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) has been entered into among the holders of First Lien Obligations which provides for the application of proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral, then such

proceeds shall be applied pursuant to the terms of such intercreditor agreement (including an Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) and in making the determination and allocations required in any intercreditor agreement the Collateral Agent may conclusively rely upon information supplied by the applicable Authorized Representatives as to the amounts of unpaid principal and interest and other amounts outstanding with respect to such First Lien Obligations and the Collateral Agent shall have no liability to any of the First Lien Secured Parties for actions taken in reliance on such information.

(b) The Collateral Agent shall have absolute discretion as to the time of the application of any such proceeds in accordance with this Section 5.4. Upon any sale of the Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

5.5. Code and Other Remedies. If an Event of Default shall occur and be continuing, the Collateral Agent may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the NY UCC or any other Applicable Law or in equity and also may without demand of performance or other demand, presentment, protest, advertisement or notice of any kind except as specified below, withdraw all amounts held in the Collateral Account and sell the Collateral or any part thereof in one or more parcels at public or private sale, at any exchange broker's board or at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, at such price or prices and upon such other terms as are commercially reasonable irrespective of the impact of any such sales on the market price of the Collateral. The Collateral Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers of Collateral to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and, upon consummation of any such sale, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by Applicable Law) all rights of redemption, stay and/or appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent or any First Lien Secured Party shall have the right upon any such public sale, and, to the extent permitted by Applicable Law, upon any such private sale, to purchase the whole or any part of the Collateral so sold and the Collateral Agent or such First Lien Secured Party may, subject to (x) the satisfaction in full in cash of all payments due pursuant to Section 5.4(a)(i) hereof and (y) the satisfaction of the First Lien Obligations in accordance with the priorities set forth in Section 5.4(a) hereof, pay the purchase price by crediting the amount thereof against the First Lien Obligations. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the extent permitted by Applicable Law, each Grantor hereby waives any claim against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. Each Grantor further agrees, at the Collateral Agent's

request, to assemble the Collateral and make it available to the Collateral Agent at places which the Collateral Agent shall reasonably select, whether at such Grantor's premises or elsewhere. The Collateral Agent shall apply the net proceeds of any action taken by it pursuant to this Section 5.5 in accordance with the provisions of Section 5.4 hereof. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 5.5 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the NY UCC or its equivalent in other jurisdictions.

5.6. Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay the First Lien Obligations and the fees and disbursements of any attorneys employed by the Collateral Agent or any First Lien Secured Party to collect such deficiency.

5.7. Amendments, etc. with Respect to the First Lien Obligations; Waiver of Rights. Except for the termination of a Grantor's First Lien Obligations hereunder as provided in Section 6.5, each Grantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Grantor and without notice to or further assent by any Grantor, (a) any demand for payment of any of the First Lien Obligations made by the Collateral Agent or any other First Lien Secured Party may be rescinded by such party and any of the First Lien Obligations continued, (b) the First Lien Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or any other First Lien Secured Party, (c) the Secured Debt Documents, any Additional First Lien Agreement and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, in accordance with the terms of the applicable Secured Debt Document or Additional First Lien Agreement and (d) any collateral security, guarantee or right of offset at any time held by the Collateral Agent or any other First Lien Secured Party for the payment of the First Lien Obligations may be sold, exchanged, waived, surrendered or released. Neither the Collateral Agent nor any other First Lien Secured Party shall have any obligation to protect, perfect or insure any Lien at any time held by it as security for the First Lien Obligations or for this Agreement or any property subject thereto. When making any demand hereunder against any Grantor, the Collateral Agent or any other First Lien Secured Party may, but shall be under no obligation to, make a similar demand on the Borrower or any other Grantor, and any failure by the Collateral Agent or any other First Lien Secured Party to make any such demand or to collect any payments from the Borrower or any other Grantor or any release of the Borrower or any other Grantor shall not relieve any Grantor in respect of which a demand or collection is not made or any Grantor not so released of its several obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Collateral Agent or any other First Lien Secured Party against any Grantor. For the purpose hereof "demand" shall include the commencement and continuance of any legal proceedings.

5.8. Conflict with First Lien Credit Agreement and Intercreditor Agreements. In the event of any conflict between the terms of this Section 5 and the First Lien Credit Agreement, any Equal Priority Intercreditor Agreement or any Customary Intercreditor Agreement, the First Lien Credit Agreement, such Equal Priority Intercreditor Agreement or such Customary Intercreditor Agreement, as applicable, shall prevail.

5.9. Intellectual Property. Each Grantor hereby grants to the Collateral Agent, for use solely upon the occurrence and during the continuance of an Event of Default and after prior written

notice from the Collateral Agent to the Grantors, a non-exclusive, irrevocable, fully paid-up, royalty-free, worldwide license to use, assign, or license or sublicense the rights to use, copy, display, perform, distribute and/or make derivative works of the Intellectual Property Collateral now owned or hereafter acquired by such Grantor. Such license shall include reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer programs and equipment used for the compilation or printout thereof, in each case, subject to Applicable Law and any Grantor's reasonable security policies and obligations of confidentiality; provided, however, that nothing in this Section 5.9 shall require any Grantor to grant any license, sublicense or assignment that is prohibited by any Applicable Law or is prohibited by, or constitutes a breach of default under or results in the termination of or gives rise to any right of acceleration, modification or cancellation under any contract, license, agreement, instrument or other document evidencing, giving rise to a right to use or theretofore granted with respect to such Intellectual Property Collateral, provided, further, that such licenses to be granted hereunder with respect to Trademarks shall be subject to the quality control standards applicable to each such Trademark as in effect as of the date such licenses hereunder are granted; provided, further, that any licenses granted hereunder by the Collateral Agent shall be binding upon the Grantors notwithstanding any subsequent cure of an Event of Default.

6. The Collateral Agent.

6.1. Collateral Agent's Appointment as Attorney-in-Fact, etc.

(a) Each Grantor hereby appoints, which appointment is irrevocable and coupled with an interest, effective upon the occurrence and during the continuation of an Event of Default, the Collateral Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, for the purpose of carrying out the terms of this Agreement, the other Credit Documents and any Additional First Lien Agreement, to take any and all appropriate action and to execute any and all documents and instruments which the Collateral Agent may deem necessary or desirable to accomplish the purposes of this Agreement, the other Credit Documents and any Additional First Lien Agreement and, without limiting the generality of the foregoing, each Grantor hereby gives the Collateral Agent the power and right, on behalf of such Grantor, either in the Collateral Agent's name or in the name of such Grantor or otherwise, without assent by such Grantor, to do any or all of the following at the same time or at different times, in each case after the occurrence and during the continuation of an Event of Default and after written notice by the Collateral Agent of its intent to do so:

(ii) in the case of any Intellectual Property Collateral, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Collateral Agent may reasonably request to evidence the Collateral Agent's and the First Lien Secured Parties' Security Interest in such Intellectual Property Collateral and the goodwill and general intangibles of such Grantor relating thereto or represented thereby;

(xi) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral (with such Grantor's consent (not to be unreasonably withheld or delayed) to the extent such action or its resolution could materially affect such Grantor or any of its Affiliates in any manner other than with respect to its continuing rights in such Collateral; provided that such consent right shall not limit any other rights or remedies available to the Collateral Agent at law);

(xii) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Collateral Agent may deem appropriate (with such Grantor's consent (not to be unreasonably withheld or delayed) to the extent such action or its resolution could materially affect such Grantor or any of its Affiliates in any manner other than with respect to its continuing rights in such Collateral; provided that such consent right shall not limit any other rights or remedies available to the Collateral Agent at law);

(xiii) assign, license, prosecute or maintain any Intellectual Property Collateral throughout the world for such term or terms, on such conditions, and in such manner, as the Collateral Agent shall in its reasonable business discretion determine; and

(xiv) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Collateral Agent were the absolute owner thereof for all purposes, and do, at the Collateral Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things that the Collateral Agent deems necessary to protect, preserve or realize upon the Collateral and the Collateral Agent's and the First Lien Secured Parties' Security Interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 6.1(a) to the contrary notwithstanding, the Collateral Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 6.1(a) unless an Event of Default shall have occurred and be continuing.

(b) If any Grantor fails to perform or comply with any of its agreements contained herein, the Collateral Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.

(c) Each Grantor hereby ratifies all that said attorney shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the Security Interests created hereby are released.

6.2. Duty of Collateral Agent. The Collateral Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the NY UCC or otherwise, shall be to deal with it in the same manner as the Collateral Agent deals with similar property for its own account. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property. Neither the Collateral Agent, any other First Lien Secured Party nor any of their respective officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Collateral Agent and the other First Lien Secured Parties hereunder are solely to protect the Collateral Agent's and the other First Lien Secured Parties' interests in the Collateral and shall not impose any duty upon the Collateral Agent or any other First Lien Secured Party to exercise any such powers. The Collateral Agent and the other First Lien Secured Parties shall be accountable only for the safe custody of any Collateral in its possession and for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

6.3. Authority of Collateral Agent. Each Grantor acknowledges that the rights and responsibilities of the Collateral Agent under this Agreement with respect to any action taken by the Collateral Agent or the exercise or non-exercise by the Collateral Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Collateral Agent and the other First Lien Secured Parties, be governed by this Agreement or, if there are any Additional First Lien Obligations, by this Agreement, an Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement with respect thereto and such other agreements with respect thereto as may exist from time to time among them, but, as between the Collateral Agent and the Grantors, the Collateral Agent shall be conclusively presumed to be acting as agent for the applicable First Lien Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

6.4. Security Interest Absolute. All rights of the Collateral Agent hereunder, the Security Interests created hereby and all obligations of the Grantors hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the First Lien Credit Agreement,

any other Credit Document, any Additional First Lien Agreement, any agreement with respect to any of the First Lien Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the First Lien Obligations, or any other amendment or waiver of or any consent to any departure from the First Lien Credit Agreement, any other Credit Document, any Additional First Lien Agreement or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the First Lien Obligations, or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the First Lien Obligations or this Agreement.

6.5. Continuing Security Interest; Assignments Under the Secured Debt Documents or any Additional First Lien Agreement; Release.

(a) This Agreement shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon each Grantor and the successors and assigns thereof and shall inure to the benefit of the Collateral Agent and the other First Lien Secured Parties and their respective successors, indorsees, transferees and assigns until the Termination Date.

(c) The Security Interests created hereby in any Collateral shall be automatically released and such Collateral sold free and clear of the Lien and Security Interests created hereby (i) to the extent such Collateral is comprised of property leased to a Grantor by a Person that is not a Grantor, upon termination or expiration of such lease, (ii) as required by the Collateral Agent to effect any sale, transfer or other Disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to this Agreement, (iii) upon any sale, transfer or other Disposition by any Grantor of any Collateral that is permitted under the First Lien Credit Agreement and each Additional First Lien Agreement (other than to another Grantor), (iv) upon the effectiveness of any release (including any written consent to such release) of the Lien and Security Interests created hereby in any Collateral in accordance with Section 13.17 of the First Lien Credit Agreement and any applicable provision in each Additional First Lien Agreement, (v) upon such Collateral becoming Excluded Capital Stock or Excluded Property, (vi) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the First Lien Guarantee (in accordance with Section 13.17 of the First Lien Credit Agreement and the First Lien Guarantee) or (vii) as otherwise provided in any applicable intercreditor agreement (including any Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) among holders of First Lien Obligations.

(d) In connection with any termination or release pursuant to paragraph (a), (b) or (c), the Collateral Agent shall execute and deliver to any Grantor or authorize the filing of, at such Grantor's expense, all documents that such Grantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 6.5 shall be without recourse to or warranty by the Collateral Agent.

6.6. Reinstatement. This Agreement shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the First Lien Obligations is rescinded or must otherwise be restored or returned by the Collateral Agent or any other First Lien Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any other Grantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any other Grantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

7. Miscellaneous.

7.1. Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the affected Grantors and the Collateral Agent in accordance with Section 13.1 of the First Lien Credit Agreement; provided, however, that this Agreement may be supplemented (but no existing provisions may be modified and no Collateral may be released) through agreements substantially in the form of Exhibit 1, in each case duly executed by each Grantor directly affected thereby.

The Collateral Agent may, without the consent of any Lender, enter into any amendments to this Agreement (including modifications of the terms "Additional First Lien Agreement" and "Additional First Lien Obligations" and any provisions of this Agreement referencing such terms) to reflect the Incurrence of any Indebtedness secured by a Lien permitted by Section 10.2(a) of the Credit Agreement that is not secured by Liens granted under this Agreement.

7.2. Notices. All notices, requests and demands pursuant hereto shall be made in accordance with Section 13.2 of the First Lien Credit Agreement (whether or not then in effect). All communications and notices hereunder to any Subsidiary Grantor shall be given to it in care of the Borrower at the Borrower's address set forth in Section 13.2 of the First Lien Credit Agreement (whether or not then in effect). All notices to any holder of Additional First Lien Obligations shall be given to it in care of the applicable Authorized Representative at such Authorized Representative's address set forth in the applicable Additional Secured Party Consent or Additional First Lien Agreement, as the case may be, as such address may be changed by written notice to the Collateral Agent and the Borrower.

7.3. No Waiver by Course of Conduct; Cumulative Remedies. Neither the Collateral Agent nor any other First Lien Secured Party shall by any act (except by a written instrument pursuant to Section 7.1 hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof or of any other applicable Secured Debt Document or of any Additional First Lien Agreement. No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent or any other First Lien Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Collateral Agent or any other First Lien Secured Party of any right or remedy hereunder on any one

occasion shall not be construed as a bar to any right or remedy that the Collateral Agent or such other First Lien Secured Party would otherwise have on any other occasion. The rights, remedies, powers and privileges herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

7.4. Enforcement Expenses; Indemnification.

(a) Each Grantor agrees to pay any and all reasonable and documented expenses (including all reasonable fees, expenses, disbursements and other charges of counsel) that may be paid or incurred by the Collateral Agent in enforcing, or obtaining advice of counsel in respect of, any rights with respect to, or collecting, any or all of the First Lien Obligations and/or enforcing any rights with respect to, or collecting against, such Grantor under this Agreement to the extent the Borrower would be required to do so pursuant to Section 13.5 of the First Lien Credit Agreement.

(b) Without limitation of its indemnification obligations under the other Credit Documents or any Additional First Lien Agreements, each Grantor agrees to pay, indemnify and to hold harmless the Collateral Agent and the other First Lien Secured Parties (each, an "Indemnified Party") from and against any and all losses, claims, damages, liabilities or penalties (collectively, "Losses") of any kind or nature whatsoever and the reasonable and documented or invoiced out of pocket expenses, joint or several, to which any such Indemnified Party may become subject, in each case to the extent any such Losses and related expenses arise out of, result from, or are in connection with any action, claim, litigation, investigation or other proceeding (including any inquiry or investigation of the foregoing) (any of the foregoing, a "Proceeding") (regardless of whether such Indemnified Party is a party thereto or whether or not such Proceeding was brought by such Grantor, its equity holders, affiliates or creditors or any other third person), and, subject to Section 13.5(e) of the First Lien Credit Agreement, to reimburse each such Indemnified Party promptly for any reasonable and documented or invoiced out of pocket fees and expenses incurred in connection with investigating, responding to or defending any of the foregoing, in each case to the extent the Borrower would be required to do so pursuant to Section 13.5 of the First Lien Credit Agreement (whether or not then in effect) or any comparable provision of any Additional First Lien Agreement.

(c) Any such amounts payable as provided hereunder shall be Additional First Lien Obligations secured hereby and by the other Security Documents and any Additional First Lien Agreements. The agreements in this Section 7.4 shall survive termination of this Agreement, any other Credit Document or any Additional First Lien Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the First Lien Obligations, the invalidity or unenforceability of any term or provision of this Agreement, any other Credit Document or any Additional First Lien Agreement or any investigation made by or on behalf of the Collateral Agent or any other First Lien Secured Party. All amounts due under this Section 7.4 shall be payable on written demand therefor.

7.5. Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective designees, sub-agents, successors and assigns permitted hereby, except that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent, except pursuant to a transaction permitted by each of the First Lien Credit Agreement and any Additional First Lien Agreements.

7.6. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission (i.e. a "pdf" or "tif')), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Collateral Agent and the Borrower.

7.7. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

7.8. Section Headings. The section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

7.9. Integration. This Agreement, together with the other Credit Documents and each Additional First Lien Agreement represents the agreement of each of the Grantors with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by the Collateral Agent or any other First Lien Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Secured Debt Documents or any Additional First Lien Agreement (and each other agreement or instrument executed or issued in connection therewith).

7.10. **GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.**

7.11. Submission to Jurisdiction Waivers. Each Grantor hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement, the other Credit Documents to which it is a party and any Additional First Lien Agreement to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York located in the County of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Grantor at its address referred to in Section 7.2 or at such other address of which the Collateral Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right of the Collateral Agent or any other First Lien Secured Party to effect service of process in any other manner permitted by law or shall limit the right of the Collateral Agent or any other First Lien Secured Party to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 7.11 any special, exemplary, punitive or consequential damages.

7.12. Acknowledgments. Each Grantor hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Credit Documents to which it is a party;

(b) neither the Collateral Agent nor any other First Lien Secured Party has any fiduciary relationship with or duty to any Grantor arising out of or in connection with this Agreement or any of the other Credit Documents, and the relationship between the Grantors, on the one hand, and the Collateral Agent and the other First Lien Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor;

(c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the First Lien Secured Parties or among the Grantors and the First Lien Secured Parties; and

(d) upon any Event of Default, the Collateral Agent may proceed against any Grantor and any Collateral to collect and recover the full amount of any First Lien Obligation then due, without first proceeding against any other Grantor, any other Credit Party or any other Collateral and without first joining any other Grantor or any other Credit Party in any proceeding.

7.13. Additional Grantors. Each Subsidiary of the Borrower that is required to become a party to this Agreement pursuant to Section 9.10 of the First Lien Credit Agreement and/or the equivalent provision of any Additional First Lien Agreement and the terms hereof shall become a Grantor, with the same force and effect as if originally named as a Grantor herein, for all purposes of this Agreement upon execution and delivery by such Subsidiary of a supplement substantially in the form of Exhibit 1 hereto. The execution and delivery of any instrument adding an additional Grantor as a party to this Agreement shall not require the consent of any other Grantor hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

7.14. **WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.**

7.15. Intercreditor Agreement. Notwithstanding any other provision contained herein, this Agreement, the liens and security interests created hereby and the exercise of any rights, remedies, duties and obligations provided for herein are subject in all respects to the provisions of any intercreditor agreement (including any Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) and, to the extent provided therein, the First Lien Security Documents (as such term or similar term is defined in any applicable intercreditor agreement). In the event of any conflict or inconsistency between the provisions of this Agreement and any intercreditor agreement (including any Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) among the holders of First Lien Obligations that relates solely to the rights or obligations of, or relationship between, the First Lien Secured Parties under the First Lien Credit Agreement and the First Lien Secured Parties under any Additional First Lien Agreement, the provisions of such intercreditor agreement shall control.

7.16. Additional First Lien Obligations. On or after the date hereof and so long as permitted by the First Lien Credit Agreement and each Additional First Lien Agreement then outstanding, the Borrower may from time to time designate Indebtedness at the time of Incurrence to be secured by Liens on the Collateral on a basis that rank equal in priority to the Liens on the Collateral securing the Obligations or any other First Lien Obligations if then in effect, as Additional First Lien Obligations hereunder by delivering to the Collateral Agent and if any Additional First Lien Agreement is then in effect, each Authorized Representative (a) a certificate signed by an Authorized Officer of the Borrower (i) identifying the obligations so designated and the initial aggregate principal amount or face amount thereof, (ii) stating that such obligations are designated as Additional First Lien Obligations for purposes hereof, (iii) representing that such designation of such obligations as Additional First Lien Obligations complies with the terms of the First Lien Credit Agreement and any Additional First Lien Agreement then outstanding and (iv) specifying the name and address of the Authorized Representative for such obligations, (b) if applicable, (i) a fully executed Additional Secured Party Consent (in the form attached as Exhibit 3) or (ii) any other instruments reasonably satisfactory to the Collateral Agent setting forth such Authorized Representative's agreement, on behalf of the First Lien Secured Parties under the Additional First Lien Agreement, to be bound by the terms of this Agreement, the First Lien Guarantee and the First Lien Pledge Agreement and (c)(i) a fully executed Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement or (ii) a fully executed joinder agreement to an Equal Priority Intercreditor Agreement if such agreement is then in effect; provided, however, that notwithstanding the foregoing, if the Collateral Agent, the Borrower, and/or any Authorized Representative decide not to execute an Additional Secured Party Consent or any other instrument setting forth such Authorized Representative's agreement, on behalf of the First Lien Secured Parties under the applicable Additional First Lien Agreement, to be bound by the terms of this Agreement, the First Lien Guarantee and the First Lien Pledge Agreement, the Borrower and such Authorized Representative may execute separate security agreements, pledge agreements and/or guarantees, subject to compliance with the provisions of the First Lien Credit Agreement. Notwithstanding any provision to the contrary in this Agreement, the Collateral Agent shall be under no obligation to serve as agent on behalf of the holders of any Additional First Lien Obligations (or their representatives) or under any Additional First Lien Agreement and may decide, in its sole discretion, not to serve in such role, it being understood that, in such circumstance, no provisions of this Agreement will benefit or apply to the holders of Additional First Lien Obligations (or their representatives). It being further understood that the Collateral Agent shall serve in such role only if it has countersigned an Additional Secured Party Consent and in such case solely with respect to the New Secured Obligation under and as defined in such Additional Secured Party Consent. For the avoidance of doubt, any refusal by the Collateral Agent to serve as collateral agent on behalf of the holders of any Additional First Lien Obligations (or their representatives) and the decision of the Collateral Agent, the Borrower and/or any Authorized Representative not to execute an Additional Secured Party Consent shall not limit the Borrower's ability to incur such obligations and secure them by Liens on the Collateral that rank equal in priority to the Liens on the Collateral securing the Obligations and any other First Lien Obligations if then in effect to the extent permitted to do so under each of the First Lien Credit Agreement and any Additional First Lien Agreement, and in such case the Collateral Agent is authorized to execute an Equal Priority Intercreditor Agreement or any other Customary Intercreditor Agreement (or any joinders thereto) and any related documentation to evidence and/or acknowledge the Liens securing any such Additional First Lien Obligations and the relationship between the Collateral Agent and the collateral agent appointed in respect of such Additional First Lien Obligations.

2. Grant of Security. As security for the prompt and complete payment when due (whether at the stated maturity, by acceleration or otherwise) of the First Lien Obligations, each Pledgor hereby transfers, assigns and pledges to the Collateral Agent, for the benefit of the First Lien Secured Parties, and hereby grants to the Collateral Agent, for the benefit of the First Lien Secured Parties, a security interest in and continuing lien on (the "Security Interest") all of such Pledgor's right, title and interest in (subject only to Liens permitted under each of the First Lien Credit Agreement and any Additional First Lien Agreement) and to all of the following assets and properties, whether now owned or existing or hereafter acquired or existing or in which such Pledgor now has or at any time in the future may acquire any right, title or interest (collectively, the "Collateral"):

(a) the Pledged Shares held by such Pledgor and the certificates, if any, representing such Pledged Shares and any interest of such Pledgor, including all interests documented in the entries on the books of the issuer of the Pledged Shares or any financial intermediary pertaining to the Pledged Shares and all dividends, cash, warrants, rights, instruments and other property or Proceeds from time to time received, receivable or otherwise distributed in respect of, or in exchange for, any or all of the Pledged Shares;

(b) the Pledged Debt and the Chattel Paper or Instruments evidencing the Pledged Debt owed to such Pledgor and all payments of principal or interest, cash, instruments and other property or proceeds from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of such Pledged Debt;

(c) all other property that may be delivered to and held by the Collateral Agent pursuant to the terms of this Section 2;

(d) subject to Section 8, all rights and privileges of such Pledgor with respect to the securities and other property referred to in clauses (a), (b) and (c) above;

(e) the Intercompany Note; and

(f) to the extent not covered by clauses (a), (b), (c), (d) and (e) above, respectively, all Proceeds of any or all of the foregoing Collateral.

Notwithstanding the foregoing or anything to the contrary contained herein:

(1) the Collateral for the First Lien Obligations shall not include any Excluded Capital Stock or any other Excluded Property, and no Pledgor shall be deemed to have granted a Security Interest in any of such Pledgor's rights or interests in any Excluded Capital Stock or any other Excluded Property;

(2) at the Borrower's option and if so specified by the Borrower in a writing delivered to the Collateral Agent at the time the applicable Additional First Lien Secured Party Consent is delivered, any Collateral securing any Additional First Lien Obligations (but not any other Obligations) shall not include, solely with respect to such Additional First Lien Obligations, any Capital Stock and other securities of a Subsidiary to the extent that the pledge of such Capital Stock would result in the Borrower, Holdings (or any Parent Entity thereof) or any Subsidiary being required to file separate financial statements of such Subsidiary with the SEC, but only to the extent necessary to not be subject to such requirement and only for so long as such requirement is in existence and only with respect to the relevant Additional First Lien Obligations affected; provided that neither Holdings, the Borrower nor any Subsidiary shall take any action in the form of a reorganization, merger or other restructuring a principal purpose of which is to provide for the release of the Lien on any Capital Stock pursuant to this clause (2). In addition, in any case described in clause (2) of the preceding sentence, in the event that Rule 3-16 of Regulation S-X under the Securities Act ("Rule 3-16") is amended, modified or interpreted by the SEC to require (or is replaced with another Applicable Law, or any other Applicable Law is adopted, that would require) the filing with the SEC (or any other Governmental Authority) of separate financial statements of any Subsidiary of Holdings due to the fact that such Subsidiary's Capital Stock secures the Additional First Lien Obligations affected thereby, then the Capital Stock of such Subsidiary will automatically be deemed not to be part of the Collateral securing the relevant Additional First Lien Obligations affected thereby but only to the extent necessary to not be subject to such requirement and only for so long as required to not be subject to such requirement. In such event, this Agreement may be amended or modified, without the consent of any First Lien Secured Party, to the extent necessary to release the Lien in favor of the Collateral Agent for the benefit of the holders of any such Additional First Lien Obligations on the Capital Stock shares that are so deemed to no longer constitute part of the Collateral for the relevant Additional First Lien Obligations only. In the event that Rule 3-16 is amended, modified or interpreted by the SEC to permit (or is replaced with another Applicable Law, or any other Applicable Law is adopted, that would permit) such Subsidiary's Capital Stock to secure the Additional First Lien Obligations in excess of the amount then pledged without the filing with the SEC (or any other Governmental Authority) of separate financial statements of such Subsidiary, then the Capital Stock of such Subsidiary will automatically be deemed to be a part of the Collateral for the relevant Additional First Lien Obligations. For the avoidance of doubt and notwithstanding anything to the contrary in this Agreement, nothing in this paragraph

shall limit the pledge of such Capital Stock and other securities from securing the Obligations at all times or from securing any Additional First Lien Obligations that are not in respect of securities subject to regulation by the SEC (or other Governmental Authority);

(3) Notwithstanding anything herein to the contrary, the Pledgors shall not be required to take any action intended to cause "Excluded Capital Stock" or any other "Excluded Property" to constitute Collateral (but without limitation of any requirements set forth in clause (i) of the definition of "Excluded Subsidiary").

TO HAVE AND TO HOLD the Collateral, together with all right, title, interest, powers, privileges and preferences pertaining or incidental thereto, unto the Collateral Agent, for the benefit of the First Lien Secured Parties, forever; subject, however, to the terms, covenants and conditions hereinafter set forth.

Each Pledgor hereby irrevocably authorizes the Collateral Agent at any time and from time to time to file in any relevant jurisdiction any initial financing statements with respect to the Collateral or any part thereof and amendments thereto and continuations thereof that contain the information required by Article 9 of the Uniform Commercial Code of each applicable jurisdiction for the filing of any financing statement or amendment or continuation, including whether such Pledgor is an organization, the type of organization and any organizational identification number issued to such Pledgor. Such financing statements may describe the Collateral in the same manner as described herein or may contain an indication or description of collateral that describes such property in any other manner such as "all assets" or "all personal property, whether now owned or hereafter acquired" of such Pledgor or words of similar effect as being of an equal or lesser scope or with greater detail. Each Pledgor agrees to provide such information to the Collateral Agent promptly upon request. Each Pledgor also ratifies any authorization previously given in writing to the Collateral Agent to file in any relevant jurisdiction any initial financing statements or amendments thereto or continuations thereof if filed prior to the Closing Date.

3. Security for the First Lien Obligations. This Agreement secures the payment of all the First Lien Obligations. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts that constitute part of the First Lien Obligations and would be owed to the Collateral Agent or the First Lien Secured Parties under the Secured Debt Documents or any Additional First Lien Agreement but for the fact that they are unenforceable or not allowable due to the existence of a proceeding under any Debtor Relief Law involving any Pledgor.

4. Delivery of the Collateral. All Certificated Securities, Tangible Chattel Paper or Instruments, if any, representing or evidencing the Collateral shall be promptly delivered to and held by or on behalf of the Collateral Agent pursuant hereto to the extent required by the First Lien Credit Agreement or any Additional First Lien Agreement then in effect and shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance reasonably satisfactory to the Collateral Agent; provided that the foregoing shall only apply to Tangible Chattel Paper or an Instrument if the Fair Market Value of such Tangible Chattel Paper or Instrument as of the date acquired or created exceeds $10,000,000 (individually); provided, further, that the foregoing shall not apply to any Excluded Capital Stock, Capital Stock of an Immaterial Subsidiary or Special Purpose Subsidiary or Capital Stock of a Minority Investment. The Collateral Agent shall have the right, at any time after the occurrence and during the continuation of an Event of Default and upon three Business Days' prior written notice to any Pledgor (except as otherwise expressly provided herein), to transfer to or to register in the name of the Collateral Agent or any of its nominees any or all of the Pledged Shares. After the occurrence and during the continuance of an Event of Default,

each Pledgor will promptly give to the Collateral Agent copies of any notices or other communications received by it with respect to Pledged Shares registered in the name of such Pledgor. After the occurrence and during the continuance of an Event of Default, the Collateral Agent shall have the right to exchange the certificates representing Pledged Shares for certificates of smaller or larger denominations for any purpose consistent with this Agreement. Each delivery of Collateral (including any After-acquired Shares and After-acquired Debt) shall be accompanied by a schedule describing the securities and Indebtedness then being pledged hereunder, which shall be attached hereto as part of Schedule 2 and made a part hereof; provided that the failure to attach any such schedule hereto shall not affect the validity of such pledge of such securities and Indebtedness. Each schedule so delivered shall supplement any prior schedules so delivered.

5. Representations and Warranties. Each Pledgor represents and warrants to the Collateral Agent and each other First Lien Secured Party that:

(a) Schedule 2 hereto (i) correctly represents as of the Closing Date (A) the issuer, the issuer's jurisdiction of formation, the certificate number, if any, the Pledgor and the record owner, the number and class and the percentage of the issued and outstanding Capital Stock of such class of all Pledged Shares and (B) the issuer, the initial principal amount, the Pledgor and holder, date of issuance and maturity date (if applicable) of all Pledged Debt and (ii) together with the comparable schedule to each supplement hereto, includes, all Capital Stock, debt securities and promissory notes held by such Pledgor on the Closing Date and required to be pledged pursuant to Section 6.2(a) and 6.2(b) of the First Lien Credit Agreement or required to be pledged pursuant to Section 9.11(a) of the First Lien Credit Agreement, pursuant to any equivalent provision of any Additional First Lien Agreement and pursuant to Section 9(b) hereof, except in each case to the extent constituting (x) debt securities and promissory notes not required to be delivered hereunder pursuant to Section 4, (y) Excluded Capital Stock or (z) Excluded Property. Except as set forth on Schedule 2, the Pledged Shares represent all of the issued and outstanding Capital Stock of each class of Capital Stock (or 65% of all of the issued and outstanding voting Capital Stock and 100% of all issued and outstanding non-voting Capital Stock in the case of pledges of Capital Stock in Foreign Subsidiaries or FSHCOs) in the issuer on the Closing Date.

(b) Such Pledgor is the legal and beneficial owner of the Collateral pledged or assigned by such Pledgor hereunder free and clear of any Lien, except for (1) the Liens created by this Agreement and by any Additional First Lien Agreement, (2) any nonconsensual Liens permitted under each of the First Lien Credit Agreement and any Additional First Lien Agreement and (3) any consensual Liens permitted by Section 10.2 of the First Lien Credit Agreement to secure such Collateral (the Liens described in clauses (1), (2) and (3), collectively the "Permitted Pledged Collateral Liens").

(c) As of the Closing Date, the Pledged Shares pledged by such Pledgor hereunder have been duly authorized and validly issued and, in the case of Pledged Shares issued by a corporation, are fully paid and non-assessable.

(d) Except for restrictions and limitations imposed by (x) the Permitted Pledged Collateral Liens and the underlying documents thereof or securities laws generally, (y) Applicable Law or (z) agreements relating to Dispositions of Collateral permitted by the First Lien Credit Agreement, the Collateral is freely transferable and assignable, and none of the Collateral is subject to any option, right of first refusal, shareholders agreement, charter or bylaw provisions or contractual restriction of any nature that might prohibit, impair, delay or otherwise affect the pledge of such Collateral hereunder, the sale or Disposition thereof pursuant hereto or the exercise by the Collateral Agent of rights and remedies hereunder.

(e) No consent or approval of any Governmental Authority, any securities exchange or any other Person was or is necessary to the validity of the pledge effected hereby (other than such as have been obtained and are in full force and effect).

(f) The execution and delivery by such Pledgor of this Agreement and the pledge of the Collateral pledged by such Pledgor hereunder pursuant hereto create a legal, valid and enforceable security interest in such Collateral (in the case of the Capital Stock of Foreign Subsidiaries, to the extent the creation of such security interest in the Capital Stock of Foreign Subsidiaries is governed by the NY UCC) and (i) in the case of Certificated Securities, Tangible Chattel Paper or Instruments representing or evidencing the Collateral, upon the earlier of (x) delivery of such Collateral to the Collateral Agent in accordance with this Agreement and (y) the filing of the applicable Uniform Commercial Code financing statements described in Section 3.3(a) of the First Lien Security Agreement and (ii) in the case of all other Collateral in which a security interest may be perfected by filing a financing statement under the Uniform Commercial Code of any jurisdiction, upon the filing of the applicable Uniform Commercial Code financing statements described in Section 3.3(a) of the First Lien Security Agreement, shall create a perfected security interest in such Collateral (in the case of the Capital Stock of Foreign Subsidiaries, to the extent the creation of such security interest in the Capital Stock of Foreign Subsidiaries is governed by the NY UCC), securing the payment of the First Lien Obligations, in favor of the Collateral Agent, for the benefit of the First Lien Secured Parties, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization and other similar laws relating to or affecting creditors' rights generally and general principles of equity (whether considered in a proceeding in equity or law).

(g) The pledge effected hereby is effective to vest in the Collateral Agent, for the benefit of the First Lien Secured Parties, the rights of the Collateral Agent in the Collateral as set forth herein.

(h) Such Pledgor has full power, authority and legal right to pledge all the Collateral pledged by such Pledgor pursuant to this Agreement and this Agreement constitutes a legal, valid and binding obligation of such Pledgor (in the case of the Capital Stock of Foreign Subsidiaries, to the extent the creation of such security interest in the Capital Stock of Foreign Subsidiaries is governed by the NY UCC), enforceable in accordance with its terms, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization and other similar laws relating to or affecting creditors' rights generally and general principles of equity (whether considered in a proceeding in equity or law).

(i) The Pledged Debt constitutes all of the outstanding Indebtedness for borrowed money (except Indebtedness of Holdings, the Borrower and each Restricted Subsidiary that is owing to any Pledgor) which, in each case, is owed by any Person to such Pledgor and with an aggregate principal amount in excess of $10,000,000 as of the Closing Date and required to be pledged hereunder or pursuant to Section 6.2(b) or 9.11 of the First Lien Credit Agreement or any equivalent provision of any Additional First Lien Agreement.

6. Certification of Limited Liability Company Interests, Limited Partnership Interests, Corporate Interests and Pledged Debt.

(a) Unless otherwise consented to by the Collateral Agent, Capital Stock required to be pledged hereunder in any Domestic Subsidiary that is organized as a limited liability company or limited partnership and pledged hereunder shall either (i) be represented by a certificate, and in the Organizational Documents of such Domestic Subsidiary the applicable Pledgor shall cause the issuer of such interests to elect to treat such interests as a "security" within the meaning of Article 8 of the Uniform Commercial Code of its jurisdiction of organization or formation, as applicable, by including in its

Organizational Documents language substantially similar to the following and, accordingly, such interests shall be governed by Article 8 of the Uniform Commercial Code:

> "The [partnership/limited liability company] hereby irrevocably elects that all [partnership/membership] interests in the [partnership/limited liability company] shall be securities governed by Article 8 of the Uniform Commercial Code of [jurisdiction of organization or formation, as applicable]. Each certificate evidencing [partnership/membership] interests in the [partnership/limited liability company] shall bear the following legend: "This certificate evidences an interest in [name of [partnership/limited liability company]] and shall be a security for purposes of Article 8 of the Uniform Commercial Code." No change to this provision shall be effective until all outstanding certificates have been surrendered for cancellation and any new certificates thereafter issued shall not bear the foregoing legend."

or (ii) not have elected to be treated as a "security" within the meaning of Article 8 of the Uniform Commercial Code by the issuer of such Capital Stock and shall not be represented by a certificate; provided that such Pledgor shall at no time elect to treat any such interest as a "security" within the meaning of Article 8 of the Uniform Commercial Code, nor shall such interest be represented by a certificate, unless such Pledgor provides prompt (and in any event within five (5) Business Days, subject to extension in the sole discretion of the Collateral Agent) written notification to the Collateral Agent of such election and such interest is thereafter represented by a certificate that is promptly delivered to the Collateral Agent pursuant to the terms hereof.

(b) Subject to the limitations set forth herein, in Section 9.11(a) of the First Lien Credit Agreement, in Section 3.3(b) of the First Lien Security Agreement or in any equivalent provision of any Additional First Lien Agreement, each Pledgor will cause each separate obligation of Indebtedness for borrowed money not already evidenced by an Intercompany Note, having an aggregate principal amount in excess of $10,000,000 owed to any Pledgor and required to be pledged pursuant to the First Lien Credit Agreement or any Additional First Lien Agreement to be evidenced by a duly executed promissory note that is pledged and delivered to the Collateral Agent pursuant to the terms hereof.

7. Further Assurances. Subject to the limitations set forth in this Agreement, the other Security Documents (including Section 3.3(b) of the First Lien Security Agreement) and in any Additional First Lien Agreement, each Pledgor agrees that at any time and from time to time, at the expense of such Pledgor, it will execute or otherwise authorize the filing of any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, fixture filings, mortgages, deeds of trust and other documents), which may be required under any Applicable Law, or which the Collateral Agent or the Required Lenders (or if there are any Additional First Lien Obligations outstanding, subject to the terms of any intercreditor agreement among the holders of First Lien Obligations, the requisite holders or lenders of such Additional First Lien Obligations) may reasonably request, in order (x) to perfect and protect any pledge, assignment or security interest granted or intended to be granted hereby (including the priority thereof) or (y) to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral.

8. Voting Rights; Dividends and Distributions; Etc.

(a) So long as no Event of Default shall have occurred and be continuing and three Business Days' prior written notice has not been received by the Borrower from the Collateral Agent:

(i) Each Pledgor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Collateral or any part thereof for any purpose not prohibited by the terms of this Agreement, the other Secured Debt Documents or any Additional First Lien Agreement.

(ii) The Collateral Agent shall execute and deliver (or cause to be executed and delivered) to each Pledgor all such proxies and other instruments as such Pledgor may reasonably request for the purpose of enabling such Pledgor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above.

(b) Subject to paragraph (c) below, each Pledgor shall be entitled to receive and retain and use, free and clear of the Lien of this Agreement, any and all dividends, distributions, redemptions, principal and interest made or paid in respect of the Collateral to the extent not prohibited by any Secured Debt Document or any Additional First Lien Agreement; provided, however, that any and all noncash dividends, interest, principal or other distributions that would constitute Pledged Shares or Pledged Debt, whether resulting from a subdivision, combination or reclassification of the outstanding Capital Stock of the issuer of any Pledged Shares or received in exchange for Pledged Shares or Pledged Debt or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be, and shall be forthwith delivered to the Collateral Agent to hold as, Collateral and shall, if received by such Pledgor, be received in trust for the benefit of the Collateral Agent, be segregated from the other property or funds of such Pledgor and be forthwith delivered to the Collateral Agent as Collateral in the same form as so received (with any necessary indorsement).

(c) Upon three Business Days' prior written notice to the Pledgors by the Collateral Agent following the occurrence and during the continuation of an Event of Default:

(i) all rights of such Pledgor to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 8(a)(i) shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights during the continuation of such Event of Default; provided that, unless otherwise directed by the Required Lenders (or if there are any Additional First Lien Obligations outstanding, subject to the terms of any intercreditor agreement among the holders of First Lien Obligations, the requisite holders or lenders of such Additional First Lien Obligations), the Collateral Agent shall have the right from time to time following the occurrence and during the continuation of an Event of Default to permit the Pledgors to exercise such rights. After all Events of Default have been cured or waived or otherwise cease to be continuing and the Borrower has delivered to the Collateral Agent a certificate to that effect, each Pledgor will have the right to exercise the voting and consensual rights that such Pledgor would otherwise be entitled to exercise pursuant to the terms of Section 8(a)(i) (and the obligations of the Collateral Agent under Section 8(a)(ii) shall be reinstated);

(ii) all rights of such Pledgor to receive the dividends, distributions and principal and interest payments that such Pledgor would otherwise be authorized to receive and retain pursuant to Section 8(b) shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to receive and hold as Collateral such dividends,

distributions and principal and interest payments during the continuation of such Event of Default. After all Events of Default have been cured or waived or otherwise cease to be continuing and the Borrower has delivered to the Collateral Agent a certificate to that effect, the Collateral Agent shall repay to each Pledgor (without interest) and each Pledgor shall be entitled to receive, retain and use all dividends, distributions and principal and interest payments that such Pledgor would otherwise be permitted to receive, retain and use pursuant to the terms of Section 8(b);

(iii) all dividends, distributions and principal and interest payments that are received by such Pledgor contrary to the provisions of Section 8(b) shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other property or funds of such Pledgor and shall forthwith be delivered to the Collateral Agent as Collateral in the same form as so received (with any necessary indorsements); and

(iv) in order to permit the Collateral Agent to receive all dividends, distributions and principal and interest payments to which it may be entitled under Section 8(b) above, to exercise the voting and other consensual rights that it may be entitled to exercise pursuant to Section 8(c)(i), and to receive all dividends, distributions and principal and interest payments that it may be entitled to under Sections 8(c)(ii) and (c)(iii), such Pledgor shall from time to time execute and deliver to the Collateral Agent, appropriate proxies, dividend payment orders and other instruments as the Collateral Agent may reasonably request.

(d) Any notice given by the Collateral Agent to the Pledgors suspending their rights under paragraph (c) of this Section 8, (i) may be given to one or more of the Pledgors at the same or different times and (ii) may suspend the rights of the Pledgors under paragraph (a)(i) or paragraph (b) of this Section 8 in part without suspending all such rights (as specified by the Collateral Agent in its sole and absolute discretion) and without waiving or otherwise affecting the Collateral Agent's rights to give additional notices from time to time suspending other rights so long as an Event of Default has occurred and is continuing.

9. Transfers and Other Liens; Additional Collateral; Etc. Each Pledgor shall:

(a) not, except as permitted by each of the First Lien Credit Agreement and each Additional First Lien Agreement (including pursuant to waivers and consents thereunder), (i) sell or otherwise Dispose of, or grant any option or warrant with respect to, any of the Collateral or (ii) create or suffer to exist any consensual Lien upon or with respect to any of the Collateral; provided that, in the event such Pledgor sells or otherwise Disposes of assets as permitted by each of the First Lien Credit Agreement and each Additional First Lien Agreement (including pursuant to waivers and consents thereunder) to a Person that is not a Pledgor and such assets are or include any of the Collateral, such Collateral shall automatically be released to such Pledgor free and clear of the Lien created by this Agreement concurrently with the consummation of such Disposition in accordance with Section 13.17 of the First Lien Credit Agreement, any equivalent provision of any Additional First Lien Agreement and with Section 14 hereof;

(b) pledge and, if applicable, cause each Subsidiary required to become a party hereto to pledge, to the Collateral Agent for the benefit of the First Lien Secured Parties, promptly upon acquisition thereof, all After-acquired Shares and After-acquired Debt required to be pledged pursuant to Section 9.11(a) of the First Lien Credit Agreement and any equivalent provision of any Additional First Lien Agreement, except in each case to the extent such After-acquired Shares and After-acquired Debt constitute Excluded Capital Stock or Excluded Property and in each case pursuant to a supplement to this Agreement substantially in the form of Annex A hereto or such other form reasonably satisfactory to the

Collateral Agent (it being understood that the execution and delivery of such a supplement shall not require the consent of any Pledgor hereunder and that the rights and obligations of each Pledgor hereunder shall remain in full force and effect notwithstanding the addition of any new Subsidiary Pledgor as a party to this Agreement); and

(c) take any actions required under Applicable Law or which the Collateral Agent or Required Lenders may reasonably request to defend its and the Collateral Agent's title or interest in and to all the Collateral (and in the Proceeds thereof) against any and all Liens (other than any Permitted Pledged Collateral Liens), however arising, and any and all Persons whomsoever and, subject to Section 13.17 of the First Lien Credit Agreement, any equivalent provision of any Additional First Lien Agreement and Section 14 hereof, to maintain and preserve the Lien and security interest created by this Agreement until the Termination Date.

10. Collateral Agent Appointed Attorney-in-Fact. Each Pledgor hereby appoints, which appointment is irrevocable and coupled with an interest, the Collateral Agent as such Pledgor's attorney-in-fact, with full authority in the place and stead of such Pledgor and in the name of such Pledgor or otherwise, to take any action and to execute any instrument, in each case after the occurrence and during the continuation of an Event of Default, that the Collateral Agent may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, including to receive, indorse and collect all instruments made payable to such Pledgor representing any dividend, distribution or principal or interest payment in respect of the Collateral or any part thereof and to give full discharge for the same.

11. The Collateral Agent's Duties. The powers conferred on the Collateral Agent hereunder are solely to protect its interest and the interests of the First Lien Secured Parties in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Pledged Shares, whether or not the Collateral Agent or any other First Lien Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property.

12. Remedies. If any Event of Default shall have occurred and be continuing:

(a) The Collateral Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the NY UCC (whether or not the NY UCC applies to the affected Collateral) and also may without notice, except as otherwise specified in this Agreement, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any exchange broker's board or at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, at such price or prices and upon such other terms as are commercially reasonable irrespective of the impact of any such sales on the market price of the Collateral. The Collateral Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers of Collateral to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and, upon consummation of any such sale, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Pledgor, and each Pledgor hereby waives (to the extent permitted by Applicable Law) all rights of redemption, stay and/or appraisal that it now has or may at any

time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent or any First Lien Secured Party shall have the right upon any such public sale, and, to the extent permitted by Applicable Law, upon any such private sale, to purchase all or any part of the Collateral so sold and the Collateral Agent or such other First Lien Secured Party may, subject to (x) the satisfaction in full of all payments due pursuant to Section 12(b)(i) hereof and (y) the satisfaction of the First Lien Obligations in accordance with the priorities set forth in Section 12(b), pay the purchase price by crediting the amount thereof against the First Lien Obligations. Each Pledgor agrees that, to the extent notice of sale shall be required by Applicable Law, at least ten days' notice to such Pledgor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the extent permitted by Applicable Law, each Pledgor hereby waives any claim against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 12 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

(b) Except as expressly provided elsewhere in this Agreement or any other Credit Document, all proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral shall be applied after receipt as follows:

(i) FIRST, to the payment of all reasonable and documented out-of-pocket costs and expenses incurred by the Collateral Agent in connection with such collection or sale or otherwise in connection with this Agreement, the other Credit Documents, any Additional First Lien Agreement or any of the First Lien Obligations, including all court costs and the reasonable and documented fees and out-of-pocket expenses of its agents and legal counsel, the repayment of all advances made by the Collateral Agent hereunder, under any other Credit Document or under any Additional First Lien Agreement on behalf of any Pledgor and any other reasonable and documented out-of-pocket costs or expenses incurred in connection with the exercise of any right or remedy hereunder, under any other Credit Document or under any Additional First Lien Agreement;

(ii) SECOND, to the First Lien Secured Parties, an amount equal to all First Lien Obligations owing to them on the date of any such distribution, and, if such moneys shall be insufficient to pay such amounts in full, then ratably (without priority of any one over any other) to such First Lien Secured Parties in proportion to the unpaid amounts thereof;

(iii) THIRD, any balance of such proceeds shall be applied as set forth in Section 4.01 of the First Lien/Second Lien Intercreditor Agreement; and

(iv) FOURTH, any surplus then remaining shall be paid to the Pledgors or their successors or assigns or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

Notwithstanding the foregoing, (i) no amounts received from any Pledgor shall be applied to any Excluded Swap Obligation of such Pledgor and (ii) after the payments pursuant to clause FIRST above, if an intercreditor agreement (including an Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) has been entered into among the holders of First Lien Obligations which provides for the application of proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral, then such proceeds shall be applied pursuant to the terms of such intercreditor agreement (including an Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) and in making the determination and allocations required in any intercreditor agreement the Collateral Agent may conclusively rely upon information supplied by the applicable Authorized Representatives as to the amounts of unpaid principal and interest and other amounts outstanding with respect to such First Lien Obligations and the Collateral Agent shall have no liability to any of the First Lien Secured Parties for actions taken in reliance on such information.

The Collateral Agent shall have absolute discretion as to the time of the application of any such proceeds in accordance with this Section 12. Upon any sale of the Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

(c) The Collateral Agent may exercise any and all rights and remedies of each Pledgor in respect of the Collateral.

(d) All payments received by any Pledgor after the occurrence and during the continuation of an Event of Default and after prior written notice from the Collateral Agent to the Borrower (it being understood that the exercise of remedies by the First Lien Secured Parties in connection with an Event of Default under Section 11.5 of the First Lien Credit Agreement or any equivalent provision of any Additional First Lien Agreement shall be deemed to constitute a request by the Collateral Agent for the purposes of this sentence and in such circumstances, no such written notice shall be required) in respect of the Collateral shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other property or funds of such Pledgor and shall be forthwith delivered to the Collateral Agent as Collateral in the same form as so received (with any necessary indorsement).

(e) If the Collateral Agent shall determine to exercise its right to sell all or any of the Pledged Shares pursuant to this Section 12, each Pledgor recognizes that the Collateral Agent may be unable to effect a public sale of any or all of the Pledged Shares, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Pledgor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Collateral Agent shall be under no obligation to delay a sale of any of the Pledged Shares for the period of time necessary to permit the issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such issuer would agree to do so.

(f) If the Collateral Agent determines to exercise its right to sell any or all of the Collateral, upon written request, each Pledgor shall, from time to time, furnish to the Collateral Agent all such information as the Collateral Agent may reasonably request in order to determine the number of shares and other instruments included in the Collateral which may be sold by the Collateral Agent as exempt transactions under the Securities Act and rules of the SEC, as the same are from time to time in effect.

13. Amendments, etc. with Respect to the First Lien Obligations; Waiver of Rights. Except for the termination of a Pledgor's First Lien Obligations hereunder as provided in Section 14, each Pledgor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Pledgor and without notice to or further assent by any Pledgor, (a) any demand for payment of any of the First Lien Obligations made by the Collateral Agent or any other First Lien Secured Party may be rescinded by such party and any of the First Lien Obligations continued, (b) the First Lien Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or any other First Lien Secured Party, (c) the Secured Debt Documents, any Additional First Lien Agreement and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, in accordance with the terms of the applicable Secured Debt Document or Additional First Lien Agreement and (d) any collateral security, guarantee or right of offset at any time held by the Collateral Agent or any other First Lien Secured Party for the payment of the First Lien Obligations may be sold, exchanged, waived, surrendered or released. Neither the Collateral Agent nor any other First Lien Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the First Lien Obligations or for this Agreement or any property subject thereto. When making any demand hereunder against any Pledgor, the Collateral Agent or any other First Lien Secured Party may, but shall be under no obligation to, make a similar demand on the Borrower (to the extent such demand is in respect of any First Lien Obligations owing by the Borrower) or any other Pledgor or pledgor, and any failure by the Collateral Agent or any other First Lien Secured Party to make any such demand or to collect any payments from the Borrower or any other Pledgor or pledgor or any release of the Borrower or any other Pledgor or pledgor shall not relieve any Pledgor in respect of which a demand or collection is not made or any Pledgor not so released of its several obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Collateral Agent or any other First Lien Secured Party against any Pledgor. For the purposes hereof "demand" shall include the commencement and continuation of any legal proceedings. In the event of any conflict between the terms of this Section 13 and the First Lien Credit Agreement, the First Lien Credit Agreement shall prevail.

14. Continuing Security Interest; Assignments Under the Secured Debt Documents or any Additional First Lien Agreement; Release.

(a) This Agreement and the security interest granted hereunder shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon each Pledgor and the successors and assigns thereof and shall inure to the benefit of the Collateral Agent and the other First Lien Secured Parties and their respective successors, indorsees, transferees and assigns until the Termination Date, notwithstanding that from time to time prior to the Termination Date, the Pledgors may be free from any Obligations.

(b) (i) A Subsidiary Pledgor shall automatically be released from its obligations hereunder and the Liens and the Security Interests in the Collateral of such Subsidiary Pledgor created hereby shall be automatically released (x) as it relates to the Obligations, upon the consummation of any transaction permitted by the First Lien Credit Agreement, as a result of which such Subsidiary Pledgor

ceases to be a Restricted Subsidiary of the Borrower or otherwise becomes an Excluded Subsidiary and (y) as it relates to any Additional First Lien Obligations under any Additional First Lien Agreement, upon the consummation of any transaction permitted by such Additional First Lien Agreement, as a result of which such Subsidiary Pledgor ceases to be a guarantor thereunder; and (ii) Holdings (or the Previous Holdings, as the case may be) shall automatically be released from its obligations hereunder and the Security Interests in the Collateral of Holdings (or the Previous Holdings, as the case may be) created hereby shall be automatically released upon a Holdings Termination Event and/or in accordance with the formation or acquisition of a New Holdings, in each case, that satisfies the conditions set forth in (x) as it relates to the Obligations, the First Lien Credit Agreement and (y) as it relates to any Additional First Lien Obligations under any Additional First Lien Agreement, such Additional First Lien Agreement.

(c) The Security Interests created hereby in any Collateral shall be automatically released and such Collateral sold free and clear of the Liens and the Security Interests created hereby (i) as required by the Collateral Agent to effect any sale, transfer or other Disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to this Agreement, (ii) upon any sale, transfer or other Disposition by any Pledgor of any Collateral that is permitted under the First Lien Credit Agreement and each Additional First Lien Agreement (other than to another Pledgor), (iii) upon the effectiveness of any release (including any written consent to such release) of the Liens and the Security Interests created hereby in any Collateral in accordance with Section 13.17 of the First Lien Credit Agreement and any applicable provision in each Additional First Lien Agreement, (iv) upon such Collateral becoming Excluded Capital Stock or Excluded Property, (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the First Lien Guarantee (in accordance with Section 13.17 of the First Lien Credit Agreement and the First Lien Guarantee) or (vi) as otherwise provided in any applicable intercreditor agreement (including any Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) among holders of First Lien Obligations.

(d) In connection with any termination or release pursuant to paragraph (a), (b) or (c), the Collateral Agent shall execute and deliver to any Pledgor or authorize the filing of, at such Pledgor's expense, all documents that such Pledgor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 14 shall be without recourse to or warranty by the Collateral Agent.

15. Reinstatement. This Agreement shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the First Lien Obligations is rescinded or must otherwise be restored or returned by the Collateral Agent or any other First Lien Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Pledgor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any other Pledgor or any substantial part of its property, or otherwise, all as though such payments had not been made.

16. Notices. All notices, requests and demands pursuant hereto shall be made in accordance with Section 13.2 of the First Lien Credit Agreement (whether or not then in effect). All communications and notices hereunder to any Subsidiary Pledgor shall be given to it in care of the Borrower at the Borrower's address set forth in Section 13.2 of the First Lien Credit Agreement (whether or not then in effect). All notices to any holder of Additional First Lien Obligations shall be given to it in care of the applicable Authorized Representative at such Authorized Representative's address set forth in the applicable Additional First Lien Secured Party Consent or Additional First Lien Agreement, as the case may be, as such address may be changed by written notice to the Collateral Agent and the Borrower.

17. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission (i.e., a "PDF" or "TIF" file)), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Collateral Agent and the Borrower.

18. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

19. Integration. This Agreement together with the other Credit Documents and each Additional First Lien Agreement represents the agreement of each of the Pledgors with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by the Collateral Agent or any other First Lien Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Secured Debt Documents or any Additional First Lien Agreement (and each other agreement or instrument executed or issued in connection therewith).

20. Amendments in Writing; No Waiver; Cumulative Remedies.

(a) None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the affected Pledgor(s) and the Collateral Agent in accordance with Section 13.1 of the First Lien Credit Agreement. The Collateral Agent may, without the consent of any Lender, enter into any amendments to this Agreement (including modifications of the terms "Additional First Lien Agreement" and "Additional First Lien Obligations" and any provisions of this Agreement referencing such terms) to reflect the issuance or Incurrence of any Indebtedness secured by a Lien permitted by Section 10.2(a) of the First Lien Credit Agreement that is not secured by Liens granted under this Agreement.

(b) Neither the Collateral Agent nor any other First Lien Secured Party shall by any act (except by a written instrument pursuant to Section 20(a) hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof or of any other applicable Secured Debt Document or of any Additional First Lien Agreement. No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent or any other First Lien Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Collateral Agent or any other First Lien Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Collateral Agent or such other First Lien Secured Party would otherwise have on any other occasion.

(c) The rights, remedies, powers and privileges herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

21. Collateral Agent as Agent. Section 6.3 and Section 6.4 of the First Lien Security Agreement are incorporated herein, *mutatis mutandis*.

22. Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

23. Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, assigns, designees and sub-agent permitted hereby, except that no Pledgor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent, except pursuant to a transaction permitted by each of the First Lien Credit Agreement and any Additional First Lien Agreements.

24. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

25. Submission to Jurisdiction; Waivers. Each Pledgor hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement, the other Credit Documents to which it is a party and any Additional First Lien Agreement to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York located in the County of New York, the courts of the United States of America for the Southern District of New York and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Pledgor at its address referred to in Section 16 or at such other address of which the Collateral Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right of the Collateral Agent or any other First Lien Secured Party to effect service of process in any other manner permitted by law or shall limit the right of the Collateral Agent or any other First Lien Secured Party to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 25 any special, exemplary, punitive or consequential damages.

26. GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

27. Intercreditor Agreement. Notwithstanding any other provision contained herein, this Agreement, the liens and security interests created hereby and the exercise of any rights, remedies,

duties and obligations provided for herein are subject in all respects to the provisions of any intercreditor agreement and, to the extent provided therein, the First Lien Security Documents (as such term or similar term is defined in any applicable intercreditor agreement). In the event of any conflict or inconsistency between the provisions of this Agreement and any intercreditor agreement (including any Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) among the holders of First Lien Obligations that relates solely to the rights or obligations of, or relationship between, the First Lien Secured Parties under the First Lien Credit Agreement and the First Lien Secured Parties under any Additional First Lien Agreement, the provisions of such intercreditor agreement shall control.

28. Additional First Lien Obligations. Notwithstanding any provision to the contrary in this Agreement, the Collateral Agent shall be under no obligation to serve as agent on behalf of the holders of any Additional First Lien Obligations (or their representatives) or under any Additional First Lien Agreement and may decide, in its sole discretion, not to serve in such role, it being understood that, in such circumstance, no provisions of this Agreement will benefit or apply to the holders of Additional First Lien Obligations (or their representatives). It being further understood that the Collateral Agent shall serve in such role only if it has countersigned an Additional First Lien Secured Party Consent and in such case solely with respect to the New Secured Obligation under and as defined in such Additional First Lien Secured Party Consent. For the avoidance of doubt, any refusal by the Collateral Agent to serve as collateral agent on behalf of the holders of any Additional First Lien Obligations (or their representatives) shall not limit the Borrower's ability to incur such obligations and secure them by Liens on the Collateral that rank equal in priority to the Liens on the Collateral securing the Obligations and any other First Lien Obligations if then in effect to the extent permitted to do so under each of the First Lien Credit Agreement and any Additional First Lien Agreement and in such case the Collateral Agent is authorized to execute an Equal Priority Intercreditor Agreement or any other Customary Intercreditor Agreement (or any joinders thereto) and any related documentation to evidence and/or acknowledge the Liens securing any such Additional First Lien Obligations and the relationship between the Collateral Agent and the collateral agent appointed in respect of such Additional First Lien Obligations.

Accordingly, the Collateral Agent and the Grantor agree as follows:

SECTION 1. Grant of Security The Grantor hereby grants to the Collateral Agent for the benefit of the First Lien Secured Parties a security interest (subject only to Liens permitted under each of the Credit Agreement and any Additional First Lien Agreement) in all of such Grantor's right, title and interest in and to the following (collectively, the "Collateral"):

(i) the United States trademark and service mark registrations and applications and exclusive licenses thereof set forth in Schedule A hereto (provided that no security interest shall be granted in any "intent-to-use" trademark application filed with the USPTO prior to the filing and acceptance of a "Statement of Use" or "Amendment to Allege Use" with respect thereto), including all goodwill associated therewith or symbolized thereby (the "Trademarks");

FIRST LIEN GUARANTEE

FIRST LIEN GUARANTEE, dated as of October 22, 2018 (this "Guarantee"), made among GLOBE INTERMEDIATE CORP., a Delaware corporation ("Holdings"; as further defined in the Credit Agreement), GOBP HOLDINGS, INC., a Delaware corporation (the "Borrower" as further defined in the Credit Agreement), each of the subsidiaries of the Borrower listed on Annex A hereto or that becomes a party hereto pursuant to Section 21 hereof (each such subsidiary, individually, a "Subsidiary Guarantor" and, collectively, the "Subsidiary Guarantors"; and together with Holdings and, other than with respect to its own obligations, the Borrower, collectively, the "Guarantors"), and MORGAN STANLEY SENIOR FUNDING, INC., as collateral agent for the First Lien Secured Parties (as defined below) (in such capacity, together with its successors, assigns, designees and sub-agents in such capacity, the "First Lien Collateral Agent").

W I T N E S S E T H:

WHEREAS, (a) pursuant to the First Lien Credit Agreement, dated as of October 22, 2018 (the "Credit Agreement"), among Holdings, the Borrower, the banks, financial institutions and other investors from time to time party thereto (the "Lenders"), the Letter of Credit Issuers from time to time party thereto, MORGAN STANLEY SENIOR FUNDING, INC., as Administrative Agent, Collateral Agent and Swingline Lender, and the other parties thereto, the Lenders have severally agreed to make Loans to the Borrower and the Letter of Credit Issuers have agreed to issue Letters of Credit for the account of the Borrower upon the terms and subject to the conditions set forth therein, (b) one or more Hedge Banks may from time to time enter into Secured Hedging Agreements with any Credit Party or any Restricted Subsidiary, (c) one or more Cash Management Banks may from time to time provide Cash Management Services pursuant to Secured Cash Management Agreements to any Credit Party or any Restricted Subsidiary and (d) the Credit Parties may incur Additional First Lien Obligations (as defined below) from time to time to the extent permitted by the Credit Agreement and each Additional First Lien Agreement (as defined below) (clauses (a), (b), (c) and (d), collectively, the "Extensions of Credit");

WHEREAS, Holdings is an affiliate of the Borrower and each Subsidiary Guarantor is a Subsidiary of the Borrower;

WHEREAS, the proceeds of the Extensions of Credit will be used in part to finance the Existing Debt Refinancing, the 2018 Dividend and/or the Transaction Expenses and for other general corporate purposes of the Borrower and its subsidiaries;

WHEREAS, each Guarantor acknowledges that it will derive a substantial direct and indirect benefit from the making of the Extensions of Credit; and

WHEREAS, it is a condition precedent to the obligations of the Lenders and the Letter of Credit Issuers to make their respective Extensions of Credit to the Borrower under the Credit Agreement that the Guarantors shall have executed and delivered this Guarantee to the First Lien Collateral Agent for the benefit of the First Lien Secured Parties.

NOW, THEREFORE, in consideration of the premises and to induce the Agents, the Lenders and the Letter of Credit Issuers to enter into the Credit Agreement and to induce the Lenders and the Letter of Credit Issuers to make their respective Extensions of Credit to the Borrower under the Credit Agreement, to induce the holders of any Additional First Lien Obligations to make their advances thereunder, to induce one or more Hedge Banks to enter into Secured Hedging Agreements with any Credit Party or any Restricted Subsidiary and to induce one or more Cash Management Banks pursuant to Secured Cash Management Agreements to provide Cash Management Services to any Credit Party or any

Restricted Subsidiary and the Guarantors, as applicable, hereby agree with the First Lien Collateral Agent, for the benefit of the First Lien Secured Parties, as follows:

1. Defined Terms.

(a) Unless otherwise defined herein, terms defined in the Credit Agreement and used herein (including terms used in the preamble and recitals hereto) shall have the meanings given to them in the Credit Agreement. Furthermore, unless otherwise defined herein or in the Credit Agreement, terms defined in the Security Agreement and used herein shall have the meanings assigned to them in the Security Agreement.

(b) The rules of construction and other interpretative provisions specified in Sections 1.2, 1.5, 1.6, 1.7, 1.8, 1.10 and 1.11 of the Credit Agreement shall apply to this Guarantee, including terms defined in the preamble and recitals hereto.

(c) As used herein, the term "Additional First Lien Agreement" shall have the meaning assigned to the term "Additional First Lien Agreement" in the Security Agreement.

(d) As used herein, the term "Additional First Lien Obligations" shall have the meaning assigned to the term "Additional First Lien Obligations" in the Security Agreement.

(e) As used herein, the term "First Lien Obligations" shall have the meaning assigned to the term "First Lien Obligations" in the Security Agreement.

(f) As used herein, the term "First Lien Secured Parties" shall have the meaning assigned to the term "First Lien Secured Parties" in the Security Agreement.

(g) As used herein, the term "Security Agreement" shall have the meaning assigned to the term "Security Agreement" in the Credit Agreement.

(h) As used herein, the term "Termination Date" shall have the meaning assigned to the term "Termination Date" in the Security Agreement.

2. Guarantee.

(a) Subject to the provisions of Section 2(b), each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, guarantees, as primary obligor and not merely as surety, to the First Lien Collateral Agent for the benefit of the First Lien Secured Parties, the prompt and complete payment (and not of collection) and performance when due (whether at the stated maturity, by acceleration or otherwise) of the First Lien Obligations (other than, in the case of the Borrower, in respect of its own obligations), whether currently existing or hereafter incurred. In furtherance of the foregoing and not in limitation of any other right that the First Lien Collateral Agent or any other First Lien Secured Party has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Borrower or any other Credit Party to pay any First Lien Obligation when and as the same shall become due (whether at the stated maturity, by acceleration or otherwise), each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the First Lien Collateral Agent for distribution to the applicable First Lien Secured Parties the amount of such unpaid First Lien Obligation. Upon payment by any Guarantor of any sums to the First Lien Collateral Agent as provided above, all rights of such Guarantor against the Borrower or any other Guarantor arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Sections 3 and 5 hereof.

(b) Anything herein or in any other Credit Document or in any Additional First Lien Agreement to the contrary notwithstanding, the maximum liability of each Subsidiary Guarantor hereunder and under the other Credit Documents and any Additional First Lien Agreement shall in no event exceed the amount that can be guaranteed by such Subsidiary Guarantor under Applicable Laws relating to the insolvency of debtors.

(c) To the extent the Borrower would be required to do so pursuant to Section 13.5 of the Credit Agreement (whether or not then in effect) or any comparable provision of any Additional First Lien Agreement, each Guarantor further agrees to pay any and all reasonable and documented out-of-pocket costs and expenses (including all reasonable fees and disbursements of counsel) that may be paid or incurred by the First Lien Collateral Agent or any other First Lien Secured Party in enforcing or preserving any rights with respect to, or collecting, any or all of the First Lien Obligations and/or enforcing any rights with respect to, or collecting against, such Guarantor under this Guarantee.

(d) Each Guarantor agrees that the First Lien Obligations may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing this Guarantee or affecting the rights and remedies of the First Lien Collateral Agent or any other First Lien Secured Party hereunder.

(e) No payment or payments made by the Borrower, any Guarantor, any other guarantor or any other Person or received or collected by the First Lien Collateral Agent or any other First Lien Secured Party from the Borrower, any Guarantor, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the First Lien Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder, which shall, notwithstanding any such payment or payments other than payments made by such Guarantor in respect of the First Lien Obligations or payments received or collected from such Guarantor in respect of the First Lien Obligations, remain liable for the First Lien Obligations up to the maximum liability of such Guarantor hereunder until the Termination Date.

(f) Each Guarantor agrees that whenever, at any time, or from time to time, it shall make any payment to the First Lien Collateral Agent or any other First Lien Secured Party on account of its liability hereunder, it will notify the First Lien Collateral Agent in writing that such payment is made under this Guarantee for such purpose.

(g) Each Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's and each other Credit Party's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the First Lien Obligations and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that none of the First Lien Collateral Agent or the other First Lien Secured Parties will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

(h) The Borrower, unconditionally and irrevocably, with respect to each other Guarantor (other than with respect to any Guarantor, any Excluded Swap Obligations of such Guarantor), guarantees such Guarantor's guarantee of any Hedging Agreement entered into by a Hedge Bank. The obligations of the Borrower under this Section 2(h) shall remain in full force and effect until the discharge of the First Lien Obligations in accordance with the Credit Documents. The Borrower intends that this Section 2(h) constitute, and this Section 2(h) shall be deemed to constitute, a guarantee or other agreement for the benefit of each other Guarantor for all purposes of section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

3. Right of Contribution. Each Guarantor hereby agrees that to the extent a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder that has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 5 hereof. The provisions of this Section 3 shall in no respect limit the obligations and liabilities of any Guarantor to the First Lien Collateral Agent and the other First Lien Secured Parties, and each Guarantor shall remain liable to the First Lien Collateral Agent and the other First Lien Secured Parties for the full amount guaranteed by such Guarantor hereunder.

4. Right of Set-off. In addition to any rights and remedies of the First Lien Secured Parties provided by Applicable Law, each Guarantor hereby irrevocably authorizes each First Lien Secured Party at any time and from time to time following the occurrence and during the continuance of an Event of Default without notice to such Guarantor or any other Guarantor, any such notice being expressly waived by each Guarantor, upon any amount becoming due and payable by such Guarantor hereunder (whether at stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such First Lien Secured Party to or for the credit or the account of such Guarantor. Each First Lien Secured Party shall notify such Guarantor and the First Lien Collateral Agent promptly of any such set-off and the appropriation and application made by such First Lien Secured Party; provided that the failure to give such notice shall not affect the validity of such set-off and appropriation and application.

5. No Subrogation. Notwithstanding any payment or payments made by any of the Guarantors hereunder or any set-off or appropriation and application of funds of any of the Guarantors by the First Lien Collateral Agent or any other First Lien Secured Party, no Guarantor shall be entitled to be subrogated to any of the rights of the First Lien Collateral Agent or any other First Lien Secured Party against the Borrower or any other Guarantor or any collateral security or guarantee or right of offset held by the First Lien Collateral Agent or any other First Lien Secured Party for the payment of the First Lien Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Borrower or any other Guarantor in respect of payments made by such Guarantor hereunder, until the Termination Date. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time prior to the Termination Date, such amount shall be held by such Guarantor in trust for the First Lien Collateral Agent and the other First Lien Secured Parties, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the First Lien Collateral Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the First Lien Collateral Agent, if required), to be applied against the First Lien Obligations, whether due or to become due, in accordance with Section 5.4 of the Security Agreement.

6. Amendments, etc. with Respect to the First Lien Obligations; Waiver of Rights. Except for termination of a Guarantor's obligations hereunder as expressly provided in Section 25, each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, (a) any demand for payment of any of the First Lien Obligations made by the First Lien Collateral Agent or any other First Lien Secured Party may be rescinded by such party and any of the First Lien Obligations continued, (b) the First Lien Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the First Lien Collateral Agent or any other First Lien Secured Party, (c) the Credit Agreement, the other Credit Documents, any Additional First Lien Agreement and any other documents executed and delivered

in connection therewith, the Secured Hedging Agreements and any other documents executed and delivered in connection therewith and the Secured Cash Management Agreements and any other documents executed and delivered in connection therewith, may be amended, waived, modified, supplemented or terminated, in whole or in part, in accordance with the terms of the applicable document and (d) any collateral security, guarantee or right of offset at any time held by the First Lien Collateral Agent or any other First Lien Secured Party for the payment of the First Lien Obligations may be sold, exchanged, waived, surrendered or released. Neither the First Lien Collateral Agent nor any other First Lien Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the First Lien Obligations or for this Guarantee or any property subject thereto. When making any demand hereunder against any Guarantor, the First Lien Collateral Agent or any other First Lien Secured Party may, but shall be under no obligation to, make a similar demand on the Borrower or any other Guarantor or other guarantor, and any failure by the First Lien Collateral Agent or any other First Lien Secured Party to make any such demand or to collect any payments from the Borrower or any other Guarantor or other guarantor or any release of the Borrower or any other Guarantor or other guarantor shall not relieve any Guarantor in respect of which a demand or collection is not made or any Guarantor not so released of its several obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the First Lien Collateral Agent or any other First Lien Secured Party against any Guarantor. For the purposes hereof, "demand" shall include the commencement and continuance of any legal proceedings.

7. Guarantee Absolute and Unconditional. Each Guarantor waives any and all notice of the creation, contraction, Incurrence, renewal, extension, amendment, waiver or accrual of any of the First Lien Obligations (including as a result of the Incurrence of Incremental Term Loans and/or the provision of any Incremental Revolving Credit Commitment Increase or Additional/Replacement Revolving Credit Commitments), and notice of or proof of reliance by the First Lien Collateral Agent or any other First Lien Secured Party upon this Guarantee or acceptance of this Guarantee, the First Lien Obligations or any of them, shall conclusively be deemed to have been created, contracted or Incurred, or renewed, extended, amended, waived or accrued, in reliance upon this Guarantee; and all dealings between the Borrower and any of the other Guarantors, on the one hand, and the First Lien Collateral Agent and the other First Lien Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon this Guarantee. Each Guarantor waives promptness, diligence, presentment, protest, notice of protest, demand for payment and notice of default, acceleration or nonpayment and any other notice to or upon the Borrower or any other Guarantor with respect to the First Lien Obligations. Each Guarantor understands and agrees that this Guarantee shall be construed as a continuing, absolute and unconditional guarantee of payment (and not of collection) without regard to (a) the validity, regularity or enforceability of the Credit Agreement, any other Credit Document, any Additional First Lien Agreement, any Secured Hedging Agreement or any Secured Cash Management Agreement, any of the First Lien Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the First Lien Collateral Agent or any other First Lien Secured Party, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) that may at any time be available to or be asserted by the Borrower against the First Lien Collateral Agent or any other First Lien Secured Party, (c) any default, failure or delay, willful or otherwise, in the performance of the First Lien Obligations by the Guarantors or (d) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) that constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower for the First Lien Obligations, or of such Guarantor under this Guarantee, in bankruptcy or in any other instance. When pursuing its rights and remedies hereunder against any Guarantor, the First Lien Collateral Agent and any other First Lien Secured Party may elect, but shall be under no obligation, to pursue such rights and remedies as it may have against the Borrower or any other Person or against any collateral security or guarantee for the First Lien Obligations or any right of offset with respect thereto,

and any failure by the First Lien Collateral Agent or any other First Lien Secured Party to pursue such other rights or remedies or to collect any payments from the Borrower or any such other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower or any such other Person or any such collateral security, guarantee or right of offset, shall not relieve such Guarantor of any liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the First Lien Collateral Agent and the other First Lien Secured Parties against such Guarantor. To the fullest extent permitted by Applicable Law, each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to Applicable Law, to impair or to extinguish any right of reimbursement, subrogation, exoneration, contribution or indemnification or other right or remedy of such Guarantor against the Borrower or any other Guarantor, as the case may be, or any security. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon each Guarantor and the successors and assigns thereof, and shall inure to the benefit of the First Lien Collateral Agent and the other First Lien Secured Parties, and their respective successors, indorsees, transferees and assigns, until the Termination Date, notwithstanding that from time to time during the term of the Credit Agreement, any Additional First Lien Agreement and any Secured Hedging Agreement or Secured Cash Management Agreement the Credit Parties may be free from any First Lien Obligations.

8. Subordination. Each Guarantor hereby agrees that any Indebtedness of any Guarantor now or hereafter owing to any other Subsidiary, whether heretofore, now or hereafter created (the "Guarantor Subordinated Debt"), is hereby subordinated to all of the First Lien Obligations until the Termination Date and that the Guarantor Subordinated Debt shall not be paid in whole or in part during the continuance of any Event of Default after written notice from the First Lien Collateral Agent to the Borrower. In the event of any insolvency or bankruptcy proceedings, and any receivership, liquidation, reorganization or other similar proceedings in connection therewith, relative to any Guarantor or to its property, and in the event of any proceedings for voluntary liquidation, dissolution or other winding up of such Guarantor (except as expressly permitted by the Credit Agreement and any Additional First Lien Agreement), whether or not involving insolvency or bankruptcy, then, if an Event of Default has occurred and is continuing, after written notice from the First Lien Collateral Agent to the Borrower (a) the Termination Date shall have occurred, before any payee is entitled to receive (whether directly or indirectly), or make any demands for, any payment on account of the Guarantor Subordinated Debt and (b) until the Termination Date shall have occurred, any payment or distribution to which such payee would otherwise be entitled (other than debt securities of such Guarantor that are subordinated, to at least the same extent as this Section 8, to the payment of all Guarantor Subordinated Debt then outstanding (such securities being hereinafter referred to as "Restructured Debt Securities")) shall be made to the First Lien Collateral Agent. If any Event of Default occurs and is continuing, after written notice from the First Lien Collateral Agent to the Borrower, no payment or distribution of any kind or character shall be accepted by or on behalf of the Guarantor or any other Person on its behalf with respect to the Guarantor Subordinated Debt. If any payment or distribution of any character, whether in cash, securities or other property (other than Restructured Debt Securities), in respect of the Guarantor Subordinated Debt shall be received by any payee in violation of this Section 8 before all First Lien Obligations shall have been paid irrevocably in full in cash in immediately available funds (other than Hedging Obligations under Secured Hedging Agreements, Cash Management Obligations under Secured Cash Management Agreements or contingent indemnification obligations), such payment or distribution shall be held in trust for the benefit of the First Lien Secured Parties, and shall be paid over the First Lien Collateral Agent.

9. Representations and Warranties; Covenants. Each Guarantor hereby (a) represents and warrants that the representations and warranties as to it made by the Borrower in Section 8 of the Credit Agreement are true and correct in all material respects on each date as required by Section 7.1 of the Credit Agreement (or any equivalent provision(s) of any Additional First Lien Agreement) (except where such representations and warranties expressly relate to an earlier date, in

which case such representations and warranties shall have been true and correct in all material respects as of such earlier date, and except where such representations and warranties are qualified by materiality, "Material Adverse Effect" or similar language, in which case such representations and warranties shall be true and correct in all respects) and (b) agrees to take, or refrain from taking, as the case may be, each action necessary to be taken or not taken, as the case may be, so that no Default or Event of Default is caused by the failure to take such action or to refrain from taking such action by such Guarantor.

10. Reinstatement. This Guarantee shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the First Lien Obligations is rescinded or must otherwise be restored or returned by the First Lien Collateral Agent or any other First Lien Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any other Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any other Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

11. Payments. Each Guarantor hereby guarantees that payments hereunder will be paid to the First Lien Collateral Agent without set-off or counterclaim in Dollars at the First Lien Collateral Agent's office specified in Section 13.2 of the Credit Agreement.

12. Authority of Agent. Each Guarantor acknowledges that the rights and responsibilities of the First Lien Collateral Agent under this Guarantee with respect to any action taken by the First Lien Collateral Agent or the exercise or non-exercise by the First Lien Collateral Agent of any option, right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Guarantee shall, as between the First Lien Collateral Agent and the other First Lien Secured Parties, be governed by the Credit Agreement, any Additional First Lien Agreements and by such other agreements with respect thereto as may exist from time to time among them (including an intercreditor agreement), but, as between the First Lien Collateral Agent and such Guarantor, the First Lien Collateral Agent shall be conclusively presumed to be acting as agent for the First Lien Secured Parties with full and valid authority so to act or refrain from acting, and no Guarantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

13. Notices. All notices, requests and demands pursuant hereto shall be made in accordance with Section 13.2 of the Credit Agreement. All communications and notices hereunder to each Guarantor shall be given to it in care of the Borrower at the Borrower's address set forth in Section 13.2 of the Credit Agreement. All notices to any holder of Additional First Lien Obligations shall be given to it in care of the applicable Authorized Representative at such Authorized Representative's address set forth in the applicable Additional First Lien Secured Party Consent or Additional First Lien Agreement, as the case may be, as such address may be changed by written notice to the First Lien Collateral Agent and the Borrower.

14. Counterparts. This Guarantee may be executed by one or more of the parties to this Guarantee on any number of separate counterparts (including by facsimile or other electronic transmission (*i.e.*, a "PDF" or "TIF" file)), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

15. Severability. Any provision of this Guarantee that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

16. Integration. This Guarantee represents the agreement of each Guarantor and the First Lien Collateral Agent with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the First Lien Collateral Agent or any other First Lien Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents or any Additional First Lien Agreement (and each other agreement or instrument executed or issued in connection therewith).

17. Amendments in Writing; No Waiver; Cumulative Remedies.

(a) None of the terms or provisions of this Guarantee may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the affected Guarantor(s) and the First Lien Collateral Agent in accordance with Section 13.1 of the Credit Agreement or any comparable provision of any Additional First Lien Agreement.

(b) Neither the First Lien Collateral Agent nor any other First Lien Secured Party shall by any act (except by a written instrument pursuant to Section 17(a) hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the First Lien Collateral Agent or any other First Lien Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the First Lien Collateral Agent or any other First Lien Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the First Lien Collateral Agent or any First Lien Secured Party would otherwise have on any future occasion.

(c) The rights, remedies, powers and privileges herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

18. Section Headings. The Section headings used in this Guarantee are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

19. Entire Agreement. (b) Where reference is made to "the Borrower and its Restricted Subsidiaries, on a consolidated basis" or similar language, such consolidation shall not include any Subsidiaries of the Borrower other than Restricted Subsidiaries.

(c) Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to any election under the Financial Accounting Standards Board's Accounting Standards Codification No. 825—Financial Instruments, or any successor thereto (including pursuant to the Accounting Standards Codification), to value any Indebtedness of Holdings, the Borrower or any Subsidiary at "fair value" as defined therein.

(d) For the avoidance of doubt, notwithstanding any classification under GAAP of any Person or business in respect of which a definitive agreement for the Disposition thereof has been entered into as discontinued operations, the Net Income of such Person or business shall not be excluded from the calculation of Net Income until such Disposition shall have been consummated.

1.8 Currency Equivalents Generally.

(a) For purposes of any determination under Section 9, Section 10 (other than for purposes of calculating the Consolidated First Lien Debt to Consolidated EBITDA Ratio, the Consolidated Secured Debt to Consolidated EBITDA Ratio, the Consolidated Total Debt to Consolidated EBITDA Ratio or the Consolidated EBITDA to Consolidated Interest Expense Ratio) or Section 11 or any determination under any other provision of this Agreement requiring the use of a current exchange rate, all amounts Incurred or proposed to be Incurred in currencies other than Dollars shall be translated into Dollars at the Exchange Rate then in effect on the date of such determination; provided, however, that (x) for purposes of determining compliance with Section 10 with respect to the amount of any Indebtedness, Investment, Disposition, Restricted Payment or payment under Section 10.7 in a currency other than Dollars, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of exchange occurring after the time such Indebtedness or Investment is Incurred or Disposition, Restricted Payment or payment under Section 10.6(a) is made, (y) for purposes of determining compliance with any Dollar-denominated restriction on the Incurrence of Indebtedness, if such Indebtedness is Incurred to Refinance other Indebtedness denominated in a foreign currency, and such Refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency Exchange Rate in effect on the date of such Refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount (or accreted amount) of the Indebtedness that is Incurred to Refinance such Indebtedness does not exceed the principal amount (or accreted amount) of such Indebtedness being Refinanced, except by an amount equal to the accrued interest, dividends and premium (including tender premiums), if any, thereon plus defeasance costs, underwriting discounts and other amounts paid and fees and expenses (including OID, closing payments, upfront fees and similar fees) incurred in connection with such Refinancing plus an amount equal to any existing commitment unutilized and letters of credit undrawn thereunder and (z) for the avoidance of doubt, the foregoing provisions of this Section 1.8 shall otherwise apply to such Sections, including with respect to determining whether any Indebtedness or Investment may be Incurred or Disposition, Restricted Payment or payment under Section 10.6(a) may be made at any time under such Sections. For purposes of calculating the Consolidated First Lien Debt to Consolidated EBITDA Ratio, the Consolidated Secured

Debt to Consolidated EBITDA Ratio, the Consolidated Total Debt to Consolidated EBITDA Ratio and the Consolidated EBITDA to Consolidated Interest Expense Ratio, amounts in currencies other than Dollars shall be translated into Dollars at the applicable exchange rates used in preparing the most recently delivered financial statements pursuant to Section 9.1(a) or Section 9.1(b) or, prior to the Closing Date, the Historical Financial Statements.

(b) Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify with the Borrower's consent (such consent not to be unreasonably withheld) to appropriately reflect a change in currency of any country and any relevant market conventions or practices relating to such change in currency.

1.9 Classification of Loans and Borrowings. For purposes of this Agreement, Loans may be classified and referred to by Class (e.g., an "Initial Term Loan") or by Type (e.g., a "Eurodollar Loan") or by Class and Type (e.g., a "Eurodollar Initial Term Loan"). Borrowings also may be classified and referred to by Class (e.g., a "Initial Term Loan Borrowing") or by Type (e.g., a "Eurodollar Borrowing") or by Class and Type (e.g., a "Eurodollar Initial Term Loan Borrowing").

1.10 Limited Condition Transactions.

(a) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision of this Agreement that requires that no Default, Event of Default or specified Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Borrower, be deemed satisfied, so long as no Default, Event of Default or specified Event of Default, as applicable, exists on the LCT Test Date (as defined below) for such Limited Condition Transaction are entered. For the avoidance of doubt, if the Borrower has exercised its option under the first sentence of this clause (a), and any Default, Event of Default or specified Event of Default occurs following the LCT Test Date for the applicable Limited Condition Transaction and prior to or on the date of the consummation of such Limited Condition Transaction, any such Default, Event of Default or specified Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.

(b) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of this Agreement which requires the calculation of the Consolidated First Lien Debt to Consolidated EBITDA Ratio, the Consolidated Secured Debt to Consolidated EBITDA Ratio, the Consolidated Total Debt to Consolidated EBITDA Ratio or the Consolidated EBITDA to Consolidated Interest Expense Ratio or any other ratio test; or

(ii) testing baskets or any other calculations (including any minimum equity calculation) set forth in this Agreement (including baskets or any other calculations measured as a percentage of Consolidated Total Assets or Consolidated EBITDA);

in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder shall be deemed to be (x) the date on which the definitive acquisition agreements for such Limited Condition Transaction (including any Permitted Change of Control) are entered into, (y) the date of any prepayment, redemption, repurchase, defeasance, acquisition or other payment or (z) in respect of sales in connection with an acquisition to which the United Kingdom City

Code on Takeovers and Mergers applies (or similar law or practice in other jurisdictions), the date on which a "Rule 2.7 announcement" of a firm intends to make an offer or similar announcement or determination in another jurisdiction subject to laws similar to the United Kingdom City Code on Takeovers and Mergers in respect of a target of a Limited Condition Transaction (the "LCT Test Date"), and if, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the Test Period most recently ended on or prior to the applicable LCT Test Date, the Borrower could have taken such action on the relevant LCT Test Date in compliance with such ratio, calculation or basket, such ratio, calculation or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios, calculations or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio, calculation or basket, including due to fluctuations in Consolidated EBITDA, Consolidated Total Assets or the valuation of any rollover or existing equity in connection with any minimum equity calculation of the Borrower or the Person subject to such Limited Condition Transaction, on or prior to the date of consummation of the relevant transaction or action, such baskets, calculations or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, calculation or test with respect to the Incurrence of Indebtedness or Liens, or the making of distributions or Restricted Payments, Investments, payments pursuant to Section 10.7, Dispositions, mergers, Dispositions of all or substantially all of the assets of the Borrower or the designation of an Unrestricted Subsidiary on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio, calculation or test shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

1.11 Pro Forma and Other Calculations.

(a) Notwithstanding anything to the contrary herein, financial ratios, calculations and tests (including measurements of baskets and other calculations calculated on the basis of Consolidated Total Assets or Consolidated EBITDA), including the Consolidated EBITDA to Consolidated Interest Expense Ratio, Consolidated First Lien Debt to Consolidated EBITDA Ratio, Consolidated Secured Debt to Consolidated EBITDA Ratio and Consolidated Total Debt to Consolidated EBITDA Ratio shall be calculated in the manner prescribed by this Section 1.11; provided that, notwithstanding anything to the contrary in clauses (b), (c), (d) or (e) of this Section 1.11, when calculating the Consolidated First Lien Debt to Consolidated EBITDA Ratio for purposes of Section 5.2(a)(i) and Section 5.2(a)(ii), the events described in this Section 1.11 that occurred subsequent to the end of the applicable Test Period shall not be given pro forma effect; provided, however, that, for purposes of any determination under the proviso to Section 5.2(a)(ii), Consolidated First Lien Debt shall be determined after giving pro forma effect to (A) the aggregate principal amount of (1) Term Loans voluntarily prepaid pursuant to Section 5.1, (2) First Lien Term Loans voluntarily prepaid pursuant to Section 5.1 of the First Lien Credit Agreement (or, in accordance with the corresponding provisions of the documentation governing any Indebtedness representing secured Permitted Refinancing Indebtedness in respect thereof) and (3) secured Permitted Additional Debt and secured Credit Agreement Refinancing Indebtedness voluntarily prepaid, repurchased, defeased, acquired or redeemed, (B) the aggregate amount of cash consideration paid by any Purchasing Borrower Party (as defined in this Agreement or in the First Lien Credit Agreement, as applicable) to effect any assignment to it of (1) Term Loans pursuant to Section 13.6(g) or (2) First Lien Term Loans pursuant to Section 13.6(g) of the First Lien Credit Agreement (or, in accordance with the corresponding provisions of the documentation governing any Indebtedness representing secured

Permitted Refinancing Indebtedness in respect thereof), but only to the extent that such Term Loans or such First Lien Term Loans (or such Permitted Refinancing Indebtedness in respect thereof), as applicable, have been cancelled and (C) the aggregate amount of all permanent reductions of Revolving Credit Commitments, Extended Revolving Credit Commitments, Additional/Replacement Revolving Credit Commitments (each as defined in the First Lien Credit Agreement) pursuant to Section 4.2 of the First Lien Credit Agreement (for the avoidance of doubt, excluding any such commitment reductions required by the proviso to Section 2.14(b) of the First Lien Credit Agreement or in connection with the Incurrence of any Credit Agreement Refinancing Indebtedness Incurred to Refinance any Revolving Credit Commitments, Additional/Replacement Revolving Credit Commitments and/or Extended Revolving Credit Commitments (each as defined in the First Lien Credit Agreement)), in each case, after the end of the Borrower's most recently ended full fiscal year and prior to the date of the applicable payment to be made pursuant to such Section 5.2(a)(ii) assuming such voluntary prepayments had been made on the last day of such fiscal year. In addition, whenever a financial ratio, calculation or test is to be calculated on a pro forma basis or requires pro forma compliance, the reference to "Test Period" for purposes of calculating such financial ratio or test shall be deemed to be a reference to, and shall be based on, the most recently ended Test Period for which Internal Financial Statements are internally available.

(b) For purposes of calculating any financial ratio, calculation (including any minimum equity calculation) or test (including measurements of baskets and other calculations on the basis of Consolidated Total Assets or Consolidated EBITDA), Specified Transactions (with any Incurrence or Refinancing of any Indebtedness in connection therewith to be subject to clause (d) of this Section 1.11) that have been made (i) during the applicable Test Period or (ii) subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a pro forma basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period (or, in the case of Consolidated Total Assets or "unrestricted" cash and cash equivalents, or any new cash equity contribution and/or rollover and/or valuation of existing equity in connection with such Specified Transaction, on the last day of the applicable Test Period). If, since the beginning of any applicable Test Period, any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any Restricted Subsidiary since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.11, then such financial ratio, calculation or test (including measurements of baskets and other calculations on the basis of Consolidated Total Assets and Consolidated EBITDA) shall be calculated to give pro forma effect thereto in accordance with this Section 1.11.

(c) Whenever pro forma effect or a determination of pro forma compliance is to be given to a Specified Transaction or a Specified Restructuring, the pro forma calculations shall be made in good faith by an Authorized Officer of the Borrower and may include, for the avoidance of doubt, the amount of "run rate" cost savings, operating expense reductions and cost synergies and other synergies projected by the Borrower in good faith to result from or relating to any Specified Transaction (including the Transactions) or Specified Restructuring that is being given pro forma effect or for which a determination of pro forma compliance is being made that have been realized or are expected to be realized and for which the actions necessary to realize such cost savings, operating expense reductions, cost synergies or other synergies have been taken, have been committed to be taken, with respect to which substantial steps have been taken or which are expected to be taken (in the good faith determination of the Borrower) (calculated on a pro forma basis as though such cost savings, operating expense reductions, cost synergies and other synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions, cost synergies and other synergies were realized during the entirety of such period and "run rate" means the full recurring benefit for a period that is associated with any action taken, any action committed to be taken, any action with respect to which substantial steps have been taken or any

action that is expected to be taken (including any savings expected to result from the elimination of Public Company Costs, if any) net of the amount of actual benefits realized during such period from such actions, and any such adjustments shall be included in the initial pro forma calculations of such financial ratios or tests and during any subsequent Test Period in which the effects thereof are expected to be realized) relating to such Specified Transaction or Specified Transaction, and any such adjustments included in the initial pro forma calculations shall continue to apply to subsequent calculations of such financial ratios or tests, including during any subsequent Test Periods in which the effects thereof are expected to be realizable; provided that (A) such amounts are reasonably identifiable in the good faith judgment of the Borrower, (B) such actions are taken, such actions are committed to be taken, substantial steps with respect to such action have been taken or such actions are expected to be taken no later than eight fiscal quarters after the date of consummation of such Specified Transaction or the date of initiation of such Specified Restructuring (or, with respect to the Transactions, twelve fiscal quarters) and (C) no amounts shall be added to the extent duplicative of any amounts that are otherwise added back in computing Consolidated EBITDA (or any other components thereof), whether through a pro forma adjustment or otherwise, with respect to such period.

(d) In the event that the Borrower or any Restricted Subsidiary Incurs (including by assumption or guarantee) or Refinances (including by redemption, repurchase, repayment, retirement or extinguishment) any Indebtedness, in each case included in the calculations of any financial ratio or test, (i) during the applicable Test Period or (ii) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving pro forma effect to such Incurrence or Refinancing of Indebtedness (including pro forma effect to the application of the net proceeds therefrom), in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period (except in the case of the Consolidated EBITDA to Consolidated Interest Expense Ratio (or similar ratio), in which case such Incurrence or Refinancing of Indebtedness will be given effect, as if the same had occurred on the first day of the applicable Test Period); provided that, with respect to any Incurrence of Indebtedness permitted by the provisions of this Agreement in reliance on the pro forma calculation of the Consolidated First Lien Debt to Consolidated EBITDA Ratio, the Consolidated Secured Debt to Consolidated EBITDA Ratio, the Consolidated EBITDA to Consolidated Interest Expense Ratio and/or the Consolidated Total Debt to Consolidated EBITDA Ratio, as applicable, pro forma effect shall not be given to any Indebtedness being Incurred (or expected to be Incurred) substantially simultaneously or contemporaneously with the Incurrence of any such Indebtedness in reliance on any "basket" set forth in this Agreement, including the Incremental Base Amount, any "baskets" measured as a percentage of Consolidated Total Assets or Consolidated EBITDA, any Credit Event (as defined in the First Lien Credit Agreement) under the Revolving Credit Facility or, except to the extent expressly required to be calculated otherwise in Section 2.14 or Section 10.1(u), any Additional/Replacement Revolving Credit Facility (as defined in the First Lien Credit Agreement).

(e) Whenever pro forma effect is to be given to a pro forma event, the pro forma calculations shall be made in good faith by an Authorized Officer of the Borrower. If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the Consolidated EBITDA to Consolidated Interest Expense Ratio is made had been the applicable rate for the entire period (taking into account any interest Hedging Agreements applicable to such Indebtedness). To the extent interest expense generated by Hedging Obligations that have been terminated is included in Consolidated Interest Expense prior to the date of the event for which the calculation of the Consolidated EBITDA to Consolidated Interest Expense Ratio is being made, Consolidated Interest Expense shall be adjusted to exclude such expense. Interest on a Financing Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by an Authorized Officer of the Borrower to be the rate of interest implicit in such Financing Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally

be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower or applicable Restricted Subsidiary may designate. For purposes of making the computations referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period or, if lower, the maximum commitments under such revolving credit facility as of the date of the event for which the calculation of the Consolidated EBITDA to Consolidated Interest Expense Ratio is being made, except as set forth in Section 1.11(d).

(f) Any such pro forma calculation may include, without limitation, (1) all adjustments of the type described in clause (a)(viii) of the definition of "Consolidated EBITDA" to the extent such adjustments, without duplication, continue to be applicable to such Test Period, and (2) adjustments calculated in accordance with Regulation S-X under the Securities Act.

(g) In connection with any incurrence of Indebtedness to be consummated in connection with any Permitted Change of Control, subject to the Borrower's corporate credit rating being in B3 or better from Moody's and B- or better from S&P (in each case, with a stable outlook), respectively, at the time of the incurrence thereof or as of the LCT Test Date, as applicable, all leverage ratios related thereto shall be deemed to be 0.50 to 1.00 times higher than the otherwise applicable incurrence test ratio set forth in this Agreement.

(h) After an IPO, at the option of the Borrower (the exercising of such option to release Holdings from its obligations under the Credit Documents pursuant to this Section 1.11(h), a "Holdings Termination Event"), but only if, upon giving effect to such IPO and through a series of mergers, consolidations, dissolutions, amalgamations or otherwise, the Borrower would cease to have a direct or indirect Parent Entity that owns all of the Capital Stock of the Borrower, Holdings shall be released from its Guarantee and all of its property (including the Capital Stock of the Borrower) released as Collateral automatically, and Holdings shall be released from all obligations under this Agreement and the other Credit Documents, including with respect to all representations and warranties, covenants, and defaults related to or referencing Holdings. Following any such release, this Agreement and the other Credit Documents shall be deemed to be amended to eliminate or modify all references to Holdings, as applicable.

SECTION 2. Amount and Terms of Credit Facility.

2.1 Loans.

(a) Subject to and upon the terms and conditions herein set forth, each Lender having an Initial Term Loan Commitment severally agrees to make a loan or loans (each, an "Initial Term Loan") to the Borrower, which Initial Term Loans (i) shall not exceed, for any such Lender, the Initial Term Loan Commitment of such Lender, (ii) shall not exceed, in the aggregate, the Total Initial Term Loan Commitment, (iii) shall be made on the Closing Date and shall be denominated in Dollars, (iv) may, at the option of the Borrower, be Incurred and maintained as, and/or converted into, ABR Loans or Eurodollar Loans; provided that all such Initial Term Loans made by each of the Lenders pursuant to the same Borrowing shall, unless otherwise provided herein, consist entirely of Initial Term Loans of the same Type and (v) may be repaid or prepaid in accordance with the provisions hereof, but once repaid or prepaid may not be reborrowed. On the Initial Term Loan Maturity Date, all outstanding Initial Term Loans shall be repaid in full.

(b) [Reserved].

(c) Each Lender may at its option make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Eurodollar Loan; provided that (i) any exercise of such option shall not affect the obligation of the Borrower to repay such Eurodollar Loan and (ii) in exercising such option, such Lender shall use its reasonable efforts to minimize any increased costs to the Borrower resulting therefrom (which obligation of the Lender shall not require it to take, or refrain from taking, actions that it determines would result in increased costs for which it will not be compensated hereunder or that it determines would be otherwise disadvantageous to it and in the event of such request for costs for which compensation is provided under this Agreement, the provisions of Section 2.10 shall apply).

(d) [Reserved].

2.2 Minimum Amount of Each Borrowing; Maximum Number of Borrowings. The aggregate principal amount of each Borrowing of Term Loans shall be in a multiple of $500,000 and shall not be less than the Minimum Borrowing Amount with respect for such Type of Loans. More than one Borrowing may be Incurred on any date; provided that at no time shall there be outstanding more than fifteen (15) Eurodollar Borrowings under this Agreement (which number of Eurodollar Borrowings may be increased or adjusted by agreement between the Borrower and the Administrative Agent in connection with any Incremental Facility or Extended Term Loans). For purposes of the foregoing, Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

2.3 Notice of Borrowing.

(a) The Borrower shall give the Administrative Agent at the Administrative Agent's Office (i) prior to 1:00 p.m. (New York City time) at least three Business Days' prior written notice (or telephonic notice promptly confirmed in writing) of the Borrowing of Initial Term Loans or any Borrowing of Incremental Term Loans (unless otherwise set forth in the applicable Incremental Agreement), as the case may be, if all or any of such Term Loans are to be initially Eurodollar Loans and (ii) written notice (or telephonic notice promptly confirmed in writing) prior to 1:00 p.m. (New York City time) on the date of the Borrowing of Initial Term Loans or any Borrowing of Incremental Term Loans, as the case may be, if all or any of such Term Loans are to be ABR Loans; provided that any notice of a Borrowing of Eurodollar Loans to be made on the Closing Date or any Incremental Facility Closing Date may be given not later than 1:00 p.m. (New York City time) (or such later date as the Administrative Agent may reasonably agree) one Business Day prior to the date of the proposed Borrowing, which notice may be subject to the effectiveness of the Credit Agreement. Such notice (a "Notice of Borrowing") shall be in substantially the form of Exhibit D and shall specify (i) the aggregate principal amount of the Initial Term Loans or Incremental Term Loans, as the case may be, to be made, (ii) the date of the Borrowing (which shall be, (x) in the case of the Initial Term Loans, the Closing Date, and, (y) in the case of the Incremental Term Loans, the applicable Incremental Facility Closing Date in respect of such Class) and (iii) whether the Initial Term Loans or Incremental Term Loans, as the case may be, shall consist of ABR Loans and/or Eurodollar Loans and, if the Initial Term Loans or Incremental Term Loans, as the case may be, are to include Eurodollar Loans, the Interest Period to be initially applicable thereto; provided that the Notice of Borrowing for a Borrowing of Term Loans shall be revocable so long as the Borrower agrees to comply with the applicable provisions of Section 2.11 upon any such revocation. The Administrative Agent shall promptly give each Lender written notice (or telephonic notice promptly confirmed in writing) of each proposed Borrowing of Initial Term Loans or Incremental Term Loans, as the case may be, of such Lender's proportionate share thereof and of the other matters covered by the related Notice of Borrowing.

(b) [Reserved].

(c) [Reserved].

(d) [Reserved].

(e) [Reserved].

(f) If the Borrower fails to specify a Type of Loan in a Notice of Borrowing, then the applicable Loans shall be made as Eurodollar Loans with an Interest Period of one (1) month. If the Borrower requests a Borrowing of Eurodollar Loans, in any such Notice of Borrowing, but fails to specify an Interest Period (or fails to give a timely notice requesting a continuation of Eurodollar Loans), it will be deemed to have specified an Interest Period of one (1) month.

(g) Without in any way limiting the obligation of the Borrower to confirm in writing any notice it may give hereunder by telephone, the Administrative Agent may act prior to receipt of written confirmation without liability upon the basis of such telephonic notice believed by the Administrative Agent in good faith to be from an Authorized Officer of the Borrower. In each such case, the Borrower hereby waives the right to dispute the Administrative Agent's record of the terms of any such telephonic notice.

2.4 Disbursement of Funds.

(a) No later than 12:00 p.m. (New York City time) on the date specified in each Notice of Borrowing, each Lender will make available its pro rata portion, if any, of each Borrowing requested to be made on such date in the manner provided below; provided that, on the Closing Date (or, with respect to any Incremental Facilities, on the relevant Incremental Facilities Closing Date), such funds may be made available at such earlier time as may be agreed among the relevant Lenders, the Borrower and the Administrative Agent for the purpose of consummating the Transactions.

(b) Each Lender shall make available all such requested amounts it is to fund to the Borrower under any Borrowing for its applicable Commitments in immediately available funds to the Administrative Agent at the Administrative Agent's Office and the Administrative Agent will make available to the Borrower by depositing to an account designated by the Borrower to the Administrative Agent in writing, the aggregate of the amounts so made available. Unless the Administrative Agent shall have been notified in writing by any Lender prior to the date of any such Borrowing that such Lender does not intend to make available to the Administrative Agent its portion of the Borrowing or Borrowings to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing, and the Administrative Agent, in reliance upon such assumption, may (in its sole discretion and without any obligation to do so) make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender and the Administrative Agent has made available same to the Borrower, the Administrative Agent shall be entitled to recover such corresponding amount from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower, and the Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower, as the case may be, interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower to the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if paid by such Lender, the Federal Funds Effective Rate, or (ii) if paid by the Borrower, the then-applicable rate of interest, calculated in accordance with Section 2.8, for the respective Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the

Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing.

(c) [Reserved].

(d) Nothing in this Section 2.4, including any payment by the Borrower, shall be deemed to relieve any Lender from its obligation to fulfill its commitments hereunder or to prejudice any rights that the Borrower may have against any Lender as a result of any default by such Lender hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to fulfill its commitments hereunder).

2.5 Repayment of Loans; Evidence of Debt.

(a) The Borrower agrees to repay to the Administrative Agent, for the benefit of the applicable Lenders, (i) on the Initial Term Loan Maturity Date, all then outstanding Initial Term Loans, (ii) on the relevant Incremental Term Loan Maturity Date for any Class of Incremental Term Loans, any then outstanding Incremental Term Loans of such Class and (iii) on the relevant maturity date for any Class of Extended Term Loans, all then outstanding Extended Term Loans of such Class.

(b) The Borrower shall repay to the Administrative Agent, in Dollars, for the ratable benefit of the Initial Term Loan Lenders, on the Initial Term Loan Maturity Date, the aggregate principal amount of Initial Term Loans then outstanding.

(c) In the event any Incremental Term Loans are made, such Incremental Term Loans shall mature and be repaid in amounts and on dates as agreed between the Borrower and the relevant Lenders of such Incremental Term Loans in the applicable Incremental Agreement, subject to the requirements set forth in Section 2.14. In the event that any Extended Term Loans are established, such Extended Term Loans shall, subject to the requirements of Section 2.15, mature and be repaid by the Borrower in the amounts and on dates set forth in the applicable Extension Agreement; provided, however, that notwithstanding anything to the contrary contained herein, Extended Term Loans may not have any scheduled amortization payments prior to the Initial Term Loan Maturity Date.

(d) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to the appropriate lending office of such Lender resulting from each Loan made by such lending office of such Lender from time to time, including the amounts of principal and interest payable and paid to such lending office of such Lender from time to time under this Agreement.

(e) The Administrative Agent, on behalf of the Borrower, shall maintain the Register pursuant to Section 13.6(b)(v), and a subaccount for each Lender, in which Register and subaccounts (taken together) shall be recorded (i) the amount of each Loan made hereunder, whether such Loan is an Initial Term Loan, an Incremental Term Loan (and the relevant Class thereof) or an Extended Term Loan (and the relevant Class thereof), as applicable, the Type of each Loan made and the Interest Period, if any, applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder, (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof and (iv) any cancellation or retirement of Loans contemplated by Section 13.6(i).

(f) The entries made in the Register and accounts and subaccounts maintained pursuant to paragraphs (d) and (e) of this Section 2.5 shall, to the extent permitted by Applicable Law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded and, in the case of the Register, shall be conclusive absent manifest error; provided, however, that the failure of any Lender or the Administrative Agent to maintain such account, such Register or such subaccount, as applicable, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower in accordance with the terms of this Agreement; provided, further, that in the event of any inconsistency between the accounts maintained by the Administrative Agent pursuant to paragraph (e) of this Section 2.5 and any Lender's records, the accounts of the Administrative Agent shall govern.

(g) For the avoidance of doubt, all Initial Term Loans shall be repaid, whether pursuant to this Section 2.5 or otherwise, in Dollars.

2.6 Conversions and Continuations.

(a) The Borrower shall have the option on any Business Day, subject to Section 2.11, to convert all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans of one Type into a Borrowing or Borrowings of another Type and except as otherwise provided herein the Borrower shall have the option on the last day of an Interest Period to continue the outstanding principal amount of any Eurodollar Loans as Eurodollar Loans for an additional Interest Period; provided that (i) no partial conversion of Eurodollar Loans shall reduce the outstanding principal amount of Eurodollar Loans made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) ABR Loans may not be converted into Eurodollar Loans if an Event of Default is in existence on the date of the conversion and the Administrative Agent has, or the Required Lenders have, determined in its or their sole discretion not to permit such conversion, (iii) Eurodollar Loans may not be continued as Eurodollar Loans for an additional Interest Period if an Event of Default is in existence on the date of the proposed continuation and the Administrative Agent has, or the Required Lenders have, determined in its or their sole discretion not to permit such continuation, and (iv) Borrowings resulting from conversions pursuant to this Section 2.6 shall be limited in number as provided in Section 2.2. Each such conversion or continuation shall be effected by the Borrower giving the Administrative Agent at the Administrative Agent's Office prior to 1:00 p.m. (New York City time) at least (i) three Business Days', in the case of a continuation of, or conversion to, Eurodollar Loans or (ii) the same Business Day in the case of a conversion into ABR Loans), prior written notice (or telephonic notice promptly confirmed in writing) (each a "Notice of Conversion or Continuation") specifying the Loans to be so converted or continued, the Type of Loans to be converted or continued, the requested date of the conversion or continuation, as the case may be (which shall be a Business Day), the principal amount of Loans to be converted or continued, as the case may be, and if such Loans are to be converted into or continued as Eurodollar Loans, the Interest Period to be initially applicable thereto. If the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made or continued as the same Type of Loan, which if a Eurodollar Loan, shall have a one-month Interest Period. Any such automatic continuation shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurodollar Loans. If the Borrower requests a conversion to, or continuation of, Eurodollar Loans in any such Notice of Conversion or Continuation, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month's duration. The Administrative Agent shall give each applicable Lender notice as promptly as practicable of any such proposed conversion or continuation affecting any of its Loans.

(b) If any Event of Default is in existence at the time of any proposed continuation of any Eurodollar Loans and the Administrative Agent has, or the Required Lenders have, determined in its or their sole discretion not to permit such continuation, Eurodollar Loans shall be automatically converted on the last day of the current Interest Period into ABR Loans.

2.7 Pro Rata Borrowings. Each Borrowing of Initial Term Loans under this Agreement shall be granted by the Lenders pro rata on the basis of their then-applicable Initial Term Loan Commitments. Each Borrowing of Incremental Term Loans under this Agreement shall be granted by the Lenders of the relevant Class thereof pro rata on the basis of their then-applicable Incremental Term Loan Commitments for the applicable Class. It is understood that (a) no Lender shall be responsible for any default by any other Lender in its obligation to make Loans hereunder and that each Lender, severally and not jointly, shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to fulfill its commitments hereunder, and (b) failure by a Lender to perform any of its obligations under any of the Credit Documents shall not release any Person from performance of its obligations under any Credit Document.

2.8 Interest.

(a) The unpaid principal amount of each ABR Loan shall bear interest from the date of the Borrowing thereof until maturity (whether by acceleration or otherwise) at a rate per annum that shall at all times be the Applicable Margin in effect from time to time plus the ABR in effect from time to time.

(b) The unpaid principal amount of each Eurodollar Loan shall bear interest from the date of the Borrowing thereof until maturity thereof (whether by acceleration or otherwise) at a rate per annum that shall at all times be the Applicable Margin in effect from time to time plus the relevant Eurodollar Rate in effect from time to time.

(c) If at any time after the occurrence of and during the continuance of an Event of Default under Section 11.1, all or a portion of the principal amount of any Loan or any interest payable thereon or any fees or other amounts due hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest (including post-petition interest in any proceeding under any applicable Debtor Relief Law) at a rate per annum that is (i) in the case of overdue principal, the rate that would otherwise be applicable thereto plus 2.00% or (ii) in the case of overdue interest, fees or other amounts due hereunder, to the extent permitted by Applicable Law, the rate described in Section 2.8(a) plus 2.00% from and including the date of such non-payment to but excluding the date on which such amount is paid in full. All such interest shall be payable on demand.

(d) Interest on each Loan shall accrue from and including the date of any Borrowing to but excluding the date of any repayment thereof, and shall be payable in Dollars and, except as otherwise provided below, shall be payable (i) in respect of each ABR Loan, quarterly in arrears on the last Business Day of each March, June, September and December, (ii) in respect of each Eurodollar Loan, on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three-month intervals after the first day of such Interest Period, (iii) in respect of each Loan, on any prepayment date (on the amount prepaid), at maturity (whether by acceleration or otherwise) and, after such maturity, on demand; provided that a Loan that is repaid on the same day on which it is made shall bear interest for one day and (iv) in respect of each Loan, to the extent necessary to create a fungible tranche of Term Loans, the date of the incurrence of any Incremental Term Loans.

(e) All computations of interest hereunder shall be made in accordance with Section 5.5.

(f) The Administrative Agent, upon determining the interest rate for any Borrowing of Eurodollar Loans shall promptly notify the Borrower and the relevant Lenders thereof. Each such determination shall, absent clearly demonstrable error, be final and conclusive and binding on all parties hereto.

(g) Except as otherwise provided herein, whenever any payment hereunder or under the other Credit Documents shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or commitment, as the case may be.

2.9 Interest Periods. At the time the Borrower gives a Notice of Borrowing or Notice of Conversion or Continuation in respect of the making of, or conversion into, or continuation as, a Borrowing of Eurodollar Loans (in the case of the initial Interest Period applicable thereto) on or prior to 1:00 p.m. (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to a Borrowing of Eurodollar Loans, the Borrower shall have the right to elect, by giving the Administrative Agent written notice (or telephonic notice promptly confirmed in writing), the Interest Period applicable to such Borrowing, which Interest Period shall be the period commencing on the date of such Borrowing and ending on the numerically corresponding day (or, if there is no numerically corresponding day, on the last Business Day) in the calendar month that is one, two, three or six months thereafter (or, if agreed to by all relevant Lenders participating in the relevant Credit Facility, twelve months thereafter or any other period, including a period shorter than one month).

Notwithstanding anything to the contrary contained above:

(a) the initial Interest Period for any Borrowing of Eurodollar Loans shall commence on the date of such Borrowing (including the date of any conversion from a Borrowing of ABR Loans) and each Interest Period occurring thereafter in respect of such Borrowing shall commence on the day on which the next preceding Interest Period expires;

(b) if any Interest Period would end on a day other than a Business Day, such Interest Period shall be extended to the next succeeding Business Day unless such next succeeding Business Day would fall in the next calendar month, in which case such Interest Period shall end on the next preceding Business Day;

(c) if any Interest Period relating to a Borrowing of Eurodollar Loans begins on the last Business Day of a calendar month or begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of the calendar month at the end of such Interest Period;

(d) in the case of Eurodollar Loans, interest shall accrue from and including the first day of an Interest Period to but excluding the last day of such Interest Period; and

(e) the Borrower shall not be entitled to elect any Interest Period in respect of any Eurodollar Loan if such Interest Period would extend beyond the applicable Maturity Date of such Loan.

2.10 Increased Costs, Illegality, Etc.

(a) In the event that (x) in the case of clause (i) below, the Administrative Agent or (y) in the case of clauses (ii) and (iii) below, any Lender, shall have reasonably determined (which determination shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto):

(i) on any date for determining the Eurodollar Rate for any Interest Period that (x) deposits in the principal amounts of the Loans comprising any Borrowing of Eurodollar Loans are not generally available in the relevant market or (y) by reason of any changes arising on or after the Closing Date affecting the London interbank eurocurrency market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of "Eurodollar Rate"; or

(ii) that, due to a Change in Law, which shall (A) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any reserve requirement taken into account in determining the Statutory Reserves); (B) subject any Lender to any Tax (other than (1) Taxes indemnifiable under Section 5.4, (2) Excluded Taxes or (3) Taxes described in Section 5.4(f)) on its loans, loan principal, letters of credits, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or (C) impose on any Lender or the London interbank eurocurrency market any other condition, cost or expense affecting this Agreement or Eurodollar Loans made by such Lender (other than Taxes), which results in the cost to such Lender of making, converting into, continuing or maintaining Eurodollar Loans increasing by an amount which such Lender reasonably deems material or the amounts received or receivable by such Lender hereunder with respect to the foregoing shall be reduced; or

(iii) at any time after the Closing Date, that the making or continuance of any Eurodollar Loan has become unlawful by compliance by such Lender in good faith with any Applicable Law (or would conflict with any such Applicable Law not having the force of law even though the failure to comply therewith would not be unlawful), or has become impracticable as a result of a contingency occurring after the Closing Date that materially and adversely affects the London interbank eurocurrency market;

then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall within a reasonable time thereafter give notice (if by telephone, confirmed in writing) to the Borrower and the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, Eurodollar Loans shall no longer be available until such time as the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice by the Administrative Agent no longer exist (which notice the Administrative Agent agrees to give at such time when such circumstances no longer exist), and any Notice of Borrowing or Notice of Conversion or Continuation given by the Borrower with respect to Eurodollar Loans that have not yet been Incurred shall be deemed rescinded by the Borrower, (y) in the case of clause (ii) above, the Borrower shall pay to such Lender, promptly (but no later than ten Business Days) after receipt of written demand therefor such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its reasonable discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts receivable hereunder (it being agreed that a written notice as to the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, submitted to the Borrower by such Lender shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto) and (z) in the case of clause (iii) above, the Borrower shall take one of the actions specified in Section 2.10(b) as promptly as possible and, in any event, within the time period required by Applicable Law.

(b) At any time that any Eurodollar Loan is affected by the circumstances described in Section 2.10(a)(ii) or (iii), the Borrower may (and in the case of a Eurodollar Loan affected pursuant to Section 2.10(a)(iii) shall) either (x) if the affected Eurodollar Loan is then being made pursuant to a

Borrowing, cancel said Borrowing by giving the Administrative Agent telephonic notice (confirmed promptly in writing) thereof on the same date that the Borrower was notified by a Lender pursuant to Section 2.10(a)(ii) or (iii) or (y) if the affected Eurodollar Loan is then outstanding, upon at least three Business Days' notice to the Administrative Agent, require the affected Lender to convert each such Eurodollar Loan into an ABR Loan, if applicable; provided that if more than one Lender is affected at any time, then all affected Lenders must be treated in the same manner pursuant to this Section 2.10(b).

(c) If any Change in Law regarding capital adequacy or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or its parent's capital or assets as a consequence of such Lender's commitments or obligations hereunder to a level below that which such Lender or its parent could have achieved but for such Change in Law (taking into consideration such Lender's or its parent's policies with respect to capital adequacy or liquidity), then from time to time, promptly (but no later than ten Business Days) after written demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or its parent for such reduction, it being understood and agreed, however, that a Lender shall not be entitled to such compensation as a result of such Lender's compliance with, or pursuant to any request or directive to comply with, any such Applicable Law as in effect on the Closing Date except as a result of a Change in Law. Each Lender, upon determining in good faith that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Borrower (on its own behalf) which notice shall set forth in reasonable detail the basis of the calculation of such additional amounts, although the failure to give any such notice shall not, subject to Section 2.13, release or diminish any of the Borrower's obligations to pay additional amounts pursuant to this Section 2.10(c) upon receipt of such notice.

(d) Notwithstanding any of the provisions in this Agreement (including Section 2.11) to the contrary, if the Borrower and the Administrative Agent reasonably determine in good faith that an interest rate is not ascertainable pursuant to the provisions of the definition of "Eurodollar Rate" or "Reference Rate" and the inability to ascertain such rate is unlikely to be temporary, the "Eurodollar Rate" and "Reference Rate" shall be an alternate rate that is reasonably commercially practicable for the Administrative Agent to administer (as determined by the Administrative Agent in its reasonable discretion) that is either: (i) an alternate rate established by the Administrative Agent and the Borrower that is generally accepted as the then prevailing market convention for determining a rate of interest for syndicated leveraged loans of this type in the United States at such time, in which case, the Administrative Agent and the Borrower shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (including the making of appropriate adjustments to such alternate rate and this Agreement (x) to preserve pricing in effect at the time of selection of such alternate rate (but for the avoidance of doubt which would not reduce the Applicable Margin) and (y) other changes necessary to reflect the available interest periods for such alternate rate) (the "Market Convention Rate") or (ii) if a Market Convention Rate is not available in the reasonable determination of the Administrative Agent and the Borrower acting in good faith, an alternate rate, at the option of the Borrower, either (x) established by the Administrative Agent and the Borrower, so long as the Lenders shall have received at least five Business Days' prior written notice thereof (the "Notice Period"), in which case, the Administrative Agent and the Borrower shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable; provided that such alternate rate shall not apply to (and any such amendment shall not be effective with respect to) any Class for which the Administrative Agent has received a written objection within the Notice Period from the Required Lenders of such Class (with the Required Lenders of such Class determined as if such Class of Lenders were the only Class of Lenders hereunder at the time), or (y) selected by the Borrower and the Required Lenders of any applicable Class (with the Required Lenders of such Class determined as if such Class of Lenders were the only Class of Lenders hereunder at the time) solely with respect to such Class, in which case, the Required Lenders of

such Class and the Borrower shall, subject to 15 Business Days' prior written notice to the Administrative Agent, enter into an amendment to this Agreement to reflect such alternate rate of interest for such Class and make such other related changes to this Agreement as may be necessary to reflect such alternate rate applicable to such Class) (any such alternate rate so established in accordance with the foregoing provisions of this clause (d), the "Successor Benchmark Rate"); provided that, in the case of each of clauses (i) and (ii), any such amendment shall become effective without any further action or consent of any other party to this Agreement, notwithstanding anything to the contrary in Section 13.1; provided, further, that until such Successor Benchmark Rate has been determined pursuant to this paragraph, (A) any request for Borrowing, the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective and (B) all outstanding Borrowings shall be converted to an ABR Borrowing.

(e) The agreements in this Section 2.10 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(f) Notwithstanding the foregoing, no Lender shall be entitled to seek compensation under this Section 2.10 based on the occurrence of a Change in Law arising solely from (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act or any requests, rules, guidelines or directives thereunder or issued in connection therewith or (y) Basel III or any requests, rules, guidelines or directives thereunder or issued in connection therewith, unless such Lender is generally seeking compensation from other borrowers in the U.S. leveraged loan market with respect to its similarly affected commitments, loans and/or participations under agreements with such borrowers having provisions similar to this Section 2.10.

(g) This Section 2.10 shall not operate to provide payments that are duplicative of those required under Section 5.4.

2.11 Compensation. If (a) any payment of principal of a Eurodollar Loan is made by the Borrower to or for the account of a Lender other than on the last day of the Interest Period for such Eurodollar Loan as a result of a payment or conversion pursuant to Section 2.5, 2.6, 2.10, 5.1, 5.2 or 13.7, as a result of acceleration of the maturity of the Loans pursuant to Section 11 or for any other reason, (b) any Borrowing of Eurodollar Loans is not made as a result of a withdrawn Notice of Borrowing or failure to satisfy the conditions of Section 6 and Section 7, (c) any ABR Loan is not converted into a Eurodollar Loan as a result of a withdrawn Notice of Conversion or Continuation, (d) any Eurodollar Loan is not continued as a Eurodollar Loan as a result of a withdrawn Notice of Conversion or Continuation or (e) any prepayment of principal of a Eurodollar Loan is not made as a result of a withdrawn notice of prepayment pursuant to Section 5.1 or 5.2, the Borrower shall, after receipt of a written request by such Lender (which request shall set forth in reasonable detail the basis for requesting such amount and, absent clearly demonstrable error, the amount requested shall be final and conclusive and binding upon all parties hereto), pay to the Administrative Agent for the account of such Lender within ten Business Days of such request any amounts required to compensate such Lender for any additional losses, costs or expenses that such Lender may reasonably incur as a result of such payment, failure to borrow, failure to convert, failure to continue, failure to prepay, reduction or failure to reduce, including any loss, cost or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund or maintain such Eurodollar Loan. The agreements in this Section 2.11 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.12 Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.10(a)(ii), 2.10(a)(iii), 2.10(c) or 5.4 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of

such Lender) to designate another lending office for any Loans affected by such event; provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of any such Section. The Borrower hereby agrees to pay all reasonable and documented or invoiced out-of-pocket costs and expenses incurred by any Lender in connection with any such designation or assignment. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Section 2.10 or 5.4.

2.13 Notice of Certain Costs. Notwithstanding anything in this Agreement to the contrary, to the extent any notice required by Section 2.10, 2.11 or 5.4 is given by any Lender more than 180 days after such Lender has knowledge (or should have had knowledge) of the occurrence of the event giving rise to the additional cost, reduction in amounts, loss, tax or other additional amounts described in such Sections, such Lender shall not be entitled to compensation under Section 2.10, 2.11 or 5.4, as the case may be, for any such amounts incurred or accruing prior to the giving of such notice to the Borrower; provided that, if the circumstance giving rise to such claim is retroactive, then such 180 day period referred to above shall be extended to include the period of retroactive effect thereof.

2.14 Incremental Facilities.

(a) The Borrower may at any time or from time to time after the Closing Date, by written notice delivered to the Administrative Agent request one or more additional Classes of term loans or additional term loans of the same Class of any existing Class of term loans (the "Incremental Term Loans" or the "Incremental Facilities" and the commitments in respect thereof are referred to as the "Incremental Commitments"); provided that, subject to Section 1.10, at the time that any such Incremental Term Loan is made or effected (and after giving pro forma effect thereto), except as set forth in the proviso to clause (b) below, no Event of Default (or, in the case of the Incurrence or provision of any Incremental Facility in connection with an Acquisition or other Investment, no Event of Default under Section 11.1 or 11.5) shall have occurred and be continuing.

(b) Each tranche of Incremental Term Loans shall be in an aggregate principal amount that is not less than $5,000,000 or like amount in an Alternative Currency, as applicable, (it being understood that such amount may be less than $5,000,000 or like amount in an Alternative Currency, as applicable, if such amount represents all remaining availability under the limit set forth below) (and in minimum increments of $1,000,000 or like amount in an Alternative Currency, as applicable, in excess thereof), and, subject to the proviso at the end of this Section 2.14(b), the aggregate amount of (x) the Incremental Term Loans (after giving pro forma effect thereto and the use of the proceeds thereof) Incurred pursuant to this Section 2.14(b), plus (y) the aggregate principal amount of Permitted Additional Debt Incurred under Section 10.1(u)(ii)(A) shall not exceed, as of the date of Incurrence of such Indebtedness or commitments, the sum of (A) the Incremental Base Amount plus (B) an aggregate amount of Indebtedness, such that, subject to Section 1.10, after giving pro forma effect to such Incurrence (and after giving pro forma effect to any Specified Transaction or Specified Restructuring to be consummated in connection therewith), the Borrower would be in compliance with a Consolidated Secured Debt to Consolidated EBITDA Ratio as of the last day of the Test Period most recently ended on or prior to the Incurrence of any such Incremental Facility, calculated on a pro forma basis, as if such Incurrence (and transactions) had occurred on the first day of such Test Period, that is no greater than either (x) 5.50:1.00 or (y) if Incurred in connection with an Acquisition or other Investment, the Consolidated Secured Debt to Consolidated EBITDA Ratio immediately prior to such Acquisition or other Investment (this clause (B), the "Incremental Ratio Debt Amount" and, together with the Incremental Base Amount, the "Incremental Limit"); provided that (i) Incremental Term Loans may be Incurred without regard to the Incremental Limit, without regard to whether an Event of Default has occurred and is continuing and, without regard to the minimums set forth in the first part of this Section 2.14(b), to the extent that the Net

Cash Proceeds from such Incremental Term Loans are used on the date of Incurrence of such Incremental Term Loans (or substantially concurrently therewith) to prepay Term Loans and related amounts in accordance with the procedures set forth in Section 5.2(a)(i) (and any such Incremental Term Loans shall be deemed to have been Incurred pursuant to this proviso).

(c)

(i) The Incremental Term Loans (A) shall rank equal in right of payment and security with the Initial Term Loans, shall be secured only by all or a portion of the Collateral securing the Obligations and shall only be guaranteed by the Credit Parties on a senior basis, (B) shall not mature earlier than the Initial Term Loan Maturity Date, (C) shall not have a shorter Weighted Average Life to Maturity than the remaining Initial Term Loans, (D) shall have a maturity date (subject to clause (B)), an amortization schedule (subject to clause (C)), and interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, AHYDO Catch Up Payments, funding discounts, original issue discounts, currency types and denominations and prepayment terms and premiums for the Incremental Term Loans as determined by the Borrower and the lenders of the Incremental Term Loans; provided that, notwithstanding the foregoing, Incremental Term Loans in an amount not exceeding the Incremental/Refinancing Maturity Limitation Excluded Amount may be Incurred without regard to clause (B) and/or (C) of this Section 2.14(c)(i); and (E) may otherwise have terms and conditions different from those of the Initial Term Loans; provided that (x) except with respect to matters contemplated by clauses (B), (C) and (D) above, any differences shall be either, at the option of the Borrower, (1) reasonably satisfactory to the Administrative Agent (except for covenants and other provisions applicable only to the periods after the Latest Maturity Date) or (2) consistent market terms and conditions, when taken as a whole, at the time of Incurrence or effectiveness of such Incremental Facility (as determined by the Borrower in good faith) and (y) the documentation governing any Incremental Term Loans may include any Previously Absent Covenant so long as the Administrative Agent shall have been given prompt written notice thereof and this Agreement is amended to include such Previously Absent Covenant for the benefit of each Credit Facility.

(ii) [Reserved].

(iii) [Reserved].

(d) Each notice from the Borrower pursuant to this Section 2.14 shall be given in writing and shall set forth the requested amount, currency types and denominations and proposed terms of the relevant Incremental Term Loans. Incremental Term Loans may be made subject to the prior written consent of the Borrower (not to be unreasonably withheld or delayed), by any existing Lender (it being understood that no existing Lender with an Initial Term Loan Commitment will have an obligation to make a portion of any Incremental Term Loan) or by any other bank, financial institution, other institutional lender or other investor (any such other bank, financial institution or other investor being called an "Additional Lender"); provided that the Administrative Agent shall have consented (not to be unreasonably withheld or delayed) to such Lender's or Additional Lender's making such Incremental Term Loans if such consent would be required under Section 13.6(b) for an assignment of Loans to such Lender or Additional Lender.

(e) Commitments in respect of Incremental Term Loans shall become Commitments under this Agreement pursuant to an amendment (an "Incremental Agreement") to this Agreement and, as appropriate, the other Credit Documents, executed by Holdings, the Borrower, each Lender agreeing to provide such Commitment, if any, and each Additional Lender, if any, so long as any Additional Lender shall have complied with the provisions of Section 13.6(b)(ii)(C) and delivered such forms to the Administrative Agent and the Administrative Agent shall have received prior notice of the proposed

execution of such Incremental Agreement; provided that, except as specifically set forth in Section 2.14(d), the Administrative Agent shall not otherwise be required to execute any Incremental Agreement unless such Incremental Agreement would affect the Credit Documents in a manner that would require the consent of the Administrative Agent pursuant to Section 13.1(v) or pursuant to clause (x)(1) of the proviso to Section 2.14(c)(i)(E) or clause (x)(1) of the proviso to Section 2.14(c)(iii)(E). The Incremental Agreement may, subject to Section 2.14(c), without the consent of any other Lenders, effect such amendments to this Agreement and the other Credit Documents as may be necessary, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section (including (i) to increase the Effective Yield of the applicable Class of Term Loans to the extent necessary in order to ensure that any applicable Class of Incremental Term Loans are "fungible" with any applicable existing Class of Term Loans, (ii) to add or extend, in either case, any other "call protection" for the benefit of any applicable existing Class of Term Loans) and/or (iii) in connection with any incurrence of any Incremental Facility denominated in a currency other than U.S. Dollars, to add interest rate definitions and other currency provisions that are customarily included in agreements contemplating Borrowings or the execution of credit documents in any such currency. The effectiveness of any Incremental Agreement (an "Incremental Facility Closing Date") and the occurrence of any Credit Event pursuant to such Incremental Agreement shall be subject to the satisfaction of such conditions as the parties thereto shall agree. The Borrower will use the proceeds of the Incremental Term Loans for any purpose not prohibited by this Agreement; provided, however, that the proceeds of any Incremental Term Loans Incurred, as described in the proviso to Section 2.14(b), shall be used in accordance with the terms thereof.

(f) No Lender shall be obligated to provide any Incremental Term Loans unless it so agrees and the Borrower shall not be obligated to offer any existing Lender the opportunity to provide any Incremental Term Loans.

(g) This Section 2.14 shall supersede any provisions in Section 2.7 or 13.1 to the contrary. For the avoidance of doubt, any provisions of this Section 2.14 may be amended with the consent of the Required Lenders; provided no such amendment shall require any Lender to provide any Incremental Commitment without such Lender's consent.

2.15 Extensions of Term Loans.

(a) The Borrower may at any time and from time to time request that all or a portion of each Term Loan of any Class (an "Existing Term Loan Class") be converted or exchanged to extend the scheduled final maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Term Loans or to make any other changes to the terms of such Term Loans (any such Term Loans which have been so extended or changed, "Extended Term Loans") and to provide for other terms consistent with this Section 2.15. Prior to entering into any Extension Agreement with respect to any Extended Term Loans, the Borrower shall provide written notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Term Loan Class, with such request offered equally to all such Lenders of such Existing Term Loan Class) (a "Term Loan Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which terms shall be similar to the Term Loans of the Existing Term Loan Class from which they are to be extended or changed except that (w) the scheduled final maturity date may be extended or changed, (x)(A) the interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and prepayment terms and premiums with respect to the Extended Term Loans may be different than those for the Term Loans of such Existing Term Loan Class and/or (B) additional fees and/or premiums may be payable to the Lenders providing such Extended Term Loans in addition to any of the items contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Agreement, (y) subject to the provisions set forth in Sections 5.1 and 5.2, the Extended Term Loans may have optional prepayment terms (including call protection and

prepayment terms and premiums) and mandatory prepayment terms as may be agreed between the Borrower and the Lenders thereof and (z) the Extension Agreement may provide for other covenants and terms. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Class converted into Extended Term Loans pursuant to any Term Loan Extension Request. Any Extended Term Loans of any Extension Series shall constitute a separate Class of Term Loans from the Existing Term Loan Class of Term Loans from which they were extended or changed. Notwithstanding anything to the contrary herein, Extended Term Loans may not have any scheduled amortization prior to the Initial Term Loan Maturity Date.

(b) [Reserved].

(c) The Borrower shall provide the applicable Term Loan Extension Request to the Administrative Agent at least five (5) Business Days (or such shorter period as the Administrative Agent may determine in its reasonable discretion) prior to the date on which Lenders under the Existing Term Loan Class are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably, to accomplish the purpose of this Section 2.15. The Borrower may, at its election, specify as a condition to consummating any Extension Agreement that a minimum amount (to be determined and specified in the relevant Term Loan Extension Request in the Borrower's sole discretion and as may be waived by the Borrower) of Term Loans of any or all applicable Classes be tendered. Any Lender (an "Extending Lender") wishing to have all or a portion of its Term Loans, of an Existing Term Loan Class subject to such Term Loan Extension Request converted or exchanged into Extended Term Loans shall notify the Administrative Agent (an "Extension Election") on or prior to the date specified in such Term Loan Extension Request of the amount of its Term Loans it has elected to convert or exchange into Extended Term Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate amount of Term Loans subject to Extension Elections exceeds the amount of Extended Term Loans requested pursuant to the Extension Request, Term Loans subject to Extension Elections shall be converted to or exchanged to Extended Term Loans on a pro rata basis (subject to such rounding requirements as may be established by the Administrative Agent) based on the amount of Term Loans included in each such Extension Election or as may be otherwise agreed to in the applicable Extension Agreement.

(d) Extended Term Loans shall be established pursuant to an amendment (an "Extension Agreement") to this Agreement (which, except to the extent expressly contemplated by the penultimate sentence of this Section 2.15(d) and notwithstanding anything to the contrary set forth in Section 13.1, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Term Loans established thereby) executed by the Credit Parties, the Administrative Agent and the Extending Lenders. In connection with any Extension Agreement, the Borrower shall deliver an opinion of counsel reasonably acceptable to the Administrative Agent and addressed to the Administrative Agent and the applicable Extending Lenders (i) as to the enforceability of such Extension Agreement, this Agreement as amended thereby, and such of the other Credit Documents (if any) as may be amended thereby (in the case of such other Credit Documents as contemplated by the immediately preceding sentence) and covering customary matters and (ii) to the effect that such Extension Agreement, including the Extended Term Loans provided for therein, does not breach or result in a default under the provisions of Section 13.1 of this Agreement.

(e) Notwithstanding anything to the contrary contained in this Agreement, on any date on which any Existing Term Loan Class is converted or exchanged to extend the related scheduled maturity date(s) in accordance with paragraph (a) above (an "Extension Date"), in the case of the existing Term Loans of each Extending Lender, the aggregate principal amount of such existing Term Loans shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Loans so converted or exchanged by such Lender on such date, and the Extended Term Loans shall be established as a separate Class of Term Loans (together with any other Extended Term Loans so established on such date).

(f) In the event that the Administrative Agent determines in its sole discretion that the allocation of Extended Term Loans of a given Extension Series to a given Lender was incorrectly determined as a result of manifest administrative error in the receipt and processing of an Extension Election timely submitted by such Lender in accordance with the procedures set forth in the applicable Extension Agreement, then the Administrative Agent, the Borrower and such affected Lender may (and hereby are authorized to), in their sole discretion and without the consent of any other Lender, enter into an amendment to this Agreement and the other Credit Documents (each, a "Corrective Extension Agreement") within 15 days following the effective date of such Extension Agreement, as the case may be, which Corrective Extension Agreement shall (i) provide for the conversion or exchange and extension of Term Loans under the Existing Term Loan Class in such amount as is required to cause such Lender to hold Extended Term Loans of the applicable Extension Series into which such other Term Loans were initially converted or exchanged, as the case may be, in the amount such Lender would have held had such administrative error not occurred and had such Lender received the minimum allocation of the applicable Loans to which it was entitled under the terms of such Extension Agreement, in the absence of such error, (ii) be subject to the satisfaction of such conditions as the Administrative Agent, the Borrower and such Lender may agree (including conditions of the type required to be satisfied for the effectiveness of an Extension Agreement described in Section 2.15(d)), and (iii) effect such other amendments of the type (with appropriate reference and nomenclature changes) described in the penultimate sentence of Section 2.15(d).

(g) No conversion or exchange of Term Loans pursuant to any Extension Agreement in accordance with this Section 2.15 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(h) This Section 2.15 shall supersede any provisions in Section 2.4 or Section 13.1 to the contrary. For the avoidance of doubt, any of the provisions of this Section 2.15 may be amended with the consent of the Required Lenders; provided that no such amendment shall require any Lender to provide any Extended Term Loans without such Lender's consent.

2.16 [Reserved].

2.17 Term Loan Exchange Notes.

(a) The Borrower may by written notice to the Administrative Agent elect to offer (each a "Permitted Debt Exchange Offer") to issue to Lenders holding Term Loans under this Agreement first priority senior secured notes and/or junior lien secured notes and/or unsecured notes (the "Term Loan Exchange Notes") in exchange for the Term Loans (each such exchange, a "Permitted Debt Exchange"); provided that such Term Loan Exchange Notes may not be in an aggregate principal amount (or accreted value) greater than the aggregate principal amount of Term Loans being exchanged plus unpaid accrued interest, fees and premiums (including tender premiums) (if any) thereon, defeasance costs, underwriting discounts and fees, commissions and expenses (including OID, closing payments, upfront fees or similar fees) in connection with the issuance of the Term Loan Exchange Notes. Each such notice shall specify the date (each, a "Term Loan Exchange Effective Date") on which the Borrower proposes that the Term Loan Exchange Notes shall be issued, which shall be a date not less than fifteen days after the date on which such notice is delivered to the Administrative Agent (or such shorter period as may be agreed by the Administrative Agent); provided that: (w) the Weighted Average Life to Maturity of such Term Loan Exchange Notes shall not be shorter than the then remaining Weighted Average Life to Maturity of the

Term Loans being exchanged (it being understood that acceleration or mandatory repayment, prepayment, redemption or repurchase of such Term Loan Exchange Notes upon the occurrence of an event of default, a change in control, an event of loss or an asset disposition shall not be deemed to constitute a change in the stated final maturity thereof); (x) if secured, such Term Loan Exchange Notes shall rank equal to or junior in right of payment and of security with the Loans and Commitments being exchanged hereunder; (y) all other terms and conditions (other than interest rates (including through fixed interest rates), interest rate margins, rate floors, fees, maturity, funding discounts, original issue discounts and redemption or prepayment terms and premiums) applicable to such Term Loan Exchange Notes shall reflect market terms and conditions at the time of incurrence (as determined in good faith by the Borrower); provided that the Term Loan Exchange Notes may have the benefit of any Previously Absent Covenant if the Administrative Agent has been given prompt written notice thereof and this Agreement shall have been amended to include such Previously Absent Covenant; and (z) the obligations in respect of the Term Loan Exchange Notes (A) shall not be secured by Liens on any asset of Holdings, the Borrower and the Restricted Subsidiaries other than assets constituting Collateral, (B) if such Term Loan Exchange Notes are secured, all security therefor shall be granted pursuant to documentation that is not more restrictive than the Security Documents in any material respect taken as a whole (as determined by the Borrower) and the representative for such Term Loan Exchange Notes shall enter into a Customary Intercreditor Agreement (it being understood that junior Liens are not required to be equal to other junior Liens, and that Indebtedness secured by junior Liens may be secured by Liens that are equal to, or junior in priority to, other Liens that are junior to the Liens securing the Obligations), or (C) shall not be incurred or guaranteed by any Restricted Subsidiary unless such Restricted Subsidiary is a Credit Party which shall have previously or substantially concurrently guaranteed or borrowed such Term Loans being exchanged.

(b) The Borrower shall offer to issue Term Loan Exchange Notes in exchange for the Class of Term Loans to all Lenders holding such Class of Term Loans (other than any Lender that, if requested by the Borrower, is unable to certify that it is (i) a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act), (ii) an institutional "accredited investor" (as defined in Rule 501 under the Securities Act) or (iii) not a "U.S. person" (as defined in Rule 902 under the Securities Act)) on a pro rata basis, and such Lenders may choose to accept or decline to receive such Term Loan Exchange Notes in their sole discretion. Any such Term Loans exchanged for Term Loan Exchange Notes shall be automatically and immediately, without further action by any Person, cancelled on the Term Loan Exchange Effective Date for all purposes of this Agreement (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), and accrued and unpaid interest on such Term Loans shall be paid to the exchanging Lenders on the Term Loan Exchange Effective Date, or, if agreed to by the Borrower and the Administrative Agent, the next scheduled date interest is due with respect to such Term Loans (with such interest accruing until the date of consummation of such Permitted Debt Exchange).

(c) If the aggregate principal amount of all Term Loans (calculated on the face amount thereof) of a given Class tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof of the applicable Class actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of such Class offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans under the relevant Class tendered by such Lenders ratably up to such maximum based on the respective principal amounts so tendered, or, if such Permitted Debt Exchange Offer shall have been made with respect to multiple Classes without specifying a maximum aggregate principal amount offered to be exchanged for each Class, and the aggregate principal amount of all Term Loans (calculated on the face amount thereof) of all Classes

tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of all relevant Classes offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans across all Classes subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered.

(d) With respect to all Permitted Debt Exchanges effected by the Borrower pursuant to this Section 2.17, unless waived by the Borrower, such Permitted Debt Exchange Offer shall be made for not less than $50,000,000 in aggregate principal amount of Term Loans; provided that subject to the foregoing the Borrower may at its election specify (A) as a condition (a "Minimum Tender Condition") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes be tendered and/or (B) as a condition (a "Maximum Tender Condition") to consummating any such Permitted Debt Exchange that no more than a maximum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes will be accepted for exchange. The Administrative Agent and the Lenders hereby acknowledge and agree that this Section 2.17 shall supersede any provisions of Section 2.5, Section 5 and Section 13.1 to the contrary, waive the requirements of any other provision of this Agreement or any other Credit Document that may otherwise prohibit the incurrence of any Indebtedness expressly provided for by this Section 2.17 and hereby agree not to assert any Default or Event of Default in connection with the implementation of any such Permitted Debt Exchange or any other transaction contemplated by this Section 2.17.

(e) In connection with each Permitted Debt Exchange, the Borrower shall provide the Administrative Agent at least five Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and the Borrower and the Administrative Agent, acting reasonably, shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.17; provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than five Business Days following the date on which the Permitted Debt Exchange Offer is made. The Borrower shall provide the final results of such Permitted Debt Exchange to the Administrative Agent no later than one Business Day prior to the proposed date of effectiveness for such Permitted Debt Exchange and the Administrative Agent shall be entitled to conclusively rely on such results.

(f) The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (x) neither the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Exchange Act.

SECTION 3. [Reserved].

SECTION 4. Fees.

4.1 Fees.

(a) The Borrower agrees to pay to the Administrative Agent the administrative agency fees in the amounts and on the dates as set forth in the Fee Letter.

(b) The Borrower agrees to pay to the Administrative Agent, for the account of each Initial Term Loan Lender on the Closing Date, an upfront fee equal to 1.00% of the aggregate principal amount of the Initial Term Loans made on the Closing Date, which may be reflected as original issue discount. All such fees payable under this Section 4.1(f) shall be payable in full on the Closing Date.

4.2 [Reserved].

4.3 Mandatory Termination of Commitments.

(a) The Total Initial Term Loan Commitment shall terminate upon the occurrence of the Closing Date.

(b) [Reserved].

(c) [Reserved].

(d) The Incremental Term Loan Commitment for any Class shall, unless otherwise provided in the documentation governing such Incremental Term Loan Commitment, terminate at 5:00 p.m. (New York City time) on the Incremental Facility Closing Date for such Class.

SECTION 5. Payments.

5.1 Voluntary Prepayments.

(a) The Borrower shall have the right to prepay Term Loans, without, except as set forth in Section 5.1(b), premium or penalty, in whole or in part from time to time on the following terms and conditions: (1) the Borrower shall give the Administrative Agent at the Administrative Agent's Office written notice (or telephonic notice promptly confirmed in writing) of its intent to make such prepayment, the amount of such prepayment and in the case of Eurodollar Loans, the specific Borrowing(s) pursuant to which made, which notice shall be in the form attached hereto as Exhibit N and be given by the Borrower no later than 1:00 p.m. (New York City time) (x) on the date of such prepayment (in the case of ABR Loans) or (y) three Business Days prior to the date of such prepayment (in the case of Eurodollar Loans), and, in each case, the Administrative Agent shall promptly notify each of the relevant Lenders, (2) each partial prepayment of any Borrowing of Term Loans shall be in a multiple of $500,000 and in an aggregate principal amount of at least $1,000,000; provided that no partial prepayment of Eurodollar Loans made pursuant to a single Borrowing shall reduce the outstanding Eurodollar Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount for Eurodollar Loans and (3) any prepayment of Eurodollar Loans pursuant to this Section 5.1 on any day other than the last day of an Interest Period applicable thereto shall be subject to compliance by the Borrower with the applicable provisions of Section 2.11. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. Each prepayment in respect of any Class of Term Loans pursuant to this Section 5.1 may be applied to any Class of Term Loans as directed by the

Borrower. For the avoidance of doubt, the Borrower may (i) prepay Term Loans of an Existing Term Loan Class pursuant to this Section 5.1 without any requirement to prepay Extended Term Loans that were converted or exchanged from such Existing Term Loan Class and (ii) prepay Extended Term Loans pursuant to this Section 5.1 without any requirement to prepay Term Loans of an Existing Term Loan Class that were converted or exchanged for such Extended Term Loans. In the event that the Borrower does not specify the order in which to apply prepayments as between Classes of Term Loans, the Borrower shall be deemed to have elected that such proceeds be applied on a pro rata basis among Term Loan Classes. All prepayments under this Section 5.1 shall also be subject to the provisions of Section 5.2(d).

(b) Subject to Section 5.1(c), at the time of (x) any prepayment of Initial Term Loans pursuant to Section 5.1(a), (y) any prepayment of Initial Term Loans as a result of any Debt Incurrence Prepayment Event or (z) any Repricing Transaction, in any case that is consummated:

(i) prior to the first anniversary of the Closing Date, the Borrower agrees to pay to the Administrative Agent, for the ratable account of each Lender with outstanding Initial Term Loans, a fee in an amount equal to 2.0% of the aggregate principal amount of all Initial Term Loans so prepaid (in the case of clauses (x) and (y)) or outstanding on such date that are subject to an effective pricing reduction pursuant to such Repricing Transaction (in the case of clause (z)); and

(ii) on and after the first year anniversary of the Closing Date, but prior to the second anniversary of the Closing Date, the Borrower agrees to pay to the Administrative Agent, for the ratable account of each Lender with outstanding Initial Term Loans, a fee in an amount equal to 1.0% of the aggregate principal amount of all Initial Term Loans so prepaid (in the case of clause (x) and (y)) or outstanding on such date that are subject to an effective pricing reduction pursuant to such Repricing Transaction (in the case of clause (z)).

Such fees shall be due and payable upon the date of the applicable prepayment or Repricing Transaction, as applicable. For the avoidance of doubt, on and after the second anniversary of the Closing Date, no fee shall be payable pursuant to this Section 5.1(b).

(c) Notwithstanding anything to the contrary in this Agreement, the Borrower may prepay up to 100.0% of the Initial Term Loans before the second anniversary of the Closing Date, regardless of whether any premium or penalty would otherwise have been required under Section 5.1(b), with proceeds from the issuance of any Capital Stock or with the proceeds of cash and the Fair Market Value of marketable securities or other property, in each case contributed to the capital of the Borrower, in each case without any premium or penalty, at par plus accrued interest on the aggregate principal amount of all Initial Term Loans so prepaid (in the case of Section 5.1(b)(x) and (y)) or outstanding on such date that are subject to an effective pricing reduction pursuant to such Repricing Transaction (in the case of Section 5.1(b)(z)).

5.2 Mandatory Prepayments.

(a) Term Loan Prepayments.

(i) On each occasion that a Prepayment Event occurs, the Borrower shall, within five Business Days after the receipt of Net Cash Proceeds from a Debt Incurrence Prepayment Event and within thirty days after the receipt of Net Cash Proceeds in connection with the occurrence of any other Prepayment Event, offer to prepay (or, in the case of a Debt Incurrence Prepayment Event arising from (A) the Incurrence of Incremental Term Loans in reliance on the proviso to Section 2.14(b), (B) the

(b) [Reserved].

(c) Application to Repayment Amounts.

(i) Subject to clause (ii) of this Section 5.2(c), the first proviso to Section 5.2(a)(i) and the first proviso to Section 5.2(a)(ii), (A) each prepayment of Term Loans required by Sections 5.2(a)(i) and (ii) (other than in connection with a Debt Incurrence Prepayment Event) shall be allocated to the Classes of Term Loans outstanding, pro rata, based upon the applicable remaining outstanding principal amount due in respect of each such Class of Term Loans (excluding any Class of Term Loans that has agreed to receive a less than pro rata share of any such mandatory prepayment and taking into account any reduction in the amount of any required Excess Cash Flow payment to any Class of Term Loans that have

been subject to a Section 13.6(g) transaction), shall be applied pro rata to Lenders within each Class, based upon the outstanding principal amounts owing to each such Lender under each such Class of Term Loans and (B) each prepayment of Term Loans required by Section 5.2(a)(i) in connection with a Debt Incurrence Prepayment Event shall be allocated to any Class of Term Loans outstanding as directed by the Borrower (subject to the requirement that the proceeds of any Specified Debt Incurrence Prepayment Event shall in all cases be applied to prepay or repay the applicable Refinanced Indebtedness), shall be applied pro rata to Lenders within each such Class, based upon the outstanding principal amounts owing to each such Lender under each such Class of Term Loans; provided that, with respect to the allocation of such prepayments under clause (A) above only, between an Existing Term Loan Class and Extended Term Loans of the same Extension Series, the Borrower may allocate such prepayments as the Borrower may specify, subject to the limitation that the Borrower shall not allocate to Extended Term Loans of any Extension Series any such mandatory prepayment under such clause (A) unless such prepayment is accompanied by at least a pro rata prepayment of the Term Loans of the Existing Term Loan Class, if any, from which such Extended Term Loans were converted or exchanged (or such Term Loans of the Existing Term Loan Class have otherwise been repaid in full).

(ii) With respect to each such prepayment required by Section 5.2(a)(i) and Section 5.2(a)(ii) (other than any Debt Incurrence Prepayment Event), (A) the Borrower will, not later than the date specified in Section 5.2(a) for offering to make such prepayment, give the Administrative Agent telephonic notice (promptly confirmed in writing) requesting that the Administrative Agent provide notice of such prepayment to each Lender and the Administrative Agent will promptly provide such notice to each Lender, (B) other than if such prepayment arises due to a Specified Debt Incurrence Prepayment Event, each Lender of Term Loans will have the right to refuse any such prepayment by giving written notice of such refusal to the Administrative Agent and the Borrower within three Business Days after such Lender's receipt of notice from the Administrative Agent of such prepayment (and the Borrower shall not prepay any Term Loans until the date that is specified in clause (C) below) (such refused amounts, the "First Refused Proceeds"), (C) the Borrower will make all such prepayments not so refused upon the tenth Business Day after the Lender received first notice of repayment from the Administrative Agent and (D) thereafter, any First Refused Proceeds may be retained by the Borrower (the "Retained Refused Proceeds") (it being understood that if no Term Loans are outstanding at the time the notice referenced in clause (A) above is required to be delivered, such prepayment shall be deemed First Refused Proceeds without any further action by the Borrower for purposes of this Section 5.2(c)(ii)).

(d) Application to Term Loans.

(i) With respect to each prepayment of Term Loans elected by the Borrower pursuant to Section 5.1 or pursuant to a Specified Debt Incurrence Prepayment Event, the Borrower may designate the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made (or, if not designated, in direct order of maturity); provided that the Borrower pays any amounts, if any, required to be paid pursuant to Section 2.11 with respect to prepayments of Eurodollar Loans made on any date other than the last day of the applicable Interest Period. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent, shall, subject to the above, make such designation in a manner that minimizes the amount of payments required to be made by the Borrower pursuant to Section 2.11.

(ii) With respect to each prepayment of Term Loans by the Borrower required pursuant to Section 5.2(a) (other than in respect of a Specified Debt Incurrence Prepayment Event), such prepayments shall be applied on a pro rata basis to the then outstanding Term Loans (other than any Class of Term Loans that has agreed to receive a less than pro rata share of any such mandatory prepayment) being prepaid irrespective of whether such outstanding Term Loans are ABR Loans or Eurodollar Loans; provided that, if no Lender exercises the right to waive a given mandatory prepayment of the Term Loans

pursuant to Section 5.2(c)(ii), then, with respect to such mandatory prepayment, the amount of such mandatory prepayment shall be applied first to Term Loans that are ABR Loans to the full extent thereof before application to Term Loans that are Eurodollar Loans in a manner that minimizes the amount of any payments required to be made by the Borrower pursuant to Section 2.11.

(e) [Reserved].

(f) Eurodollar Interest Periods. In lieu of making any payment pursuant to this Section 5.2 in respect of any Eurodollar Loan other than on the last day of the Interest Period thereof, so long as no Default or Event of Default shall have occurred and be continuing, the Borrower at its option may deposit with the Administrative Agent an amount equal to the amount of the Eurodollar Loan to be prepaid and such Eurodollar Loan shall be repaid on the last day of the Interest Period therefor in the required amount. Such deposit shall be held by the Administrative Agent in a deposit account established on terms reasonably satisfactory to the Administrative Agent, which account may, for the avoidance of doubt, be established at an unaffiliated financial institution. Such deposit shall constitute Cash Collateral for the Obligations; provided that the Borrower may at any time direct that such deposit be applied to make the applicable payment required pursuant to this Section 5.2.

(g) Minimum Amount.

(i) No prepayment shall be required pursuant to Section 5.2(a)(i) (except to the extent such prepayment arises due to a Debt Incurrence Prepayment Event) unless and until the amount at any time of Net Cash Proceeds from Prepayment Events required to be offered at or prior to such time pursuant to such Section and not yet offered at or prior to such time to prepay Term Loans pursuant to such Section exceeds (i) $12,000,000 for any single Prepayment Event or series of related Prepayment Events and (ii) $24,000,000 in the aggregate for all such Prepayment Events in any fiscal year, at which time the amount in excess of $12,000,000 or $24,000,000 , as the case may be, will be offered to be prepaid as provided in Section 5.2(a)(i), with the date of receipt of such Net Cash Proceeds being deemed for such purpose to be the date such thresholds set forth in clauses (i) and (ii) of this clause (g) are met.

(ii) No prepayment shall be required pursuant to Section 5.2(a)(ii) unless and until the amount of Excess Cash Flow required to be offered to prepay Term Loans for a fiscal year pursuant to such Section exceeds $12,000,000, at which time the amount in excess of $12,000,000, will be offered to be prepaid as provided in Section 5.2(a)(ii).

(h) Non-Credit Party Asset Sales. Notwithstanding any other provisions of this Section 5.2, (i) to the extent that any of or all the Net Cash Proceeds of any asset sale by a Non-Credit Party giving rise to an Asset Sale Prepayment Event (a "Non-Credit Party Asset Sale"), the Net Cash Proceeds of any Recovery Event from a Non-Credit Party (a "Non-Credit Party Recovery Event") or Excess Cash Flow, are prohibited, delayed or restricted by applicable local law, rule or regulation (including financial assistance and corporate benefit restrictions and statutory duties of the relevant directors) from being repatriated or expatriated to the United States or from being distributed to a Credit Party, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 5.2(h)(i) but may be retained by the applicable Non-Credit Party so long, but only so long, as the applicable local law, rule or regulation will not permit repatriation to the United States or expatriation or distribution to a Credit Party (the Borrower hereby agreeing to cause the applicable Non-Credit Party to promptly take all commercially reasonable actions available under applicable local law, rule or regulation to permit such repatriation, expatriation or distribution), and once such repatriation, expatriation or distribution of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, rule or regulation, such repatriation, expatriation or distribution will be immediately effected and such repatriated, expatriated or distributed Net Cash

Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation, expatriation or distribution) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans (and, if applicable, such other Indebtedness as is contemplated by this Section 5.2(h)(i) pursuant to this Section 5.2(h)(i) and (ii) to the extent that the Borrower has determined in good faith that such repatriation or expatriation of any of or all the Net Cash Proceeds of any Non-Credit Party Asset Sale, any Non-Credit Party Recovery Event or Excess Cash Flow would have a material adverse tax cost consequence with respect to such Net Cash Proceeds or Excess Cash Flow (but only for so long as such material adverse tax cost consequence exists), the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Non-Credit Party; provided that, in the case of this clause (ii), on or before the date on which any Net Cash Proceeds from any Non-Credit Party Asset Sale or Non-Credit Party Recovery Event so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to Section 5.2(a) (or, in the case of Excess Cash Flow, a date on or before the date that is six months after the date such Excess Cash Flow would have been so required to be applied to prepayments pursuant to Section 5.2(a)(ii) unless previously repatriated or expatriated in which case such repatriated or expatriated Excess Cash Flow shall have been promptly applied to the repayment of the Term Loans pursuant to Section 5.2(a)), (x) the Borrower applies an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Borrower rather than such Non-Credit Party, less the amount of additional taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated or expatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Non-Credit Party) or (y) such Net Cash Proceeds or Excess Cash Flow are applied to the repayment of Indebtedness of a Non-Credit Party.

(i) Notwithstanding anything in this Section 5.2 to the contrary, until the First Lien Termination Date, except with respect to a Specified Debt Incurrence Payment Event, (i) no mandatory prepayments of Term Loans that would otherwise be required to be made under this Section 5.2 shall be required to be made, except with respect to the portion (if any) of the proceeds of any event giving rise to such mandatory prepayment as shall have been rejected by the term lenders under the First Lien Credit Agreement (or by lenders or investors under any documentation governing any Permitted Refinancing Indebtedness in respect of any Refinancing thereof or under the documentation governing any Permitted Additional Debt constituting First Lien Obligations), in each case in accordance with and as required by Section 5.2(c) of the First Lien Credit Agreement (or such similar provision in any such other documentation governing First Lien Obligations) and (ii) the references to five and ten Business Days or thirty calendar days following the event giving rise to such mandatory prepayment in paragraph (a) of this Section 5.2 shall be deemed to be the fifth or tenth Business Day or thirtieth calendar day, respectively, next following the date of determination that proceeds of the event giving rise to such mandatory prepayment shall be applied to prepayments of the Term Loans in accordance with this Section 5.2.

5.3 Method and Place of Payment.

(a) All payments under this Agreement shall be made by the Borrower, without set-off, counterclaim or deduction of any kind. Except as otherwise specifically provided in this Agreement, all payments by the Borrower under this Agreement shall be made in Dollars to the Administrative Agent for the ratable account of the applicable Lenders entitled thereto, not later than 2:00 p.m. (New York City time) on the date when due and shall be made in immediately available funds at the Administrative Agent's Office it being understood that written, electronic or facsimile notice by the Borrower to the Administrative Agent to make a payment from the funds in the Borrower's account at the Administrative Agent's Office shall constitute the making of such payment to the extent of such funds held in such account. The Administrative Agent will thereafter cause to be distributed like funds relating to the payment of principal or interest or Fees ratably to the Lenders entitled thereto.

(b) For purposes of computing interest or fees, any payments under this Agreement that are made later than 2:00 p.m. (New York City time) may be deemed to have been made on the next succeeding Business Day in the Administrative Agent's sole discretion (and the Administrative Agent may extend such deadline in its discretion whether or not such payments are in process). Except as otherwise provided in this Agreement, whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable during such extension at the applicable rate in effect immediately prior to such extension.

5.4 Net Payments.

(a) Except as required by law, all payments made by or on behalf of a Credit Party under this Agreement or any other Credit Document shall be made free and clear of, and without deduction or withholding for or on account of, any current or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority (including any interest, additions to tax and penalties applicable thereto) (collectively, "Taxes") excluding in the case of each Lender and each Agent and, except as otherwise provided in Section 5.4(f), (A) net income Taxes and franchise Taxes (imposed in lieu of net income Taxes) imposed on such Agent or such Lender as a result of (i) such Agent or such Lender having been organized under the laws of, or having its principal office or, in the case of any Lender, its applicable lending office located in, the jurisdiction imposing such Tax or (ii) a present or former connection between such Agent or such Lender and the jurisdiction imposing such Tax or any political subdivision or taxing authority thereof or therein (other than any such connection arising from such Agent or such Lender having executed, delivered or performed its obligations or received a payment under, or enforced, or engaged in any other transactions pursuant to, this Agreement or any other Credit Document), (B) any branch profits Taxes imposed by the United States of America or any similar Tax imposed by any other jurisdiction described in clause (A)(i) or (A)(ii) and (C) any withholding Tax imposed pursuant to FATCA (collectively, "Excluded Taxes"). If any such non-Excluded Taxes imposed on or with respect to any payment by or on account of any obligation of any Credit Party under Credit Documents ("Non-Excluded Taxes") are required to be withheld by a Withholding Agent from any amounts payable under this Agreement or any other Credit Document, the applicable Credit Party shall increase the amounts payable to the Administrative Agent or such Lender to the extent necessary to yield to the Administrative Agent or such Lender (after payment of all Non-Excluded Taxes including those applicable to any amounts payable under this Section 5.4) interest or any such other amounts payable hereunder at the rates or in the amounts specified in such Credit Document. Whenever any withholding Taxes are payable by any Credit Party in respect of amounts payable under any Credit Document, promptly thereafter, the applicable Credit Party shall send to the Administrative Agent for its own account or for the account of such Lender, as the case may be, a certified copy of an original official receipt, if available (or other evidence acceptable to such Lender, acting reasonably) received by the applicable Credit Party showing payment thereof. The agreements in this Section 5.4 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(b) In addition, each Credit Party shall pay any present or future stamp, court, documentary, filing, mortgage, recording, property or intangible taxes, charges or similar levies (including any interest, additions to tax and penalties) that arise from any payment made by such Credit Party hereunder or under any other Credit Documents or from the execution, delivery or registration or recordation of, from the receipt or perfection of a security interest or performance under, or otherwise with respect to, this Agreement or the other Credit Documents, except any taxes imposed as a result of a present or former connection between an assignee and the jurisdiction imposing such tax (other than a connection arising solely from an assignee having executed, delivered, become a party to, performed its obligations under, received or perfected a security interest under, engaged in any transaction pursuant to, or enforced this Agreement) with respect to an assignment (other than an assignment requested by a Credit Party) (hereinafter referred to as "Other Taxes").

(c) (i) Subject to Section 5.4(f), the Credit Parties shall jointly and severally indemnify each Lender and each Agent for and hold them harmless against the full amount of Non-Excluded Taxes and Other Taxes payable or paid by such Lender or Agent (as the case may be) or required to be withheld or deducted from a payment to such Lender or Agent (as the case may be) that are imposed or asserted (whether or not correctly or legally asserted) by any jurisdiction (including on any additional amounts or indemnities payable under this Section 5.4) and any liability (including penalties, additions to tax, interest and expenses) arising therefrom or with respect thereto; provided that if any claim pursuant to this Section 5.4(c)(i) is made later than 180 days after the date on which the relevant Lender or Agent had actual knowledge of the relevant Non-Excluded Taxes or Other Taxes, then the Credit Parties shall not be required to indemnify the applicable Lender or Agent for any penalties which accrue in respect of such Non-Excluded Taxes or Other Taxes after the 180th day. This indemnification shall be made within 30 days from the date such Lender or such Agent (as the case may be) makes written demand therefor.

(ii) Each Lender shall, and does hereby, severally indemnify, and shall make payment in respect thereof within 10 days after demand therefor, (x) the Administrative Agent against any Non-Excluded Taxes attributable to such Lender (but only to the extent that any Credit Party has not already indemnified the Administrative Agent for such Non-Excluded Taxes and without limiting the obligation of Credit Parties to do so), (y) the Administrative Agent and the Credit Parties, as applicable, against any Taxes attributable to such Lender's failure to comply with the provisions of Section 13.6(d)(ii) relating to the maintenance of a Participant Register and (z) the Administrative Agent and the Credit Parties, as applicable, against any Excluded Taxes attributable to such Lender that are payable or paid by the Administrative Agent or the Credit Parties in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due to the Administrative Agent under this clause (ii).

(d) Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by any Applicable Law or reasonably requested by the Borrower or the Administrative Agent (A) as will permit such payments to be made without, or at a reduced rate of, withholding or (B) as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent of its inability to do so. Notwithstanding anything herein to the contrary, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 5.4(d)(i)(w)-(y), 5.4(e) and 5.4(g) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Without limiting the foregoing to the extent

permitted by law, each Lender that is not a United States person within the meaning of Section 7701(a)(30) of the Code (a "Non-U.S. Lender") shall:

(i) deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) two properly executed copies of (v) in the case of a Non-U.S. Lender claiming the benefits of an income tax treaty to which the United States is a party, executed copies of United States Internal Revenue Service Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding tax, (w) in the case of Non-U.S. Lender claiming exemption from U.S. federal withholding Tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest", United States Internal Revenue Service Form W-8BEN or W-8BEN-E (together with a certificate representing that such Non-U.S. Lender is not a bank for purposes of Section 881(c)(3)(A) of the Code, is not a 10 percent shareholder (within the meaning of Section 871(h)(3)(B) of the Code) of the Borrower and is not a controlled foreign corporation related to the Borrower (within the meaning of Section 864(d)(4) of the Code) substantially in the form of Exhibit K (a "United States Tax Compliance Certificate")), (x) United States Internal Revenue Service Form W-8ECI, (y) to the extent a Non-U.S. Lender is not the Beneficial Owner (for example, where the Non-U.S. Lender is a partnership), United States Internal Revenue Service Form W-8IMY (or any successor forms) of the Non-U.S. Lender, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, United States Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information from each Beneficial Owner, as applicable (provided that, if one or more Beneficial Owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Non-U.S. Lender on behalf of such Beneficial Owner), and/or (z) any other form prescribed by applicable U.S. federal income Tax laws (including the United States Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding Tax on any payments to such Lender under the Credit Documents, in each case properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from, or reduced rate of, U.S. federal withholding Tax on payments by the Borrower under this Agreement; and

(ii) deliver to the Borrower and the Administrative Agent two further copies of any such form or certification (or any applicable successor form) on or before the date that any such form or certification expires or becomes obsolete or inaccurate and promptly after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Borrower;

unless in any such case such Lender is not legally entitled to duly complete and deliver any such form with respect to it. Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(e) If a payment made to a Lender under this Agreement or any other Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Withholding Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Withholding Agent, such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Withholding Agent as may be necessary for the Withholding Agent to comply with its obligations under FATCA, to determine that such Lender has or has not complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 5.4(e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(f) No Credit Party shall be required to indemnify any Lender or Agent pursuant to Section 5.4(c), or to pay any additional amounts to any Lender or Agent pursuant to Section 5.4(a) in respect of (i) U.S. federal withholding Taxes imposed under any law in effect on the date such Lender acquired its interest in the applicable Loan or changed its lending office; provided, however, that this Section 5.4(f) shall not apply to the extent that (x) the indemnity payments or additional amounts any Lender would be entitled to receive (without regard to this clause (i)) do not exceed the indemnity payment or additional amounts that the person making the assignment or change in lending office would have been entitled to receive immediately prior to such assignment or change in lending office, or (y) such assignment had been requested by a Credit Party or (ii) Taxes attributable to such Lender's failure to comply with the provisions of Section 5.4(d), 5.4(e) or 5.4(g).

(g) Each Lender that is organized in the United States of America or any state thereof or the District of Columbia shall (A) on or prior to the date such Lender becomes a Lender hereunder, (B) on or prior to the date on which any such form or certification expires or becomes obsolete, (C) after the occurrence of any event requiring a change in the most recent form or certification previously delivered by it pursuant to this Section 5.4(g) and (D) from time to time if requested by the Borrower or the Administrative Agent (or, in the case of a participant, the relevant Lender), provide the Administrative Agent and the Borrower (or, in the case of a participant, the relevant Lender) with two duly completed and signed originals of United States Internal Revenue Service Form W-9 (certifying that such Lender is entitled to an exemption from U.S. backup withholding tax) or any successor form.

(h) If any Lender or the Administrative Agent determines in its sole discretion, exercised in good faith, that it has received a refund of a Non-Excluded Tax, Other Taxes or taxes described in Section 5.4(f) for which a payment has been made by a Credit Party pursuant to this Agreement, which refund in the good-faith judgment of such Lender or the Administrative Agent, as the case may be, is attributable to such payment made by such Credit Party, then such Lender or the Administrative Agent, as the case may be, shall reimburse the Credit Party for such amount (together with any interest paid by the relevant Governmental Authority with respect to such refund) as such Lender or the Administrative Agent, as the case may be, reasonably determines to be the proportion of the refund as will leave it, after such reimbursement, in no better or worse position than it would have been in if the payment had not been required; provided that the Credit Party, upon the request of such Lender, agrees to repay the amount paid over to the Credit Party (with interest, penalties and other charges imposed by the relevant Governmental Authority) in the event such Lender or the Administrative Agent is required to repay such refund to such Governmental Authority. Neither any Lender nor the Administrative Agent shall be obliged to disclose any information regarding its tax affairs or computations to any Credit Party in connection with this paragraph (h) or any other provision of this Section 5.4; provided, further, that nothing in this Section 5.4 shall obligate any Lender (or Transferee) or the Administrative Agent to apply for any refund.

(i) Each Lender authorizes the Administrative Agent to deliver to the Credit Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to this Section 5.4.

5.5 Computations of Interest and Fees. All computations of interest and of fees shall be made by the Administrative Agent on the basis of a year of 360 days and, in the case of ABR Loans, 365 or 366 days, as the case may be, in each case for the actual number of days (including the first day but excluding the last) occurring in the period for which such interest and fees are payable.

5.6 Limit on Rate of Interest.

(a) No Payment Shall Exceed Lawful Rate. Notwithstanding any other term of this Agreement, the Borrower shall not be obliged to pay any interest or other amounts under or in connection with this Agreement or any other Credit Document in excess of the amount or rate permitted under or consistent with any Applicable Law.

(b) Payment at Highest Lawful Rate. If the Borrower is not obliged to make a payment which it would otherwise be required to make, as a result of Section 5.6(a), the Borrower shall make such payment to the maximum extent permitted by or consistent with Applicable Law.

(c) Adjustment if Any Payment Exceeds Lawful Rate. If any provision of this Agreement or any of the other Credit Documents would obligate the Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by any Applicable Law, or would result in receipt by an Agent or Lender of interest at a rate prohibited by any Applicable Law, then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by Applicable Law (in the case of the Borrower), such adjustment to be effected, to the extent necessary, as follows:

(i) firstly, by reducing the amount or rate of interest required to be paid by the Borrower to the affected Lender under Section 2.8; and

(ii) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid by the Borrower to the affected Lender.

Notwithstanding the foregoing, and after giving pro forma effect to all adjustments contemplated thereby, if any Lender shall have received from the Borrower an amount in excess of the maximum permitted by any Applicable Law, then the Borrower shall be entitled, by notice in writing to the Administrative Agent, to obtain reimbursement from such Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by such Lender to the Borrower.

The amount of all Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the assets or securities proposed to be transferred or issued by the Borrower or any Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. For the avoidance of doubt, this Section 10.6 shall not restrict the making of any AHYDO Catch Up Payment with respect to, and required by the terms of, any Indebtedness of the Borrower or any of the Restricted Subsidiaries permitted to be incurred under the terms of this Agreement. For purposes of determining compliance with this Section 10.6, (A) Restricted Payments need not be incurred solely by reference to one category of Restricted Payments permitted by this Section 10.6 but are permitted to be made in part under any combination thereof and of any other available exemption, (B) in the event that any Restricted Payment (or any portion thereof) meets the criteria of one or more of the categories of Restricted Payments permitted by this Section 10.6, the Borrower shall, in its sole discretion, classify or reclassify such Restricted Payment (or any portion thereof) in any manner that complies with the definition thereof and (C) in the event that a portion of any Restricted Payment could be classified as having been made pursuant to Section 10.6(f)(i) above (giving pro forma effect to the making of such Restricted Payment), the Borrower, in its sole discretion, may classify such portion of such Restricted Payments as having been made pursuant to Section 10.6(f)(i) above and thereafter the remainder of such Restricted Payment or as having been made pursuant to one or more of the other clauses of this Section 10.6.

(a) The Borrower will not, and will not permit any of the Restricted Subsidiaries to, prepay, repurchase, redeem or otherwise defease or make similar payments in respect of any Material Junior Debt (any such payments, "Junior Debt Payments") on or prior to the date that occurs earlier than six months prior to the stated maturity date thereof (it being understood that payments of regularly scheduled interest, fees, expenses, indemnification obligations and, so long as no Event of Default under Section 11.1 or Section 11.5 is continuing or would result therefrom, AHYDO Catch Up Payments shall be permitted); provided, however, the Borrower or any Restricted Subsidiary may prepay, repurchase, redeem, defease, acquire or otherwise make payments on any such Indebtedness (i) with the proceeds of any Permitted

Refinancing Indebtedness in respect of such Indebtedness, (ii) by converting or exchanging any such Indebtedness to Capital Stock of Holdings or any of its Parent Entities and (iii) (A) so long as (x) no Event of Default has occurred and is continuing or would result therefrom and (y) after giving pro forma effect to such prepayment, repurchase, redemption, defeasance, acquisition or other payment, the Borrower would be in compliance, on a pro forma basis, with a Consolidated Total Debt to Consolidated EBITDA Ratio, calculated as of the last day of the Test Period most recently ended on or prior to the date of any such payment, as if such prepayment, repurchase, redemption, defeasance, acquisition or other payment and any other transactions being consummated in connection therewith occurred on the first day of such Test Period, of no greater than 5.20:1.00 after giving pro forma effect thereto, (B) in an aggregate amount not to exceed the Available Amount at the time of such prepayment, repurchase, redemption, defeasance, acquisition or other payment, so long as (x) no Event of Default has occurred and is continuing or would result therefrom, (C) in an aggregate amount not to exceed the Available Equity Amount at the time of such prepayment, redemption, repurchase, defeasance, acquisition or other payment, (D) in an aggregate amount not to exceed the portion, if any, of the Restricted Payment Amount, on the relevant date of determination that the Borrower elects to apply pursuant to this clause (D), (E) any purchase, repurchase, redemption, defeasance or other acquisition or similar payment of Junior Debt Incurred pursuant to Section 10.1(j) (other than Indebtedness Incurred (I) to provide all or any portion of the funds utilized to consummate the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was otherwise acquired by the Borrower or a Restricted Subsidiary or (II) otherwise in connection with or contemplation of such acquisition), so long as such purchase, repurchase, redemption, defeasance or other acquisition or similar payment is made or deposited with a trustee or other similar representative of the holders of such Junior Debt contemporaneously with, or substantially simultaneously with, the closing of the Acquisition under which such Junior Debt is Incurred, (F) any mandatory redemption, repurchase, retirement, termination or cancellation of Disqualified Capital Stock (to the extent such Disqualified Capital Stock constitutes Indebtedness and was Incurred in compliance with Section 10.1, and (G) the payment, redemption, repurchase, retirement, termination or cancellation of Indebtedness within 60 days of the date of the Redemption Notice if, at the date of any payment, redemption, repurchase, retirement, termination or cancellation notice in respect thereof (the "Redemption Notice"), such payment, redemption, repurchase, retirement termination or cancellation would have complied with another provision of this Section 10.7(a); provided that such payment, redemption, repurchase, retirement termination or cancellation shall reduce capacity under such other provision.

Notwithstanding the foregoing and for the avoidance of doubt, nothing in this Section (a) shall prohibit substantially concurrent transfers of credit positions in connection with intercompany debt restructurings so long as such Indebtedness is permitted by Section 10.1 after giving pro forma effect to such transfer.

(b) The Borrower will not, and will not permit any of the Restricted Subsidiaries to, waive, amend or modify any term or condition in any Junior Debt Documentation to the extent that any such waiver, amendment or modification, taken as a whole, would be materially adverse to the interests of the Lenders.

For purposes of determining compliance with this Section 10.7, (A) Junior Debt Payments need not be made solely by reference to one category of Junior Debt Payments permitted by this Section 10.7 but are permitted to be made in part under any combination thereof and of any other available exemption, (B) in the event that any Junior Debt Payment (or any portion thereof) meets the criteria of one or more of the categories of Junior Debt Payments permitted by this Section 10.7, the Borrower shall, in its sole discretion, classify or reclassify such Junior Debt Payment (or any portion thereof) in any manner that complies the definition thereof and (C) in the event that a portion of any Junior Debt Payment could be classified as having been made pursuant to Section 10.7(a)(iii) above (giving pro forma effect to the

making of such Junior Debt Payment), the Borrower, in its sole discretion, may classify such portion of such Junior Debt Payments as having been made pursuant to Section 10.7(a)(iii) above and thereafter the remainder of such Junior Debt Payment or as having been made pursuant to one or more of the other clauses of this Section 10.7.

12.1 Appointment.

(a) Each Lender hereby irrevocably designates and appoints Morgan Stanley Senior Funding, Inc. (together with any successor Administrative Agent pursuant to Section 12.11) as Administrative Agent as the agent of such Lender under this Agreement and the other Credit Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Administrative Agent.

(b) Each Lender hereby appoints Morgan Stanley Senior Funding, Inc. (together with any successor Collateral Agent pursuant to Section 12.11) as the Collateral Agent hereunder and authorizes the Collateral Agent to (i) take such action on its behalf and to exercise all rights, powers and remedies and perform the duties as are expressly delegated to the Collateral Agent under such Credit Documents and (ii) exercise such powers as are reasonably incidental thereto. For purposes of the exculpatory, liability-limiting, indemnification and other similar provisions of this Section 12, references to the "Administrative Agent" shall be deemed to include the Collateral Agent in its capacity as such. Each Lender hereby appoints the Collateral Agent to enter into, and sign for and on behalf of the Lenders as Secured Parties, the Security Documents for the benefit of the Lenders and the Secured Parties.

(c) Each Lead Arranger and each Joint Bookrunner, in its capacity as such, shall not have any obligations, duties or responsibilities under this Agreement but shall be entitled to all benefits of this Section 12.

12.2 Limited Duties. Under the Credit Documents, the Administrative Agent (i) is acting solely on behalf of the Lenders (except to the limited extent provided in Section 2.5(e)), with duties that are entirely administrative in nature, notwithstanding the use of the defined term "Administrative Agent", the terms "agent", "administrative agent" and "collateral agent" and similar terms in any Credit Document to refer to the Administrative Agent, which terms are used for title purposes only, (ii) is not assuming any obligation under any Credit Document other than as expressly set forth therein or any role

as agent, fiduciary or trustee of or for any Lender or any other Secured Party and (iii) shall have no implied functions, responsibilities, duties, obligations or other liabilities under any Credit Document, and each Lender hereby waives and agrees not to assert any claim against the Administrative Agent based on the roles, duties and legal relationships expressly disclaimed in clauses (i) through (iii) above.

12.3 Binding Effect. Each Lender agrees that (i) any action taken by the Administrative Agent or the Required Lenders (or, if expressly required hereby, a greater proportion of the Lenders) in accordance with the provisions of the Credit Documents, (ii) any action taken by the Administrative Agent in reliance upon the instructions of Required Lenders (or, where so required, such greater proportion) and (iii) the exercise by the Administrative Agent or the Required Lenders (or, where so required, such greater proportion) of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Secured Parties.

12.4 Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Credit Documents by or through agents or attorneys-in-fact, or through their respective Related Parties, and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The exculpatory provisions of this Section 12 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

12.5 Exculpatory Provisions. Neither the Administrative Agent nor any of its respective officers, directors, employees, agents, attorneys-in-fact or Affiliates shall (a) be liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Credit Document, including, for the avoidance of doubt, any action taken by it in good faith in connection with the entry into, or any amendment of, or any action taken in connection with, any Customary Intercreditor Agreement contemplated by the terms hereof (except for its or such Person's own gross negligence or willful misconduct as determined in a final and non-appealable decision of a court of competent jurisdiction), (b) be responsible for or have any duty to ascertain or inquire into (i) any recitals, statements, representations or warranties contained in this Agreement or any other Credit Document or in any certificate, report, statement, agreement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Credit Document, (ii) the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Credit Document, (iii) the creation, perfection priority of any Lien purported to be created by the Credit Documents, (iv) any failure of the Borrower, any Guarantor or any other Credit Party to perform its obligations hereunder or thereunder or the occurrence of any Default or (v) the value or the sufficiency of any Collateral, (c) be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (d) have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Credit Document or Applicable Law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law and (e) except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be under any obligation

to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Credit Document, or to inspect the properties, books or records of the Borrower. The Administrative Agent shall have no responsibility or liability for monitoring or enforcing the list of Disqualified Lenders or for any assignment or participation to a Disqualified Lender.

12.6 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex, electronic mail message or teletype message, statement, order or other document or conversation believed by it to be genuine and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Credit Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Credit Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

12.7 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent has received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a written notice, the Administrative Agent shall give notice thereof to the Lenders and the Collateral Agent. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders; provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders (except to the extent that this Agreement requires that such action be taken only with the approval of the Required Lenders or each of the Lenders, as applicable).

12.8 Non-Reliance on Administrative Agent and Other Lenders. Each Lender expressly acknowledges that neither the Administrative Agent nor any of its respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of the Borrower, any Guarantor or any other Credit Party, shall be deemed to constitute any representation or warranty by the Administrative Agent to any Lender. Each Lender represents to the Administrative Agent that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower, any Guarantor and any other Credit Party and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this

Agreement and the other Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrower, any Guarantor and any other Credit Party. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of the Borrower, any Guarantor or any other Credit Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates.

12.9 Indemnification. The Lenders agree to indemnify the Administrative Agent in its capacity as such (to the extent required to be reimbursed by the Borrower and not so reimbursed by the Borrower, and without limiting the obligation of the Borrower to do so), ratably according to their respective portions of the Total Credit Exposure in effect on the date on which indemnification is sought (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with their respective portions of the Total Credit Exposure in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against the Administrative Agent in any way relating to or arising out of, the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's gross negligence or willful misconduct as determined in a final and non-appealable decision of a court of competent jurisdiction. The agreements in this Section 12.9 shall survive the payment of the Loans and all other amounts payable hereunder.

12.10 Agent in Its Individual Capacity. Each of Morgan Stanley Senior Funding, Inc. and its Affiliates may make loans to, and accept deposits from, and generally engage in any kind of business with the Borrower, any Guarantor and any other Credit Party as though Morgan Stanley Senior Funding, Inc. was not the Administrative Agent hereunder and under the other Credit Documents. With respect to the Loans made by it, Morgan Stanley Senior Funding, Inc. shall have the same rights and powers under this Agreement and the other Credit Documents as any Lender and may exercise the same as though it were not the Administrative Agent, and the terms "Lender" and "Lenders" shall include Morgan Stanley Senior Funding, Inc. in its individual capacity.

12.11 Successor Agent. The Administrative Agent and/or the Collateral Agent may resign as the Administrative Agent and/or Collateral Agent, as the case may be, upon 30 days' prior written notice to the Lenders, the other Agents and the Borrower. If the Administrative Agent and/or Collateral Agent is in material breach of its obligations under the Credit Documents as an Administrative Agent and/or Collateral Agent, as the case may be, then such Administrative Agent or Collateral Agent, as the case may be, may be removed as the Administrative Agent or Collateral Agent, as the case may be, at the reasonable request of the Borrower and the Required Lenders. If the Administrative Agent and/or Collateral Agent shall resign or be removed as the Administrative Agent and/or the Collateral Agent under this Agreement and the other Credit Documents, then (a) the Required Lenders shall appoint from among the Lenders a successor for the Lenders within 30 days, or (b) in the case of a resignation, the Administrative Agent and/or the Collateral Agent may, on behalf of the Lenders, appoint a successor Administrative Agent and/or the Collateral Agent, as applicable, selected from among the Lenders. In either case, the successor shall be approved by the Borrower (which approval shall not be unreasonably

withheld and shall not be required if an Event of Default under Section 11.1 or 11.5 shall have occurred and be continuing), whereupon such successor shall succeed to the rights, powers and duties of the Administrative Agent and/or the Collateral Agent, and the term "Administrative Agent", and/or "Collateral Agent", as applicable, shall mean such successor effective upon such appointment and approval, and the former Administrative Agent's and/or Collateral Agent's rights, powers and duties as the Administrative Agent and/or the Collateral Agent shall be terminated without any other or further act or deed on the part of such former Administrative Agent and/or Collateral Agent or any of the parties to this Agreement or any Lenders or other holders of the Loans. If no successor has accepted appointment as Administrative Agent and/or the Collateral Agent by the date which is thirty (30) days following the retiring Administrative Agent's and/or Collateral Agent's notice of resignation, as the case may be, (x) the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor as provided for above and (y) the retiring Collateral Agent's resignation shall nevertheless thereupon become effective at such time as a successor Collateral Agent shall have been appointed, and such successor Collateral Agent shall have accepted such appointment, in accordance with the terms of this Section 12.11 and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may reasonably request, in order to continue the perfection of the Liens granted or purported to be granted by the Security Documents. After any retiring or removed Administrative Agent's and/or the Collateral Agent's resignation or removal as the Administrative Agent and/or Collateral Agent, the provisions of this Section 12 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent and/or Collateral Agent under this Agreement and the other Credit Documents.

12.12 Withholding Tax. To the extent the Administrative Agent reasonably believes that it is required by any Applicable Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding tax. Without limiting or expanding the obligations of the Credit Parties under Section 5.4, if the United States Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason), such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out-of-pocket expenses. The agreements in this Section 12.12 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder. The Administrative Agent shall be entitled to set off any amounts owing to it under Section 12.12 against any amounts otherwise payable to the applicable Lender.

12.13 Duties as Collateral Agent and as Paying Agent. Without limiting the generality of Section 12.1 above, the Collateral Agent shall have the sole and exclusive right and authority (to the exclusion of the Lenders each Hedge Bank and each Cash Management Bank), and is hereby authorized, to (i) act as the disbursing and collecting agent for the Secured Parties with respect to all payments and collections arising in connection with the Credit Documents (including in any proceeding described in Section 11.5 or any other proceedings under any other Debtor Relief Laws, and each Person making any payment in connection with any Credit Document to any Secured Party is hereby authorized to make such payment to the Collateral Agent, (ii) file and prove claims and file other documents necessary or desirable to allow the claims of the Secured Parties with respect to any Obligation in any proceeding described in Section 11.5 or any other proceedings under any other Debtor Relief Laws (but not to vote, consent or otherwise act on behalf of such Secured Party), (iii) act as collateral agent for each Secured Party for

purposes of the perfection of all Liens created by such agreements and all other purposes stated therein, (iv) manage, supervise and otherwise deal with the Collateral, (v) take such other action as is necessary or desirable to maintain the perfection and priority of the Liens created or purported to be created by the Credit Documents, (vi) except as may be otherwise specified in any Credit Document, exercise all remedies given to the Collateral Agent and the other Secured Parties with respect to the Collateral, whether under the Credit Documents, applicable requirements of law or otherwise, (vii) negotiate the form of any Mortgage and (viii) execute any amendment, consent or waiver under the Security Documents on behalf of the Secured Parties, to the extent consented to in accordance with Section 13.1 and the terms thereof; provided, however, that the Collateral Agent hereby appoints, authorizes and directs each Lender to act as collateral sub-agent for the Collateral Agent and the other Secured Parties for purposes of the perfection of all Liens with respect to the Collateral, including any deposit account maintained by a Credit Party with, and cash and Cash Equivalents held by such Secured Party and may further authorize and direct the Secured Parties to take further actions as collateral sub-agents for purposes of enforcing such Liens or otherwise to transfer the Collateral subject thereto to the Collateral Agent, and each Secured Party hereby agrees to take such further actions to the extent, and only to the extent, so authorized and directed.

12.14 Authorization to Release Liens and Guarantees. The Administrative Agent and the Collateral Agent are hereby irrevocably authorized by each of the Lenders to effect any release or subordination of Liens or the Guarantees contemplated by Section 13.17 without further action or consent by the Lenders.

12.15 Intercreditor Agreements. The Collateral Agent is hereby authorized to enter into any Customary Intercreditor Agreement to the extent contemplated by the terms hereof, and the parties hereto acknowledge that such Customary Intercreditor Agreement is binding upon them. Each Lender (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Customary Intercreditor Agreement and (b) hereby authorizes and instructs the Collateral Agent to enter into the Customary Intercreditor Agreement and to subject the Liens on the Collateral securing the Obligations to the provisions thereof. In addition, each Lender hereby authorizes the Collateral Agent to enter into (i) any amendments to any Customary Intercreditor Agreement, and (ii) any other intercreditor arrangements, in the case of clauses (i), and (ii) to the extent required to give effect to the establishment of intercreditor rights and privileges as contemplated and required by Section 10.2 of this Agreement.

Each Lender acknowledges and agrees that (i) Morgan Stanley Senior Funding, Inc. (or one or more of its affiliates) is acting as "Senior Priority Representative" under the First Lien/Second Lien Intercreditor Agreement and (ii) any of the Agents (including Morgan Stanley Senior Funding, Inc.) (or one or more of their respective Affiliates) may (but are not obligated to) act as the "Representative" or like term for the holders of Credit Agreement Refinancing Indebtedness under the security agreements with respect thereto and/or under the First Lien/Second Lien Intercreditor Agreement or other Customary Intercreditor Agreement. Each Lender waives any conflict of interest, now contemplated or arising hereafter, in connection therewith and agrees not to assert against any Agent or any of its affiliates any claims, causes of action, damages or liabilities of whatever kind or nature relating thereto.

12.16 Secured Cash Management Agreements and Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Guarantee or any Security Document, no Cash Management Bank or Hedge Bank that obtains the benefits of any Guarantee or any Collateral by virtue of the provisions hereof or of any Guarantee or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Section 12 to the contrary, the Administrative Agent shall not

be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedging Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

12.17 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 4.1 and 13.5) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 4.1 and 13.5.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, under any other Debtor Relief Laws or under any similar laws in any other jurisdictions to which a Credit Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any Applicable Law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in

allocating the contingent interests) in the asset or assets so purchased (or in the Capital Stock or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Capital Stock thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving pro forma effect to the limitations on actions by the Required Lenders contained in clauses (i) through (vii) of Section 13.1 of this Agreement, (iii) the Administrative Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Capital Stock and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Capital Stock and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

(B) extend the date of any scheduled amortization payment (including any date scheduled for the repayment of any installment of Incremental Term Loans) or the final scheduled maturity date of any Loan (other than as a result of waiving the conditions precedent set forth in Sections 6 and 7 or other than as a result of a waiver or amendment of any Default, Event of Default or mandatory prepayment (which shall not constitute an extension, forgiveness or postponement of any maturity date)); provided that the foregoing shall not apply to extensions effected in accordance with Section 2.15;

provided, further, that (A) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans of a particular Class (but not the Lenders holding Loans of any other Class) may be effected by an agreement or agreements in writing entered into by Holdings, the Borrower, and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time and (B) any provision of this Agreement or any other Credit Document may be amended by an agreement in writing entered into by Holdings, the Borrower and the Administrative Agent to cure any ambiguity, omission, defect or inconsistency (including, without limitation, amendments, supplements or waivers to any of the Security Documents, guarantees, intercreditor agreements or related documents executed by any Credit Party or any other Subsidiary in connection with this Agreement if such amendment, supplement or waiver is delivered in order to cause such Security Documents, guarantees, intercreditor agreements or related documents to be consistent with this Agreement and the other Credit Documents), so long as, in each case, the Lenders shall have received at least five Business Days' prior written notice thereof and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment; provided that the consent of the Lenders or the Required Lenders, as the case may be, shall not be required to make any such changes necessary to be made in connection with (x) any borrowing of Incremental Term Loans to effect the provisions of Section 2.14, (y) in connection with an amendment that addresses solely a re-pricing transaction in which any Class of Term Loans is refinanced with a replacement Class of term loans bearing (or is modified in such a manner such that the resulting term loans bear) a lower Effective Yield for which only the consent of the Lenders holding Term Loans subject to such permitted repricing transaction that will continue as a Lender in respect of the repriced tranche of Term Loans or modified Term Loans or (z) changes otherwise to effect the provisions of Section 2.14, 2.15, 2.17 or 10.2(a) and (C) Holdings, the Borrower and the Administrative Agent may, without the input or consent of the other Lenders, (i) negotiate the form of any Mortgage as may be necessary or appropriate in the opinion of the Collateral Agent, (ii) effect changes to this Agreement that are necessary and appropriate to provide for the mechanics contemplated by the offering process set forth in Section 13.6(g)(B) herein and (iii) effect technical changes to this Agreement that are required in connection with a Permitted Change of Control.

All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt if delivered by hand or overnight courier service or sent by fax or on the date five Business Days after dispatch by certified or registered mail if mailed, in each case delivered, sent or mailed (properly addressed) to such party as provided in this Section 13.2 or in accordance with the latest unrevoked direction from such party given in accordance with this Section 13.2. Notices and other communications may also be delivered by e-mail to the email address of a representative of the applicable Person provided from time to time by such Person.

The Borrower hereby agrees, unless directed otherwise by the Administrative Agent or unless the electronic mail address referred to below has not been provided by the Administrative Agent to the Borrower, that it will, or will cause its Subsidiaries to, provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Credit Documents or to the Lenders under Section 9, including all notices, requests,

financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) is or relates to a Notice of Borrowing or a notice pursuant to Section 2.6, (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default or Event of Default under this Agreement or any other Credit Document or (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any Borrowing or other extension of credit hereunder (all such non-excluded communications being referred to herein collectively as "Communications"), by transmitting the Communications in an electronic/soft medium that is properly identified in a format reasonably acceptable to the Administrative Agent to an electronic mail address as directed by the Administrative Agent. In addition, the Borrower agrees, and agrees to cause its Subsidiaries, to continue to provide the Communications to the Administrative Agent or the Lenders, as the case may be, in the manner specified in the Credit Documents but only to the extent requested by the Administrative Agent.

The Borrower hereby acknowledges that (a) the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, the "Borrower Materials") by posting the Borrower Materials on Intralinks or another similar electronic system (the "Platform") and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to Holdings (or any Parent Entity thereof) or the Borrower or any of their respective securities) (each, a "Public Lender"). The Borrower hereby agrees that (x) by marking Borrower Materials "PUBLIC", the Borrower shall be deemed to have authorized the Agents and the Lenders to treat the Borrower Materials as not containing any material non-public information with respect to Holdings (or any Parent Entity thereof) or the Borrower or any of their respective securities for purposes of United States federal securities laws (provided, however, that to the extent such Borrower Materials constitute Confidential Information, they shall be treated as set forth in Section 13.16); (y) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated as "Public Investor"; and (z) the Administrative Agent shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not marked as "Public Investor." Notwithstanding the foregoing, the following Borrower Materials shall be deemed to be marked "PUBLIC" unless the Borrower notifies the Administrative Agent promptly that any such document contains material non-public information: (1) the Credit Documents, (2) notification of changes in the terms of the Credit Facilities and (3) all information delivered pursuant to Section 9.1(a) and (b).

Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and Applicable Law, including United States federal securities laws, to make reference to Communications that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to Holdings (or any Parent Entity thereof) or the Borrower or any of their respective securities for purposes of United States federal securities laws.

THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS RELATED PARTIES WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS OR THE ADEQUACY OF THE PLATFORM AND EACH EXPRESSLY DISCLAIMS LIABILITY FOR ERRORS OR OMISSIONS IN THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE

PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES HAVE ANY LIABILITY TO ANY CREDIT PARTY, ANY LENDER, ANY OTHER AGENT OR ANY OTHER PERSON FOR DAMAGES OF ANY KIND, WHETHER OR NOT BASED ON STRICT LIABILITY AND INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY CREDIT PARTY'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR NOTICES THROUGH THE PLATFORM, ANY OTHER ELECTRONIC PLATFORM OR ELECTRONIC MESSAGING SERVICE, EXCEPT TO THE EXTENT THE LIABILITY OF ANY SUCH PERSON IS FOUND IN A FINAL DECISION BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED FROM SUCH PERSON'S GROSS NEGLIGENCE, BAD FAITH OR WILLFUL MISCONDUCT.

The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Credit Documents. Each Lender agrees that receipt of notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Credit Documents. Each Lender agrees to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and that the foregoing notice may be sent to such e-mail address. Nothing herein shall prejudice the right of the Administrative Agent or any Lender to give any notice or other communication pursuant to any Credit Document in any other manner specified in such Credit Document.

The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic notices and Notices of Borrowing) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. All telephonic notices to the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

The words "execution", "execute", "signed", "signature", and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Acceptances, amendments or other modifications, Notices of Borrowing, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formation on electronic platforms approved by the Administrative Agent or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

13.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent, the Collateral Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Credit Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

13.4 Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Credit Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

13.5 Payment of Expenses; Indemnification.

(a) The Borrower agrees (i) to pay or reimburse each of the Agents, the Lead Arrangers and the Joint Bookrunners for all their reasonable and documented or invoiced out-of-pocket costs and expenses (without duplication) associated with the syndication of the Initial Term Loan Facility and incurred in connection with the development, preparation, execution and delivery of, and any amendment, supplement, modification to, waiver and/or enforcement of this Agreement and the other Credit Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of Shearman & Sterling LLP and, to the extent necessary, a single firm of local counsel in each appropriate local jurisdiction (which may include a single special counsel acting in multiple jurisdictions) or otherwise retained with the Borrower's consent (such consent not to be unreasonably withheld or delayed), and (ii) to pay or reimburse each of the Agents for all their reasonable and documented and invoiced out-of-pocket costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Credit Documents and any such other documents, including the reasonable fees, disbursements and other charges of one firm or counsel to the Agents, and, to the extent necessary, a single firm of local counsel in each appropriate local jurisdiction (which may include a single special counsel acting in multiple jurisdictions) or otherwise retained with the Borrower's consent (such consent not to be unreasonably withheld or delayed), and (iii) to pay, indemnify and hold harmless each Lender, each Agent, each Lead Arranger and each Joint Bookrunner and their respective Related Parties (without duplication) (the "Indemnified Parties") from and against any and all losses, claims, damages, liabilities or penalties (collectively, "Losses") of any kind or nature whatsoever and the reasonable and documented and invoiced out-of-pocket expenses, joint or several, to which any such Indemnified Party may become subject, in each case to the extent of any such Losses and related expenses, to the extent arising out of, resulting from, or in connection with any action, claim, litigation, investigation or other proceeding (including any inquiry or investigation of the foregoing) (any of the foregoing, a "Proceeding") (regardless of whether such Indemnified Party is a party thereto or whether or not such Proceeding was brought by the Borrower, its equity holders, affiliates or creditors or any other third person), and, subject to Section 13.5(e), to reimburse each such Indemnified Party promptly for any reasonable and documented and invoiced out-of-pocket fees and expenses incurred in connection with investigating, responding to or defending any of the foregoing (which in the case of legal fees shall be limited to the reasonable and documented or invoiced out-of-pocket fees, expenses, disbursements and other charges of a single firm of counsel for all Indemnified Parties, taken as a whole and, to the extent necessary, a single firm of local counsel in each appropriate local jurisdiction (which may include a single special counsel acting in multiple jurisdictions) (and, in the case of an actual or perceived conflict of interest where the Indemnified Party affected by such conflict notifies the Borrower of any existence of such conflict and in connection with the investigating, responding to or defending any of the foregoing has retained its own counsel, of one other firm of counsel for such affected Indemnified Party)), relating to the Transactions or the execution, delivery, enforcement, performance and administration of this Agreement, the other Credit Documents and any such other documents or the use of the proceeds of the Loans, (all the foregoing in this clause (iii), collectively, the "indemnified liabilities"); provided that this clause (iii) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, liabilities or penalties arising from any non-Tax claim; and provided, further, that the Borrower shall have no obligation hereunder to any Indemnified Party with respect to indemnified liabilities to the extent arising from (a) the gross negligence, bad faith or willful misconduct of such Indemnified Party or any of its Related

Parties as determined in a final and non-appealable decision of a court of competent jurisdiction, (b) a material breach of the obligations of such Indemnified Party or any of its Related Parties under the terms of this Agreement or any other Credit Document by such Indemnified Party or any of its Related Parties as determined in a final and non-appealable decision of a court of competent jurisdiction, (c) in addition to clause (b) above, in the case of any Proceeding initiated by Holdings, the Borrower or any Restricted Subsidiary against the relevant Indemnified Party, solely from a breach of the obligations of such Indemnified Party or its Related Parties under the terms of this Agreement or any other Credit Document as determined in a final and non-appealable decision by a court of competent jurisdiction, or (d) any Proceeding brought by any Indemnified Party against any other Indemnified Party that does not involve an act or omission by Holdings, the Borrower or its Restricted Subsidiaries; provided that each of the Agents, the Lead Arrangers and the Joint Bookrunners, in each case to the extent fulfilling their respective roles in their capacities as such, shall remain indemnified in respect of such a Proceeding, to the extent that none of the exceptions set forth in clause (a), (b) or (c) of the immediately preceding proviso applies to such Person at such time. All amounts payable under this Section 13.5(a) shall be paid within 30 days after receipt by the Borrower of written demand and an invoice relating thereto setting forth such expense in reasonable detail. The agreements in this Section 13.5 shall survive repayment of the Loans and all other amounts payable hereunder and the termination of the Obligations.

(b) No Credit Party nor any Indemnified Party shall have any liability for any special, punitive, indirect or consequential damages (including any loss of profits, business or anticipated savings) in connection with this Agreement or any other Credit Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); provided that the foregoing shall not limit the Borrower's indemnification and reimbursement obligations to the Indemnified Parties pursuant to Section 13.5(a)(iii), to the extent that such special, punitive, indirect or consequential damages are included in any claim by a third party unaffiliated with any of the Indemnified Parties with respect to which the applicable Indemnified Party is entitled to indemnification under Section 13.5(a)(iii). No Indemnified Party shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, except to the extent that such damages have resulted from the willful misconduct, bad faith or gross negligence of any Indemnified Party or any of its Related Parties as determined by a final and non-appealable decision of a court of competent jurisdiction.

(c) No Credit Party shall be liable for any settlement of any Proceeding effected without written consent of the Borrower (which consent shall not be unreasonably withheld or delayed, it being understood that the withholding of consent due to non-satisfaction of any of the conditions described in clauses (i) and (ii) of paragraph (d) below (with "the Borrower" being substituted for "Indemnified Party" in each such clause) shall be deemed reasonable), but if settled with the Borrower's written consent or if there is a final and non-appealable judgment by a court of competent jurisdiction for the plaintiff in any such Proceeding, each Credit Party agrees to indemnify and hold harmless each Indemnified Party from and against any and all Losses and reasonable and documented or invoiced legal or other out-of-pocket expenses by reason of such settlement or judgment in accordance with and to the extent provided in the other provisions of this Section 13.5. If any Person has reimbursed any Indemnified Party for any legal or other expenses in accordance with such request and there is a final and non-appealable determination by a court of competent jurisdiction that the Indemnified Party was not entitled to indemnification or contribution rights with respect to such payment pursuant to this Section 13.5, then the Indemnified Party shall promptly refund such amount.

(d) No Credit Party shall without the prior written consent of any Indemnified Party (which consent shall not be unreasonably withheld or delayed, it being understood that the withholding of consent due to non-satisfaction of any of the conditions described in clauses (i) and (ii) of this sentence

shall be deemed reasonable), effect any settlement of any pending or threatened Proceeding in respect of which indemnity could have been sought hereunder by such Indemnified Party unless such settlement (i) includes an unconditional release of such Indemnified Party in form and substance reasonably satisfactory to such Indemnified Party from all liability or claims that are the subject matter of such Proceeding and (ii) does not include any statement as to or any admission of fault, culpability, wrongdoing or a failure to act by or on behalf of any Indemnified Party.

(e) In case any proceeding is instituted involving any Indemnified Party for which indemnification is to be sought hereunder by such Indemnified Party, then such Indemnified Party will promptly notify the Borrower of the commencement of any proceeding; provided, however, that the failure to do so will not relieve the Borrower from any liability that it may have to such Indemnified Party hereunder, except to the extent that the Borrower is materially prejudiced by such failure. Notwithstanding the above, following such notification, the Borrower may elect in writing to assume the defense of such proceeding, and, upon such election, the Borrower will not be liable for any legal costs subsequently incurred by such Indemnified Party (other than reasonable costs of investigation and providing evidence) in connection therewith, unless (i) the Borrower has failed to provide counsel reasonably satisfactory to such Indemnified Party in a timely manner, (ii) counsel provided by the Borrower reasonably determines its representation of such Indemnified Party would present it with a conflict of interest or (iii) the Indemnified Party reasonably determines that there are actual conflicts of interest between the Borrower and the Indemnified Party, including situations in which there may be legal defenses available to the Indemnified Party which are different from or in addition to those available to the Borrower.

13.6 Successors and Assigns; Participations and Assignments; Etc..

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) except as set forth in Section 10.2(bb), the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in Section 13.6(d)) and, to the extent expressly contemplated hereby, the Indemnified Parties) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph 13.6(b)(ii), any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Borrower; provided that no consent of the Borrower shall be required (x) for an assignment of any Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund (unless increased costs would result therefrom) or (y) if an Event of Default under Section 11.1 or an Event of Default with respect to the Borrower under Section 11.5 has occurred and is continuing; provided, further, that the Borrower shall be deemed to have consented to any such assignment of a Term Loan unless it shall object thereto by written notice to the Administrative Agent within fifteen Business Days after having received written notice thereof; provided, further, that it shall be understood that, without limitation, the Borrower shall have the right to withhold its consent to any assignment if, in order for such assignment to comply with Applicable Law, the Borrower would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority, and

(B) in the case of Term Loans or Commitments in respect of Term Loans, the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of any Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund or to any Purchasing Borrower Party or any Affiliated Lender.

Notwithstanding the foregoing or anything to the contrary set forth herein, any assignment of any Loans to a Purchasing Borrower Party or any Affiliated Lender shall also be subject to the requirements of Section 13.6(g).

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of (i) an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or (ii) an assignment of the entire remaining amount of the assigning Lender's Loans of the applicable Class, the amount of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000 (or an integral multiple of $1,000,000 in excess thereof), unless each of the Borrower and the Administrative Agent otherwise consents; provided that no such consent of the Borrower shall be required if an Event of Default under Section 11.1 or Section 11.5 with respect to the Borrower has occurred and is continuing; provided, further, that contemporaneous assignments to a single assignee made by Affiliated Lenders or related Approved Funds or by a single assignor to related Approved Funds shall be aggregated for purposes of meeting the minimum assignment amount requirements stated above;

(B) subject to the terms of Section 13.7(c), the parties to each assignment shall (x) execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent or (y) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, in each case, together with a processing fee of $3,500 (it being understood that such recordation fee shall not apply to any assignment by any of the Lead Arrangers, Joint Bookrunners or any of their respective Affiliates hereunder in connection with the primary syndication of the Initial Term Loan Facility); provided that the Administrative Agent may, in its sole discretion, elect to waive or reduce such processing and recordation fee in the case of any assignment, including assignments effected pursuant to the provisions of Section 13.7;

(C) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent any tax form required by Section 5.4 and an administrative questionnaire in a form approved by the Administrative Agent in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Credit Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and Applicable Laws, including Federal and state securities laws; and

(D) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan assigned, except that this clause (D) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate tranches of Loans (if any) on a non-pro rata basis.

Notwithstanding the foregoing or anything to the contrary set forth herein (i) any assignment of any Loans to a Purchasing Borrower Party or an Affiliated Lender shall also be subject to the requirements set forth in Section 13.6(g) and (ii) no natural person may be an Eligible Assignee with respect to any Loans.

For the purpose of this Section 13.6(b), the term "Approved Fund" has the following meaning:

"Approved Fund" means any Person (other than a natural person) that is primarily engaged or advises funds or other investment vehicles that are engaged in making, purchasing, holding or investing in commercial loans, bonds and similar extensions of credit or securities in the ordinary course of business and that is administered, advised or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers, advises or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to Section 13.6(b)(vi), from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto, but shall continue to be entitled to the benefits and subject to the requirements of Sections 2.10, 2.11, 5.4 and 13.5);. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 13.6(d).

(iv) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (A) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that the outstanding balances of its Loans, in each case without giving pro forma effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance, (B) except as set forth in (A) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Credit Document or any other instrument or document furnished pursuant hereto, or the financial condition of Holdings, the Borrower or any Subsidiary or the performance or observance by Holdings, the Borrower or any Subsidiary of any of its obligations under this Agreement, any other Credit Document or any other instrument or document furnished pursuant hereto; (C) such assignee represents and warrants that (x) it is legally authorized to enter into such Assignment and Acceptance and (y) to the extent that such assignee has received, upon its request, a notification of whether or not it is on the list of Disqualified Lenders, it is not a Disqualified Lender or an Affiliate of a Disqualified Lender; (D) such assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements referred to in Section 8.9 or delivered pursuant to Section 9.1 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (E) such assignee will independently and without reliance upon the Administrative Agent, the Collateral Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (F) such assignee appoints and authorizes the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under this Agreement and the other Credit Documents as are delegated to the

Administrative Agent and the Collateral Agent, respectively, by the terms hereof, together with such powers as are reasonably incidental thereto; and (G) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(v) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders and principal amount of the Loans (and interest thereon) pursuant to the terms hereof from time to time (the "Register"). Further, the Register shall contain the name and address of the Administrative Agent and the lending office through which each such Person acts under this Agreement. The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Administrative Agent, the Collateral Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register, as in effect at the close of business on the preceding Business Day, shall be available for inspection by (x) the Borrower and the Collateral Agent and (y) any Lender (solely with respect to its own outstanding Loans), in each case, at any reasonable time and from time to time upon reasonable prior notice.

(vi) Upon its receipt of and, if required, consent to, a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed administrative questionnaire and any tax form required by Section 5.4 (unless the assignee shall already be a Lender hereunder) and any written consent to such assignment required by Section 13.6(b)(i), the Administrative Agent shall promptly accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless and until it has been recorded in the Register as provided in this paragraph.

(c) Notwithstanding any provision to the contrary, any Lender may assign to one or more wholly owned special purpose funding vehicles (each, an "SPV") all or any portion of its funded Loans, without the consent of any Person or the payment of a fee, by execution of a written assignment agreement in a form agreed to by such assigning Lender and such SPV, and may grant any such SPV the option, in such SPV's sole discretion, to provide the Borrower all or any part of any Loans that such assigning Lender would otherwise be obligated to make pursuant to this Agreement. Such SPVs shall have all the rights which a Lender making or holding such Loans would have under this Agreement, but no obligations. Any such assigning Lender shall remain liable for all its original obligations under this Agreement, including its Commitment (although the unused portion thereof shall be reduced by the principal amount of any Loans held by an SPV). Notwithstanding such assignment, the Administrative Agent and the Borrower may deliver notices to such assigning Lender (as agent for the SPV) and not separately to the SPV unless the Administrative Agent and the Borrower are requested in writing by the SPV to deliver such notices separately to it. Notwithstanding anything herein to the contrary, (i) neither the grant to the SPV nor the exercise by any SPV of such option will increase the costs or expenses or otherwise change the obligations of the Borrower under this Agreement and the other Credit Documents, except, in the case of Sections 2.10, 2.11 or 5.4, where (A) the increase or change results from a change in any Applicable Law after the SPV becomes an SPV and the assigning Lender notifies the Borrower in writing of such increase or change no later than ninety (90) days after such change in Applicable Law becomes effective or (B) the grant was made with the Borrower's prior written consent, (ii) the assigning Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Credit Document and the receipt of any notices provided by the Administrative Agent and the Borrower (as agent for the SPV) remain the Lender of record hereunder and (iii) no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the assigning Lender). The Borrower shall, at the request of any such assigning

Lender, execute and deliver to such Person as such assigning Lender may designate, a Note, substantially in the form of Exhibit F, in the amount of such assigning Lender's original Note to evidence the Loans of such assigning Lender and related SPV.

(d)

(i) Any Lender may, without the consent of the Borrower unless an Event of Default under Section 11.1 or an Event of Default with respect to the Borrower under Section 11.5 has occurred and is continuing), the Administrative Agent or the Collateral Agent sell participations to one or more Eligible Assignees (but in any event, not to any Disqualified Lender (to the extent that the list of Disqualified Lenders has been made available to the Lenders)), (each, a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, the Collateral Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 13.1 that affects such Participant. Subject to paragraph (d)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits (and subject to the requirements) of Sections 2.10, 2.11, 5.4 and 13.5 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 13.6(b); provided that the documentation required under Section 5.4(d), (e) and (g) shall be delivered to the participating Lender. To the extent permitted by Applicable Law, each Participant also shall be entitled to the benefits of Section 13.8(b) as though it were a Lender; provided such Participant agrees to be subject to Section 13.8(a) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Sections 2.10, 2.11 or 5.4 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless (A) the entitlement to a greater payment resulted from a change in any Applicable Law after the Participant became a Participant and the participating Lender notifies the Borrower in writing of such entitlement to a greater payment no later than ninety (90) days after such change in Applicable Law becomes effective or (B) the sale of the participation to such Participant is made with the Borrower's prior written consent. Each Lender having sold a participation in any of its Obligations, acting as a non-fiduciary agent of the Borrower solely for this purpose, shall establish and maintain at its address a record of ownership, in which such Lender shall register by book entry (A) the name and address of each such Participant (and each change thereto, whether by assignment or otherwise) and (B) the rights, interest or obligation of each such Participant in any Obligation, in any commitment and in any right to receive any interest or principal payment hereunder (such register, a "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of its Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Obligation) to any Person except to the extent that such disclosure is necessary to establish that such Obligation or Commitment is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive, absent manifest error, and the parties shall treat the Person listed in the Participant Register as the Participant for all purposes of this Agreement, notwithstanding notice to the contrary.

(e) Any Lender may, without the consent of the Borrower, the Collateral Agent or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights

under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. In order to facilitate such pledge or assignment, the Borrower hereby agrees that, upon request of any Lender at any time and from time to time after the Borrower has made its initial borrowing hereunder, the Borrower shall provide to such Lender, at the Borrower's own expense, a Note evidencing the Loans owing to such Lender.

(f) Subject to Section 13.16, the Borrower authorizes each Lender to disclose to any Participant, secured creditor of such Lender or assignee (each, a "Transferee") and any prospective Transferee any and all financial information in such Lender's possession concerning the Borrower and its Affiliates that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates pursuant to this Agreement or which has been delivered to such Lender by or on behalf of the Borrower and its Affiliates in connection with such Lender's credit evaluation of the Borrower and its Affiliates prior to becoming a party to this Agreement.

(g) (a) Notwithstanding anything else to the contrary contained in this Agreement, any Lender may assign all or a portion of its Term Loans to any Purchasing Borrower Party or any Affiliated Lender in accordance with Section 13.6(b) (which assignment, if to a Purchasing Borrower Party, will not, except for purposes of making the calculations set forth in Section 5.2(a)(ii), constitute a prepayment of Loans for any purposes of this Agreement and the other Credit Documents); provided that:

(A) with respect to any assignment to a Purchasing Borrower Party, no Event of Default has occurred or is continuing or would result therefrom;

(B) with respect to any such assignment to a Purchasing Borrower Party, either (x) such Purchasing Borrower Party shall offer to all Lenders within any Class of Term Loans (but not, for the avoidance of doubt, to every Class) to buy the Term Loans within such Class on a pro rata basis based on the then outstanding principal amount of all Term Loans of such Class, pursuant to procedures to be reasonably agreed between the Administrative Agent and the Borrower or (y) such assignment shall be effected pursuant to an open market purchase;

(C) the assigning Lender and Purchasing Borrower Party or Non-Debt Fund Affiliate purchasing such Lender's Term Loans, as applicable, shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit I or such other form as shall be reasonably acceptable to the Borrower and the Administrative Agent (an "Affiliated Lender Assignment and Acceptance") in lieu of an Assignment and Acceptance;

(D) [reserved];

(E) any Term Loans assigned to any Purchasing Borrower Party shall be automatically and permanently cancelled upon the effectiveness of such assignment and will thereafter no longer be outstanding for any purpose hereunder;

(F) no Purchasing Borrower Party may use the proceeds from loans made under the Revolving Credit Facility (or any other revolving credit facility that is effective in reliance on Section 10.1(b) or Section 10.1(u)) to purchase any Term Loans;

(G) no Term Loan may be assigned to a Non-Debt Fund Affiliate pursuant to this Section 13.6(g) if, after giving pro forma effect to such assignment, Non-Debt Fund Affiliates in the aggregate would own in excess of 30.0% of the Term Loans of all Class then outstanding (determined as of the time of such purchase); and

(H) any purchases or assignments of Loans by a Purchasing Borrower Party or a Non-Debt Fund Affiliate made through "dutch auctions" shall (i) be conducted pursuant to procedures to be established by the applicable "auction agent" that are consistent with this Section 13.6(g) and are otherwise reasonably acceptable to the Borrower and (ii) require that such Person clearly identify itself as a Purchasing Borrower Party or an Affiliated Lender, as the case may be, in any assignment and acceptance agreement executed in connection with such purchases or assignments.

(ii) Notwithstanding anything to the contrary in this Agreement, no Non-Debt Fund Affiliate shall have any right to (A) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent, the Collateral Agent or any Lender to which representatives of the Credit Parties are not invited, (B) receive any information or material prepared by the Administrative Agent, the Collateral Agent or any Lender or any communication by or among the Administrative Agent, the Collateral Agent and/or one or more Lenders, except to the extent such information or materials have been made available to any Credit Party or its representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans required to be delivered to Lenders pursuant to Sections 2, 3, 4 and 5 of this Agreement) or (C) make or bring (or participate in, other than as a passive participant in or recipient of its pro rata benefits of) any claim, in its capacity as a Lender, against the Administrative Agent or the Collateral Agent with respect to any duties or obligations or alleged duties or obligations of such Agent under the Credit Documents or to challenge such Agent's attorney-client privilege.

(iii) By its acquisition of Term Loans, a Non-Debt Fund Affiliate shall be deemed to have acknowledged and agreed that if a case under the Bankruptcy Code is commenced against any Credit Party, such Credit Party shall seek (and each Non-Debt Fund Affiliate shall consent) to provide that the vote of any Non-Debt Fund Affiliate (in its capacity as a Lender) with respect to any plan of reorganization or liquidation of such Credit Party shall not be counted except that such Non-Debt Fund Affiliate's vote (in its capacity as a Lender) may be counted to the extent any such plan of reorganization or liquidation proposes to treat the Obligations held by such Non-Debt Fund Affiliate in a manner that is less favorable to such Non-Debt Fund Affiliate than the proposed treatment of similar Obligations held by Lenders that are not Affiliates of the Borrower; each Non-Debt Fund Affiliate hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Non-Debt Fund Affiliate's attorney-in-fact, with full authority in the place and stead of such Non-Debt Fund Affiliate and in the name of such Non-Debt Fund Affiliate (solely in respect of Loans and participations therein and not in respect of any other claim or status such Non-Debt Fund Affiliate may otherwise have) from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this clause (iii);

(iv) Any Lender may assign all or a portion of the Term Loans of any Class held by it to a Debt Fund Affiliate in accordance with Section 13.6(b).

(h) Notwithstanding anything in Section 13.1 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders or any other requisite Class vote required by this Agreement have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (ii) otherwise acted on any matter related to any Credit Document, or (iii) directed or required the Administrative Agent, the Collateral Agent or any Lender to undertake any

action (or refrain from taking any action) with respect to or under any Credit Document, (A) all Term Loans held by any Non-Debt Fund Affiliate shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders (or requisite vote of any Class of Lenders) have taken any actions and (B) the aggregate amount of Term Loans held by Debt Fund Affiliates will be excluded to the extent in excess of 49.9% of the amount required to constitute "Required Lenders" (any such excess amount shall be deemed to be not outstanding on a pro rata basis among all Debt Fund Affiliates).

(i) Upon any contribution of Term Loans to the Borrower or any Restricted Subsidiary and upon any purchase of Term Loans by a Purchasing Borrower Party, (A) the aggregate principal amount (calculated on the face amount thereof) of such Term Loans shall automatically be cancelled and retired or extinguished by the Borrower on the date of such contribution or purchase (and, if requested by the Administrative Agent, with respect to a contribution of Term Loans, any applicable contributing Lender shall execute and deliver to the Administrative Agent an Assignment and Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in such Loans to the Borrower for immediate cancellation) and (B) the Administrative Agent shall record such cancellation or retirement or extinguishment in the Register.

(j) The Administrative Agent shall not (a) be required to serve as the auction agent for, or have any other obligations to participate in (other than mechanical administrative duties), or facilitate any, "dutch auction" unless it is reasonably satisfied with the terms and restrictions of such auction or (b) have any obligation to participate in, arrange, sell or otherwise facilitate, and will have no liability in connection with, any open market purchases by any Purchasing Borrower Party.

13.7 Replacements of Lenders Under Certain Circumstances.

(a) The Borrower, at its sole expense, shall be permitted to replace any Lender (or any Participant) that (i) requests reimbursement for amounts owing pursuant to Section 2.10, 2.11 or 5.4 or (ii) is affected in the manner described in Section 2.10(a)(iii) and as a result thereof any of the actions described in such Section is required to be taken, with a replacement bank, financial institution or other institutional lender or investor that is an Eligible Assignee; provided that (A) such replacement does not conflict with any Applicable Law, (B) no Event of Default shall have occurred and be continuing at the time of such replacement, (C) the Borrower shall repay (or such replacement bank, financial institution or other institutional lender or investor shall purchase, at par) all Loans and pay all other amounts (other than any disputed amounts) owing to such replaced Lender hereunder (including, for the avoidance of doubt, pursuant to Section 2.10, 2.11, 3.5 or 5.4, as the case may be) and under the other Credit Documents prior to the date of replacement of such Lender, (D) such replacement bank, financial institution or other institutional lender or investor (if not already a Lender) and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent, (E) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 13.6 and (F) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender or that the replaced Lender shall have against the Borrower and the other parties for indemnity, contribution, payment of disputed and other unpaid amounts and otherwise.

(b) If any Lender (such Lender a "Non-Consenting Lender") has failed to consent to a proposed amendment, modification, supplement, waiver, discharge or termination, which pursuant to the terms of Section 13.1 requires the consent of all of the Lenders affected or each Lender and with respect to which the Required Lenders shall have granted their consent, then, provided no Event of Default has occurred and is continuing, the Borrower shall have the right (unless such Non-Consenting Lender grants such consent), at its own cost and expense, to replace such Non-Consenting Lender by requiring such

Non-Consenting Lender to assign its Loans to one or more Eligible Assignees reasonably acceptable to the Administrative Agent; provided that (i) all Obligations of the Borrower under this Agreement owing to such Non-Consenting Lender being replaced shall be paid in full (including any applicable premium under Section 5.1(b)) to such Non-Consenting Lender concurrently with such assignment, (ii) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest and other accrued and unpaid amounts thereon, (iii) the replacement Lender shall consent to the proposed amendment, modification, supplement, waiver, discharge or termination, (iv) all Lenders required to have consented to such proposed amendment, modification, supplement, waiver, discharge or termination (other than Non-Consenting Lenders which are simultaneously replaced) shall have consented thereto, and (v) the assignment of such Non-Consenting Lenders Loans to one or more Eligible Assignees does not otherwise conflict with Applicable Law. In connection with any such assignment, the Borrower, the Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 13.6(a).

(c) Notwithstanding anything herein to the contrary, each party hereto agrees that any assignment pursuant to the terms of this Section 13.7 may be effected pursuant to an Assignment and Acceptance executed by the Borrower, the Administrative Agent and the assignee and that the Lender making such assignment need not be a party thereto.

13.8 Adjustments; Set-off.

(a) Except as otherwise set forth herein, if any Lender (a "Benefited Lender") shall at any time receive any payment of all or part of the Loans of any Class, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 11.5, or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Loans of such Class, such Benefited Lender shall (i) notify the Administrative Agent of such fact, and (ii) purchase for cash at face value from the other Lenders a participating interest in such portion of each such other Lender's Loans of such Class, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably in accordance with the aggregate principal of their respective Loans of the applicable Class; provided that, (A) if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest and (B) the provisions of this paragraph shall not be construed to apply to (x) any payment made by Holdings, the Borrower or any other Credit Party pursuant to and in accordance with the express terms of this Agreement and the other Credit Documents, (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant or (z) any disproportionate payment obtained by a Lender of any Class as a result of the extension by Lenders of the maturity date or expiration date of some but not all Loans = of that Class or any increase in the Applicable Margin (or other pricing term, including any fee, discount or premium) in respect of Loans of Lenders that have consented to any such extension to the extent such transaction is permitted hereunder. Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Credit Party rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Credit Party in the amount of such participation.

(b) After the occurrence and during the continuance of an Event of Default, in addition to any rights and remedies of the Lenders provided by Applicable Law and each Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by Applicable Law, upon any amount becoming due and payable by the Borrower

13.11 Integration. This Agreement and the other Credit Documents represent the agreement of Holdings, the Borrower, the Administrative Agent, the Collateral Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Collateral Agent, the Administrative Agent or any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.

Parties, in each case who need to know such information in connection with the administration of the Credit Documents and are informed of the confidential nature of such information or are subject to customary confidentiality obligations of professional practice or who agree in writing to be bound by the terms of this paragraph (or language substantially similar to this paragraph) (and to the extent a person's compliance is within the control of an Agent or Lender, such Agent or Lender will be responsible for such compliance), (d) with the written consent of the Borrower, (e) to the extent such Confidential Information (i) becomes publicly available other than as a result of a breach of this Section 13.16, (ii) becomes available to any Agent, any Lender or any of their respective Affiliates on a non-confidential basis from a source that is not subject to these confidentiality provisions or (iii) to the extent such information is independently developed by such Agent, Lender, or Affiliate without the use of confidential information in breach of this Section 13.16 or (f) for purposes of establishing a "due diligence" defense; provided that unless specifically prohibited by Applicable Law or court order, each Lender or each Agent shall notify the Borrower of any request by any Governmental Authority or representative thereof (other than any such request in connection with an examination of the financial condition of such Lender or such Agent by such Governmental Authority) for disclosure of any such non-public information prior to disclosure of such information; and provided, further, that, in no event shall any Lender or any Agent be obligated or required to return any materials furnished by Holdings, the Borrower or any Subsidiary of the Borrower. Each Lender and each Agent agrees that it will not provide to prospective Transferees, pledgees referred to in Section 13.16 or to prospective direct or indirect contractual counterparties under Hedging Agreements to be entered into in connection with Loans made hereunder any of the Confidential Information unless such Person is advised of and agrees to be bound by the provisions of this Section 13.16. The confidentiality provisions contained herein shall not prohibit disclosures to any trustee, administrator, collateral manager, servicer, backup servicer, lender, rating agency or secured party of any SPV in connection with the evaluation, administration, servicing of, or the reporting on, the assets or securitization activities of such SPV; provided that any such Person is advised of and agrees to be bound by the provisions of this Section 13.16.

13.17 Release of Collateral and Guarantee Obligations; Subordination of Liens.

(a) The Lenders hereby irrevocably agree that the Liens granted to the Collateral Agent by the Credit Parties on any Collateral shall be automatically released (i) in full, as set forth in clause (b) below, (ii) upon the sale, transfer or other Disposition (including any disposition by means of a distribution or Restricted Payment) of such Collateral (including as part of or in connection with any other sale, transfer or other Disposition permitted hereunder) to any Person other than another Credit Party, to the extent such sale, transfer or other Disposition is made in compliance with the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Credit Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Credit Party by a Person that is not a Credit Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 13.1), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guarantee (in accordance with the second and third succeeding sentences and Section 25 of the Guarantee), (vi) as required by the Collateral Agent (or the First Lien Collateral Agent) to effect any sale, transfer or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Security Documents and (vii) to the extent such Collateral otherwise becomes Excluded Capital Stock or Excluded Property (other than pursuant to clause (c) of the definition thereof). Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or Obligations (other than those being released) of the Credit Parties in respect of) all interests retained by the Credit Parties, including the proceeds of any disposition, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Credit

Documents. Additionally, the Lenders hereby irrevocably agree that the Guarantors shall be released from the Guarantee upon consummation of any transaction permitted hereunder resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary, or otherwise becoming an Excluded Subsidiary (including in connection with any designation of an Unrestricted Subsidiary), or, in the case of a Previous Holdings, in accordance with the conditions set forth in the definition of Holdings. Subject to, and solely to the extent contemplated by, Section 1.11(h), upon the occurrence of a Holdings Termination Event, Holdings shall be released from its Guarantee and all of its property released as Collateral automatically, and Holdings shall be released from all obligations under this Agreement and the other Credit Documents, including with respect to all representations and warranties, covenants, and defaults. The Lenders hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender. Any representation, warranty or covenant contained in any Credit Document relating to any such Collateral or Guarantor shall no longer be deemed to be repeated.

(b) Notwithstanding anything to the contrary contained herein or any other Credit Document, when all Obligations (other than (i) Hedging Obligations in respect of any Secured Hedging Agreements, (ii) Cash Management Obligations in respect of any Secured Cash Management Agreements and (iii) any contingent obligations or contingent indemnification obligations not then due and payable) have been paid in full, upon request of the Borrower, the Administrative Agent and/or the Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to release its security interest in all Collateral, and to release all obligations under any Credit Document, whether or not on the date of such release there may be any (i) Hedging Obligations in respect of any Secured Hedging Agreements, (ii) Cash Management Obligations in respect of any Secured Cash Management Agreements and (iii) any contingent obligations or contingent indemnification obligations not then due and payable. Any such release of Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

(c) Notwithstanding anything to the contrary contained herein or in any other Credit Document, upon reasonable request of the Borrower in connection with any Liens permitted by the Credit Documents, the Collateral Agent shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to give effect to (by means of an acknowledgment reasonably satisfactory to the Administrative Agent), or to subordinate the Lien on any Collateral to, any Lien permitted under Sections 10.2(c), (e) (solely as it relates to clauses (c) and (f) of Section 10.2), (f), (k)(i), (l), (m), (n), (o), (q), (r), (s), (v), (w), (x), (y), (aa), (ff) and clauses (d), (e), (f), (g), (i) and (n) of the definition of "Permitted Encumbrances." In addition, notwithstanding anything to the contrary contained herein or in any other Credit Document, upon reasonable request of the Borrower, the Administrative Agent and the Collateral Agent shall (without notice to, or vote or consent of, any Secured Party) enter into subordination or intercreditor agreements with respect to Indebtedness to the extent the Administrative Agent or Collateral Agent is otherwise contemplated herein as a party to such subordination or intercreditor agreements, in each case to the extent consistent with the provisions of Section 12.15.

(d) Notwithstanding the foregoing or anything in the Credit Documents to the contrary, at the direction of the Required Lenders, the Administrative Agent may, in exercising remedies, take any and all necessary and appropriate action to effectuate a credit bid of all Loans (or any lesser amount thereof) for

the Credit Parties' assets in a bankruptcy, foreclosure or other similar proceeding, forbear from exercising remedies upon an Event of Default, or in a proceeding under any Debtor Relief Law, enter into a settlement agreement on behalf of all Lenders.

Priorities and Agreements with Respect to Shared Collateral

SECTION 2.01 Priority of Claims.

(a) Anything contained herein or in any of the Secured Credit Documents to the contrary notwithstanding (but subject to Section 1.03), if an Event of Default has occurred and is continuing, and the Applicable Collateral Agent or any Secured Party is taking action to enforce rights in respect of any Shared Collateral, or any distribution is made in respect of any Shared Collateral in any Bankruptcy Case of Holdings, the Borrower or any other Grantor or any Secured Party receives any payment pursuant to any intercreditor agreement (other than this Agreement) with respect to any Shared Collateral, the proceeds of any sale, collection or other liquidation of any such Collateral by any Secured Party or received by the Applicable Collateral Agent or any Secured Party pursuant to any such intercreditor agreement with respect to such Shared Collateral and proceeds of any such distribution (subject, in the case of any such distribution, to the sentence immediately following) to which the Obligations are entitled under any intercreditor agreement (other than this Agreement) (all proceeds of any sale, collection or other liquidation of any Shared Collateral and all proceeds of any such distribution being collectively referred to as "Proceeds"), shall be applied (i) FIRST, to the payment in full in cash of all amounts owing to each Collateral Agent (in its capacity as such) pursuant to the terms of any Secured Credit Document, (ii) SECOND, subject to Section 1.03, to the payment in full in cash of the Obligations of each Series on a ratable basis, with such Proceeds to be applied to the Obligations of a given Series in accordance with the terms of the applicable Secured Credit Documents and (iii) THIRD, after payment in full in cash of all Obligations, to the Borrower and the other Grantors or their successors or assigns, as their interests may appear, or to whosoever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct. If, despite the provisions of this Section 2.01(a), any Secured Party shall receive any payment or other recovery in excess of its portion of payments on account of the Obligations to which it is then entitled in accordance with this Section 2.01(a), such Secured Party shall hold such payment or recovery in trust for the benefit of all Secured Parties for distribution in accordance with this Section 2.01(a). Notwithstanding the foregoing, with respect to any Shared Collateral for which a third party (other than a Secured Party) has a lien or security interest that is junior in priority to the security interest of any Series of Obligations but senior (as determined by appropriate legal proceedings in the case of any dispute) to the security interest of any other Series of Obligations (such third party, an "Intervening Creditor"), the value of any Shared Collateral or Proceeds which are allocated to such Intervening Creditor shall be deducted on a ratable basis solely from the Shared Collateral or Proceeds to be distributed in respect of the Series of Obligations with respect to which such Impairment exists.

(b) It is acknowledged that the Obligations of any Series may, subject to the limitations set forth in the then extant Secured Credit Documents and subject to Section 2.08, be increased, extended, renewed, replaced, restated, supplemented, restructured, repaid, refunded, Refinanced or otherwise amended or modified from time to time, all without affecting the priorities set forth in Section 2.01(a) or the provisions of this Agreement defining the relative rights of the Secured Parties of any Series.

(c) Notwithstanding the date, time, method, manner or order of filing or recordation of any document or instrument or grant, attachment or perfection of any Liens securing any Series of Obligations granted on the Shared Collateral and notwithstanding any provision of the Uniform Commercial Code of any jurisdiction, or any other Applicable Law or the Secured Credit Documents or any defect or deficiencies in the Liens securing the Obligations of any Series or any other circumstance whatsoever (but, in each case, subject to Section 1.03), each Secured Party hereby agrees that the Liens securing each Series of Obligations on any Shared Collateral shall be of equal priority.

SECTION 2.02 Actions with Respect to Shared Collateral; Prohibition on Contesting Liens.

(a) Only the Applicable Collateral Agent shall act or refrain from acting with respect to any Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral). At any time when the Credit Agreement Collateral Agent is the Applicable Collateral Agent, no Additional Secured Party shall or shall instruct any Collateral Agent to, commence any judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its security interest in or realize upon, or take any other action available to it in respect of, any Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral), whether under any Additional Security Document, Applicable Law or otherwise, it being agreed that only the Credit Agreement Collateral Agent or any person authorized by it, acting in accordance with the Credit Agreement Collateral Documents, shall be entitled to take any such actions or exercise any such remedies with respect to Shared Collateral at such time.

(b) With respect to any Shared Collateral at any time when the Additional Collateral Agent or the Initial Additional Collateral Agent is the Applicable Collateral Agent, (i) the Applicable Collateral Agent shall act only on the instructions of the Applicable Authorized Representative, (ii) the Applicable Collateral Agent shall not follow any instructions with respect to such Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral) from any Non-Controlling Authorized Representative (or any other Secured Party other than the Applicable Authorized Representative) and (iii) no Non-Controlling Authorized Representative or other Secured Party (other than the Applicable Authorized Representative) shall or shall instruct the Applicable Collateral Agent to, commence any judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its security interest in or realize upon, or take any other action available to it in respect of, any Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral), whether under any Security Document, Applicable Law or otherwise, it being agreed that only the Applicable Collateral Agent, acting on the instructions of the Applicable Authorized Representative and in accordance with the Additional Security Documents or Initial Additional Security Documents (as applicable), shall be entitled to take any such actions or exercise any such remedies with respect to Shared Collateral.

(c) Notwithstanding the equal priority of the Liens securing each Series of Obligations, the Applicable Collateral Agent (in the case of the Additional Collateral Agent or the Initial Additional Collateral Agent, acting on the instructions of the Applicable Authorized Representative) may deal with the Shared Collateral as if such Applicable Collateral Agent had a senior Lien on such Collateral. No Non-Controlling Authorized Representative or Non-Controlling Secured Party will contest, protest or object to any foreclosure proceeding or action brought by the Applicable Collateral Agent, the Applicable Authorized Representative or the Controlling Secured Party or any other exercise by the Applicable Collateral Agent, the Applicable Authorized Representative or the Controlling Secured Party of any rights and remedies relating to the Shared Collateral, or to cause the Applicable Collateral Agent to do so. The foregoing shall not be construed to limit the rights and priorities of any Secured Party, the Applicable Collateral Agent or any Authorized Representative with respect to any Collateral not constituting Shared Collateral.

(d) Each of the Secured Parties agrees that it will not (and hereby waives any right to) question or contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the perfection, priority, validity, attachment or enforceability of a Lien held by or on behalf of any of the Secured Parties in all or any part of the Collateral, or the provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any Collateral Agent or any Authorized Representative to enforce this Agreement.

(a) Each Secured Party agrees that (i) it will not challenge or question in any proceeding the validity or enforceability of any Obligations of any Series or any Security Document or the validity, attachment, perfection or priority of any Lien under any Security Document or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement; (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any Disposition of the Shared Collateral by the Applicable Collateral Agent, (iii) except as provided in Section 2.02, it shall have no right to (A) direct the Applicable Collateral Agent or any other Secured Party to exercise any right, remedy or power with respect to any Shared Collateral (including pursuant to any intercreditor agreement) or (B) consent to the exercise by the Applicable Collateral Agent or any other Secured Party of any right, remedy or power with respect to any Shared Collateral, (iv) it will not institute any suit, Insolvency or Liquidation Proceeding or any other proceeding any claim against the Applicable Collateral Agent or any other Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Shared Collateral, and none of the Applicable Collateral Agent, any Applicable Authorized Representative or any other Secured Party shall be liable for any action taken or omitted to be taken by the Applicable Collateral Agent, such Applicable Authorized Representative or other Secured Party with respect to any Shared Collateral in accordance with the provisions of this Agreement, (v) it will not seek, and hereby waives any right, to have any Shared Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Collateral and (vi) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any of the Applicable Collateral Agent or any other Secured Party to enforce this Agreement.

(b) Each Secured Party hereby agrees that if it shall obtain possession of any Shared Collateral or shall realize any proceeds or payment in respect of any such Shared Collateral, pursuant to any Security Document or by the exercise of any rights available to it under Applicable Law or in any Insolvency or Liquidation Proceeding or through any other exercise of remedies (including pursuant to any intercreditor agreement), at any time prior to the Discharge of each of the Obligations, then it shall hold such Shared Collateral, proceeds or payment in trust for the other Secured Parties and promptly transfer such Shared Collateral, proceeds or payment, as the case may be, to the Applicable Collateral Agent, to be distributed in accordance with the provisions of Section 2.01 hereof.

SECTION 2.04 Automatic Release of Liens.

(a) If, at any time the Applicable Collateral Agent forecloses upon or otherwise exercises remedies against any Shared Collateral resulting in a sale or disposition thereof, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of the other Collateral Agent for the benefit of each Series of Secured Parties upon such Shared Collateral will automatically be released and discharged as and when, but only to the extent, such Liens of the Applicable Collateral Agent on such Shared Collateral are released and discharged; provided that any proceeds of any Shared Collateral realized therefrom shall be applied pursuant to Section 2.01.

(b) Each Collateral Agent and Authorized Representative agrees to execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Applicable Collateral Agent to evidence and confirm any release of Shared Collateral provided for in this Section 2.04.

SECTION 2.05 Certain Agreements with Respect to Insolvency or Liquidation Proceedings.

(a) This Agreement shall continue in full force and effect notwithstanding the commencement of any proceeding under the Bankruptcy Code or any other Bankruptcy Law, or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law by or against Holdings, the Borrower or any of its Subsidiaries.

(b) If Holdings, the Borrower and/or any other Grantor shall become subject to a case or other proceedings under the Bankruptcy Code or any other Bankruptcy Law (a "Bankruptcy Case") and shall, as debtor(s)-in-possession, move for approval of financing ("DIP Financing") to be provided by one or more lenders (the "DIP Lenders") under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law or the use of cash collateral under Section 363 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law, each Secured Party (other than any Controlling Secured Party or Authorized Representative of any Controlling Secured Party) agrees that it will raise no objection to any such financing or to the Liens on the Shared Collateral securing the same ("DIP Financing Liens") or to any use of cash collateral that constitutes Shared Collateral, unless the Authorized Representative of any Controlling Secured Party, shall then oppose or object to such DIP Financing or such DIP Financing Liens or use of cash collateral (and (i) to the extent that such DIP Financing Liens are senior to the Liens on any such Shared Collateral for the benefit of the Controlling Secured Parties, each Non-Controlling Secured Party will subordinate its Liens with respect to such Shared Collateral on the same terms as the Liens of the Controlling Secured Parties (other than any Liens of any Secured Parties constituting DIP Financing Liens) are subordinated thereto, and (ii) to the extent that such DIP Financing Liens rank equal in priority with the Liens on any such Shared Collateral granted to secure the Obligations of the Controlling Secured Parties, each Non-Controlling Secured Party will confirm the priorities with respect to such Shared Collateral as set forth herein), in each case so long as (A) the Secured Parties of each Series retain the benefit of their Liens on all such Shared Collateral pledged to the DIP Lenders, including proceeds thereof arising after the commencement of such proceeding, with the same priority vis-à-vis all the other Secured Parties (other than any Liens of the Secured Parties constituting DIP Financing Liens) as existed prior to the commencement of the Bankruptcy Case, (B) the Secured Parties of each Series are granted Liens on any additional collateral pledged to any Secured Parties as adequate protection or otherwise in connection with such DIP Financing or use of cash collateral, with the same priority vis-à-vis the Secured Parties (other than any Liens of the Secured Parties constituting DIP Financing Liens) as set forth in this Agreement, (C) if any amount of such DIP Financing or cash collateral is applied to repay any of the Obligations, such amount is applied pursuant to Section 2.01, and (D) if any Secured Parties are granted adequate protection, including in the form of periodic payments, in connection with such DIP Financing or use of cash collateral, the proceeds of such adequate protection are applied pursuant to Section 2.01; provided that the Secured Parties of each Series shall have a right to object to the grant of a Lien to secure the DIP Financing over any Collateral subject to Liens in favor of the Secured Parties of such Series or its Authorized Representative that shall not constitute Shared Collateral; and provided, further, that the Secured Parties receiving adequate protection shall not object to any other Secured Party receiving adequate protection comparable to any adequate protection granted to such Secured Parties in connection with a DIP Financing or use of cash collateral.

SECTION 2.06 Reinstatement. In the event that any of the Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement of a preference under any Bankruptcy Law, or any similar law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Article II shall be fully applicable thereto until all such Obligations shall again have been paid in full in cash.

SECTION 2.07 Insurance. As between the Secured Parties, the Applicable Collateral Agent (and in the case of the Additional Collateral Agent, acting at the direction of the Applicable Authorized Representative) shall have the right to adjust or settle any insurance policy or claim covering or constituting Shared Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral.

SECTION 2.08 Refinancings. The Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the Refinancing transaction under any Secured Credit Document) of any Secured Party of any other Series, all without affecting the priorities provided for herein or the other provisions hereof; provided that the Authorized Representative of the holders of any such Refinancing indebtedness shall have executed a Joinder Agreement on behalf of the holders of such Refinancing indebtedness.

SECTION 2.09 Possessory Collateral Agent as Gratuitous Bailee for Perfection.

(a) The Possessory Collateral shall be delivered to the Credit Agreement Collateral Agent and the Credit Agreement Collateral Agent agrees to hold any Shared Collateral constituting Possessory Collateral that is part of the Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the benefit of each other Secured Party and any assignee solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable Security Documents, in each case, subject to the terms and conditions of this Section 2.09; provided that at any time the Credit Agreement Collateral Agent is not the Applicable Collateral Agent, the Credit Agreement Collateral Agent shall, at the request of the Applicable Collateral Agent, promptly deliver all Possessory Collateral to the Applicable Collateral Agent together with any necessary endorsements (or otherwise allow the Applicable Collateral Agent to obtain control of such Possessory Collateral). The Borrower shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Collateral Agent for loss or damage suffered by such Collateral Agent as a result of such transfer except for loss or damage suffered by such Collateral Agent as a result of its own willful misconduct, gross negligence or bad faith.

(b) The Applicable Collateral Agent agrees to hold any Shared Collateral constituting Possessory Collateral, from time to time in its possession, as gratuitous bailee for the benefit of each other Secured Party and any assignee, solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable Security Documents, in each case, subject to the terms and conditions of this Section 2.09.

(c) The duties or responsibilities of each Collateral Agent under this Section 2.09 shall be limited solely to holding any Shared Collateral constituting Possessory Collateral as gratuitous bailee for the benefit of each other Secured Party for purposes of perfecting the Lien held by such Secured Parties therein.

SECTION 2.10 Amendments to Security Documents.

(a) Without the prior written consent of the Credit Agreement Collateral Agent, the Additional Collateral Agent and the Initial Additional Collateral Agent agree that no Additional Security Document or Initial Additional Security Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Additional Security Document or new Initial Additional Security Document would be prohibited by, or would require any Grantor to act or refrain from acting in a manner that would violate, any of the terms of this Agreement.

(b) Without the prior written consent of the Additional Collateral Agent and the Initial Additional Collateral Agent, the Credit Agreement Collateral Agent agrees that no Credit Agreement Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Credit Agreement Collateral Document would be prohibited by, or would require any Grantor to act or refrain from acting in a manner that would violate, any of the terms of this Agreement.

(c) In making determinations required by this Section 2.10, each Collateral Agent may conclusively rely on an officer's certificate of the Borrower.

ARTICLE III

Existence and Amounts of Liens and Obligations

SECTION 3.01 Determinations with Respect to Amounts of Liens and Obligations. Whenever a Collateral Agent or any Authorized Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any Obligations of any Series, or the Shared Collateral subject to any Lien securing the Obligations of any Series, it may request that such information be furnished to it in writing by each other Authorized Representative or Collateral Agent and shall be entitled to make such determination or not make any determination on the basis of the information so furnished; provided, however, that if an Authorized Representative or a Collateral Agent shall fail or refuse reasonably promptly to provide the requested information, the requesting Collateral Agent or Authorized Representative shall be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Borrower. Each Collateral Agent and each Authorized Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any Secured Party or any other person as a result of such determination.

ARTICLE IV

The Applicable Collateral Agent

SECTION 4.01 Authority.

(a) Notwithstanding any other provision of this Agreement, nothing herein shall be construed to impose any fiduciary or other duty on any Applicable Collateral Agent to any Non-Controlling Secured Party or give any Non-Controlling Secured Party the right to direct any Applicable Collateral Agent, except that each Applicable Collateral Agent shall be obligated to distribute proceeds of any Shared Collateral in accordance with Section 2.01 hereof.

(b) In furtherance of the foregoing, each Non-Controlling Secured Party acknowledges and agrees that the Applicable Collateral Agent shall be entitled, for the benefit of the Secured Parties, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in the Security Documents, as applicable, for which the Applicable Collateral Agent is the collateral agent of such Shared Collateral, without regard to any rights to which the Non-Controlling Secured Parties would otherwise be entitled as a result of the Obligations held by such Non-Controlling Secured Parties. Without limiting the foregoing, each Non-Controlling Secured Party agrees that none of the Applicable Collateral Agent, the Applicable Authorized Representative or any other Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other

Collateral securing any of the Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any Obligations), in any manner that would maximize the return to the Non-Controlling Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Non-Controlling Secured Parties from such realization, sale, disposition or liquidation. Each of the Secured Parties waives any claim it may now or hereafter have against any Collateral Agent or the Authorized Representative of any other Series of Obligations or any other Secured Party of any other Series arising out of (i) any actions which any Collateral Agent, Authorized Representative or the Secured Parties take or omit to take (including, actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the Obligations from any account debtor, guarantor or any other party) in accordance with the Security Documents or any other agreement related thereto or to the collection of the Obligations or the valuation, use, protection or release of any security for the Obligations, (ii) any election by any Applicable Collateral Agent, any Applicable Authorized Representative or any holders of Obligations, in any proceeding instituted under the Bankruptcy Code or any other applicable Bankruptcy Law, of the application of Section 1111(b) of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law, or (iii) subject to Section 2.05, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law, by Holdings, the Borrower or any of its Subsidiaries, as debtor-in-possession. Notwithstanding any other provision of this Agreement, the Applicable Collateral Agent shall not accept any Shared Collateral in full or partial satisfaction of any Obligations pursuant to Section 9-620 of the Uniform Commercial Code of any jurisdiction or similar provision of any foreign law, without the consent of each Authorized Representative representing holders of Obligations for whom such Collateral constitutes Shared Collateral.

As agreed to in writing among each Collateral Agent and each Authorized Representative from time to time, notices and other communications may also be delivered by e-mail to the e-mail address of a representative of the applicable person provided from time to time by such person.

SECTION 5.02 Waivers; Amendment; Joinder Agreements.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 5.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Authorized Representative and each Collateral Agent (and with

respect to any such termination, waiver, amendment or modification which by the terms of this Agreement requires the Borrower's consent or which increases the obligations or reduces the rights of the Borrower or any other Grantor, with the consent of the Borrower).

(c) Notwithstanding the foregoing, without the consent of any Secured Party, any Authorized Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 5.13 and upon such execution and delivery, such Authorized Representative and the Additional Secured Parties that become subject to this Agreement after the date hereof and Additional Obligations of the Series for which such Authorized Representative is acting shall be subject to the terms hereof and the terms of the Additional Security Documents applicable thereto.

(d) Notwithstanding the foregoing, without the consent of any other Authorized Representative or Secured Party, the Collateral Agents may effect amendments and modifications to this Agreement to the extent necessary to reflect any Incurrence of any Additional Obligations in compliance with the Credit Agreement and the other Secured Credit Documents. With respect to any Additional Class Debt that is Incurred after the Closing Date, the Borrower and each of the other Grantors agrees to take such actions (if any) as may from time to time reasonably be requested by any Authorized Representative, and enter into such technical amendments, modifications and/or supplements to this Agreement, the then existing Security Documents (or execute and deliver such additional Security Documents) as may from time to time be reasonably requested by such Persons, to ensure that such Additional Class Debt are secured by, and entitled to the benefits of, the relevant Security Documents relating to such Additional Class Debt, and each Secured Party (by its acceptance of the benefits hereof) hereby agrees to, and authorizes the Applicable Authorized Representative, as the case may be, to enter into, any such technical amendments, modifications and/or supplements (and additional Security Documents).

SECTION 5.03 Parties in Interest. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other Secured Parties, all of whom are intended to be bound by, and to be third party beneficiaries of, this Agreement.

SECTION 5.04 Survival of Agreement. All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

SECTION 5.05 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart hereof.

SECTION 5.06 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 5.07 GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 5.08 Submission to Jurisdiction Waivers; Consent to Service of Process. Each Collateral Agent and each Authorized Representative, on behalf of itself and the Secured Parties of the Series for whom it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the Security Documents, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York located in the Borough of Manhattan, the courts of the United States for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Authorized Representative) at the address set forth in Section 5.01;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 5.08 any special, exemplary, punitive or consequential damages.

SECTION 5.09 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR FOR ANY COUNTERCLAIM THEREIN.

SECTION 5.10 Headings. Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 5.11 Conflicts. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any of the Security Documents or any of the other Secured Credit Documents, the provisions of this Agreement shall control.

SECTION 5.12 Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the Secured Parties in relation to one another. None of the Borrower, any other Grantor or any other creditor thereof shall have any rights or obligations hereunder, except as expressly provided in this Agreement (provided that nothing in this Agreement (other than Sections 2.04, 2.05, and 2.09) is intended to or will amend, waive or otherwise modify the provisions of the Credit Agreement or any Additional Documents), and none of the Borrower or any other Grantor may rely on the terms hereof (other than Sections 2.04, 2.05, 2.09 and Article V). Nothing in this Agreement is intended to or shall impair the obligations of any Grantor, which are absolute and unconditional, to pay the Obligations as and when the same shall become due and payable in accordance with their terms.

SECTION 5.13 Additional Senior Debt. To the extent, but only to the extent permitted by the provisions of the Credit Agreement and the Additional Documents, the Borrower may Incur additional indebtedness after the date hereof that is permitted by the Credit Agreement and the Additional Documents to be Incurred and secured by the Shared Collateral on a priority basis that is equal to the Liens on the Shared Collateral securing the Obligations (such indebtedness referred to as "Additional Class Debt"). Any such Additional Class Debt may be secured by a Lien on the Shared Collateral on a basis that is equal to the Liens on the Shared Collateral securing the Obligations, in each case under and pursuant to the Additional Documents, if and subject to the condition that the Authorized Representative of any such Additional Class Debt (each, an "Additional Class Debt Representative"), acting on behalf of the holders of such Additional Class Debt (such Authorized Representative and holders in respect of any Additional Class Debt being referred to as the "Additional Class Debt Parties"), and, to the extent not already a party hereto, the collateral agent for any such Additional Class Debt, becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (iv) of the immediately succeeding paragraph.

In order for an Additional Class Debt Representative and, if applicable, the collateral agent for any such Additional Class Debt, to become a party to this Agreement,

(i) such Additional Class Debt Representative, each Collateral Agent, each Authorized Representative and each Grantor shall have executed and delivered an instrument substantially in the form of Annex II (with such changes as may be reasonably approved by each Collateral Agent and such Additional Class Debt Representative) pursuant to which (a) such Additional Class Debt Representative becomes an Authorized Representative hereunder, (b) if applicable, such collateral agent becomes the Additional Collateral Agent hereunder, and (c) the Additional Class Debt in respect of which such Additional Class Debt Representative is the Authorized Representative and the related Additional Class Debt Parties become subject hereto and bound hereby;

(ii) the Borrower shall have (x) delivered to each Collateral Agent true and complete copies of each of the Additional Documents relating to such Additional Class Debt, certified as being true and correct by an authorized officer of the Borrower and (y) identified in a certificate of an authorized officer the obligations to be designated as Additional Obligations and the initial aggregate principal amount or face amount thereof;

(iii) all filings, recordations and/or amendments or supplements to the Security Documents necessary or desirable in the reasonable judgment of such Additional Class Debt Representative to confirm and perfect the Liens securing the relevant obligations relating to such Additional Class Debt shall have been made, executed and/or delivered (or, with respect to any such filings or recordations, acceptable provisions to perform such filings or recordings have been taken in the reasonable judgment of such Additional Class Debt Representative), and all fees and taxes in connection therewith shall have been paid (or acceptable provisions to make such payments have been taken in the reasonable judgment of the Additional Class Debt Representative); and

(iv) the Additional Documents, as applicable, relating to such Additional Class Debt shall provide, in a manner reasonably satisfactory to each Collateral Agent, that each Additional Class Debt Party with respect to such Additional Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Additional Class Debt.

SECTION 5.14 Agent Capacities. Except as expressly provided herein or in the Credit Agreement Collateral Documents, MSSF is acting in the capacity of Authorized Representative solely for

the Credit Agreement Secured Parties and in its capacity as Collateral Agent solely for the Credit Agreement Secured Parties, the Initial Additional Credit Agreement Secured Parties and the Additional Credit Agreement Secured Parties. Except as expressly set forth herein, none of the Administrative Agent, the Credit Agreement Collateral Agent, the Initial Additional Collateral Agent or the Additional Collateral Agent shall have any duties or obligations in respect of any of the Collateral, all of such duties and obligations, if any, being subject to and governed by the applicable Secured Credit Documents.

SECTION 5.15 Integration. This Agreement together with the other Secured Credit Documents and the Security Documents represents the agreement of each of the Grantors and the Secured Parties with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by any Grantor, the Credit Agreement Collateral Agent, or any other Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Secured Credit Documents or the Security Documents.

Accordingly, each Collateral Agent, each Authorized Representative and the New Representative agree as follows:

SECTION 1. In accordance with Section 5.13 of the Equal Priority Intercreditor Agreement, the New Representative by its signature below becomes an Authorized Representative under, and the related Additional Class Debt and Additional Class Debt Parties become subject to and bound by, the Equal Priority Intercreditor Agreement with the same force and effect as if the New Representative had originally been named therein as an Authorized Representative and the New Representative, on its behalf and on behalf of such Additional Class Debt Parties, hereby agrees to all the terms and provisions of the Equal Priority Intercreditor Agreement applicable to it as Authorized Representative and to the Additional Class Debt Parties that it represents as Additional Secured Parties. to, any Senior Priority Obligations held (or purported to be held) by or on behalf of any Senior Priority Representative or any of the other Senior Priority Secured Parties or other agent or trustee therefor in any Senior Priority Collateral, and each Senior Priority Representative, for itself and on behalf of each Senior Priority Secured Party under its Senior Priority Debt Facility, agrees that it shall not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, extent, perfection, priority or enforceability of any Lien securing, or the allowability of any claims asserted with respect to, any Second Priority Debt Obligations held (or purported to be held) by or on behalf of any of any Second Priority Representative or any of the Second Priority Secured Parties in the Second Priority Collateral. Notwithstanding the foregoing, no provision in this Agreement shall be construed to prevent or impair the rights of any Senior Priority Representative to enforce this Agreement (including the priority of the Liens securing the Senior Priority Obligations as provided in Section 2.01) or any of the Senior Priority Debt Documents.

SECTION 2.04. *No New Liens.* The parties hereto agree that, so long as the Discharge of Senior Priority Obligations has not occurred, (a) none of the Grantors shall grant any additional Liens on any asset or property of any Grantor to secure any Second Priority Debt Obligation unless it has granted, or concurrently therewith grants, a Lien on such asset or property of such Grantor to secure the Senior Priority Obligations; and (b) if any Second Priority Representative or any Second Priority Secured Party shall hold any Lien on any assets or property of any Grantor securing any Second Priority Debt Obligations that are not also subject to the Liens securing all Senior Priority Obligations under the Senior Priority Collateral Documents, such Second Priority Representative or Second Priority Secured Party (i) shall notify the Designated Senior Priority Representative promptly upon becoming aware thereof and, unless such Grantor shall promptly grant a similar Lien on such assets or property to each Senior Priority Representative as security for the Senior Priority Obligations, shall assign such Lien to the Designated Senior Priority Representative as security for all Senior Priority Obligations for the benefit of the Senior Priority Secured Parties (but may retain a junior Lien on such assets or property subject to the terms hereof) and (ii) until such assignment or such grant of a similar Lien to each Senior Priority Representative, shall be deemed to hold and have held such Lien for the benefit of each Senior Priority Representative and the other Senior Priority Secured Parties as security for the Senior Priority Obligations.

SECTION 2.05. *Perfection Of Liens.* Except for the limited agreements of the Senior Priority Representatives pursuant to Section 5.05 hereof, none of the Senior Priority Representatives or the Senior Priority Secured Parties shall be responsible for perfecting and maintaining the perfection of Liens with respect to the Shared Collateral for the benefit of the Second Priority Representatives or the Second Priority Secured Parties. The provisions of this Agreement are intended solely to govern the respective Lien priorities as between the Senior Priority Secured Parties and the Second Priority Secured Parties and shall not impose on the Senior Priority Representatives, the Senior Priority Secured Parties, the Second Priority Representatives, the Second Priority Secured Parties or any agent or trustee therefor any obligations in respect of the disposition of proceeds of any Shared Collateral which would conflict with prior perfected claims therein in favor of any other Person or any order or decree of any court or governmental authority or any applicable law.

SECTION 2.06. *Certain Cash Collateral.* Notwithstanding anything in this Agreement or any other Senior Priority Debt Documents or Second Priority Debt Documents to the contrary, collateral consisting of cash and deposit account balances pledged to secure First Lien Credit Agreement Obligations consisting of reimbursement obligations in respect of Letters of Credit or otherwise held by the First Lien Administrative Agent pursuant to Section 3.8 of the First Lien Credit Agreement (or any equivalent successor provision) shall be applied as specified in the First Lien Credit Agreement and will not constitute Shared Collateral.

ARTICLE 3
ENFORCEMENT

SECTION 3.01. *Exercise Of Remedies.*

(a) So long as the Discharge of Senior Priority Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Borrower or any other Grantor, (i) neither any Second Priority Representative nor any Second Priority Secured Party will (x) exercise or seek to exercise any rights or remedies (including setoff) with respect to any Shared Collateral in respect of any Second Priority Debt Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), (y) contest, protest or object to any foreclosure proceeding or other action brought with respect to the Shared Collateral or any other Senior Priority Collateral by any Senior Priority Representative or any Senior Priority Secured Party in respect of the Senior Priority Obligations, the exercise of any right by any Senior Priority Representative or any Senior Priority Secured Party (or any agent or sub-agent on their behalf) in respect of the Senior Priority Obligations under any lockbox agreement, control agreement, landlord waiver or bailee's letter or similar agreement or arrangement to which any Senior Priority Representative or any Senior Priority Secured Party either is a party or may have rights as a third party beneficiary, or any other exercise by any such party of any rights and remedies relating to the Shared Collateral under the Senior Priority Debt Documents or otherwise in respect of the Senior Priority Collateral or the Senior Priority Obligations, or (z) object to the forbearance by the Senior Priority Secured Parties from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Shared Collateral in respect of Senior Priority Obligations and (ii) except as otherwise provided herein, the Senior Priority Representatives and the Senior Priority Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including setoff and the right to credit bid their debt) and make determinations regarding the release, disposition or restrictions with respect to the Shared Collateral or any other Senior Priority Collateral without any consultation with or the consent of any Second Priority Representative or any Second Priority Secured Party; provided, however, that (A) in any Insolvency or Liquidation Proceeding commenced by or against Holdings, the Borrower or any other Grantor, any Second Priority Representative may file a claim or statement of interest with respect to the Second Priority Debt Obligations under its Second Priority Debt Facility, (B) any Second Priority Representative may take any action (not adverse to the prior Liens on the Shared Collateral securing the Senior Priority Obligations or the rights of the Senior Priority Representatives or the Senior Priority Secured Parties to exercise remedies in respect thereof) in order to create, prove, perfect, preserve or protect (but not enforce) its rights in, and perfection and priority of its Lien on, the Shared Collateral, (C) any Second Priority Representative and the Second Priority Secured Parties may exercise their rights and remedies as unsecured creditors, as provided in Section 5.04, (D) any Second Priority Representative may exercise the rights and remedies provided for in Section 6.03, (E) any Second Priority Representative and the Second Priority Secured Parties may file any necessary or appropriate responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims or Liens of the Second Priority Secured Parties, including any claims secured by the Second Priority Collateral, in each case in accordance with the terms of this Agreement and (F) from and after the Second Priority Enforcement Date, the Major Second Priority Representative (or such other Person, if any, as is so authorized under the Second Lien Intercreditor Agreement) may exercise or seek to exercise any rights or remedies (including setoff) with respect to any Shared Collateral in respect of any Second Priority Debt Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), but only so long as (1) the Designated Senior Priority Representative has not commenced and is not diligently pursuing any enforcement action with respect to such Shared Collateral or (2) any Grantor which has granted a security interest in such Shared Collateral is not then a debtor under or with respect to (or otherwise subject to) any Insolvency or Liquidation Proceeding. In

exercising rights and remedies with respect to the Senior Priority Collateral, the Senior Priority Representatives and the Senior Priority Secured Parties may enforce the provisions of the Senior Priority Debt Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Shared Collateral upon foreclosure, to incur expenses in connection with such sale or disposition and to exercise all the rights and remedies of a secured lender under the Uniform Commercial Code of any applicable jurisdiction and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(b) So long as the Discharge of Senior Priority Obligations has not occurred, each Second Priority Representative, on behalf of itself and each Second Priority Secured Party under its Second Priority Debt Facility, agrees that it will not, in the context of its role as secured creditor, take or receive any Shared Collateral or any proceeds of Shared Collateral in connection with the exercise of any right or remedy (including setoff) with respect to any Shared Collateral in respect of Second Priority Debt Obligations. Without limiting the generality of the foregoing, unless and until the Discharge of Senior Priority Obligations has occurred, except as expressly provided in the proviso in clause (ii) of Section 3.01(a), the sole right of the Second Priority Representatives and the Second Priority Secured Parties with respect to the Shared Collateral is to hold a Lien on the Shared Collateral in respect of Second Priority Debt Obligations pursuant to the Second Priority Debt Documents for the period and to the extent granted therein and to receive a share of the proceeds thereof, if any, after the Discharge of Senior Priority Obligations has occurred.

(c) Subject to the proviso in clause (ii) of Section 3.01(a), (i) each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, agrees that neither such Second Priority Representative nor any such Second Priority Secured Party will take any action that would hinder any exercise of remedies undertaken by any Senior Priority Representative or any Senior Priority Secured Party with respect to the Shared Collateral under the Senior Priority Debt Documents, including any Disposition of the Shared Collateral, whether by foreclosure or otherwise, and (ii) each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, hereby waives any and all rights it or any such Second Priority Secured Party may have as a junior lien creditor or otherwise to object to the manner in which the Senior Priority Representatives or the Senior Priority Secured Parties seek to enforce or collect the Senior Priority Obligations or the Liens granted on any of the Senior Priority Collateral, regardless of whether any action or failure to act by or on behalf of any Senior Priority Representative or any other Senior Priority Secured Party is adverse to the interests of the Second Priority Secured Parties.

(d) Each Second Priority Representative hereby acknowledges and agrees that no covenant, agreement or restriction contained in any Second Priority Debt Document shall be deemed to restrict in any way the rights and remedies of the Senior Priority Representatives or the Senior Priority Secured Parties with respect to the Senior Priority Collateral as set forth in this Agreement and the Senior Priority Debt Documents.

(e) Subject to the proviso in Section 3.01(a), until the Discharge of Senior Priority Obligations, the Designated Senior Priority Representative or any Person authorized by it shall have the exclusive right to exercise any right or remedy with respect to the Shared Collateral and shall have the exclusive right to determine and direct the time, method and place for exercising such right or remedy or conducting any proceeding with respect thereto. Following the Discharge of Senior Priority Obligations, the Designated Second Priority Representative or any Person authorized by it shall have the exclusive right to exercise any right or remedy with respect to the Collateral, and the Designated Second Priority Representative or any Person Authorized by it shall have the exclusive right to direct the time, method and place of exercising or conducting any proceeding for the exercise of any right or remedy available to the

Second Priority Secured Parties with respect to the Collateral, or of exercising or directing the exercise of any trust or power conferred on the Second Priority Representatives, or for the taking of any other action authorized by the Second Priority Collateral Documents; provided, however, that nothing in this Section shall impair the right of any Second Priority Representative or other agent or trustee acting on behalf of the Second Priority Secured Parties to take such actions with respect to the Collateral after the Discharge of Senior Priority Obligations as may be otherwise required or authorized pursuant to any intercreditor agreement governing the Second Priority Secured Parties or the Second Priority Debt Obligations.

SECTION 3.02. *Cooperation.* Subject to the proviso in clause (ii) of Section 3.01(a), each Second Priority Representative, on behalf of itself and each Second Priority Secured Party under its Second Priority Debt Facility, agrees that, unless and until the Discharge of Senior Priority Obligations has occurred, it will not commence, or join with any Person (other than the Senior Priority Secured Parties and the Senior Priority Representatives upon the request of the Designated Senior Priority Representative) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Shared Collateral under any of the Second Priority Debt Documents or otherwise in respect of the Second Priority Debt Obligations.

SECTION 3.03. *Actions Upon Breach.* Should any Second Priority Representative or any Second Priority Secured Party, contrary to this Agreement, in any way take, attempt to take or threaten to take any action with respect to the Shared Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement) or fail to take any action required by this Agreement, any Senior Priority Representative or other Senior Priority Secured Party (in its or their own name or in the name of the Borrower or any other Grantor) or the Borrower may obtain relief against such Second Priority Representative or such Second Priority Secured Party by injunction, specific performance or other appropriate equitable relief. Each Second Priority Representative, on behalf of itself and each Second Priority Secured Party under its Second Priority Facility, hereby (a) agrees that the Senior Priority Secured Parties' damages from the actions of the Second Priority Representatives or any Second Priority Secured Party may at that time be difficult to ascertain and may be irreparable and waives any defense that Holdings, the Borrower, any other Grantor or the Senior Priority Secured Parties cannot demonstrate damage or be made whole by the awarding of damages and (b) irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by any Senior Priority Representative or any other Senior Priority Secured Party.

ARTICLE 4
PAYMENTS

SECTION 4.01. *Application Of Proceeds.* So long as the Discharge of Senior Priority Obligations has not occurred and regardless of whether an Insolvency or Liquidation Proceeding has been commenced, the Shared Collateral or proceeds thereof received in connection with the sale or other disposition of, or collection on, such Shared Collateral upon the exercise of remedies shall be applied by the Designated Senior Priority Representative to the Senior Priority Obligations in such order as specified in the relevant Senior Priority Debt Documents and, if applicable, the First Lien Intercreditor Agreement, until the Discharge of Senior Priority Obligations has occurred. Upon the Discharge of Senior Priority Obligations, each applicable Senior Priority Representative shall deliver promptly to the Designated Second Priority Representative any Shared Collateral or proceeds thereof held by it in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct, to be applied by the Designated Second Priority Representative to the Second Priority Debt Obligations in such order as specified in the relevant Second Priority Debt Documents and, if applicable, the Second Lien Intercreditor Agreement.

SECTION 4.02. *Payments Over.* So long as the Discharge of Senior Priority Obligations has not occurred, any Shared Collateral or proceeds thereof received by any Second Priority Representative or any Second Priority Secured Party in connection with the exercise of any right or remedy (including setoff) relating to the Shared Collateral shall be segregated and held in trust for the benefit of and forthwith paid over to the Designated Senior Priority Representative for the benefit of the Senior Priority Secured Parties in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. The Designated Senior Priority Representative is hereby authorized to make any such endorsements as agent for each of the Second Priority Representatives or any such Second Priority Secured Party. This authorization is coupled with an interest and is irrevocable.

ARTICLE 5
OTHER AGREEMENTS

SECTION 5.01. *Releases*.

(a) Each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, agrees that, if in connection with (i) a Disposition of any specified item of Shared Collateral (including all or substantially all of the Capital Stock of any Subsidiary of the Borrower) (other than in connection with the exercise of remedies with respect to the Shared Collateral which shall be governed by clause (ii)) permitted under the terms of the Second Priority Debt Documents or (ii) the exercise of any remedies with respect to the Shared Collateral by any Senior Priority Secured Parties made or exercised on a commercially reasonable basis, the Liens granted to the Second Priority Representatives and the Second Priority Secured Parties upon such Shared Collateral (but not on the Proceeds thereof) to secure Second Priority Debt Obligations shall terminate and be released, automatically and without any further action, concurrently with the termination and release of all Liens granted upon such Shared Collateral to secure Senior Priority Obligations. Upon delivery to a Second Priority Representative of an Officer's Certificate stating that any such termination and release of Liens securing the Senior Priority Obligations has become effective (or shall become effective concurrently with such termination and release of the Liens granted to the Second Priority Secured Parties and the Second Priority Representatives) and any necessary or proper instruments of termination or release prepared by Holdings, the Borrower or any other Grantor, such Second Priority Representative will promptly execute, deliver or acknowledge, at Holdings', the Borrower's or the other Grantor's sole cost and expense and without any representation or warranty, such instruments to evidence such termination and release of the Liens. Nothing in this Section 5.01(a) will be deemed to affect any agreement of a Second Priority Representative, for itself and on behalf of the Second Priority Secured Parties under its Second Priority Debt Facility, to release the Liens on the Second Priority Collateral as set forth in the relevant Second Priority Debt Documents.

(b) Each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, hereby irrevocably constitutes and appoints the Designated Senior Priority Representative and any officer or agent of the Designated Senior Priority Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Second Priority Representative or such Second Priority Secured Party or in the Designated Senior Priority Representative's own name, from time to time in the Designated Senior Priority Representative's discretion, for the purpose of carrying out the terms of Section 5.01(a), to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of Section 5.01(a), including any termination statements, endorsements or other instruments of transfer or release.

(c) Unless and until the Discharge of Senior Priority Obligations has occurred, each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, hereby consents to the application, whether prior to or after an event of default under any Senior Priority Debt Document of proceeds of Shared Collateral to the repayment of Senior Priority Obligations pursuant to the Senior Priority Debt Documents; provided that nothing in this Section 5.01(c) shall be construed to prevent or impair the rights of the Second Priority Representatives or the Second Priority Secured Parties to receive proceeds in connection with the Second Priority Debt Obligations not otherwise in contravention of this Agreement.

(d) Notwithstanding anything to the contrary in any Second Priority Collateral Document, in the event the terms of a Senior Priority Collateral Document and a Second Priority Collateral Document each require any Grantor (i) to make payment in respect of any item of Shared Collateral, (ii) to deliver or afford control over any item of Shared Collateral to, or deposit any item of Shared Collateral with, (iii) to register ownership of any item of Shared Collateral in the name of or make an assignment of ownership of any Shared Collateral or the rights thereunder to, (iv) cause any securities intermediary, commodity intermediary or other Person acting in a similar capacity to agree to comply, in respect of any item of Shared Collateral, with instructions or orders from, or to treat, in respect of any item of Shared Collateral, as the entitlement holder, (v) hold any item of Shared Collateral in trust for (to the extent such item of Shared Collateral cannot be held in trust for multiple parties under applicable law), (vi) obtain the agreement of a bailee or other third party to hold any item of Shared Collateral for the benefit of or subject to the control of or, in respect of any item of Shared Collateral, to follow the instructions of or (vii) obtain the agreement of a landlord with respect to access to leased premises where any item of Shared Collateral is located or waivers or subordination of rights with respect to any item of Shared Collateral in favor of, in any case, both the Designated Senior Priority Representative and any Second Priority Representative or Second Priority Secured Party, such Grantor may, until the applicable Discharge of Senior Priority Obligations has occurred, comply with such requirement under the Second Priority Collateral Document as it relates to such Shared Collateral by taking any of the actions set forth above only with respect to, or in favor of, the Designated Senior Priority Representative.

SECTION 5.02. *Insurance And Condemnation Awards.* Unless and until the Discharge of Senior Priority Obligations has occurred, the Designated Senior Priority Representative and the Senior Priority Secured Parties shall have the sole and exclusive right, subject in each case to the rights of the Grantors under the Senior Priority Debt Documents, (a) to adjust settlement for any insurance policy covering the Shared Collateral in the event of any loss thereunder and (b) to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral. Unless and until the Discharge of Senior Priority Obligations has occurred, and subject to the rights of the Grantors under the Senior Priority Debt Documents, all proceeds of any such policy and any such award, if in respect of the Shared Collateral, shall be paid (i) first, prior to the occurrence of the Discharge of Senior Priority Obligations, to the Designated Senior Priority Representative for the benefit of Senior Priority Secured Parties pursuant to the terms of the Senior Priority Debt Documents, (ii) second, after the occurrence of the Discharge of Senior Priority Obligations, to the Designated Second Priority Representative for the benefit of the Second Priority Secured Parties pursuant to the terms of the applicable Second Priority Debt Documents and (iii) third, if no Senior Priority Obligations and no Second Priority Debt Obligations are outstanding, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. If any Second Priority Representative or any Second Priority Secured Party shall, at any time, receive any proceeds of any such insurance policy or any such award in contravention of this Agreement, it shall pay such proceeds over to the Designated Senior Priority Representative in accordance with the terms of Section 4.02.

SECTION 5.03. *Certain Amendments.*

(a) No Second Priority Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Second Priority Collateral Document, would be prohibited by or inconsistent with any of the terms of this Agreement. The Borrower agrees to deliver to the Designated Senior Priority Representative copies of (i) any amendments, supplements or other modifications to the Second Priority Collateral Documents and (ii) any new Second Priority Collateral Documents promptly after effectiveness thereof. Each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, agrees that each Second Priority Collateral Document under its Second Priority Debt Facility shall include the following language (or language to similar effect reasonably approved by the Designated Senior Priority Representative):

"Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the [Second Priority Representative] pursuant to this Agreement are expressly subject and subordinate to the liens and security interests granted in favor of the Senior Priority Secured Parties (as defined in the Intercreditor Agreement referred to below), including liens and security interests granted to MORGAN STANLEY SENIOR FUNDING, INC., as collateral agent, pursuant to or in connection with the First Lien Credit Agreement dated as of October 22, 2018 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time), among Holdings, the Borrower, the lenders from time to time party thereto and MORGAN STANLEY SENIOR FUNDING, INC., as administrative agent and collateral agent, and the other parties thereto, and (ii) the exercise of any right or remedy by the [Second Priority Representative] or any other secured party hereunder is subject to the limitations and provisions of the First Lien/Second Lien Intercreditor Agreement, dated as of October 22, 2018 (as amended, restated, supplemented or otherwise modified from time to time, the "First Lien/Second Lien Intercreditor Agreement"), among MORGAN STANLEY SENIOR FUNDING, INC., as First Lien Administrative Agent, MORGAN STANLEY SENIOR FUNDING, INC., as Second Lien Administrative Agent, Holdings, the Borrower and certain of its affiliated entities party thereto. In the event of any conflict between the terms of the First Lien/Second Lien Intercreditor Agreement and the terms of this Agreement, the terms of the First Lien/Second Lien Intercreditor Agreement shall govern."

(b) In the event that each applicable Senior Priority Representative and/or the Senior Priority Secured Parties enter into any amendment, waiver or consent in respect of any of the Senior Priority Collateral Documents for the purpose of adding to or deleting from, or waiving or consenting to any departures from any provisions of, any Senior Priority Collateral Document or changing in any manner the rights of the Senior Priority Representatives, the Senior Priority Secured Parties, Holdings, the Borrower or any other Grantor thereunder (including the release of any Liens in Senior Priority Collateral) in a manner that is applicable to all Senior Priority Debt Facilities, then such amendment, waiver or consent shall apply automatically to any comparable provision of each comparable Second Priority Collateral Document without the consent of any Second Priority Representative or any Second Priority Secured Party and without any action by any Second Priority Representative, Holdings, the Borrower or any other Grantor; provided, however, that (x) no such amendment, waiver or consent shall have the effect (i) of removing assets subject to the Lien of any Second Priority Collateral Document, except to the extent that a release of such Lien is provided for in Section 5.01(a), (ii) imposing duties that are materially adverse on any Second Priority Representative without its consent or (iii) altering the terms of the Second Priority Collateral Documents to permit other Liens on the Collateral not permitted under the terms of the Second Priority Debt Documents as in effect on the date hereof or Article VI hereof and (y) written notice of such amendment, waiver or consent shall have been given to each Second Priority Representative within 10 Business Days after the effectiveness of such amendment, waiver or consent.

(c) The Senior Priority Debt Documents may be amended, restated, amended and restated, waived, supplemented or otherwise modified in accordance with their terms, and the indebtedness under the Senior Priority Debt Documents may be Refinanced, in each case, without the consent of any Second Priority Representative or Second Priority Secured Party; provided, however, that, without the consent of the Second Lien Administrative Agent, acting with the consent of the Required Lenders (as such term is defined in the Second Lien Credit Agreement) and each other Second Priority Representative (acting with the consent of the requisite holders of each series of Additional Second Priority Debt), no such amendment, restatement, amendment and restatement, waiver, supplement or modification (including self-effecting or other modifications pursuant to Section 2.14 or Section 2.15 of the First Lien Credit Agreement) shall contravene any provision of this Agreement.

(d) The Second Priority Debt Documents may be amended, restated, waived, supplemented or otherwise modified in accordance with their terms, and the indebtedness under the Second Priority Debt Documents may be Refinanced, in each case, without the consent of any Senior Priority Representative or Senior Priority Secured Party; provided, however, that, without the consent of the First Lien Administrative Agent, acting with the consent of the Required Lenders (as such term is defined in the First Lien Credit Agreement) and each other Senior Priority Representative (acting with the consent of the requisite holders of each series of Additional Senior Priority Debt), no such amendment, restatement, supplement or modification (including self-effecting or other modifications pursuant to Section 2.14 or 2.15 of the Second Lien Credit Agreement) shall contravene any provision of this Agreement.

SECTION 5.04. *Rights As Unsecured Creditors.* Notwithstanding anything to the contrary in this Agreement, the Second Priority Representatives and the Second Priority Secured Parties may exercise rights and remedies as unsecured creditors against Holdings, the Borrower and any other Grantor in accordance with the terms of the Second Priority Debt Documents and Applicable Law so long as such rights and remedies do not violate any express provision of this Agreement. Nothing in this Agreement shall prohibit the receipt by any Second Priority Representative or any Second Priority Secured Party of the required payments of principal, premium, interest, fees and other amounts due under the Second Priority Debt Documents so long as such receipt is not the direct or indirect result of the exercise by a Second Priority Representative or any Second Priority Secured Party of rights or remedies as a secured creditor in respect of Shared Collateral. In the event any Second Priority Representative or any Second Priority Secured Party becomes a judgment Lien creditor in respect of Shared Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Second Priority Debt Obligations, such judgment Lien shall be subordinated to the Liens securing Senior Priority Obligations on the same basis as the other Liens securing the Second Priority Debt Obligations are so subordinated to such Liens securing Senior Priority Obligations under this Agreement. Nothing in this Agreement shall impair or otherwise adversely affect any rights or remedies the Senior Priority Representatives or the Senior Priority Secured Parties may have with respect to the Senior Priority Collateral.

SECTION 5.05. *Gratuitous Bailee For Perfection.*

(a) Each Senior Priority Representative acknowledges and agrees that if it shall at any time hold a Lien securing any Senior Priority Obligations on any Shared Collateral that can be perfected by the possession or control of such Shared Collateral or of any account in which such Shared Collateral is held, and if such Shared Collateral or any such account is in fact in the possession or under the control of such Senior Priority Representative, or of agents or bailees of such Person (such Shared Collateral being referred to herein as the "Pledged or Controlled Collateral"), or if it shall any time obtain any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, the applicable Senior Priority Representative shall also hold such Pledged or Controlled Collateral, or take such actions with respect to such landlord waiver, bailee's letter or similar agreement or arrangement, as sub-agent or gratuitous bailee for the relevant Second Priority Representatives, in each case solely for the purpose of perfecting the Liens granted under the relevant Second Priority Collateral Documents and subject to the terms and conditions of this Section 5.05.

(b) In the event that any Senior Priority Representative (or its agents or bailees) has Lien filings against Intellectual Property that are part of the Shared Collateral that are necessary for the perfection of Liens in such Shared Collateral, such Senior Priority Representative agrees to hold such Liens as sub-agent and gratuitous bailee for the relevant Second Priority Representatives and any assignee thereof, solely for the purpose of perfecting the security interest granted in such Liens pursuant to the relevant Second Priority Collateral Documents, subject to the terms and conditions of this Section 5.05.

(c) Except as otherwise specifically provided herein, until the Discharge of Senior Priority Obligations has occurred, the Senior Priority Representatives and the Senior Priority Secured Parties shall be entitled to deal with the Pledged or Controlled Collateral in accordance with the terms of the Senior Priority Debt Documents as if the Liens under the Second Priority Collateral Documents did not exist. The rights of the Second Priority Representatives and the Second Priority Secured Parties with respect to the Pledged or Controlled Collateral shall at all times be subject to the terms of this Agreement.

(d) The Senior Priority Representatives and the Senior Priority Secured Parties shall have no obligation whatsoever to the Second Priority Representatives or any Second Priority Secured Party to assure that any of the Pledged or Controlled Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Shared Collateral, except as expressly set forth in this Section 5.05. The duties or responsibilities of the Senior Priority Representatives under this Section 5.05 shall be limited solely to holding or controlling the Shared Collateral and the related Liens referred to in paragraphs (a) and (b) of this Section 5.05 as sub-agent and gratuitous bailee for the relevant Second Priority Representative for purposes of perfecting the Lien held by such Second Priority Representative.

(e) The Senior Priority Representatives shall not have by reason of the Second Priority Collateral Documents or this Agreement, or any other document, a fiduciary relationship in respect of any Second Priority Representative or any Second Priority Secured Party, and each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, hereby waives and releases the Senior Priority Representatives from all claims and liabilities arising pursuant to the Senior Priority Representatives' roles under this Section 5.05 as sub-agents and gratuitous bailees with respect to the Shared Collateral.

(f) Upon the Discharge of the Senior Priority Obligations, each applicable Senior Priority Representative shall, at the Grantors' sole cost and expense, (i) (A) deliver to the Designated Second Priority Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Senior Priority Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, or (B) direct and deliver such Shared Collateral as a court of competent jurisdiction may otherwise direct, (ii) notify any applicable insurance carrier that it is no longer entitled to be an additional loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (iii) notify any Governmental Authority involved in any condemnation or similar proceeding involving any Grantor that the Designated Second Priority Representative is entitled to approve any awards granted in such proceeding. Holdings, the Borrower and the other Grantors shall take such further action as is required to effectuate the transfer contemplated hereby. The Senior Priority Representatives have no obligations to follow instructions from any Second Priority Representative or any other Second Priority Secured Party in contravention of this Agreement.

(g) None of the Senior Priority Representatives nor any of the other Senior Priority Secured Parties shall be required to marshal any present or future collateral security for any obligations of Holdings, the Borrower or any Subsidiary to any Senior Priority Representative or any Senior Priority Secured Party under the Senior Priority Debt Documents or any assurance of payment in respect thereof, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

SECTION 5.06. *When Discharge Of Senior Priority Obligations Deemed To Not Have Occurred.* If, at any time substantially concurrently with or after the Discharge of Senior Priority Obligations has occurred, Holdings, the Borrower or any Subsidiary Incurs any Senior Priority Obligations (other than in respect of the payment of indemnities surviving the Discharge of Senior Priority Obligations), then such Discharge of Senior Priority Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Priority Obligations) and the applicable agreement governing such Senior Priority Obligations shall automatically be treated as a Senior Priority Debt Document for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the agent, representative or trustee for the holders of such Senior Priority Obligations shall be the Senior Priority Representative for all purposes of this Agreement. Upon receipt of notice of such incurrence (including the identity of the new Senior Priority Representative), each Second Priority Representative (including the Designated Second Priority Representative) shall promptly (a) enter into such documents and agreements (at the expense of the Borrower), including amendments, supplements or modifications to this Agreement, as the Borrower or such new Senior Priority Representative shall reasonably request in writing in order to provide the new Senior Priority Representative the rights of a Senior Priority Representative contemplated hereby, (b) deliver to such Senior Priority Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Second Priority Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, (c) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (d) notify any Governmental Authority involved in any condemnation or similar proceeding involving a Grantor that the new Senior Priority Representative is entitled to approve any awards granted in such proceeding.

ARTICLE 6
INSOLVENCY OR LIQUIDATION PROCEEDINGS

SECTION 6.01. *Financing Issues.* Until the Discharge of Senior Priority Obligations has occurred, if Holdings, the Borrower or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding, then each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, agrees that (A) if any Senior Priority Representative or any Senior Priority Secured Party shall desire to consent (or not object) to the sale, use or lease of cash or other collateral or to consent (or not object) to Holdings', the Borrower's or any other Grantor's obtaining financing under Section 363 or Section 364 of Title 11 of the United States Code (the "Bankruptcy Code") or any similar provision of any other Bankruptcy Law ("DIP Financing"), it will raise no

objection to and will not otherwise contest such sale, use or lease of such cash or other collateral or such DIP Financing and, except to the extent permitted by the proviso in clause (ii) of Section 3.01(a) and Section 6.03, will not request adequate protection or any other relief in connection therewith and, to the extent the Liens securing any Senior Priority Obligations are subordinated to or have the same priority as the Liens securing such DIP Financing, will subordinate (and will be deemed hereunder to have subordinated) its Liens in the Shared Collateral to (x) such DIP Financing (and all obligations relating thereto) on the same basis as the Liens securing the Second Priority Debt Obligations are so subordinated to Liens securing Senior Priority Obligations under this Agreement, (y) any adequate protection Liens provided to the Senior Priority Secured Parties and (z) "carve-out" for professional and United States Trustee fees agreed to by the Senior Priority Representatives, (B) it will raise no objection to (and will not otherwise contest) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of Senior Priority Obligations made by any Senior Priority Representative or any other Senior Priority Secured Party, (C) it will raise no objection to (and will not otherwise contest) any lawful exercise by any Senior Priority Secured Party of the right to credit bid Senior Priority Obligations at any sale in foreclosure of Senior Priority Collateral (including pursuant to Section 363(k) of the Bankruptcy Code or any similar provision under any other applicable Bankruptcy Law) or to exercise any rights under Section 1111(b) of the Bankruptcy Code with respect to the Senior Priority Collateral, (D) it will raise no objection to (and will not otherwise contest) any other request for judicial relief made in any court by any Senior Priority Secured Party relating to the lawful enforcement of any Lien on Senior Priority Collateral and (E) it will raise no objection to (and will not otherwise contest or oppose) any Disposition (including pursuant to Section 363 of the Bankruptcy Code) of assets of any Grantor for which any Senior Priority Representative has consented that provides, to the extent such Disposition is to be free and clear of Liens, that the Liens securing the Senior Priority Obligations and the Second Priority Debt Obligations will attach to the Proceeds of the sale on the same basis of priority as the Liens on the Shared Collateral securing the Senior Priority Obligations rank to the Liens on the Shared Collateral securing the Second Priority Debt Obligations pursuant to this Agreement. Each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, agrees that notice received three Business Days prior to the entry of an order approving such usage of cash or other collateral or approving such financing shall be adequate notice.

SECTION 6.02. *Relief From The Automatic Stay.* Until the Discharge of Senior Priority Obligations has occurred, each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding or take any action in derogation thereof, in each case in respect of any Shared Collateral, without the prior written consent of the Designated Senior Priority Representative.

SECTION 6.03. *Adequate Protection.* Each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, agrees that none of them shall object, contest or support any other Person objecting to or contesting (a) any request by any Senior Priority Representative or any Senior Priority Secured Parties for adequate protection, (b) any objection by any Senior Priority Representative or any Senior Priority Secured Parties to any motion, relief, action or proceeding based on any Senior Priority Representative's or Senior Priority Secured Party's claiming a lack of adequate protection or (c) the payment of interest, fees, expenses or other amounts of any Senior Priority Representative or any other Senior Priority Secured Party under Section 506(b) or 506(c) of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law. Notwithstanding anything contained in this Section 6.03 or in Section 6.01, in any Insolvency or Liquidation Proceeding, (i) if the Senior Priority Secured Parties (or any subset thereof) are granted adequate protection in the form of a Lien on additional collateral or superpriority claims in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law, then each Second Priority Representative, for itself and

on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, may seek or request adequate protection in the form of a replacement Lien or superpriority claim on such additional collateral, which Lien or superpriority claim is subordinated to the Liens securing or providing adequate protection for all Senior Priority Obligations and such DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing the Second Priority Debt Obligations are so subordinated to the Liens securing Senior Priority Obligations under this Agreement and (ii) in the event any Second Priority Representatives, for themselves and on behalf of the Second Priority Secured Parties under their Second Priority Debt Facilities, seek or request adequate protection and such adequate protection is granted in the form of a Lien on additional collateral, then such Second Priority Representatives, for themselves and on behalf of each Second Priority Secured Party under their Second Priority Debt Facilities, agree that each Senior Priority Representative shall also be granted a senior Lien on such additional collateral as security or adequate protection for the Senior Priority Obligations and any such DIP Financing and that any Lien on such additional collateral securing the Second Priority Debt Obligations shall be subordinated to the Liens on such collateral securing or providing adequate protection for the Senior Priority Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens granted to the Senior Priority Secured Parties as adequate protection on the same basis as the other Liens securing the Second Priority Debt Obligations are so subordinated to such Liens securing Senior Priority Obligations under this Agreement.

SECTION 6.04. *Preference Issues.* If any Senior Priority Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay any amount to the estate of Holdings, the Borrower or any other Grantor (or any trustee, receiver or similar Person therefor), because the payment of such amount was declared to be or avoided as fraudulent or preferential in any respect or for any other reason (any such amount, a "Recovery"), whether received as Proceeds of security, enforcement of any right of setoff or otherwise, then the Senior Priority Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Senior Priority Secured Parties shall be entitled to the benefits of this Agreement until a Discharge of Senior Priority Obligations with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement. Without limiting the generality of the foregoing, to the extent that Senior Priority Secured Parties are granted adequate protection in the form of payments in the amount of current post-petition fees and expenses, and/or other cash payments, then the Second Priority Representatives, for themselves and on behalf of the Second Priority Secured Parties under the Second Priority Debt Facilities, shall not be prohibited from seeking adequate protection in the form of payments in the amount of current post-petition incurred fees and expenses, and/or other cash payments (as applicable), subject to the right of the Senior Priority Secured Parties to object to the reasonableness of the amounts of fees and expenses or other cash payments so sought by the Second Priority Secured Parties.

SECTION 6.05. *Separate Grants Of Security And Separate Classifications.* Each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, acknowledges and agrees that (a) the grants of Liens pursuant to the Senior Priority Collateral Documents and the Second Priority Collateral Documents constitute separate and distinct grants of Liens and (b) because of, among other things, their differing rights in the Shared Collateral, the Second Priority Debt Obligations are fundamentally different from the Senior Priority Obligations and

must be separately classified in any plan of reorganization or similar dispositive restructuring plan proposed, confirmed or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that any claims of the Senior Priority Secured Parties and the Second Priority Secured Parties in respect of the Shared Collateral constitute a single class of claims (rather than separate classes of senior and junior secured claims), then each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, hereby acknowledges and agrees that all distributions shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the Second Priority Secured Parties), the Senior Priority Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees and expenses (whether or not allowed or allowable) before any distribution is made in respect of the Second Priority Debt Obligations, with each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, hereby acknowledging and agreeing to turn over to the Designated Senior Priority Representative amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Priority Secured Parties.

SECTION 6.06. *No Waivers Of Rights Of Senior Priority Secured Parties.* Nothing contained herein shall, except as expressly provided herein, prohibit or in any way limit any Senior Priority Representative or any other Senior Priority Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Second Priority Secured Party, including the seeking by any Second Priority Secured Party of adequate protection or the asserting by any Second Priority Secured Party of any of its rights and remedies under the Second Priority Debt Documents or otherwise.

SECTION 6.07. *Application.* This Agreement, which the parties hereto expressly acknowledge is a "subordination agreement" under Section 510(a) of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. The relative rights as to the Shared Collateral and proceeds thereof shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor, subject to any court order approving the financing of, or use of cash collateral by, any Grantor. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

SECTION 6.08. *Other Matters.* To the extent that any Second Priority Representative or any Second Priority Secured Party has or acquires rights under Section 363 or Section 364 of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law with respect to any of the Shared Collateral, such Second Priority Representative, on behalf of itself and each Second Priority Secured Party under its Second Priority Debt Facility, agrees not to assert any such rights without the prior written consent of each Senior Priority Representative; provided that if requested by any Senior Priority Representative, such Second Priority Representative shall timely exercise such rights in the manner requested by the Senior Priority Representatives (acting unanimously), including any rights to payments in respect of such rights.

SECTION 6.09. *506(c) Claims.* Until the Discharge of Senior Priority Obligations has occurred, each Second Priority Representative, on behalf of itself and each Second Priority Secured Party under its Second Priority Debt Facility, agrees that it will not assert or enforce any claim under Section 506(c) of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens securing the Senior Priority Obligations for costs or expenses of preserving or disposing of any Shared Collateral.

SECTION 6.10. *Reorganization Securities.* If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a plan of reorganization or similar dispositive restructuring plan, on account of both the Senior Priority Obligations and the Second Priority Debt Obligations, then, to the extent the debt obligations distributed on account of the Senior Priority Obligations and on account of the Second Priority Debt Obligations are secured by Liens upon the same assets or property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

SECTION 6.11. *Post-Petition Interest*.

(a) None of the Second Priority Representatives or any other Second Priority Secured Party shall oppose or seek to challenge any claim by any Senior Priority Representative or any Senior Priority Secured Party for allowance in any Insolvency or Liquidation Proceedings of Senior Priority Obligations consisting of claims for post-petition interest, fees, costs, expenses, and/or other charges, under Section 506(b) of the Bankruptcy Code or otherwise (for this purpose ignoring all claims and Liens held by the Second Priority Secured Parties on the Shared Collateral).

(b) None of the Senior Priority Representatives or any Senior Priority Secured Party shall oppose or seek to challenge any claim by any Second Priority Representative or any other Second Priority Secured Party for allowance in any Insolvency or Liquidation Proceedings of Second Priority Debt Obligations consisting of claims for post-petition interest, fees, costs, expenses, and/or other charges, under Section 506(b) of the Bankruptcy Code or otherwise, to the extent of the value of the Lien of the Second Priority Representatives on behalf of the Second Priority Secured Parties on the Shared Collateral (after taking into account the Senior Priority Obligations and the Senior Priority Liens).

ARTICLE 7
RELIANCE; ETC

SECTION 7.01. *Reliance.* The consent by the Senior Priority Secured Parties to the execution and delivery of the Second Priority Debt Documents to which the Senior Priority Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after the date hereof by the Senior Priority Secured Parties to Holdings, the Borrower or any Subsidiary shall be deemed to have been given and made in reliance upon this Agreement. Each Second Priority Representative, on behalf of itself and each Second Priority Secured Party under its Second Priority Debt Facility, acknowledges that it and such Second Priority Secured Parties have, independently and without reliance on any Senior Priority Representative or other Senior Priority Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Second Priority Debt Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decision in taking or not taking any action under the Second Priority Debt Documents or this Agreement.

SECTION 7.02. *No Warranties Or Liability.* Each Second Priority Representative, on behalf of itself and each Second Priority Secured Party under its Second Priority Debt Facility, acknowledges and agrees that neither any Senior Priority Representative nor any other Senior Priority Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectibility or enforceability of any of the Senior Priority Debt Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The Senior Priority Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Priority Debt Documents in accordance with Applicable Law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Priority Secured Parties may manage their loans

and extensions of credit without regard to any rights or interests that the Second Priority Representatives and the Second Priority Secured Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. Neither any Senior Priority Representative nor any other Senior Priority Secured Party shall have any duty to any Second Priority Representative or Second Priority Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreement with Holdings, the Borrower or any Subsidiary (including the Second Priority Debt Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the Senior Priority Representatives, the Senior Priority Secured Parties, the Second Priority Representatives and the Second Priority Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectibility of any of the Senior Priority Obligations, the Second Priority Debt Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor's title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.

SECTION 7.03. *Obligations Unconditional.* All rights, interests, agreements and obligations of the Senior Priority Representatives, the Senior Priority Secured Parties, the Second Priority Representatives and the Second Priority Secured Parties hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Senior Priority Debt Document or any Second Priority Debt Document;

(b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Priority Obligations or Second Priority Debt Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of the First Lien Credit Agreement or any other Senior Priority Debt Document or of the terms of any Second Priority Debt Document;

(c) any exchange of any security interest in any Shared Collateral or any other collateral or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Priority Obligations or Second Priority Debt Obligations or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of Holdings, the Borrower or any other Grantor; or

(e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, (i) Holdings, the Borrower or any other Grantor in respect of the Senior Priority Obligations or (ii) any Second Priority Representative or Second Priority Secured Party in respect of this Agreement.

ARTICLE 8
MISCELLANEOUS

SECTION 8.01. *Conflicts.* Subject to Section 8.18, in the event of any conflict between the provisions of this Agreement and the provisions of any Senior Priority Debt Document or any Second Priority Debt Document, the provisions of this Agreement shall govern. Notwithstanding the foregoing, the relative rights and obligations of the Senior Priority Representatives and the Senior Priority Secured Parties (as amongst themselves) with respect to any Senior Priority Collateral shall be governed by the terms of the First Lien Intercreditor Agreement and in the event of any conflict between the First Lien Intercreditor Agreement and this Agreement, the provisions of the First Lien Intercreditor Agreement shall control.

SECTION 8.02. *Continuing Nature Of This Agreement; Severability.* Subject to Section 6.04, this Agreement shall continue to be effective until the Discharge of Senior Priority Obligations shall have occurred. This is a continuing agreement of Lien subordination, and the Senior Priority Secured Parties may continue, at any time and without notice to the Second Priority Representatives or any Second Priority Secured Party, to extend credit and other financial accommodations and lend monies to or for the benefit of Holdings, the Borrower or any Subsidiary constituting Senior Priority Obligations in reliance hereon. The terms of this Agreement shall survive and continue in full force and effect in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8.03. *Amendments; Waivers.*

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) This Agreement may be amended in writing signed by each Representative (in each case, acting in accordance with the documents governing the applicable Debt Facility); provided that any such amendment, supplement or waiver which by the terms of this Agreement requires the Borrower's consent or which increases the obligations or reduces the rights of Holdings, the Borrower or any Grantor, shall require the consent of the Borrower. Any such amendment, supplement or waiver shall be in writing and shall be binding upon the Senior Priority Secured Parties and the Second Priority Secured Parties and their respective successors and assigns.

(c) Notwithstanding the foregoing, without the consent of any Secured Party, any Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 8.09 of this Agreement and, upon such execution and delivery, such Representative and the Secured Parties and Senior Priority Obligations or Second Priority Debt Obligations of the Debt Facility for which such Representative is acting shall be subject to the terms hereof.

SECTION 8.04. *Information Concerning Financial Condition Of Holdings, The Borrower And The Subsidiaries.* The Senior Priority Representatives, the Senior Priority Secured Parties, the Second Priority Representatives and the Second Priority Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of Holdings, the Borrower and the Subsidiaries and all endorsers or guarantors of the Senior Priority Obligations or the Second Priority Debt Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Senior Priority Obligations or the Second Priority Debt Obligations. The Senior Priority Representatives, the Senior Priority Secured

Parties, the Second Priority Representatives and the Second Priority Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that any Senior Priority Representative, any Senior Priority Secured Party, any Second Priority Representative or any Second Priority Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the Senior Priority Representatives, the Senior Priority Secured Parties, the Second Priority Representatives and the Second Priority Secured Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 8.05. *Subrogation.* Each Second Priority Representative, on behalf of itself and each Second Priority Secured Party under its Second Priority Debt Facility, hereby waives any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Senior Priority Obligations has occurred.

SECTION 8.06. *Application Of Payments.* Except as otherwise provided herein, all payments received by the Senior Priority Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Priority Obligations as the Senior Priority Secured Parties, in their sole discretion, deem appropriate, consistent with the terms of the Senior Priority Debt Documents. Except as otherwise provided herein, each Second Priority Representative, on behalf of itself and each Second Priority Secured Party under its Second Priority Debt Facility, assents to any such extension or postponement of the time of payment of the Senior Priority Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the Senior Priority Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

SECTION 8.07. *Additional Grantors.* Holdings and the Borrower agree that, if any Subsidiary shall become a Grantor after the date hereof, they will promptly cause such Subsidiary to become party hereto by executing and delivering an instrument in the form of Annex I. Upon such execution and delivery, such Subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder, and will be acknowledged by the Designated Second Priority Representative and the Designated Senior Priority Representative. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 8.08. *Dealings With Grantors.* Upon any application or demand by Holdings, the Borrower or any other Grantor to any Representative to take or permit any action under any of the provisions of this Agreement or under any Collateral Document (if such action is subject to the provisions hereof), Holdings, the Borrower or such other Grantor, as appropriate, shall furnish to such Representative a certificate of an Authorized Officer (an "Officer's Certificate") stating that all conditions precedent, if any, provided for in this Agreement or such Collateral Document, as the case may be, relating to the proposed action have been complied with, except that in the case of any such application or demand as to which the furnishing of such documents is specifically required by any provision of this Agreement or any Collateral Document relating to such particular application or demand, no additional certificate or opinion need be furnished.

SECTION 8.09. *Additional Debt Facilities.*

(a) To the extent, but only to the extent, permitted by the provisions of the Senior Priority Debt Documents and the Second Priority Debt Documents, the Borrower, Holdings or any other Grantor may Incur one or more series or classes of Additional Second Priority Debt and one or more series or classes of Additional Senior Priority Debt. Any such additional class or series of Additional Second Priority Debt (the "Second Priority Class Debt") may be secured by a junior priority, subordinated Lien on Shared Collateral, in each case under and pursuant to the relevant Second Priority Collateral Documents for such Second Priority Class Debt, if and subject to the condition that the Representative of any such Second Priority Class Debt (each, a "Second Priority Class Debt Representative"), acting on behalf of the holders of such Second Priority Class Debt (such Representative and holders in respect of any Second Priority Class Debt being referred to as the "Second Priority Class Debt Parties"), becomes a party to this Agreement by satisfying conditions (i) through (iii), as applicable, of the immediately succeeding paragraph, and Section 8.09(b). Any such additional class or series of Senior Priority Debt Facilities (the "Senior Priority Class Debt"; and the Senior Priority Class Debt and Second Priority Class Debt, collectively, the "Class Debt") may be secured by a senior priority Lien on Shared Collateral, in each case under and pursuant to the Senior Priority Collateral Documents, if and subject to the condition that the Representative of any such Senior Priority Class Debt (each, a "Senior Priority Class Debt Representative"; and the Senior Priority Class Debt Representatives and Second Priority Class Debt Representatives, collectively, the "Class Debt Representatives"), acting on behalf of the holders of such Senior Priority Class Debt (such Representative and holders in respect of any such Senior Priority Class Debt being referred to as the "Senior Priority Class Debt Parties"; and the Senior Priority Class Debt Parties and Second Priority Class Debt Parties, collectively, the "Class Debt Parties"), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (iii), as applicable, of the immediately succeeding paragraph, and Section 8.09(b). In order for a Class Debt Representative to become a party to this Agreement:

(i) such Class Debt Representative shall have executed and delivered to the Designated Senior Priority Representative and the Designated Second Priority Representative a Joinder Agreement substantially in the form of Annex II (if such Representative is a Second Priority Class Debt Representative) or Annex III (if such Representative is a Senior Priority Class Debt Representative) (with such changes as may be reasonably approved by the Designated Senior Priority Representative and such Class Debt Representative) pursuant to which it becomes a Representative hereunder, and the Class Debt in respect of which such Class Debt Representative is the Representative and the related Class Debt Parties become subject hereto and bound hereby;

(ii) the Borrower shall have delivered to the Designated Senior Priority Representative an Officer's Certificate stating that the conditions set forth in this Section 8.09 are satisfied with respect to such Class Debt and, if requested, true and complete copies of each of the Second Priority Debt Documents or Senior Priority Debt Documents, as applicable, relating to such Class Debt, certified as being true and correct by an Authorized Officer of the Borrower; and

(iii) the Second Priority Debt Documents or Senior Priority Debt Documents, as applicable, relating to such Class Debt shall provide, or shall be amended on terms and conditions reasonably approved by the Designated Senior Priority Representative and such Class Debt Representative, that each Class Debt Party with respect to such Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Class Debt.

(b) With respect to any Class Debt that is Incurred after the Closing Date, the Borrower and each of the other Grantors agrees to take such actions (if any) as may from time to time reasonably be requested by any Senior Priority Representative, any Second Priority Representative or any Major Second Priority Representative, and enter into such technical amendments, modifications and/or supplements to

this Agreement or the then existing Guarantees and Collateral Documents (or execute and deliver such additional Collateral Documents) as may from time to time be reasonably requested by such Persons, to ensure that the Class Debt is secured by, and entitled to the benefits of, the relevant Collateral Documents relating to such Class Debt, and each Secured Party (by its acceptance of the benefits hereof) hereby agrees to, and authorizes the Designated Senior Priority Representative and the Designated Second Priority Representative, as the case may be, to enter into, any such technical amendments, modifications and/or supplements (and additional Collateral Documents).

SECTION 8.10. *Consent To Jurisdiction; Waivers.* Each Representative, on behalf of itself and the Secured Parties of the Debt Facility for which it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the Collateral Documents, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York in the County of New York, the courts of the United States of America for the Southern District of New York in the County of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 8.10 any special, exemplary, punitive or consequential damages.

EXHIBIT I

FORM OF SOLVENCY CERTIFICATE

To the Administrative Agents and each of the Lenders party to the Credit Agreements referred to below:

I, the undersigned, the Chief Financial Officer of **GOBP HOLDINGS, INC.**, a Delaware corporation (the "Borrower"), in that capacity only and not in my individual capacity (and without personal liability), do hereby certify as of the date hereof, and based upon facts and circumstances as they exist as of the date hereof (and disclaiming any responsibility for changes in such facts and circumstances after the date hereof), that:

1. This certificate is furnished to the Administrative Agents and the Lenders pursuant to (i) Section 6.8 of the First Lien Credit Agreement, dated as of [●], 2018 (as amended, restated, supplemented or otherwise modified from time to time, the "First Lien Credit Agreement"), among the Borrower, **GLOBE INTERMEDIATE CORP.**, a Delaware corporation ("Holdings"), the several Lenders and Letter of Credit Issuers from time to time party thereto and **MORGAN STANLEY SENIOR FUNDING, INC.** (the "First Lien Administrative Agent"), as the Administrative Agent, the Collateral Agent and the Swingline Lender, and (ii) Section 6.8 of the Second Lien Credit Agreement, dated as of [●], 2018 (the "Second Lien Credit Agreement" and, together with the First Lien Credit Agreement, the "Credit Agreements"), among the Borrower, Holdings, the several Lenders from time to time party thereto and **MORGAN STANLEY SENIOR FUNDING, INC.** (the "Second Lien Administrative Agent" and, together with the First Lien Administrative Agent, the "Administrative Agents"), as the Administrative Agent and the Collateral Agent. Unless otherwise defined herein, capitalized terms used in this certificate shall have the meanings set forth in the First Lien Credit Agreement or the Second Lien Credit Agreement, as applicable.

2. For purposes of this certificate, the terms below shall have the following definitions:

(a) "Fair Value"

The amount at which the assets (both tangible and intangible), in their entirety, of the Borrower and its Subsidiaries taken as a whole would change hands between a willing buyer and a willing seller, within a commercially reasonable period of time, each having reasonable knowledge of the relevant facts, with neither being under any compulsion to act.

(b) "Present Fair Salable Value"

The amount that could be obtained by an independent willing seller from an independent willing buyer if the assets (both tangible and intangible) of the Borrower and its Subsidiaries taken as a whole are sold on a going concern basis with reasonable promptness in an arm's-length transaction under present conditions for the sale of comparable business enterprises insofar as such conditions can be reasonably evaluated.

(c) "Stated Liabilities"

The recorded liabilities (including contingent liabilities that would be recorded in accordance with GAAP) of the Borrower and its Subsidiaries taken as a whole, as of the date hereof after giving effect to the consummation of the Transactions (including the execution and delivery of the First Lien Credit Agreement and the Second Lien Credit Agreement, the making of the Loans and the use of proceeds of such Loans on the date hereof), determined in accordance with GAAP consistently applied.

(d) "Identified Contingent Liabilities"

The maximum estimated amount of liabilities reasonably likely to result from pending litigation, asserted claims and assessments, guaranties, uninsured risks and other contingent liabilities of the Borrower and its Subsidiaries taken as a whole after giving effect to the Transactions (including the execution and delivery of the First Lien Credit Agreement and the Second Lien Credit Agreement, the making of the Loans and the use of proceeds of such Loans on the date hereof) (including all fees and expenses related thereto but exclusive of such contingent liabilities to the extent reflected in Stated Liabilities), as identified and explained in terms of their nature and estimated magnitude by responsible officers of the Borrower.

(e) "Can pay their Stated Liabilities and Identified Contingent Liabilities as they mature"

The Borrower and its Subsidiaries taken as a whole after giving effect to the Transactions (including the execution and delivery of the First Lien Credit Agreement and the Second Lien Credit Agreement, the making of the Loans and the use of proceeds of such Loans on the date hereof) have sufficient assets and cash flow to pay their respective Stated Liabilities and Identified Contingent Liabilities as those liabilities mature or (in the case of contingent liabilities) otherwise become payable.

(f) "Do not have Unreasonably Small Capital"

The Borrower and its Subsidiaries taken as a whole after giving effect to the Transactions (including the execution and delivery of the First Lien Credit Agreement and the execution and delivery of the Second Lien Credit Agreement, the making of the Loans under each such agreement and the use of proceeds of such Loans on the date hereof) have sufficient capital to ensure that it is a going concern.

3. For purposes of this certificate, I, or officers of the Borrower under my direction and supervision, have performed the following procedures as of and for the periods set forth below.

(a) I have reviewed the financial statements referred to in Section 6.9 of the First Lien Credit Agreement and Section 6.9 of the Second Lien Credit Agreement.

(b) I have knowledge of and have reviewed to my satisfaction the First Lien Credit Agreement and the Second Lien Credit Agreement.

(c) As chief financial officer, I am familiar with the financial condition of the Borrower and its Subsidiaries.

4. Based on and subject to the foregoing, I hereby certify on behalf of the Borrower that after giving effect to the consummation of the Transactions (including the execution and delivery of the First Lien Credit Agreement and the Second Lien Credit Agreement, the making of the Loans and the use of proceeds of such Loans on the date hereof), it is my opinion that (i) each of the Fair Value and the Present Fair Salable Value of the assets of the Borrower and its Subsidiaries taken as a whole exceed their Stated Liabilities and Identified Contingent Liabilities; (ii) the Borrower and its Subsidiaries taken as a whole do not have Unreasonably Small Capital; and (iii) the Borrower and its Subsidiaries taken as a whole can pay their Stated Liabilities and Identified Contingent Liabilities as they mature.

Anything in this Note to the contrary notwithstanding, the indebtedness evidenced by this Note owed by any Payor that is a Credit Party to any Payee shall be subordinate and junior in right of payment, to the extent and in the manner hereinafter set forth, to all Senior Priority Obligations of such

Payor until the Termination Date (as defined in the First Lien Pledge Agreement) and to all Second Priority Debt Obligations of such Payor until the Termination Date (as defined in the Second Lien Pledge Agreement) (the Senior Priority Obligations, the Second Priority Debt Obligations and other indebtedness and obligations in connection with any renewal, refunding, restructuring or refinancing thereof, including interest thereon accruing after the commencement of any proceedings referred to in clause (i) below, whether or not such interest is an allowed claim in such proceeding, being hereinafter collectively referred to as "Senior Indebtedness").

(i) In the event of any insolvency or bankruptcy proceedings, and any receivership, liquidation, reorganization or other similar proceedings in connection therewith, relative to any Payor or to its property, and in the event of any proceedings for voluntary liquidation, dissolution or other winding up of such Payor (except as expressly permitted by the Credit Agreements), whether or not involving insolvency or bankruptcy, then, if an Event of Default (under and as defined in either of the Credit Agreements) has occurred and is continuing after prior written notice from the Collateral Agents to the Borrower, (x) the holders of Senior Indebtedness shall be irrevocably paid in full in cash in respect of all amounts constituting Senior Indebtedness (other than Hedging Obligations under Secured Hedging Agreements, Cash Management Obligations under Secured Cash Management Agreements or contingent indemnification obligations) before any Payee is entitled to receive (whether directly or indirectly), or make any demands for, any payment on account of this Note and (y) until the holders of Senior Indebtedness are irrevocably paid in full in cash in respect of all amounts constituting Senior Indebtedness (other than Hedging Obligations under Secured Hedging Agreements, Cash Management Obligations under Secured Cash Management Agreements or contingent indemnification obligations), any payment or distribution to which such Payee would otherwise be entitled (other than debt securities of such Payor that are subordinated, to at least the same extent as this Note, to the payment of all Senior Indebtedness then outstanding (such securities being hereinafter referred to as "Restructured Debt Securities")) shall be made to the holders of Senior Indebtedness;

(ii) If any Event of Default (under and as defined in either of the Credit Agreements) occurs and is continuing after prior written notice from either Collateral Agent to the Borrower, then (x) no payment or distribution of any kind or character shall be made by or on behalf of the Payor or any other Person on its behalf with respect to this Note and (y) upon the request of either of the Collateral Agents, no amounts evidenced by this Note owing by any Payor to any Payee that is a Credit Party shall be forgiven or otherwise reduced in any way, other than as a result of payment in full thereof made in cash;

(iii) If any payment or distribution of any character, whether in cash, securities or other property (other than Restructured Debt Securities), in respect of this Note shall (despite these subordination provisions) be received by any Payee in violation of clause (i) or (ii) above before all Senior Indebtedness shall have been irrevocably paid in full in cash (other than Hedging Obligations under Secured Hedging Agreements, Cash Management Obligations under Secured Cash Management Agreements or contingent indemnification obligations), such payment or distribution shall be held in trust (segregated from other property of such Payee) for the benefit of the Collateral Agents, and shall be paid over or delivered in accordance with the Intercreditor Agreement; and

(iv) Each Payee agrees to file all claims against each relevant Payor in any bankruptcy or other proceeding in which the filing of claims is required by law in respect of any Senior Indebtedness, and the Collateral Agents shall be entitled to all of such Payee's rights thereunder. If for any reason a Payee fails to file such claim at least ten Business Days prior to the last date on which such claim should be filed, such Payee hereby irrevocably appoints each Collateral Agent as its true and lawful attorney-in-fact and each Collateral Agent is hereby authorized to act as attorney-in-fact in such Payee's name to file such claim or, in such Collateral Agent's discretion, to assign such claim to and cause proof of claim to be filed in the name of the relevant Collateral Agent or its nominee. In all such cases, whether in administration, bankruptcy or otherwise, the person or persons authorized to pay such claim shall pay to the Collateral Agents the full amount payable on the claim in the proceeding, and, to the full extent necessary for that purpose, each Payee hereby assigns to the Collateral Agents all of such Payee's rights to any payments or distributions to which such Payee otherwise would be entitled. If the amount so paid is greater than such Payee's liability hereunder, the Collateral Agents shall pay the excess amount to the party entitled thereto. In addition, each Payee hereby irrevocably appoints each Collateral Agent as its attorney in fact to exercise all of such Payee's voting rights in connection with any bankruptcy proceeding or any plan for the reorganization of each relevant Payor.

To the fullest extent permitted by law, no present or future holder of Senior Indebtedness shall be prejudiced in its right to enforce the subordination of this Note by any act or failure to act on the part of any Payor or by any act or failure to act on the part of such holder or any trustee or agent for such holder. Each Payee and each Payor hereby agree that the subordination of this Note is for the benefit of the Collateral Agents and the other Secured Parties. The Collateral Agents and the other Secured Parties are obligees under this Note to the same extent as if their names were written herein as such and the respective Collateral Agent may, on behalf of itself, and the Secured Parties, proceed to enforce the subordination provisions herein.

The indebtedness evidenced by this Note owed by any Payor that is not a Credit Party shall not be subordinated to, and shall rank *pari passu* in right of payment with, any other obligation of such Payor.

Nothing contained in the subordination provisions set forth above is intended to or will impair, as between each Payor and each Payee, the obligations of such Payor, which are absolute and unconditional, to pay to such Payee the principal of and interest on this Note as and when due and payable in accordance with its terms, or is intended to or will affect the relative rights of such Payee and other creditors of such Payor other than the holders of Senior Indebtedness.

Each Payor hereby waives presentment, demand, protest or notice of any kind in connection with this Note. All payments under this Note shall be made without offset, counterclaim or deduction of any kind.

From time to time after the date hereof, additional Subsidiaries of Holdings may become parties hereto (as Payor and/or Payee, as the case may be) by executing a counterpart signature page hereto, which shall automatically be incorporated into this Note (each additional Subsidiary, an "Additional Party"). Each Payor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Payor or Payee hereunder. This Note shall be fully effective as to any Payor or Payee that is or becomes a party hereto regardless of whether any other person becomes or fails to become or ceases to be a Payor or Payee hereunder.

EXHIBIT L

In the event either of the Collateral Agents enter into any Customary Intercreditor Agreement, the Collateral Agents shall be authorized (without the consent of any Lender) to enter into such amendments to this Note as may be necessary to reflect the provisions of such Customary Intercreditor Agreement.

Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Agents or other Person, as applicable, pursuant to this Note and the exercise of any right or remedy by the Collateral Agents or other Person, as applicable, hereunder are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and this Note, the terms of the Intercreditor Agreement shall govern and control.

The Security Interests created hereby are granted as security only and shall not subject the Collateral Agent or any other Second Lien Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Collateral.

For the avoidance of doubt, any reference herein to Liens permitted under each of the Second Lien Credit Agreement and any Additional Second Lien Agreements shall mean only Liens permitted to be outstanding under both the Second Lien Credit Agreement (so long as it is in effect) and any Additional Second Lien Agreement (but only to the extent such agreement exists and is in effect).

Each Grantor hereby covenants and agrees with the Collateral Agent and the other Second Lien Secured Parties that, from and after the date of this Agreement until the Termination Date:

4.1. Maintenance of Perfected Security Interest; Further Documentation.

(a) Such Grantor shall (i) maintain the Security Interests created hereby as perfected second priority security interests (subject to Section 3.3(b) and to any Lien permitted by each of the Second Lien Credit Agreement and any Additional Second Lien Agreements) unless such Security Interests cease to be perfected second priority security interests (x) as a result of a release of Collateral permitted under Section 13.17 of the Second Lien Credit Agreement or (y) as a result of the Collateral Agent's (or its agent's, designee's or bailee's) failure to (1) maintain possession of any Tangible Chattel Paper, Instruments or Certificated Securities delivered to it under the Security Documents or (2) file and maintain proper Uniform Commercial Code statements (including continuation statements) and (ii) subject to Section 3.3(b), take any such actions as may be required under Applicable Law or which the Collateral Agent or the Required Lenders may reasonably request to defend the Security Interests created hereby and the priority thereof against the claims and demands not expressly permitted by each of the Second Lien Credit Agreement and any Additional Second Lien Agreements of all Persons whomsoever.

(b) Such Grantor will furnish to the Collateral Agent from time to time statements, at such Grantor's sole cost and expense, and schedules further identifying and describing the assets and property of such Grantor and such other reports in connection therewith as the Collateral Agent may reasonably request, all in such detail as the Collateral Agent may reasonably request.

(c) Each Grantor agrees that should it, after the Closing Date, (i) obtain an ownership interest in or become a party to any U.S. Recordable Intellectual Property or (ii) obtain an ownership interest in any United States "intent-to-use" trademark application for which an "Amendment to Allege Use" or a verified "Statement of Use" has been filed and accepted by the United States Patent and Trademark Office that would, in each case, had it been owned on the Closing Date, be considered a part of the Intellectual Property Collateral (collectively, "After-Acquired Intellectual Property Collateral"), such After-Acquired Intellectual Property Collateral shall automatically become part of the Intellectual Property Collateral, subject to the terms and conditions of this Agreement with respect thereto. In addition, such Grantor shall, on the date the Borrower is required to deliver the Section 9.1 Financials for the immediately succeeding fiscal period of the Borrower occurring after the acquisition of such After-Acquired Intellectual Property Collateral, execute and deliver to the Collateral Agent agreements substantially in the form of Exhibit 2 hereto (an "Intellectual Property Security Agreement") covering such After-Acquired Intellectual Property Collateral to be recorded with the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

(d) As of the Closing Date, each Grantor hereby represents and warrants that it holds no individual Commercial Tort Claim with a value in excess of $10,000,000 other than those listed in Schedule 2. If any Grantor shall at any time hold or acquire a Commercial Tort Claim for which a claim or counterclaim has been filed and is known to an Authorized Officer of the applicable Grantor, such Grantor shall, on each date that the Borrower is required to deliver Section 9.1 Financials for the next fiscal period of the Borrower to occur after first holding or acquiring such Commercial Tort Claim, notify the Collateral Agent in writing signed by such Grantor setting forth in reasonable detail the basis for and nature of such Commercial Tort Claim and promptly thereafter grant to the Collateral Agent a Security Interest therein and in the Proceeds thereof, all upon the terms of this Agreement. The requirement in the preceding sentence shall not apply to the extent that the amount of any such individual Commercial Tort Claim does not exceed $10,000,000 or the extent that such Grantor shall have previously notified the Collateral Agent with respect to any previously held or acquired Commercial Tort Claim.

(e) Subject to Section 3.3(b), each Grantor agrees that at any time and from time to time, at the expense of such Grantor, it will execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements and other documents or authorizing the Collateral Agent or its designees or sub-agents to do so), which may be required under any Applicable Law or which the Collateral Agent or the Required Lenders (or if there are any Additional Second Lien Obligations outstanding, subject to the terms of any intercreditor agreement among the holders of Second Lien Obligations, the requisite holders or lenders of such Additional Second Lien Obligations) may reasonably request, in order (x) to grant, preserve, protect and perfect the validity and priority of the Security Interests created or intended to be created hereby or (y) to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral, including the filing of any financing or continuation statements under the Uniform Commercial Code in effect in any jurisdiction with respect to the Security Interests created hereby, all at the expense of such Grantor. Without limiting the generality of the foregoing, such Grantor shall comply with Section 9.14 of the Second Lien Credit Agreement and any equivalent provision of any Additional Second Lien Agreement.

4.2. Changes in Locations, Name, etc. Each Grantor will furnish to the Collateral Agent prompt written notice (which shall in any event be provided within 60 days of such change or such longer period as the Collateral Agent may agree) of any change (i) in its legal name, (ii) in its jurisdiction of incorporation or organization, (iii) in its identity or type of organization or corporate structure or (iv) in its Federal Taxpayer Identification Number or organizational identification number, if any, to the extent such Federal Taxpayer Identification Number or organizational identification number is required to be listed on Uniform Commercial Code financing statements for purposes of perfecting any Security Interest, in each case to the extent required in order for the Collateral Agent to continue at all times following such change to have a valid, legal and perfected Security Interest in the Collateral for the benefit of the Second Lien Secured Parties. Each Grantor agrees promptly to provide the Collateral Agent with certified Organizational Documents reflecting any of the changes described in the first sentence of this paragraph.

4.3. Notices.

(a) Each Grantor will advise the Collateral Agent in reasonable detail, of any Lien of which it has knowledge (other than the Security Interests created hereby and other Liens permitted under each of the Second Lien Credit Agreement and any Additional Second Lien Agreements) on any of the Collateral which would adversely affect, in any material respect, the ability of the Collateral Agent to exercise any of its remedies hereunder.

(b) Subject to the terms of the First Lien/Second Lien Intercreditor Agreement, upon the occurrence and during the continuation of any Event of Default, and after written notice is delivered to the applicable Grantor, (i) the Collateral Agent may adjust settlement for any insurance policy covering the Collateral in the event of any loss thereunder and/or approve any award granted in any condemnation or similar proceeding affecting the Collateral and (ii) all insurance payments or condemnation awards in respect of any Collateral shall be paid to and applied by the Collateral Agent as specified in Section 5.4.

4.4. Intellectual Property.

(a) With respect to each item of Intellectual Property Collateral owned by each Grantor, each Grantor agrees to take, at its expense, all commercially reasonable steps, including, as applicable, in the United States Patent and Trademark Office, the United States Copyright Office and any other Governmental Authority located in the United States, to (i) maintain the validity and enforceability of such Intellectual Property Collateral and maintain such Intellectual Property Collateral in full force and effect, and (ii) pursue the registration and maintenance of each Patent, Trademark, or Copyright registration or application for registration, now or hereafter included in such Intellectual Property Collateral of such Grantor, in each case except to the extent otherwise permitted by the Second Lien Credit Agreement or to the extent failure to do any of the foregoing would not reasonably be expected to result in a Material Adverse Effect.

(b) Such Grantor shall (and shall take reasonable efforts to cause all its licensees to), in such Grantor's reasonable business judgment (i) (1) continue to use each Trademark included in the Intellectual Property Collateral in order to maintain such Trademark in full force and effect with respect to each class of goods or services for which such Trademark is currently used, free from any claim of abandonment for non-use, (2) maintain at least the same standards of quality of products and services offered under such Trademark as are currently maintained, (3) use such Trademark with the appropriate notice of registration and all other notices and legends required by Applicable Law and (ii) not do any act or omit to do any act whereby (w) such Trademark (or any goodwill associated therewith) may become destroyed, invalidated, impaired or harmed in any way, (x) any Patent included in the Intellectual Property Collateral may become forfeited, misused, unenforceable, abandoned or dedicated to the public or (y) any portion of the Copyrights included in the Intellectual Property Collateral may become

invalidated, otherwise impaired or fall into the public domain, in each case except to the extent otherwise permitted by the Second Lien Credit Agreement or to the extent failure to do any of the foregoing would not reasonably be expected to result in a Material Adverse Effect.

(c) Except as permitted by the Second Lien Credit Agreement or except to the extent any of the following actions would not reasonably be expected to result in a Material Adverse Effect, no Grantor shall abandon or allow to lapse any owned Intellectual Property Collateral unless such Grantor shall have determined that the pursuit or maintenance of such Intellectual Property Collateral is no longer desirable in the conduct of such Grantor's business.

(d) In the event that any Grantor becomes aware after the Closing Date that any item of its material Intellectual Property Collateral is being infringed, diluted, violated or misappropriated by a third party in any way that would reasonably be expected to have a Material Adverse Effect, such Grantor shall promptly notify the Collateral Agent and take such actions, at its expense, as such Grantor deems to be reasonable and appropriate under the circumstances to protect or enforce such Intellectual Property Collateral, including, if such Grantor deems it necessary, suing for infringement, dilution, violation or misappropriation and for an injunction against such infringement, dilution, violation or misappropriation.

(e) With respect to its U.S. Recordable Intellectual Property owned by such Grantor in its own name or to which such Grantor is a party on the Closing Date, as and when required by Section 4.1(c), each Grantor agrees to execute and deliver an Intellectual Property Security Agreement, to the Collateral Agent covering such U.S. Recordable Intellectual Property to be recorded with, as applicable, the United States Patent and Trademark Office or the United States Copyright Office.

(f) Notwithstanding anything to the contrary, nothing in this Agreement prevents any Grantor from disposing of, discontinuing the use or maintenance of, failing to pursue, or otherwise allowing to lapse, terminate or put into the public domain any of its Intellectual Property Collateral to the extent determined in its reasonable business judgment or as permitted by the Second Lien Credit Agreement.

4.5. Investment Property. Subject to Section 3.3(b) and the Second Lien Pledge Agreement, and limited to the requirements of Section 9.11 of the Second Lien Credit Agreement, if any of the Collateral (other than any property included in the definition of "Collateral" in the Second Lien Pledge Agreement) is or shall become evidenced or represented by any Instrument, negotiable Document, Certificated Security or Tangible Chattel Paper, such Instrument (other than checks received in the ordinary course of business), negotiable Document, Certificated Security or Tangible Chattel Paper shall, in each case, be promptly delivered to the Collateral Agent (or its agent, designee or bailee) on each date that the Borrower is required to deliver Section 9.1 Financials for the next fiscal period of the Borrower to occur after such Collateral first is or becomes evidenced or represented by any Instrument, negotiable Document, Certificated Security or Tangible Chattel Paper, duly endorsed in a manner reasonably satisfactory to the Collateral Agent (or its agent, designee or bailee), to be held as Collateral pursuant to this Agreement, if the Fair Market Value of any such individual Instrument, negotiable Document or Tangible Chattel Paper exceeds $10,000,000, in each case except to the extent constituting Excluded Capital Stock, Capital Stock of an Immaterial Subsidiary or Special Purpose Subsidiary or Capital Stock of a Minority Investment.

5. Remedial Provisions.

5.1. Certain Matters Relating to Accounts.

(a) Subject to the terms of the First Lien/Second Lien Intercreditor Agreement, at any time after the occurrence and during the continuation of an Event of Default, and after prior written notice is delivered to the Grantor, the Collateral Agent shall have the right to make test verifications of the Accounts in any manner and through any medium that it reasonably considers advisable, and each Grantor shall furnish all such assistance and information as the Collateral Agent may reasonably require in connection with such test verifications. The Collateral Agent shall have the absolute right to share any information it gains from such inspection or verification with any Second Lien Secured Party; provided that the provisions of Section 13.16 of the Second Lien Credit Agreement or any equivalent provision of any Additional Second Lien Agreement shall apply to such information.

(b) The Collateral Agent hereby authorizes each Grantor to collect such Grantor's Accounts and, subject to the terms of the First Lien/Second Lien Intercreditor Agreement, the Collateral Agent may curtail or terminate said authority at any time upon three Business Days' prior written notice after the occurrence and during the continuation of an Event of Default. If required in writing by the Collateral Agent at any time after the occurrence and during the continuation of an Event of Default, any payments of Accounts, when collected by any Grantor, (i) shall be forthwith (and, in any event, within three Business Days) deposited by such Grantor in the exact form received, duly endorsed by such Grantor to the Collateral Agent if required, in a Deposit Account maintained under the sole dominion and control of and on terms and conditions reasonably satisfactory to the Collateral Agent (the "Collateral Account"), subject to withdrawal by the Collateral Agent for the account of the Second Lien Secured Parties only as provided in Sections 5.4 and 5.5, and (ii) until so turned over, shall be held by such Grantor in trust for the Collateral Agent and the other Second Lien Secured Parties, segregated from other funds of such Grantor. Each such deposit of Proceeds of Accounts shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

(c) Subject to the terms of the First Lien/Second Lien Intercreditor Agreement, at the Collateral Agent's written request at any time after the occurrence and during the continuation of an Event of Default, each Grantor shall deliver to the Collateral Agent all original and other documents evidencing, and relating to, the agreements and transactions which gave rise to the Accounts, including all original orders, invoices and shipping receipts.

(d) Upon the occurrence and during the continuation of an Event of Default, and after prior written notice thereof is delivered to the Grantor, a Grantor shall not grant any extension of the time of payment of any of the Accounts, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any person liable for the payment thereof, or allow any credit or discount whatsoever thereon if the Collateral Agent shall have instructed such Grantor in writing not to grant or make any such extension, credit, discount, compromise, or settlement under any circumstances during the continuation of such Event of Default.

(e) Except as otherwise provided in this Section 5.1, each Grantor may continue to collect, at its own expense, all amounts due or to become due to such Grantor under the Accounts. In connection with such collections, each Grantor may take such action as such Grantor may deem necessary or advisable to enforce collection of amounts due or to become due under the Accounts.

5.2. Communications with Obligors; Grantors Remain Liable.

(a) Subject to the terms of the First Lien/Second Lien Intercreditor Agreement, the Collateral Agent in its own name or in the name of others may at any time after the occurrence and during the continuation of an Event of Default, after giving reasonable prior written notice to the relevant Grantor of its intent to do so, communicate with obligors under the Accounts to verify with them to the Collateral Agent's satisfaction the existence, amount and terms of any Accounts. The Collateral Agent

shall have the absolute right to share any information it gains from such inspection or verification with any Second Lien Secured Party; provided, that the provisions of Section 13.16 of the Second Lien Credit Agreement or any equivalent provision of any Additional Second Lien Agreement shall apply to such information.

(b) Subject to the terms of the First Lien/Second Lien Intercreditor Agreement, upon the prior written request of the Collateral Agent at any time after the occurrence and during the continuation of an Event of Default (it being understood that the exercise of remedies by the Second Lien Secured Parties in connection with an Event of Default under Section 11.5 of the Second Lien Credit Agreement or any equivalent provision of any Additional Second Lien Agreement shall be deemed to constitute a request by the Collateral Agent for the purposes of this sentence and in such circumstances, no such written notice shall be required), each Grantor shall notify obligors on the Accounts that the Accounts have been assigned to the Collateral Agent, for the benefit of the Second Lien Secured Parties, and that payments in respect thereof shall be made directly to the Collateral Agent and that the Collateral Agent may enforce such Grantor's rights against such obligors.

(c) Anything herein to the contrary notwithstanding, each Grantor shall remain liable under each of the Accounts to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. Neither the Collateral Agent nor any Second Lien Secured Party shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by the Collateral Agent or any Second Lien Secured Party of any payment relating thereto, nor shall the Collateral Agent or any Second Lien Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

5.3. Proceeds to be Turned Over To Collateral Agent. Subject to the terms of the First Lien/Second Lien Intercreditor Agreement, in addition to the rights of the Collateral Agent and the other Second Lien Secured Parties specified in Section 5.1 with respect to payments of Accounts, if an Event of Default shall occur and be continuing and the Collateral Agent gives prior notice in writing to the relevant Grantor (it being understood that the exercise of remedies by the Second Lien Secured Parties in connection with an Event of Default under Section 11.5 of the Second Lien Credit Agreement or any equivalent provision of any Additional Second Lien Agreement shall be deemed to constitute a request by the Collateral Agent for the purposes of this sentence and in such circumstances, no such written notice shall be required), all Proceeds received by any Grantor consisting of cash, checks and other near-cash items shall be held by such Grantor in trust for the Collateral Agent and the other Second Lien Secured Parties, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, be turned over to the Collateral Agent in the exact form received by such Grantor (duly endorsed by such Grantor to the Collateral Agent, if required). All Proceeds received by the Collateral Agent under this Section 5.3 shall be held by the Collateral Agent in a Collateral Account maintained under its sole dominion and control and on terms and conditions reasonably satisfactory to the Collateral Agent. All Proceeds while held by the Collateral Agent in a Collateral Account (or by such Grantor in trust for the Collateral Agent and the other Second Lien Secured Parties) shall continue to be held as collateral security for all the Second Lien Obligations and shall not constitute payment thereof until applied as provided in Section 5.4.

5.4. Application of Proceeds.

(a) Except as expressly provided elsewhere in this Agreement or any other Credit Document and to the extent required pursuant to the First Lien/Second Lien Intercreditor Agreement to be applied to the Second Priority Debt Obligations (as defined in the First Lien/Second Lien Intercreditor Agreement), all proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral (including, for the avoidance of doubt, all amounts on deposit in the Collateral Account) shall be applied as follows:

(i) FIRST, to the payment of all reasonable and documented out-of-pocket costs and expenses incurred by the Collateral Agent in connection with such sale, collection or realization or otherwise in connection with this Agreement, the other Credit Documents, any Additional Second Lien Agreement or any of the Second Lien Obligations, including all court costs and the reasonable and documented fees and expenses of its agents and legal counsel, the repayment of all advances made by the Collateral Agent hereunder or under any other Credit Document on behalf of any Grantor and any other reasonable and documented out-of-pocket costs or expenses incurred in connection with the exercise of any right or remedy hereunder, under any other Credit Document or under any Additional Second Lien Agreement;

(ii) SECOND, to the Second Lien Secured Parties, an amount equal to all Second Lien Obligations owing to them on the date of any such distribution, and, if such moneys shall be insufficient to pay such amounts in full, then ratably (without priority of any one over any other) to such Second Lien Secured Parties in proportion to the unpaid amounts thereof; and

(iii) THIRD, any surplus then remaining shall be paid to the Grantors or their successors or assigns or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

Notwithstanding the foregoing, (i) no amounts received from any Grantor shall be applied to any Excluded Swap Obligation of such Grantor and (ii) after the payments pursuant to clause FIRST above, if an intercreditor agreement (including an Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) has been entered into among the holders of Second Lien Obligations which provides for the application of proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral, then such proceeds shall be applied pursuant to the terms of such intercreditor agreement (including an Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) and in making the determination and allocations required in any intercreditor agreement the Collateral Agent may conclusively rely upon information supplied by the applicable Authorized Representatives as to the amounts of unpaid principal and interest and other amounts outstanding with respect to such Second Lien Obligations and the Collateral Agent shall have no liability to any of the Second Lien Secured Parties for actions taken in reliance on such information.

(b) Subject to the terms of the First Lien/Second Lien Intercreditor Agreement, the Collateral Agent shall have absolute discretion as to the time of the application of any such proceeds in accordance with this Section 5.4. Upon any sale of the Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

5.5. Code and Other Remedies. Subject to the terms of the First Lien/Second Lien Intercreditor Agreement, if an Event of Default shall occur and be continuing, the Collateral Agent may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the NY UCC or any other Applicable Law or in equity and also may without demand of performance or other demand, presentment, protest, advertisement or notice of any kind except as specified below, withdraw all amounts held in the Collateral Account and sell the Collateral or any part thereof in one or more parcels at public or private sale, at any exchange broker's board or at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, at such price or prices and upon such other terms as are commercially reasonable irrespective of the impact of any such sales on the market price of the Collateral. The Collateral Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers of Collateral to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and, upon consummation of any such sale, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by Applicable Law) all rights of redemption, stay and/or appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent or any Second Lien Secured Party shall have the right upon any such public sale, and, to the extent permitted by Applicable Law, upon any such private sale, to purchase the whole or any part of the Collateral so sold and the Collateral Agent or such Second Lien Secured Party may, subject to (x) the satisfaction in full in cash of all payments due pursuant to Section 5.4(a)(i) hereof and (y) the satisfaction of the Second Lien Obligations in accordance with the priorities set forth in Section 5.4(a) hereof, pay the purchase price by crediting the amount thereof against the Second Lien Obligations. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the extent permitted by Applicable Law, each Grantor hereby waives any claim against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. Each Grantor further agrees, at the Collateral Agent's request, to assemble the Collateral and make it available to the Collateral Agent at places which the Collateral Agent shall reasonably select, whether at such Grantor's premises or elsewhere. The Collateral Agent shall apply the net proceeds of any action taken by it pursuant to this Section 5.5 in accordance with the provisions of Section 5.4 hereof. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 5.5 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the NY UCC or its equivalent in other jurisdictions.

5.6. Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay the Second Lien Obligations and the fees and disbursements of any attorneys employed by the Collateral Agent or any Secured Party to collect such deficiency.

5.7. Amendments, etc. with Respect to the Second Lien Obligations; Waiver of Rights. Except for the termination of a Grantor's Second Lien Obligations hereunder as provided in Section 6.5, each Grantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Grantor and without notice to or further assent by any Grantor, (a) any demand for payment of any of the Second Lien Obligations made by the Collateral Agent or any other Second Lien Secured Party may be rescinded by such party and any of the Second Lien Obligations continued, (b) the Second Lien Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or any other Second Lien Secured Party, (c) the Secured Debt Documents, any Additional Second Lien Agreement and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, in accordance with the terms of the applicable Secured Debt Document or Additional Second Lien Agreement and (d) any collateral security, guarantee or right of offset at any time held by the Collateral Agent or any other Second Lien Secured Party for the payment of the Second Lien Obligations may be sold, exchanged, waived, surrendered or released. Neither the Collateral Agent nor any other Second Lien Secured Party shall have any obligation to protect, perfect or insure any Lien at any time held by it as security for the Second Lien Obligations or for this Agreement or any property subject thereto. When making any demand hereunder against any Grantor, the Collateral Agent or any other Second Lien Secured Party may, but shall be under no obligation to, make a similar demand on the Borrower or any other Grantor, and any failure by the Collateral Agent or any other Second Lien Secured Party to make any such demand or to collect any payments from the Borrower or any other Grantor or any release of the Borrower or any other Grantor shall not relieve any Grantor in respect of which a demand or collection is not made or any Grantor not so released of its several obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Collateral Agent or any other Second Lien Secured Party against any Grantor. For the purpose hereof "demand" shall include the commencement and continuance of any legal proceedings.

5.8. Conflict with Second Lien Credit Agreement and Intercreditor Agreements. In the event of any conflict between the terms of this Section 5 and the Second Lien Credit Agreement, any Equal Priority Intercreditor Agreement or any Customary Intercreditor Agreement, the Second Lien Credit Agreement, such Equal Priority Intercreditor Agreement or such Customary Intercreditor Agreement, as applicable, shall prevail.

5.9. Intellectual Property. Subject to the terms of the First Lien/Second Lien Intercreditor Agreement, each Grantor hereby grants to the Collateral Agent, for use solely upon the occurrence and during the continuance of an Event of Default and after prior written notice from the Collateral Agent to the Grantors, a non-exclusive, irrevocable, fully paid-up, royalty-free, worldwide license to use, assign, or license or sublicense the rights to use, copy, display, perform, distribute and/or make derivative works of the Intellectual Property Collateral now owned or hereafter acquired by such Grantor. Such license shall include reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer programs and equipment used for the compilation or printout thereof, in each case, subject to Applicable Law and any Grantor's reasonable security policies and obligations of confidentiality; provided, however, that nothing in this Section 5.9 shall require any Grantor to grant any license, sublicense or assignment that is prohibited by any Applicable Law or is prohibited by, or constitutes a breach of default under or results in the termination of or gives rise to any right of acceleration, modification or cancellation under any contract, license, agreement, instrument or other document evidencing, giving rise to a right to use or theretofore granted with respect to such Intellectual Property Collateral, provided, further, that such licenses to be granted hereunder with respect to Trademarks shall be subject to the quality control standards applicable to each such Trademark as in effect as of the date such licenses hereunder are granted; provided, further, that any licenses granted hereunder by the Collateral Agent shall be binding upon the Grantors notwithstanding any subsequent cure of an Event of Default.

6. The Collateral Agent.

6.1. Collateral Agent's Appointment as Attorney-in-Fact, etc.

(a) Subject to the terms of the First Lien/Second Lien Intercreditor Agreement, each Grantor hereby appoints, which appointment is irrevocable and coupled with an interest, effective upon the occurrence and during the continuation of an Event of Default, the Collateral Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, for the purpose of carrying out the terms of this Agreement, the other Credit Documents and any Additional Second Lien Agreement, subject to the terms of the First Lien/Second Lien Intercreditor Agreement, to take any and all appropriate action and to execute any and all documents and instruments which the Collateral Agent may deem necessary or desirable to accomplish the purposes of this Agreement, the other Credit Documents and any Additional Second Lien Agreement and, without limiting the generality of the foregoing, each Grantor hereby gives the Collateral Agent the power and right, on behalf of such Grantor, either in the Collateral Agent's name or in the name of such Grantor or otherwise, without assent by such Grantor, to do any or all of the following at the same time or at different times, in each case after the occurrence and during the continuation of an Event of Default and after written notice by the Collateral Agent of its intent to do so:

(i) take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Account or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Collateral Agent for the purpose of collecting any and all such moneys due under any Account or with respect to any other Collateral whenever payable;

(ii) in the case of any Intellectual Property Collateral, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Collateral Agent may reasonably request to evidence the Collateral Agent's and the Second Lien Secured Parties' Security Interest in such Intellectual Property Collateral and the goodwill and general intangibles of such Grantor relating thereto or represented thereby;

(iii) pay or discharge taxes and Liens levied or placed on or threatened against any Collateral;

(iv) execute, in connection with any sale provided for in Section 5.5, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral;

(v) obtain, pay and adjust insurance required to be maintained by such Grantor or paid to the Collateral Agent pursuant to the Second Lien Credit Agreement or any Additional Second Lien Agreement;

(vi) send verifications of Accounts to any Person who is or who may become obligated to any Grantor under, with respect to or on account of an Account;

(vii) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Collateral Agent or as the Collateral Agent shall direct;

(viii) ask or demand for, collect and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral;

(ix) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral;

(x) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral;

(xi) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral (with such Grantor's consent (not to be unreasonably withheld or delayed) to the extent such action or its resolution could materially affect such Grantor or any of its Affiliates in any manner other than with respect to its continuing rights in such Collateral; provided that such consent right shall not limit any other rights or remedies available to the Collateral Agent at law);

(xii) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Collateral Agent may deem appropriate (with such Grantor's consent (not to be unreasonably withheld or delayed) to the extent such action or its resolution could materially affect such Grantor or any of its Affiliates in any manner other than with respect to its continuing rights in such Collateral; provided that such consent right shall not limit any other rights or remedies available to the Collateral Agent at law);

(xiii) assign, license, prosecute or maintain any Intellectual Property Collateral throughout the world for such term or terms, on such conditions, and in such manner, as the Collateral Agent shall in its reasonable business discretion determine; and

(xiv) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Collateral Agent were the absolute owner thereof for all purposes, and do, at the Collateral Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things that the Collateral Agent deems necessary to protect, preserve or realize upon the Collateral and the Collateral Agent's and the Second Lien Secured Parties' Security Interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 6.1(a) to the contrary notwithstanding, the Collateral Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 6.1(a) unless an Event of Default shall have occurred and be continuing.

(b) If any Grantor fails to perform or comply with any of its agreements contained herein, the Collateral Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.

(c) Each Grantor hereby ratifies all that said attorney shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the Security Interests created hereby are released.

6.2. Duty of Collateral Agent. The Collateral Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the NY UCC or otherwise, shall be to deal with it in the same manner as the Collateral Agent deals with similar property for its own account. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property. Neither the Collateral Agent, any other Second Lien Secured Party nor any of their respective officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Collateral Agent and the other Second Lien Secured Parties hereunder are solely to protect the Collateral Agent's and the other Second Lien Secured Parties' interests in the Collateral and shall not impose any duty upon the Collateral Agent or any other Second Lien Secured Party to exercise any such powers. The Collateral Agent and the other Second Lien Secured Parties shall be accountable only for the safe custody of any Collateral in its possession and for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

6.3. Authority of Collateral Agent. Each Grantor acknowledges that the rights and responsibilities of the Collateral Agent under this Agreement with respect to any action taken by the Collateral Agent or the exercise or non-exercise by the Collateral Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Collateral Agent and the other Second Lien Secured Parties, be governed by this Agreement or, if there are any Additional Second Lien Obligations, by this Agreement, an Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement with respect thereto and such other agreements with respect thereto as may exist from time to time among them, but, as between the Collateral Agent and the Grantors, the Collateral Agent shall be conclusively presumed to be acting as agent for the applicable Second Lien Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

6.4. Security Interest Absolute. All rights of the Collateral Agent hereunder, the Security Interests created hereby and all obligations of the Grantors hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Second Lien Credit Agreement, any other Credit Document, any Additional Second Lien Agreement, any agreement with respect to any of the Second Lien Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Second Lien Obligations, or any other amendment or waiver of or any consent to any departure from the Second Lien Credit Agreement, any other Credit Document, any Additional Second Lien Agreement or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Second Lien Obligations, or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Second Lien Obligations or this Agreement.

6.5. Continuing Security Interest; Assignments Under the Secured Debt Documents or any Additional Second Lien Agreement; Release.

(a) This Agreement shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon each Grantor and the successors and assigns thereof and shall inure to the benefit of the Collateral Agent and the other Second Lien Secured Parties and their respective successors, indorsees, transferees and assigns until the Termination Date.

(b) (i) A Subsidiary Grantor shall automatically be released from its obligations hereunder and the Security Interests in the Collateral of such Subsidiary Grantor created hereby shall be automatically released (x) as it relates to the Obligations, upon the consummation of any transaction permitted by the Second Lien Credit Agreement, as a result of which such Subsidiary Grantor ceases to be a Restricted Subsidiary of the Borrower or otherwise becomes an Excluded Subsidiary, (y) as it relates to any Additional Second Lien Obligations under any Additional Second Lien Agreement, upon the consummation of any transaction permitted by such Additional Second Lien Agreement, as a result of which such Subsidiary Grantor ceases to be a guarantor thereunder and (z) upon the effectiveness of any release (including any written consent to such release) of a Subsidiary Grantor in accordance with Section 13.17 of the Second Lien Credit Agreement and any applicable provision in each Additional Second Lien Agreement; and (ii) Holdings (or Previous Holdings, as the case may be) shall automatically be released from its obligations hereunder and the Security Interests in the Collateral of Holdings (or Previous Holdings, as the case may be) created hereby shall be automatically released upon a Holdings Termination Event and/or in accordance with the formation or acquisition of a New Holdings that satisfies the conditions set forth in (x) as it relates to the Obligations, the Second Lien Credit Agreement and (y) as it relates to any Additional Second Lien Obligations under any Additional Second Lien Agreement, such Additional Second Lien Agreement.

(c) The Security Interests created hereby in any Collateral shall be automatically released and such Collateral sold free and clear of the Lien and Security Interests created hereby (i) to the extent such Collateral is comprised of property leased to a Grantor by a Person that is not a Grantor, upon termination or expiration of such lease, (ii) as required by the Collateral Agent to effect any sale, transfer or other Disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to this Agreement, (iii) upon any sale, transfer or other Disposition by any Grantor of any Collateral that is permitted under the Second Lien Credit Agreement and each Additional Second Lien Agreement (other than to another Grantor), (iv) upon the effectiveness of any release (including any written consent to such release) of the Lien and Security Interests created hereby in any Collateral in accordance with Section 13.17 of the Second Lien Credit Agreement and any applicable provision in each Additional Second Lien Agreement, (v) upon such Collateral becoming Excluded Capital Stock or Excluded Property, (vi) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Second Lien Guarantee (in accordance with Section 13.17 of the Second Lien Credit Agreement and the Second Lien Guarantee) or (vii) as otherwise provided in any applicable intercreditor agreement (including any Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) among holders of Second Lien Obligations.

(d) In connection with any termination or release pursuant to paragraph (a), (b) or (c), the Collateral Agent shall execute and deliver to any Grantor or authorize the filing of, at such Grantor's expense, all documents that such Grantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 6.5 shall be without recourse to or warranty by the Collateral Agent.

6.6. Reinstatement. This Agreement shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Second Lien Obligations is

rescinded or must otherwise be restored or returned by the Collateral Agent or any other Second Lien Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any other Grantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any other Grantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

7. Miscellaneous.

7.1. Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the affected Grantors and the Collateral Agent in accordance with Section 13.1 of the Second Lien Credit Agreement; provided, however, that this Agreement may be supplemented (but no existing provisions may be modified and no Collateral may be released) through agreements substantially in the form of Exhibit 1, in each case duly executed by each Grantor directly affected thereby.

The Collateral Agent may, without the consent of any Lender, enter into any amendments to this Agreement (including modifications of the terms "Additional Second Lien Agreement" and "Additional Second Lien Obligations" and any provisions of this Agreement referencing such terms) to reflect the Incurrence of any Indebtedness secured by a Lien permitted by Section 10.2(a) of the Second Lien Credit Agreement that is not secured by Liens granted under this Agreement.

7.2. Notices. All notices, requests and demands pursuant hereto shall be made in accordance with Section 13.2 of the Second Lien Credit Agreement (whether or not then in effect). All communications and notices hereunder to any Subsidiary Grantor shall be given to it in care of the Borrower at the Borrower's address set forth in Section 13.2 of the Second Lien Credit Agreement (whether or not then in effect). All notices to any holder of Additional Second Lien Obligations shall be given to it in care of the applicable Authorized Representative at such Authorized Representative's address set forth in the applicable Additional Secured Party Consent or Additional Second Lien Agreement, as the case may be, as such address may be changed by written notice to the Collateral Agent and the Borrower.

7.3. No Waiver by Course of Conduct; Cumulative Remedies. Neither the Collateral Agent nor any other Second Lien Secured Party shall by any act (except by a written instrument pursuant to Section 7.1 hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof or of any other applicable Secured Debt Document or of any Additional Second Lien Agreement. No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent or any other Second Lien Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Collateral Agent or any other Second Lien Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Collateral Agent or such other Second Lien Secured Party would otherwise have on any other occasion. The rights, remedies, powers and privileges herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

7.4. Enforcement Expenses; Indemnification.

(a) Each Grantor agrees to pay any and all reasonable and documented expenses (including all reasonable fees, expenses, disbursements and other charges of counsel) that may be paid or incurred by the Collateral Agent in enforcing, or obtaining advice of counsel in respect of, any rights with

respect to, or collecting, any or all of the Second Lien Obligations and/or enforcing any rights with respect to, or collecting against, such Grantor under this Agreement to the extent the Borrower would be required to do so pursuant to Section 13.5 of the Second Lien Credit Agreement.

(b) Without limitation of its indemnification obligations under the other Credit Documents or any Additional Second Lien Agreements, each Grantor agrees to pay, indemnify and to hold harmless the Collateral Agent and the other Second Lien Secured Parties (each, an "Indemnified Party") from and against any and all losses, claims, damages, liabilities or penalties (collectively, "Losses") of any kind or nature whatsoever and the reasonable and documented or invoiced out of pocket expenses, joint or several, to which any such Indemnified Party may become subject, in each case to the extent any such Losses and related expenses arise out of, result from, or are in connection with any action, claim, litigation, investigation or other proceeding (including any inquiry or investigation of the foregoing) (any of the foregoing, a "Proceeding") (regardless of whether such Indemnified Party is a party thereto or whether or not such Proceeding was brought by such Grantor, its equity holders, affiliates or creditors or any other third person), and, subject to Section 13.5(e) of the Second Lien Credit Agreement, to reimburse each such Indemnified Party promptly for any reasonable and documented or invoiced out of pocket fees and expenses incurred in connection with investigating, responding to or defending any of the foregoing, in each case to the extent the Borrower would be required to do so pursuant to Section 13.5 of the Second Lien Credit Agreement (whether or not then in effect) or any comparable provision of any Additional Second Lien Agreement.

(c) Any such amounts payable as provided hereunder shall be Additional Second Lien Obligations secured hereby and by the other Security Documents and any Additional Second Lien Agreements. The agreements in this Section 7.4 shall survive termination of this Agreement, any other Credit Document or any Additional Second Lien Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Second Lien Obligations, the invalidity or unenforceability of any term or provision of this Agreement, any other Credit Document or any Additional Second Lien Agreement or any investigation made by or on behalf of the Collateral Agent or any other Second Lien Secured Party. All amounts due under this Section 7.4 shall be payable on written demand therefor.

7.5. Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective designees, sub-agents, successors and assigns permitted hereby, except that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent, except pursuant to a transaction permitted by each of the Second Lien Credit Agreement and any Additional Second Lien Agreements.

7.6. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission (i.e. a "pdf" or "tif')), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Collateral Agent and the Borrower.

7.7. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

7.8. Section Headings. The section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

7.9. Integration. This Agreement, together with the other Credit Documents and each Additional Second Lien Agreement, represents the agreement of each of the Grantors with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by the Collateral Agent or any other Second Lien Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Secured Debt Documents or any Additional Second Lien Agreement (and each other agreement or instrument executed or issued in connection therewith).

7.10. **GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.**

7.11. Submission to Jurisdiction Waivers. Each Grantor hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement, the other Credit Documents to which it is a party and any Additional Second Lien Agreement to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York located in the County of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Grantor at its address referred to in Section 7.2 or at such other address of which the Collateral Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right of the Collateral Agent or any other Second Lien Secured Party to effect service of process in any other manner permitted by law or shall limit the right of the Collateral Agent or any other Second Lien Secured Party to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 7.11 any special, exemplary, punitive or consequential damages.

7.12. Acknowledgments. Each Grantor hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Credit Documents to which it is a party;

(b) neither the Collateral Agent nor any other Second Lien Secured Party has any fiduciary relationship with or duty to any Grantor arising out of or in connection with this Agreement or any of the other Credit Documents, and the relationship between the Grantors, on the one hand, and the Collateral Agent and the other Second Lien Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor;

(c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the Second Lien Secured Parties or among the Grantors and the Second Lien Secured Parties; and

(d) upon any Event of Default, the Collateral Agent may proceed against any Grantor and any Collateral to collect and recover the full amount of any Second Lien Obligation then due, without first proceeding against any other Grantor, any other Credit Party or any other Collateral and without first joining any other Grantor or any other Credit Party in any proceeding.

7.13. Additional Grantors. Each Subsidiary of the Borrower that is required to become a party to this Agreement pursuant to Section 9.10 of the Second Lien Credit Agreement and/or the equivalent provision of any Additional Second Lien Agreement and the terms hereof shall become a Grantor, with the same force and effect as if originally named as a Grantor herein, for all purposes of this Agreement upon execution and delivery by such Subsidiary of a supplement substantially in the form of Exhibit 1 hereto. The execution and delivery of any instrument adding an additional Grantor as a party to this Agreement shall not require the consent of any other Grantor hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

7.14. **WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.**

7.15. Intercreditor Agreement. Notwithstanding any other provision contained herein, this Agreement, the liens and security interests created hereby and the exercise of any rights, remedies, duties and obligations provided for herein are subject in all respects to the provisions of the First Lien/Second Lien Intercreditor Agreement. In the event of any conflict or inconsistency between the provisions of this Agreement and the First Lien/Second Lien Intercreditor Agreement that relates solely to the rights or obligations of, or relationship between, the Senior Priority Secured Parties and the Second Priority Secured Parties (as each such term is defined in the First Lien/Second Lien Intercreditor Agreement), the provisions of the First Lien/Second Lien Intercreditor Agreement shall control. In the event of any conflict or inconsistency between the provisions of this Agreement and any intercreditor agreement (including any Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) among the holders of Second Lien Obligations that relates solely to the rights or obligations of, or relationship between, the Second Lien Secured Parties under the Second Lien Credit Agreement and the Second Lien Secured Parties under any Additional Second Lien Agreement, the provisions of such intercreditor agreement shall control.

7.16. Additional Second Lien Obligations. On or after the date hereof and so long as permitted by the Second Lien Credit Agreement and each Additional Second Lien Agreement then outstanding, the Borrower may from time to time designate Indebtedness at the time of Incurrence to be secured by Liens on the Collateral on a basis that rank equal in priority to the Liens on the Collateral securing the Obligations or any other Second Lien Obligations if then in effect, as Additional Second Lien Obligations hereunder by delivering to the Collateral Agent and if any Additional Second Lien

Agreement is then in effect, each Authorized Representative (a) a certificate signed by an Authorized Officer of the Borrower (i) identifying the obligations so designated and the initial aggregate principal amount or face amount thereof, (ii) stating that such obligations are designated as Additional Second Lien Obligations for purposes hereof, (iii) representing that such designation of such obligations as Additional Second Lien Obligations complies with the terms of the Second Lien Credit Agreement and any Additional Second Lien Agreement then outstanding and (iv) specifying the name and address of the Authorized Representative for such obligations, (b) if applicable, (i) a fully executed Additional Secured Party Consent (in the form attached as Exhibit 3) or (ii) any other instruments reasonably satisfactory to the Collateral Agent setting forth such Authorized Representative's agreement, on behalf of the Second Lien Secured Parties under the Additional Second Lien Agreement, to be bound by the terms of this Agreement, the Second Lien Guarantee and the Second Lien Pledge Agreement and (c)(i) a fully executed Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement or (ii) a fully executed joinder agreement to an Equal Priority Intercreditor Agreement if such agreement is then in effect; provided, however, that notwithstanding the foregoing, if the Collateral Agent, the Borrower, and/or any Authorized Representative decide not to execute an Additional Secured Party Consent or any other instrument setting forth such Authorized Representative's agreement, on behalf of the Second Lien Secured Parties under the applicable Additional Second Lien Agreement, to be bound by the terms of this Agreement, the Second Lien Guarantee and the Second Lien Pledge Agreement, the Borrower and such Authorized Representative may execute separate security agreements, pledge agreements and/or guarantees, subject to compliance with the provisions of the Second Lien Credit Agreement. Notwithstanding any provision to the contrary in this Agreement, the Collateral Agent shall be under no obligation to serve as agent on behalf of the holders of any Additional Second Lien Obligations (or their representatives) or under any Additional Second Lien Agreement and may decide, in its sole discretion, not to serve in such role, it being understood that, in such circumstance, no provisions of this Agreement will benefit or apply to the holders of Additional Second Lien Obligations (or their representatives). It being further understood that the Collateral Agent shall serve in such role only if it has countersigned an Additional Secured Party Consent and in such case solely with respect to the New Secured Obligation under and as defined in such Additional Secured Party Consent. For the avoidance of doubt, any refusal by the Collateral Agent to serve as collateral agent on behalf of the holders of any Additional Second Lien Obligations (or their representatives) and the decision of the Collateral Agent, the Borrower and/or any Authorized Representative not to execute an Additional Secured Party Consent shall not limit the Borrower's ability to incur such obligations and secure them by Liens on the Collateral that rank equal in priority to the Liens on the Collateral securing the Obligations and any other Second Lien Obligations if then in effect to the extent permitted to do so under each of the Second Lien Credit Agreement and any Additional Second Lien Agreement, and in such case the Collateral Agent is authorized to execute an Equal Priority Intercreditor Agreement or any other Customary Intercreditor Agreement (or any joinders thereto) and any related documentation to evidence and/or acknowledge the Liens securing any such Additional Second Lien Obligations and the relationship between the Collateral Agent and the collateral agent appointed in respect of such Additional Second Lien Obligations.

(a) the Pledged Shares held by such Pledgor and the certificates, if any, representing such Pledged Shares and any interest of such Pledgor, including all interests documented in the entries on the books of the issuer of the Pledged Shares or any financial intermediary pertaining to the Pledged Shares and all dividends, cash, warrants, rights, instruments and other property or Proceeds from time to time received, receivable or otherwise distributed in respect of, or in exchange for, any or all of the Pledged Shares;

(b) the Pledged Debt and the Chattel Paper or Instruments evidencing the Pledged Debt owed to such Pledgor and all payments of principal or interest, cash, instruments and other property or proceeds from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of such Pledged Debt;

(d) subject to Section 8, all rights and privileges of such Pledgor with respect to the securities and other property referred to in clauses (a), (b) and (c) above;

(e) the Intercompany Note; and

(f) to the extent not covered by clauses (a), (b), (c), (d) and (e) above, respectively, all Proceeds of any or all of the foregoing Collateral.

Notwithstanding the foregoing or anything to the contrary contained herein:

(1) the Collateral for the Second Lien Obligations shall not include any Excluded Capital Stock or any other Excluded Property, and no Pledgor shall be deemed to have granted a Security Interest in any of such Pledgor's rights or interests in any Excluded Capital Stock or any other Excluded Property;

(2) at the Borrower's option and if so specified by the Borrower in a writing delivered to the Collateral Agent at the time the applicable Additional Second Lien Secured Party Consent is delivered, any Collateral securing any Additional Second Lien Obligations (but not any other Obligations) shall not include, solely with respect to such Additional Second Lien Obligations, any Capital Stock and other securities of a Subsidiary to the extent that the pledge of such Capital Stock would result in the Borrower, Holdings (or any Parent Entity thereof) or any Subsidiary being required to file separate financial statements of such Subsidiary with the SEC, but only to the extent necessary to not be subject to such requirement and only for so long as such requirement is in existence and only with respect to the relevant Additional Second Lien Obligations affected; provided that neither Holdings, the Borrower nor any Subsidiary shall take any action in the form of a reorganization, merger or other restructuring a principal purpose of which is to provide for the release of the Lien on any Capital Stock pursuant to this clause (2). In addition, in any case described in clause (2) of the preceding sentence, in the event that Rule 3-16 of Regulation S-X under the Securities Act ("Rule 3-16") is amended, modified or interpreted by the SEC to require (or is replaced with another Applicable Law, or any other Applicable Law is adopted, that would require) the filing with the SEC (or any other Governmental Authority) of separate financial statements of any Subsidiary of Holdings due to the fact that such Subsidiary's Capital Stock secures the Additional Second Lien Obligations affected thereby, then the Capital Stock of such Subsidiary will automatically be deemed not to be part of the Collateral securing the relevant Additional Second Lien Obligations affected thereby but only to the extent necessary to not be subject to such requirement and only for so long as required to not be subject to such requirement. In such event, this Agreement may be amended or modified, without the consent of any Second Lien Secured Party, to the extent necessary to release

the Lien in favor of the Collateral Agent for the benefit of the holders of any such Additional Second Lien Obligations on the Capital Stock shares that are so deemed to no longer constitute part of the Collateral for the relevant Additional Second Lien Obligations only. In the event that Rule 3-16 is amended, modified or interpreted by the SEC to permit (or is replaced with another Applicable Law, or any other Applicable Law is adopted, that would permit) such Subsidiary's Capital Stock to secure the Additional Second Lien Obligations in excess of the amount then pledged without the filing with the SEC (or any other Governmental Authority) of separate financial statements of such Subsidiary, then the Capital Stock of such Subsidiary will automatically be deemed to be a part of the Collateral for the relevant Additional Second Lien Obligations. For the avoidance of doubt and notwithstanding anything to the contrary in this Agreement, nothing in this paragraph shall limit the pledge of such Capital Stock and other securities from securing the Obligations at all times or from securing any Additional Second Lien Obligations that are not in respect of securities subject to regulation by the SEC (or other Governmental Authority);

(3) Notwithstanding anything herein to the contrary, the Pledgors shall not be required to take any action intended to cause "Excluded Capital Stock" or any other "Excluded Property" to constitute Collateral (but without limitation of any requirements set forth in clause (i) of the definition of "Excluded Subsidiary").

TO HAVE AND TO HOLD the Collateral, together with all right, title, interest, powers, privileges and preferences pertaining or incidental thereto, unto the Collateral Agent, for the benefit of the Second Lien Secured Parties, forever; subject, however, to the terms, covenants and conditions hereinafter set forth.

Each Pledgor hereby irrevocably authorizes the Collateral Agent at any time and from time to time to file in any relevant jurisdiction any initial financing statements with respect to the Collateral or any part thereof and amendments thereto and continuations thereof that contain the information required by Article 9 of the Uniform Commercial Code of each applicable jurisdiction for the filing of any financing statement or amendment or continuation, including whether such Pledgor is an organization, the type of organization and any organizational identification number issued to such Pledgor. Such financing statements may describe the Collateral in the same manner as described herein or may contain an indication or description of collateral that describes such property in any other manner such as "all assets" or "all personal property, whether now owned or hereafter acquired" of such Pledgor or words of similar effect as being of an equal or lesser scope or with greater detail. Each Pledgor agrees to provide such information to the Collateral Agent promptly upon request. Each Pledgor also ratifies any authorization previously given in writing to the Collateral Agent to file in any relevant jurisdiction any initial financing statements or amendments thereto or continuations thereof if filed prior to the Closing Date.

3. Security for the Second Lien Obligations. This Agreement secures the payment of all the Second Lien Obligations. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts that constitute part of the Second Lien Obligations and would be owed to the Collateral Agent or the Second Lien Secured Parties under the Secured Debt Documents or any Additional Second Lien Agreement but for the fact that they are unenforceable or not allowable due to the existence of a proceeding under any Debtor Relief Law involving any Pledgor.

4. Delivery of the Collateral. All Certificated Securities, Tangible Chattel Paper or Instruments, if any, representing or evidencing the Collateral shall be promptly delivered to and held by or on behalf of the Collateral Agent (or its agent, designee or bailee) pursuant hereto to the extent

required by the Second Lien Credit Agreement or any Additional Second Lien Agreement then in effect and shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance reasonably satisfactory to the Collateral Agent; provided that the foregoing shall only apply to Tangible Chattel Paper or an Instrument if the Fair Market Value of such Tangible Chattel Paper or Instrument as of the date acquired or created exceeds $10,000,000 (individually); provided, further, that the foregoing shall not apply to any Excluded Capital Stock, Capital Stock of an Immaterial Subsidiary or Special Purpose Subsidiary or Capital Stock of a Minority Investment. The Collateral Agent shall have the right, at any time after the occurrence and during the continuation of an Event of Default and upon three Business Days' prior written notice to any Pledgor (except as otherwise expressly provided herein), subject to the terms of the First Lien/Second Lien Intercreditor Agreement to transfer to or to register in the name of the Collateral Agent or any of its nominees any or all of the Pledged Shares. After the occurrence and during the continuance of an Event of Default, subject to the terms of the First Lien/Second Lien Intercreditor Agreement, each Pledgor will promptly give to the Collateral Agent (or its agent, designee or bailee) copies of any notices or other communications received by it with respect to Pledged Shares registered in the name of such Pledgor. After the occurrence and during the continuance of an Event of Default, subject to the terms of the First Lien/Second Lien Intercreditor Agreement, the Collateral Agent (or its agent, designee or bailee) shall have the right to exchange the certificates representing Pledged Shares for certificates of smaller or larger denominations for any purpose consistent with this Agreement. Each delivery of Collateral (including any After-acquired Shares and After-acquired Debt) shall be accompanied by a schedule describing the securities and Indebtedness then being pledged hereunder, which shall be attached hereto as part of Schedule 2 and made a part hereof; provided that the failure to attach any such schedule hereto shall not affect the validity of such pledge of such securities and Indebtedness. Each schedule so delivered shall supplement any prior schedules so delivered.

5. Representations and Warranties. Each Pledgor represents and warrants to the Collateral Agent and each other Second Lien Secured Party that:

(a) Schedule 2 hereto (i) correctly represents as of the Closing Date (A) the issuer, the issuer's jurisdiction of formation, the certificate number, if any, the Pledgor and the record owner, the number and class and the percentage of the issued and outstanding Capital Stock of such class of all Pledged Shares and (B) the issuer, the initial principal amount, the Pledgor and holder, date of issuance and maturity date (if applicable) of all Pledged Debt and (ii) together with the comparable schedule to each supplement hereto, includes, all Capital Stock, debt securities and promissory notes held by such Pledgor on the Closing Date and required to be pledged pursuant to Section 6.2(a) and 6.2(b) of the Second Lien Credit Agreement or required to be pledged pursuant to Section 9.11(a) of the Second Lien Credit Agreement, pursuant to any equivalent provision of any Additional Second Lien Agreement and pursuant to Section 9(b) hereof, except in each case to the extent constituting (x) debt securities and promissory notes not required to be delivered hereunder pursuant to Section 4, (y) Excluded Capital Stock or (z) Excluded Property. Except as set forth on Schedule 2, the Pledged Shares represent all of the issued and outstanding Capital Stock of each class of Capital Stock (or 65% of all of the issued and outstanding voting Capital Stock and 100% of all issued and outstanding non-voting Capital Stock in the case of pledges of Capital Stock in Foreign Subsidiaries or FSHCOs) in the issuer on the Closing Date.

(b) Such Pledgor is the legal and beneficial owner of the Collateral pledged or assigned by such Pledgor hereunder free and clear of any Lien, except for (1) the Liens created by this Agreement and by any Additional Second Lien Agreement, (2) the Liens created by the First Lien Credit Documents and permitted under each of the First Lien Credit Agreement and any Additional Second Lien Agreement, (3) any Liens on the Collateral that rank senior in priority to the Liens on the Collateral described in subclause (1) and permitted by each of the Second Lien Credit Agreement and any Additional Second Lien Agreement (including, for the avoidance of doubt, the Liens created by the First

Lien Credit Documents and any Additional First Lien Agreement (as defined in the "Security Agreement" (as defined in the First Lien Credit Agreement)) and (4) any consensual Liens permitted by Section 10.2 of the Second Lien Credit Agreement to secure such Collateral (the Liens described in clauses (1), (2), (3) and (4), collectively the "Permitted Pledged Collateral Liens").

(c) As of the Closing Date, the Pledged Shares pledged by such Pledgor hereunder have been duly authorized and validly issued and, in the case of Pledged Shares issued by a corporation, are fully paid and non-assessable.

(d) Except for restrictions and limitations imposed by (x) the Permitted Pledged Collateral Liens and the underlying documents thereof or securities laws generally, (y) Applicable Law or (z) agreements relating to Dispositions of Collateral permitted by the Second Lien Credit Agreement, the Collateral is freely transferable and assignable, and none of the Collateral is subject to any option, right of first refusal, shareholders agreement, charter or bylaw provisions or contractual restriction of any nature that might prohibit, impair, delay or otherwise affect the pledge of such Collateral hereunder, the sale or Disposition thereof pursuant hereto or the exercise by the Collateral Agent of rights and remedies hereunder.

(e) No consent or approval of any Governmental Authority, any securities exchange or any other Person was or is necessary to the validity of the pledge effected hereby (other than such as have been obtained and are in full force and effect).

(f) The execution and delivery by such Pledgor of this Agreement and the pledge of the Collateral pledged by such Pledgor hereunder pursuant hereto create a legal, valid and enforceable security interest in such Collateral (in the case of the Capital Stock of Foreign Subsidiaries, to the extent the creation of such security interest in the Capital Stock of Foreign Subsidiaries is governed by the NY UCC) and (i) in the case of Certificated Securities, Tangible Chattel Paper or Instruments representing or evidencing the Collateral, upon the earlier of (x) delivery of such Collateral to the Collateral Agent (or its agent, designee or bailee) in accordance with this Agreement and (y) the filing of the applicable Uniform Commercial Code financing statements described in Section 3.3(a) of the Second Lien Security Agreement and (ii) in the case of all other Collateral in which a security interest may be perfected by filing a financing statement under the Uniform Commercial Code of any jurisdiction, upon the filing of the applicable Uniform Commercial Code financing statements described in Section 3.3(a) of the Second Lien Security Agreement, shall create a perfected security interest in such Collateral (in the case of the Capital Stock of Foreign Subsidiaries, to the extent the creation of such security interest in the Capital Stock of Foreign Subsidiaries is governed by the NY UCC), securing the payment of the Second Lien Obligations, in favor of the Collateral Agent, for the benefit of the Second Lien Secured Parties, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization and other similar laws relating to or affecting creditors' rights generally and general principles of equity (whether considered in a proceeding in equity or law).

(g) The pledge effected hereby is effective to vest in the Collateral Agent, for the benefit of the Second Lien Secured Parties, the rights of the Collateral Agent in the Collateral as set forth herein.

(h) Such Pledgor has full power, authority and legal right to pledge all the Collateral pledged by such Pledgor pursuant to this Agreement and this Agreement constitutes a legal, valid and binding obligation of such Pledgor (in the case of the Capital Stock of Foreign Subsidiaries, to the extent the creation of such security interest in the Capital Stock of Foreign Subsidiaries is governed by the NY UCC), enforceable in accordance with its terms, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization and other similar laws relating to or affecting creditors' rights generally and general principles of equity (whether considered in a proceeding in equity or law).

(i) The Pledged Debt constitutes all of the outstanding Indebtedness for borrowed money (except Indebtedness of Holdings, the Borrower and each Restricted Subsidiary that is owing to any Pledgor) which, in each case, is owed by any Person to such Pledgor and with an aggregate principal amount in excess of $10,000,000 as of the Closing Date and required to be pledged hereunder or pursuant to Section 6.2(b) or 9.11 of the Second Lien Credit Agreement or any equivalent provision of any Additional Second Lien Agreement.

6. Certification of Limited Liability Company Interests, Limited Partnership Interests, Corporate Interests and Pledged Debt.

(a) Unless otherwise consented to by the Collateral Agent, Capital Stock required to be pledged hereunder in any Domestic Subsidiary that is organized as a limited liability company or limited partnership and pledged hereunder shall either (i) be represented by a certificate, and in the Organizational Documents of such Domestic Subsidiary the applicable Pledgor shall cause the issuer of such interests to elect to treat such interests as a "security" within the meaning of Article 8 of the Uniform Commercial Code of its jurisdiction of organization or formation, as applicable, by including in its Organizational Documents language substantially similar to the following and, accordingly, such interests shall be governed by Article 8 of the Uniform Commercial Code:

> "The [partnership/limited liability company] hereby irrevocably elects that all [partnership/membership] interests in the [partnership/limited liability company] shall be securities governed by Article 8 of the Uniform Commercial Code of [jurisdiction of organization or formation, as applicable]. Each certificate evidencing [partnership/membership] interests in the [partnership/limited liability company] shall bear the following legend: "This certificate evidences an interest in [name of [partnership/limited liability company]] and shall be a security for purposes of Article 8 of the Uniform Commercial Code." No change to this provision shall be effective until all outstanding certificates have been surrendered for cancellation and any new certificates thereafter issued shall not bear the foregoing legend."

or (ii) not have elected to be treated as a "security" within the meaning of Article 8 of the Uniform Commercial Code by the issuer of such Capital Stock and shall not be represented by a certificate; provided that such Pledgor shall at no time elect to treat any such interest as a "security" within the meaning of Article 8 of the Uniform Commercial Code, nor shall such interest be represented by a certificate, unless such Pledgor provides prompt (and in any event within five (5) Business Days, subject to extension in the sole discretion of the Collateral Agent) written notification to the Collateral Agent of such election and such interest is thereafter represented by a certificate that is promptly delivered to the Collateral Agent (or its agent, designee or bailee) pursuant to the terms hereof.

(b) Subject to the limitations set forth herein, in Section 9.11(a) of the Second Lien Credit Agreement, in Section 3.3(b) of the Second Lien Security Agreement or in any equivalent provision of any Additional Second Lien Agreement, each Pledgor will cause each separate obligation of Indebtedness for borrowed money not already evidenced by an Intercompany Note, having an aggregate principal amount in excess of $10,000,000 owed to any Pledgor and required to be pledged pursuant to the Second Lien Credit Agreement or any Additional Second Lien Agreement to be evidenced by a duly executed promissory note that is pledged and delivered to the Collateral Agent (or its agent, designee or bailee) pursuant to the terms hereof.

7. Further Assurances. Subject to the limitations set forth in this Agreement, the other Security Documents (including Section 3.3(b) of the Second Lien Security Agreement) and in any Additional Second Lien Agreement, each Pledgor agrees that at any time and from time to time, at the expense of such Pledgor, it will execute or otherwise authorize the filing of any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, fixture filings, mortgages, deeds of trust and other documents), which may be required under any Applicable Law, or which the Collateral Agent or the Required Lenders (or if there are any Additional Second Lien Obligations outstanding, subject to the terms of any intercreditor agreement among the holders of Second Lien Obligations, the requisite holders or lenders of such Additional Second Lien Obligations) may reasonably request, in order (x) to perfect and protect any pledge, assignment or security interest granted or intended to be granted hereby (including the priority thereof) or (y) to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral.

8. Voting Rights; Dividends and Distributions; Etc.

(a) So long as no Event of Default shall have occurred and be continuing and three Business Days' prior written notice has not been received by the Borrower from the Collateral Agent:

(i) Each Pledgor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Collateral or any part thereof for any purpose not prohibited by the terms of this Agreement, the other Secured Debt Documents or any Additional Second Lien Agreement.

(ii) The Collateral Agent (and its agent, designee or bailee) shall execute and deliver (or cause to be executed and delivered) to each Pledgor all such proxies and other instruments as such Pledgor may reasonably request for the purpose of enabling such Pledgor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above.

(b) Subject to paragraph (c) below, each Pledgor shall be entitled to receive and retain and use, free and clear of the Lien of this Agreement, any and all dividends, distributions, redemptions, principal and interest made or paid in respect of the Collateral to the extent not prohibited by any Secured Debt Document or any Additional Second Lien Agreement; provided, however, that any and all noncash dividends, interest, principal or other distributions that would constitute Pledged Shares or Pledged Debt, whether resulting from a subdivision, combination or reclassification of the outstanding Capital Stock of the issuer of any Pledged Shares or received in exchange for Pledged Shares or Pledged Debt or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be, and shall be forthwith delivered to the Collateral Agent (or its agent, designee or bailee) to hold as, Collateral and shall, if received by such Pledgor, be received in trust for the benefit of the Collateral Agent, be segregated from the other property or funds of such Pledgor and be forthwith delivered to the Collateral Agent (or its agent, designee or bailee) as Collateral in the same form as so received (with any necessary indorsement).

(c) Subject to the terms of the First Lien/Second Lien Intercreditor Agreement, upon three Business Days' prior written notice to the Pledgors by the Collateral Agent following the occurrence and during the continuation of an Event of Default:

(i) all rights of such Pledgor to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 8(a)(i) shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other

consensual rights during the continuation of such Event of Default; provided that, unless otherwise directed by the Required Lenders (or if there are any Additional Second Lien Obligations outstanding, subject to the terms of any intercreditor agreement among the holders of Second Lien Obligations, the requisite holders or lenders of such Additional Second Lien Obligations), the Collateral Agent shall have the right from time to time following the occurrence and during the continuation of an Event of Default to permit the Pledgors to exercise such rights. After all Events of Default have been cured or waived or otherwise cease to be continuing and the Borrower has delivered to the Collateral Agent a certificate to that effect, each Pledgor will have the right to exercise the voting and consensual rights that such Pledgor would otherwise be entitled to exercise pursuant to the terms of Section 8(a)(i) (and the obligations of the Collateral Agent under Section 8(a)(ii) shall be reinstated);

(ii) all rights of such Pledgor to receive the dividends, distributions and principal and interest payments that such Pledgor would otherwise be authorized to receive and retain pursuant to Section 8(b) shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to receive and hold as Collateral such dividends, distributions and principal and interest payments during the continuation of such Event of Default. After all Events of Default have been cured or waived or otherwise cease to be continuing and the Borrower has delivered to the Collateral Agent a certificate to that effect, the Collateral Agent shall repay to each Pledgor (without interest) and each Pledgor shall be entitled to receive, retain and use all dividends, distributions and principal and interest payments that such Pledgor would otherwise be permitted to receive, retain and use pursuant to the terms of Section 8(b);

(iii) all dividends, distributions and principal and interest payments that are received by such Pledgor contrary to the provisions of Section 8(b) shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other property or funds of such Pledgor and shall forthwith be delivered to the Collateral Agent (or its agent, designee or bailee) as Collateral in the same form as so received (with any necessary indorsements); and

(iv) in order to permit the Collateral Agent to receive all dividends, distributions and principal and interest payments to which it may be entitled under Section 8(b) above, to exercise the voting and other consensual rights that it may be entitled to exercise pursuant to Section 8(c)(i), and to receive all dividends, distributions and principal and interest payments that it may be entitled to under Sections 8(c)(ii) and (c)(iii), such Pledgor shall from time to time execute and deliver to the Collateral Agent, appropriate proxies, dividend payment orders and other instruments as the Collateral Agent may reasonably request.

(d) Any notice given by the Collateral Agent to the Pledgors suspending their rights under paragraph (c) of this Section 8, (i) may be given to one or more of the Pledgors at the same or different times and (ii) may suspend the rights of the Pledgors under paragraph (a)(i) or paragraph (b) of this Section 8 in part without suspending all such rights (as specified by the Collateral Agent in its sole and absolute discretion) and without waiving or otherwise affecting the Collateral Agent's rights to give additional notices from time to time suspending other rights so long as an Event of Default has occurred and is continuing.

9. Transfers and Other Liens; Additional Collateral; Etc. Each Pledgor shall:

(a) not, except as permitted by each of the Second Lien Credit Agreement and each Additional Second Lien Agreement (including pursuant to waivers and consents thereunder), (i) sell or otherwise Dispose of, or grant any option or warrant with respect to, any of the Collateral or (ii) create or

suffer to exist any consensual Lien upon or with respect to any of the Collateral; provided that, in the event such Pledgor sells or otherwise Disposes of assets as permitted by each of the Second Lien Credit Agreement and each Additional Second Lien Agreement (including pursuant to waivers and consents thereunder) to a Person that is not a Pledgor and such assets are or include any of the Collateral, such Collateral shall automatically be released to such Pledgor free and clear of the Lien created by this Agreement concurrently with the consummation of such Disposition in accordance with Section 13.17 of the Second Lien Credit Agreement, any equivalent provision of any Additional Second Lien Agreement and with Section 14 hereof;

(b) pledge and, if applicable, cause each Subsidiary required to become a party hereto to pledge, to the Collateral Agent (or its agent or designee) for the benefit of the Second Lien Secured Parties, promptly upon acquisition thereof, all After-acquired Shares and After-acquired Debt required to be pledged pursuant to Section 9.11(a) of the Second Lien Credit Agreement and any equivalent provision of any Additional Second Lien Agreement, except in each case to the extent such After-acquired Shares and After-acquired Debt constitute Excluded Capital Stock or Excluded Property and in each case pursuant to a supplement to this Agreement substantially in the form of Annex A hereto or such other form reasonably satisfactory to the Collateral Agent (it being understood that the execution and delivery of such a supplement shall not require the consent of any Pledgor hereunder and that the rights and obligations of each Pledgor hereunder shall remain in full force and effect notwithstanding the addition of any new Subsidiary Pledgor as a party to this Agreement); and

(c) take any actions required under Applicable Law or which the Collateral Agent or Required Lenders may reasonably request to defend its and the Collateral Agent's title or interest in and to all the Collateral (and in the Proceeds thereof) against any and all Liens (other than any Permitted Pledged Collateral Liens), however arising, and any and all Persons whomsoever and, subject to Section 13.17 of the Second Lien Credit Agreement, any equivalent provision of any Additional Second Lien Agreement and Section 14 hereof, to maintain and preserve the Lien and security interest created by this Agreement until the Termination Date.

10. Collateral Agent Appointed Attorney-in-Fact. Each Pledgor hereby appoints, which appointment is irrevocable and coupled with an interest, the Collateral Agent as such Pledgor's attorney-in-fact, with full authority in the place and stead of such Pledgor and in the name of such Pledgor or otherwise, to take any action and to execute any instrument, in each case after the occurrence and during the continuation of an Event of Default, that the Collateral Agent may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, including to receive, indorse and collect all instruments made payable to such Pledgor representing any dividend, distribution or principal or interest payment in respect of the Collateral or any part thereof and to give full discharge for the same.

11. The Collateral Agent's Duties. The powers conferred on the Collateral Agent hereunder are solely to protect its interest and the interests of the Second Lien Secured Parties in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Pledged Shares, whether or not the Collateral Agent or any other Second Lien Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property.

12. Remedies. Subject to the terms of the First Lien/Second Lien Intercreditor Agreement, if any Event of Default shall have occurred and be continuing:

(a) The Collateral Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the NY UCC (whether or not the NY UCC applies to the affected Collateral) and also may without notice, except as otherwise specified in this Agreement, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any exchange broker's board or at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, at such price or prices and upon such other terms as are commercially reasonable irrespective of the impact of any such sales on the market price of the Collateral. The Collateral Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers of Collateral to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and, upon consummation of any such sale, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Pledgor, and each Pledgor hereby waives (to the extent permitted by Applicable Law) all rights of redemption, stay and/or appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent or any Second Lien Secured Party shall have the right upon any such public sale, and, to the extent permitted by Applicable Law, upon any such private sale, to purchase all or any part of the Collateral so sold and the Collateral Agent or such other Second Lien Secured Party may, subject to (x) the satisfaction in full of all payments due pursuant to Section 12(b)(i) hereof and (y) the satisfaction of the Second Lien Obligations in accordance with the priorities set forth in Section 12(b), pay the purchase price by crediting the amount thereof against the Second Lien Obligations. Each Pledgor agrees that, to the extent notice of sale shall be required by Applicable Law, at least ten days' notice to such Pledgor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the extent permitted by Applicable Law, each Pledgor hereby waives any claim against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 12 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

(b) Except as expressly provided elsewhere in this Agreement or any other Credit Document (including the First Lien/Second Lien Intercreditor Agreement), all proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral shall be applied after receipt as follows:

(i) FIRST, to the payment of all reasonable and documented out-of-pocket costs and expenses incurred by the Collateral Agent in connection with such collection or sale or otherwise in connection with this Agreement, the other Credit Documents, any Additional Second Lien Agreement or any of the Second Lien Obligations, including all court costs and the reasonable

and documented fees and out-of-pocket expenses of its agents and legal counsel, the repayment of all advances made by the Collateral Agent hereunder, under any other Credit Document or under any Additional Second Lien Agreement on behalf of any Pledgor and any other reasonable and documented out-of-pocket costs or expenses incurred in connection with the exercise of any right or remedy hereunder, under any other Credit Document or under any Additional Second Lien Agreement;

(ii) SECOND, to the Second Lien Secured Parties, an amount equal to all Second Lien Obligations owing to them on the date of any such distribution, and, if such moneys shall be insufficient to pay such amounts in full, then ratably (without priority of any one over any other) to such Second Lien Secured Parties in proportion to the unpaid amounts thereof;

(iii) THIRD, any balance of such proceeds shall be applied as set forth in Section 4.01 of the First Lien/Second Lien Intercreditor Agreement; and

(iv) FOURTH, any surplus then remaining shall be paid to the Pledgors or their successors or assigns or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

Notwithstanding the foregoing, (i) no amounts received from any Pledgor shall be applied to any Excluded Swap Obligation of such Pledgor and (ii) after the payments pursuant to clause FIRST above, if an intercreditor agreement (including an Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) has been entered into among the holders of Second Lien Obligations which provides for the application of proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral, then such proceeds shall be applied pursuant to the terms of such intercreditor agreement (including an Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) and in making the determination and allocations required in any intercreditor agreement the Collateral Agent may conclusively rely upon information supplied by the applicable Authorized Representatives as to the amounts of unpaid principal and interest and other amounts outstanding with respect to such Second Lien Obligations and the Collateral Agent shall have no liability to any of the Second Lien Secured Parties for actions taken in reliance on such information.

The Collateral Agent shall have absolute discretion as to the time of the application of any such proceeds in accordance with this Section 12. Upon any sale of the Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

(c) The Collateral Agent may exercise any and all rights and remedies of each Pledgor in respect of the Collateral.

(d) All payments received by any Pledgor after the occurrence and during the continuation of an Event of Default and after prior written notice from the Collateral Agent to the Borrower (it being understood that the exercise of remedies by the Second Lien Secured Parties in connection with an Event of Default under Section 11.5 of the Second Lien Credit Agreement or any equivalent provision of any Additional Second Lien Agreement shall be deemed to constitute a request by the Collateral Agent for the purposes of this sentence and in such circumstances, no such written notice

shall be required) in respect of the Collateral shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other property or funds of such Pledgor and shall be forthwith delivered to the Collateral Agent (or its agent, designee or bailee) as Collateral in the same form as so received (with any necessary indorsement).

(e) If the Collateral Agent shall determine to exercise its right to sell all or any of the Pledged Shares pursuant to this Section 12, each Pledgor recognizes that the Collateral Agent may be unable to effect a public sale of any or all of the Pledged Shares, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Pledgor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Collateral Agent shall be under no obligation to delay a sale of any of the Pledged Shares for the period of time necessary to permit the issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such issuer would agree to do so.

(f) If the Collateral Agent determines to exercise its right to sell any or all of the Collateral, upon written request, each Pledgor shall, from time to time, furnish to the Collateral Agent all such information as the Collateral Agent may reasonably request in order to determine the number of shares and other instruments included in the Collateral which may be sold by the Collateral Agent as exempt transactions under the Securities Act and rules of the SEC, as the same are from time to time in effect.

13. Amendments, etc. with Respect to the Second Lien Obligations; Waiver of Rights. Except for the termination of a Pledgor's Second Lien Obligations hereunder as provided in Section 14, each Pledgor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Pledgor and without notice to or further assent by any Pledgor, (a) any demand for payment of any of the Second Lien Obligations made by the Collateral Agent or any other Second Lien Secured Party may be rescinded by such party and any of the Second Lien Obligations continued, (b) the Second Lien Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or any other Second Lien Secured Party, (c) the Secured Debt Documents, any Additional Second Lien Agreement and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, in accordance with the terms of the applicable Secured Debt Document or Additional Second Lien Agreement and (d) any collateral security, guarantee or right of offset at any time held by the Collateral Agent or any other Second Lien Secured Party for the payment of the Second Lien Obligations may be sold, exchanged, waived, surrendered or released. Neither the Collateral Agent nor any other Second Lien Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Second Lien Obligations or for this Agreement or any property subject thereto. When making any demand hereunder against any Pledgor, the Collateral Agent or any other Second Lien Secured Party may, but shall be under no obligation to, make a similar demand on the Borrower (to the extent such demand is in respect of any Second Lien Obligations owing by the Borrower) or any other Pledgor or pledgor, and any failure by the Collateral Agent or any other Second Lien Secured Party to make any such demand or to collect any payments from the Borrower or any other Pledgor or pledgor or any release of the Borrower or any other Pledgor or pledgor shall not relieve any Pledgor in respect of which a demand or collection is not made or any Pledgor not so released of its several obligations or

liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Collateral Agent or any other Second Lien Secured Party against any Pledgor. For the purposes hereof "demand" shall include the commencement and continuation of any legal proceedings. In the event of any conflict between the terms of this Section 13 and the Second Lien Credit Agreement, the Second Lien Credit Agreement shall prevail.

14. Continuing Security Interest; Assignments Under the Secured Debt Documents or any Additional Second Lien Agreement; Release.

(a) This Agreement and the security interest granted hereunder shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon each Pledgor and the successors and assigns thereof and shall inure to the benefit of the Collateral Agent and the other Second Lien Secured Parties and their respective successors, indorsees, transferees and assigns until the Termination Date, notwithstanding that from time to time prior to the Termination Date, the Pledgors may be free from any Obligations.

(b) (i) A Subsidiary Pledgor shall automatically be released from its obligations hereunder and the Liens and the Security Interests in the Collateral of such Subsidiary Pledgor created hereby shall be automatically released (x) as it relates to the Obligations, upon the consummation of any transaction permitted by the Second Lien Credit Agreement, as a result of which such Subsidiary Pledgor ceases to be a Restricted Subsidiary of the Borrower or otherwise becomes an Excluded Subsidiary and (y) as it relates to any Additional Second Lien Obligations under any Additional Second Lien Agreement, upon the consummation of any transaction permitted by such Additional Second Lien Agreement, as a result of which such Subsidiary Pledgor ceases to be a guarantor thereunder; and (ii) Holdings (or the Previous Holdings, as the case may be) shall automatically be released from its obligations hereunder and the Security Interests in the Collateral of Holdings (or the Previous Holdings, as the case may be) created hereby shall be automatically released upon a Holdings Termination Event and/or in accordance with the formation or acquisition of a New Holdings, in each case, that satisfies the conditions set forth in (x) as it relates to the Obligations, the Second Lien Credit Agreement and (y) as it relates to any Additional Second Lien Obligations under any Additional Second Lien Agreement, such Additional Second Lien Agreement.

(c) The Security Interests created hereby in any Collateral shall be automatically released and such Collateral sold free and clear of the Liens and the Security Interests created hereby (i) as required by the Collateral Agent to effect any sale, transfer or other Disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to this Agreement, (ii) upon any sale, transfer or other Disposition by any Pledgor of any Collateral that is permitted under the Second Lien Credit Agreement and each Additional Second Lien Agreement (other than to another Pledgor), (iii) upon the effectiveness of any release (including any written consent to such release) of the Liens and the Security Interests created hereby in any Collateral in accordance with Section 13.17 of the Second Lien Credit Agreement and any applicable provision in each Additional Second Lien Agreement, (iv) upon such Collateral becoming Excluded Capital Stock or Excluded Property, (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Second Lien Guarantee (in accordance with Section 13.17 of the Second Lien Credit Agreement and the Second Lien Guarantee) or (vi) as otherwise provided in any applicable intercreditor agreement (including any Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) among holders of Second Lien Obligations.

(d) In connection with any termination or release pursuant to paragraph (a), (b) or (c), the Collateral Agent shall execute and deliver to any Pledgor or authorize the filing of, at such Pledgor's expense, all documents that such Pledgor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 14 shall be without recourse to or warranty by the Collateral Agent.

15. Reinstatement. This Agreement shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Second Lien Obligations is rescinded or must otherwise be restored or returned by the Collateral Agent or any other Second Lien Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Pledgor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any other Pledgor or any substantial part of its property, or otherwise, all as though such payments had not been made.

16. Notices. All notices, requests and demands pursuant hereto shall be made in accordance with Section 13.2 of the Second Lien Credit Agreement (whether or not then in effect). All communications and notices hereunder to any Subsidiary Pledgor shall be given to it in care of the Borrower at the Borrower's address set forth in Section 13.2 of the Second Lien Credit Agreement (whether or not then in effect). All notices to any holder of Additional Second Lien Obligations shall be given to it in care of the applicable Authorized Representative at such Authorized Representative's address set forth in the applicable Additional Second Lien Secured Party Consent or Additional Second Lien Agreement, as the case may be, as such address may be changed by written notice to the Collateral Agent and the Borrower.

17. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission (i.e., a "PDF" or "TIF" file)), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Collateral Agent and the Borrower.

18. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

19. Integration. This Agreement together with the other Credit Documents and each Additional Second Lien Agreement represents the agreement of each of the Pledgors with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by the Collateral Agent or any other Second Lien Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Secured Debt Documents or any Additional Second Lien Agreement (and each other agreement or instrument executed or issued in connection therewith).

20. Amendments in Writing; No Waiver; Cumulative Remedies.

(a) None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the affected Pledgor(s) and the Collateral Agent in accordance with Section 13.1 of the Second Lien Credit Agreement. The Collateral Agent may, without the consent of any Lender, enter into any amendments to this Agreement (including modifications of the terms "Additional Second Lien Agreement" and "Additional Second Lien Obligations" and any provisions of this Agreement referencing such terms) to reflect the issuance or Incurrence of any Indebtedness secured by a Lien permitted by Section 10.2(a) of the Second Lien Credit Agreement that is not secured by Liens granted under this Agreement.

(b) Neither the Collateral Agent nor any other Second Lien Secured Party shall by any act (except by a written instrument pursuant to Section 20(a) hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof or of any other applicable Secured Debt Document or of any Additional Second Lien Agreement. No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent or any other Second Lien Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Collateral Agent or any other Second Lien Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Collateral Agent or such other Second Lien Secured Party would otherwise have on any other occasion.

(c) The rights, remedies, powers and privileges herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

21. Collateral Agent as Agent. Section 6.3 and Section 6.4 of the Second Lien Security Agreement are incorporated herein, *mutatis mutandis*.

22. Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

23. Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, assigns, designees and sub-agent permitted hereby, except that no Pledgor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent, except pursuant to a transaction permitted by each of the Second Lien Credit Agreement and any Additional Second Lien Agreements.

24. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

25. Submission to Jurisdiction; Waivers. Each Pledgor hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement, the other Credit Documents to which it is a party and any Additional Second Lien Agreement to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York located in the County of New York, the courts of the United States of America for the Southern District of New York and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Pledgor at its address referred to in Section 16 or at such other address of which the Collateral Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right of the Collateral Agent or any other Second Lien Secured Party to effect service of process in any other manner permitted by law or shall limit the right of the Collateral Agent or any other Second Lien Secured Party to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 25 any special, exemplary, punitive or consequential damages.

26. GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

27. Intercreditor Agreement. Notwithstanding any other provision contained herein, this Agreement, the liens and security interests created hereby and the exercise of any rights, remedies, duties and obligations provided for herein are subject in all respects to the provisions of any intercreditor agreement and, to the extent provided therein, the Second Lien Security Documents (as such term or similar term is defined in any applicable intercreditor agreement). In the event of any conflict or inconsistency between the provisions of this Agreement and any intercreditor agreement (including any Equal Priority Intercreditor Agreement or other Customary Intercreditor Agreement) among the holders of Second Lien Obligations that relates solely to the rights or obligations of, or relationship between, the Second Lien Secured Parties under the Second Lien Credit Agreement and the Second Lien Secured Parties under any Additional Second Lien Agreement, the provisions of such intercreditor agreement shall control.

Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the Collateral Agent pursuant to this Agreement are expressly subject and subordinate to the liens and security interests granted in favor of the Senior Priority Secured Parties (as defined in the First Lien/Second Lien Intercreditor Agreement referred to below), including liens and security interests granted to Morgan Stanley Senior Funding, Inc., as collateral agent, pursuant to or in connection with the First Lien Credit Agreement dated as of October 22, 2018 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time), among Holdings, the Borrower, the lenders from time to time party thereto and Morgan Stanley Senior Funding, Inc., as administrative agent and collateral agent, and the other parties thereto, and (ii) the exercise of any right or remedy by the Collateral Agent or any other secured party hereunder is subject to the limitations and provisions of the First Lien/Second Lien Intercreditor Agreement, dated as of October 22, 2018 (as amended, restated, supplemented or otherwise modified from time to time, the "First Lien/Second Lien Intercreditor Agreement"), among Morgan Stanley Senior Funding, Inc., as First Lien Administrative Agent, Morgan Stanley Senior Funding, Inc., as Second Lien Administrative Agent, Holdings, the Borrower and certain of its affiliated entities party thereto. In the event of any conflict between the terms of the First Lien/Second Lien Intercreditor Agreement and the terms of this Agreement, the terms of the First Lien/Second Lien Intercreditor Agreement shall govern.

28. Additional Second Lien Obligations. Notwithstanding any provision to the contrary in this Agreement, the Collateral Agent shall be under no obligation to serve as agent on behalf of the holders of any Additional Second Lien Obligations (or their representatives) or under any Additional Second Lien Agreement and may decide, in its sole discretion, not to serve in such role, it being understood that, in such circumstance, no provisions of this Agreement will benefit or apply to the holders of Additional Second Lien Obligations (or their representatives). It being further understood that the Collateral Agent shall serve in such role only if it has countersigned an Additional Second Lien Secured Party Consent and in such case solely with respect to the New Secured Obligation under and as defined in such Additional Second Lien Secured Party Consent. For the avoidance of doubt, any refusal by the Collateral Agent to serve as collateral agent on behalf of the holders of any Additional Second Lien Obligations (or their representatives) shall not limit the Borrower's ability to incur such obligations and secure them by Liens on the Collateral that rank equal in priority to the Liens on the Collateral securing the Obligations and any other Second Lien Obligations if then in effect to the extent permitted to do so under each of the Second Lien Credit Agreement and any Additional Second Lien Agreement and in such case the Collateral Agent is authorized to execute an Equal Priority Intercreditor Agreement or any other Customary Intercreditor Agreement (or any joinders thereto) and any related documentation to evidence and/or acknowledge the Liens securing any such Additional Second Lien Obligations and the relationship between the Collateral Agent and the collateral agent appointed in respect of such Additional Second Lien Obligations.

SECOND LIEN GUARANTEE, dated as of October 22, 2018 (this "Guarantee"), made among GLOBE INTERMEDIATE CORP., a Delaware corporation ("Holdings"; as further defined in the Credit Agreement), GOBP HOLDINGS, INC., a Delaware corporation (the "Borrower" as further defined in the Credit Agreement), each of the subsidiaries of the Borrower listed on Annex A hereto or that becomes a party hereto pursuant to Section 21 hereof (each such subsidiary, individually, a "Subsidiary Guarantor" and, collectively, the "Subsidiary Guarantors"; and together with Holdings and, other than with respect to its own obligations, the Borrower, collectively, the "Guarantors"), and MORGAN STANLEY SENIOR FUNDING, INC., as collateral agent for the Second Lien Secured Parties (as defined below) (in such capacity, together with its successors, assigns, designees and sub-agents in such capacity, the "Second Lien Collateral Agent").

W I T N E S S E T H:

WHEREAS, (a) pursuant to the Second Lien Credit Agreement, dated as of October 22, 2018 (the "Credit Agreement"), among Holdings, the Borrower, the banks, financial institutions and other investors from time to time party thereto (the "Lenders"), MORGAN STANLEY SENIOR FUNDING, INC., as Administrative Agent, and Collateral Agent, and the other parties thereto, the Lenders have severally agreed to make Loans to the Borrower, (b) one or more Hedge Banks may from time to time enter into Secured Hedging Agreements with any Credit Party or any Restricted Subsidiary, (c) one or more Cash Management Banks may from time to time provide Cash Management Services pursuant to Secured Cash Management Agreements to any Credit Party or any Restricted Subsidiary and (d) the Credit Parties may incur Additional Second Lien Obligations (as defined below) from time to time to the extent permitted by the Credit Agreement and each Additional Second Lien Agreement (as defined below) (clauses (a), (b), (c) and (d), collectively, the "Extensions of Credit");

WHEREAS, Holdings is an affiliate of the Borrower and each Subsidiary Guarantor is a Subsidiary of the Borrower;

WHEREAS, the proceeds of the Extensions of Credit will be used in part to finance the Existing Debt Refinancing, the 2018 Dividend and/or the Transaction Expenses and for other general corporate purposes of the Borrower and its subsidiaries;

WHEREAS, each Guarantor acknowledges that it will derive a substantial direct and indirect benefit from the making of the Extensions of Credit; and

WHEREAS, it is a condition precedent to the obligations of the Lenders to make their respective Extensions of Credit to the Borrower under the Credit Agreement that the Guarantors shall have executed and delivered this Guarantee to the Second Lien Collateral Agent for the benefit of the Second Lien Secured Parties.

NOW, THEREFORE, in consideration of the premises and to induce the Agents, the Lenders to enter into the Credit Agreement and to induce the Lenders to make their respective Extensions of Credit to the Borrower under the Credit Agreement, to induce the holders of any Additional Second Lien Obligations to make their advances thereunder, to induce one or more Hedge Banks to enter into Secured Hedging Agreements with any Credit Party or any Restricted Subsidiary and to induce one or more Cash Management Banks pursuant to Secured Cash Management Agreements to provide Cash

Management Services to any Credit Party or any Restricted Subsidiary and the Guarantors, as applicable, hereby agree with the Second Lien Collateral Agent, for the benefit of the Second Lien Secured Parties, as follows:

1. Defined Terms.

(a) Unless otherwise defined herein, terms defined in the Credit Agreement and used herein (including terms used in the preamble and recitals hereto) shall have the meanings given to them in the Credit Agreement. Furthermore, unless otherwise defined herein or in the Credit Agreement, terms defined in the Security Agreement and used herein shall have the meanings assigned to them in the Security Agreement.

(b) The rules of construction and other interpretative provisions specified in Sections 1.2, 1.5, 1.6, 1.7, 1.8, 1.10 and 1.11 of the Credit Agreement shall apply to this Guarantee, including terms defined in the preamble and recitals hereto.

(c) As used herein, the term "Additional Second Lien Agreement" shall have the meaning assigned to the term "Additional Second Lien Agreement" in the Security Agreement.

(d) As used herein, the term "Additional Second Lien Obligations" shall have the meaning assigned to the term "Additional Second Lien Obligations" in the Security Agreement.

(e) As used herein, the term "Second Lien Obligations" shall have the meaning assigned to the term "Second Lien Obligations" in the Security Agreement.

(f) As used herein, the term "Second Lien Secured Parties" shall have the meaning assigned to the term "Second Lien Secured Parties" in the Security Agreement.

(g) As used herein, the term "Security Agreement" shall have the meaning assigned to the term "Security Agreement" in the Credit Agreement.

(h) As used herein, the term "Termination Date" shall have the meaning assigned to the term "Termination Date" in the Security Agreement.

2. Guarantee.

(a) Subject to the provisions of Section 2(b), each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, guarantees, as primary obligor and not merely as surety, to the Second Lien Collateral Agent for the benefit of the Second Lien Secured Parties, the prompt and complete payment (and not of collection) and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Second Lien Obligations (other than, in the case of the Borrower, in respect of its own obligations), whether currently existing or hereafter incurred. In furtherance of the foregoing and not in limitation of any other right that the Second Lien Collateral Agent or any other Second Lien Secured Party has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Borrower or any other Credit Party to pay any Second Lien Obligation when and as the same shall become due (whether at the stated maturity, by acceleration or otherwise), each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Second Lien Collateral Agent for distribution to the applicable Second Lien Secured Parties the amount of such unpaid Second Lien Obligation. Upon payment by any Guarantor of any sums to the Second Lien Collateral Agent as provided above, all rights of such Guarantor against the Borrower or any other Guarantor arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Sections 3 and 5 hereof.

(b) Anything herein or in any other Credit Document or in any Additional Second Lien Agreement to the contrary notwithstanding, the maximum liability of each Subsidiary Guarantor

hereunder and under the other Credit Documents and any Additional Second Lien Agreement shall in no event exceed the amount that can be guaranteed by such Subsidiary Guarantor under Applicable Laws relating to the insolvency of debtors.

(c) To the extent the Borrower would be required to do so pursuant to Section 13.5 of the Credit Agreement (whether or not then in effect) or any comparable provision of any Additional Second Lien Agreement, each Guarantor further agrees to pay any and all reasonable and documented out-of-pocket costs and expenses (including all reasonable fees and disbursements of counsel) that may be paid or incurred by the Second Lien Collateral Agent or any other Second Lien Secured Party in enforcing or preserving any rights with respect to, or collecting, any or all of the Second Lien Obligations and/or enforcing any rights with respect to, or collecting against, such Guarantor under this Guarantee.

(d) Each Guarantor agrees that the Second Lien Obligations may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing this Guarantee or affecting the rights and remedies of the Second Lien Collateral Agent or any other Second Lien Secured Party hereunder.

(e) No payment or payments made by the Borrower, any Guarantor, any other guarantor or any other Person or received or collected by the Second Lien Collateral Agent or any other Second Lien Secured Party from the Borrower, any Guarantor, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Second Lien Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder, which shall, notwithstanding any such payment or payments other than payments made by such Guarantor in respect of the Second Lien Obligations or payments received or collected from such Guarantor in respect of the Second Lien Obligations, remain liable for the Second Lien Obligations up to the maximum liability of such Guarantor hereunder until the Termination Date.

(f) Each Guarantor agrees that whenever, at any time, or from time to time, it shall make any payment to the Second Lien Collateral Agent or any other Second Lien Secured Party on account of its liability hereunder, it will notify the Second Lien Collateral Agent in writing that such payment is made under this Guarantee for such purpose.

(g) Each Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's and each other Credit Party's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Second Lien Obligations and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that none of the Second Lien Collateral Agent or the other Second Lien Secured Parties will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

(h) The Borrower, unconditionally and irrevocably, with respect to each other Guarantor (other than with respect to any Guarantor, any Excluded Swap Obligations of such Guarantor), guarantees such Guarantor's guarantee of any Hedging Agreement entered into by a Hedge Bank. The obligations of the Borrower under this Section 2(h) shall remain in full force and effect until the discharge of the Second Lien Obligations in accordance with the Credit Documents. The Borrower intends that this Section 2(h) constitute, and this Section 2(h) shall be deemed to constitute, a guarantee or other agreement for the benefit of each other Guarantor for all purposes of section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

3. Right of Contribution. Each Guarantor hereby agrees that to the extent a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such

Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder that has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 5 hereof. The provisions of this Section 3 shall in no respect limit the obligations and liabilities of any Guarantor to the Second Lien Collateral Agent and the other Second Lien Secured Parties, and each Guarantor shall remain liable to the Second Lien Collateral Agent and the other Second Lien Secured Parties for the full amount guaranteed by such Guarantor hereunder.

4. Right of Set-off. In addition to any rights and remedies of the Second Lien Secured Parties provided by Applicable Law, each Guarantor hereby irrevocably authorizes each Second Lien Secured Party at any time and from time to time following the occurrence and during the continuance of an Event of Default without notice to such Guarantor or any other Guarantor, any such notice being expressly waived by each Guarantor, upon any amount becoming due and payable by such Guarantor hereunder (whether at stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Second Lien Secured Party to or for the credit or the account of such Guarantor. Each Second Lien Secured Party shall notify such Guarantor and the Second Lien Collateral Agent promptly of any such set-off and the appropriation and application made by such Second Lien Secured Party; provided that the failure to give such notice shall not affect the validity of such set-off and appropriation and application.

5. No Subrogation. Notwithstanding any payment or payments made by any of the Guarantors hereunder or any set-off or appropriation and application of funds of any of the Guarantors by the Second Lien Collateral Agent or any other Second Lien Secured Party, no Guarantor shall be entitled to be subrogated to any of the rights of the Second Lien Collateral Agent or any other Second Lien Secured Party against the Borrower or any other Guarantor or any collateral security or guarantee or right of offset held by the Second Lien Collateral Agent or any other Second Lien Secured Party for the payment of the Second Lien Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Borrower or any other Guarantor in respect of payments made by such Guarantor hereunder, until the Termination Date. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time prior to the Termination Date, such amount shall be held by such Guarantor in trust for the Second Lien Collateral Agent and the other Second Lien Secured Parties, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Second Lien Collateral Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Second Lien Collateral Agent, if required), to be applied against the Second Lien Obligations, whether due or to become due, in accordance with Section 5.4 of the Security Agreement.

6. Amendments, etc. with Respect to the Second Lien Obligations; Waiver of Rights. Except for termination of a Guarantor's obligations hereunder as expressly provided in Section 25, each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, (a) any demand for payment of any of the Second Lien Obligations made by the Second Lien Collateral Agent or any other Second Lien Secured Party may be rescinded by such party and any of the Second Lien Obligations continued, (b) the Second Lien Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Second Lien Collateral Agent or any other Second Lien Secured Party, (c) the Credit Agreement, the other Credit Documents, any Additional Second Lien Agreement and any other documents executed and delivered in connection therewith, the Secured Hedging Agreements and any

other documents executed and delivered in connection therewith and the Secured Cash Management Agreements and any other documents executed and delivered in connection therewith, may be amended, waived, modified, supplemented or terminated, in whole or in part, in accordance with the terms of the applicable document and (d) any collateral security, guarantee or right of offset at any time held by the Second Lien Collateral Agent or any other Second Lien Secured Party for the payment of the Second Lien Obligations may be sold, exchanged, waived, surrendered or released. Neither the Second Lien Collateral Agent nor any other Second Lien Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Second Lien Obligations or for this Guarantee or any property subject thereto. When making any demand hereunder against any Guarantor, the Second Lien Collateral Agent or any other Second Lien Secured Party may, but shall be under no obligation to, make a similar demand on the Borrower or any other Guarantor or other guarantor, and any failure by the Second Lien Collateral Agent or any other Second Lien Secured Party to make any such demand or to collect any payments from the Borrower or any other Guarantor or other guarantor or any release of the Borrower or any other Guarantor or other guarantor shall not relieve any Guarantor in respect of which a demand or collection is not made or any Guarantor not so released of its several obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Second Lien Collateral Agent or any other Second Lien Secured Party against any Guarantor. For the purposes hereof, "demand" shall include the commencement and continuance of any legal proceedings.

7. Guarantee Absolute and Unconditional. Each Guarantor waives any and all notice of the creation, contraction, Incurrence, renewal, extension, amendment, waiver or accrual of any of the Second Lien Obligations (including as a result of the Incurrence of Incremental Term Loans), and notice of or proof of reliance by the Second Lien Collateral Agent or any other Second Lien Secured Party upon this Guarantee or acceptance of this Guarantee, the Second Lien Obligations or any of them, shall conclusively be deemed to have been created, contracted or Incurred, or renewed, extended, amended, waived or accrued, in reliance upon this Guarantee; and all dealings between the Borrower and any of the other Guarantors, on the one hand, and the Second Lien Collateral Agent and the other Second Lien Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon this Guarantee. Each Guarantor waives promptness, diligence, presentment, protest, notice of protest, demand for payment and notice of default, acceleration or nonpayment and any other notice to or upon the Borrower or any other Guarantor with respect to the Second Lien Obligations. Each Guarantor understands and agrees that this Guarantee shall be construed as a continuing, absolute and unconditional guarantee of payment (and not of collection) without regard to (a) the validity, regularity or enforceability of the Credit Agreement, any other Credit Document, any Additional Second Lien Agreement, any Secured Hedging Agreement or any Secured Cash Management Agreement, any of the Second Lien Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the Second Lien Collateral Agent or any other Second Lien Secured Party, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) that may at any time be available to or be asserted by the Borrower against the Second Lien Collateral Agent or any other Second Lien Secured Party, (c) any default, failure or delay, willful or otherwise, in the performance of the Second Lien Obligations by the Guarantors or (d) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) that constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower for the Second Lien Obligations, or of such Guarantor under this Guarantee, in bankruptcy or in any other instance. When pursuing its rights and remedies hereunder against any Guarantor, the Second Lien Collateral Agent and any other Second Lien Secured Party may elect, but shall be under no obligation, to pursue such rights and remedies as it may have against the Borrower or any other Person or against any collateral security or guarantee for the Second Lien Obligations or any right of offset with respect thereto, and any failure by the Second Lien Collateral Agent or any other Second Lien Secured

Party to pursue such other rights or remedies or to collect any payments from the Borrower or any such other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower or any such other Person or any such collateral security, guarantee or right of offset, shall not relieve such Guarantor of any liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Second Lien Collateral Agent and the other Second Lien Secured Parties against such Guarantor. To the fullest extent permitted by Applicable Law, each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to Applicable Law, to impair or to extinguish any right of reimbursement, subrogation, exoneration, contribution or indemnification or other right or remedy of such Guarantor against the Borrower or any other Guarantor, as the case may be, or any security. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon each Guarantor and the successors and assigns thereof, and shall inure to the benefit of the Second Lien Collateral Agent and the other Second Lien Secured Parties, and their respective successors, indorsees, transferees and assigns, until the Termination Date, notwithstanding that from time to time during the term of the Credit Agreement, any Additional Second Lien Agreement and any Secured Hedging Agreement or Secured Cash Management Agreement the Credit Parties may be free from any Second Lien Obligations.

8. Subordination. Each Guarantor hereby agrees that any Indebtedness of any Guarantor now or hereafter owing to any other Subsidiary, whether heretofore, now or hereafter created (the "Guarantor Subordinated Debt"), is hereby subordinated to all of the Second Lien Obligations until the Termination Date and that the Guarantor Subordinated Debt shall not be paid in whole or in part during the continuance of any Event of Default after written notice from the Second Lien Collateral Agent to the Borrower. In the event of any insolvency or bankruptcy proceedings, and any receivership, liquidation, reorganization or other similar proceedings in connection therewith, relative to any Guarantor or to its property, and in the event of any proceedings for voluntary liquidation, dissolution or other winding up of such Guarantor (except as expressly permitted by the Credit Agreement and any Additional Second Lien Agreement), whether or not involving insolvency or bankruptcy, then, if an Event of Default has occurred and is continuing, after written notice from the Second Lien Collateral Agent to the Borrower (a) the Termination Date shall have occurred, before any payee is entitled to receive (whether directly or indirectly), or make any demands for, any payment on account of the Guarantor Subordinated Debt and (b) until the Termination Date shall have occurred, any payment or distribution to which such payee would otherwise be entitled (other than debt securities of such Guarantor that are subordinated, to at least the same extent as this Section 8, to the payment of all Guarantor Subordinated Debt then outstanding (such securities being hereinafter referred to as "Restructured Debt Securities")) shall be made to the Second Lien Collateral Agent. If any Event of Default occurs and is continuing, after written notice from the Second Lien Collateral Agent to the Borrower, no payment or distribution of any kind or character shall be accepted by or on behalf of the Guarantor or any other Person on its behalf with respect to the Guarantor Subordinated Debt. If any payment or distribution of any character, whether in cash, securities or other property (other than Restructured Debt Securities), in respect of the Guarantor Subordinated Debt shall be received by any payee in violation of this Section 8 before all Second Lien Obligations shall have been paid irrevocably in full in cash in immediately available funds (other than Hedging Obligations under Secured Hedging Agreements, Cash Management Obligations under Secured Cash Management Agreements or contingent indemnification obligations), such payment or distribution shall be held in trust for the benefit of the Second Lien Secured Parties, and shall be paid over the Second Lien Collateral Agent.

9. Representations and Warranties; Covenants. Each Guarantor hereby (a) represents and warrants that the representations and warranties as to it made by the Borrower in Section 8 of the Credit Agreement are true and correct in all material respects on each date as required by Section 7.1 of the Credit Agreement (or any equivalent provision(s) of any Additional Second Lien

Agreement) (except where such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects as of such earlier date, and except where such representations and warranties are qualified by materiality, "Material Adverse Effect" or similar language, in which case such representations and warranties shall be true and correct in all respects) and (b) agrees to take, or refrain from taking, as the case may be, each action necessary to be taken or not taken, as the case may be, so that no Default or Event of Default is caused by the failure to take such action or to refrain from taking such action by such Guarantor.

10. Reinstatement. This Guarantee shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Second Lien Obligations is rescinded or must otherwise be restored or returned by the Second Lien Collateral Agent or any other Second Lien Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any other Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any other Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

11. Payments. Each Guarantor hereby guarantees that payments hereunder will be paid to the Second Lien Collateral Agent without set-off or counterclaim in Dollars at the Second Lien Collateral Agent's office specified in Section 13.2 of the Credit Agreement.

12. Authority of Agent. Each Guarantor acknowledges that the rights and responsibilities of the Second Lien Collateral Agent under this Guarantee with respect to any action taken by the Second Lien Collateral Agent or the exercise or non-exercise by the Second Lien Collateral Agent of any option, right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Guarantee shall, as between the Second Lien Collateral Agent and the other Second Lien Secured Parties, be governed by the Credit Agreement, any Additional Second Lien Agreements and by such other agreements with respect thereto as may exist from time to time among them (including an intercreditor agreement), but, as between the Second Lien Collateral Agent and such Guarantor, the Second Lien Collateral Agent shall be conclusively presumed to be acting as agent for the Second Lien Secured Parties with full and valid authority so to act or refrain from acting, and no Guarantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

13. Notices. All notices, requests and demands pursuant hereto shall be made in accordance with Section 13.2 of the Credit Agreement. All communications and notices hereunder to each Guarantor shall be given to it in care of the Borrower at the Borrower's address set forth in Section 13.2 of the Credit Agreement. All notices to any holder of Additional Second Lien Obligations shall be given to it in care of the applicable Authorized Representative at such Authorized Representative's address set forth in the applicable Additional Second Lien Secured Party Consent or Additional Second Lien Agreement, as the case may be, as such address may be changed by written notice to the Second Lien Collateral Agent and the Borrower.

14. Counterparts. This Guarantee may be executed by one or more of the parties to this Guarantee on any number of separate counterparts (including by facsimile or other electronic transmission (*i.e.*, a "PDF" or "TIF" file)), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

15. Severability. Any provision of this Guarantee that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

16. Integration. This Guarantee represents the agreement of each Guarantor and the Second Lien Collateral Agent with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Second Lien Collateral Agent or any other Second Lien Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents or any Additional Second Lien Agreement (and each other agreement or instrument executed or issued in connection therewith).

17. Amendments in Writing; No Waiver; Cumulative Remedies.

(a) None of the terms or provisions of this Guarantee may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the affected Guarantor(s) and the Second Lien Collateral Agent in accordance with Section 13.1 of the Credit Agreement or any comparable provision of any Additional Second Lien Agreement.

(b) Neither the Second Lien Collateral Agent nor any other Second Lien Secured Party shall by any act (except by a written instrument pursuant to Section 17(a) hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Second Lien Collateral Agent or any other Second Lien Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Second Lien Collateral Agent or any other Second Lien Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Second Lien Collateral Agent or any Second Lien Secured Party would otherwise have on any future occasion.

(c) The rights, remedies, powers and privileges herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

are consistent with Applicable Law and guidelines established by the Board from time to time. Stock Awards may, in the discretion of the Committee, be made under the Plan in assumption of, or in substitution for, outstanding awards previously granted by any entity acquired by the Company or with which the Company combines. The number of Shares underlying such substitute awards shall not be counted against the aggregate number of Shares available for Stock Awards under the Plan. The Committee is authorized to interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, and to make any other determinations that it deems necessary or desirable for the administration of the Plan. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan in the manner and to the extent the Committee deems necessary or desirable. Any decision of the Committee in the interpretation and administration of the Plan, as described herein, shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned (including, but not limited to, Participants and their beneficiaries or successors). The Committee shall have the full power and authority to establish the terms and conditions of any Stock Award consistent with the provisions of the Plan and to waive any such terms and conditions at any time (including, without limitation, accelerating or waiving any vesting conditions). The Committee shall require payment of any amount it may reasonably determine to be necessary to withhold for U.S. federal, state, local and/or non-U.S. taxes as a result of the exercise, grant, vesting or settlement of a Stock Award (including, without limitation, any applicable income, employment and social security taxes or contributions). To the extent permitted by the Committee in the applicable Stock Award Agreement or otherwise and, in each case, subject to any restrictions under Applicable Law, a Participant may elect to pay a portion or all of any withholding taxes (but no more than the minimum amount required to be withheld) by (a) delivery in Shares (provided, that such Shares have been held by the Participant for no less than six months (or such other period as established from time to time by the Committee in order to avoid adverse accounting treatment applying generally accepted accounting principles)), or (b) having Shares withheld by the Company from any Shares that would have otherwise been received by the Participant.

4. Shares Subject to the Plan and Participation.

Subject to Section 9, the total number of Shares which may be issued under this Plan is 8,601,345 which number is also the maximum number of Shares for which ISOs may be granted. The Shares may consist, in whole or in part, of unissued Shares or treasury Shares. The issuance of Shares or the payment of cash upon the exercise of a Stock Award or in consideration of the cancellation or termination of a Stock Award shall reduce the total number of Shares available under this Plan, as applicable. Shares which are subject to Stock Awards which terminate or lapse without the payment of consideration may be granted again under the Plan, unless prohibited by Applicable Law.

Employees, Consultants and non-employee directors of the Company and its Affiliates (subject to Section 5(b) of this Plan) shall be eligible to be selected to receive Stock Awards under the Plan; provided, that ISOs may only be granted to employees of the Company or its Subsidiaries.

5. General Limitations.

(a) Tenth Anniversary. No Stock Award may be granted under this Plan after the tenth anniversary of the Effective Date, but Stock Awards theretofore granted may extend beyond such date.

(b) Consultants. Prior to an Initial Public Offering, a Consultant shall not be eligible for the grant of a Stock Award if, at the time of grant, either the offer or the sale of the Company's securities to such Consultant is not exempt under Rule 701 of the Securities Act ("Rule 701"), unless the Company determines that such grant need not comply with the requirements of Rule 701 because such grant will satisfy another exemption under the Securities Act, as well as comply with the securities laws of any other relevant jurisdictions.

6. Terms and Conditions of Options.

Options granted under this Plan shall be, as determined by the Committee, non-qualified or ISOs for federal income tax purposes, as evidenced by the related Stock Award Agreements, and shall be subject to the foregoing and the following terms and conditions and to such other terms and conditions, not inconsistent therewith, as the Committee shall determine.

(a) Option Price. The Option Price per Share shall be determined by the Committee, but shall not be less than 100% of the Fair Market Value per Share on the date an Option is granted (other than in the case of Options granted in substitution of previously granted awards, as described in Section 3 hereof).

(b) Exercisability. Options granted under this Plan shall be exercisable at such time and upon such terms and conditions as may be determined by the Committee as set forth in the applicable Stock Award Agreement, but in no event shall an Option be exercisable more than ten years after the date it is granted.

(c) Exercise of Options. Except as otherwise provided in this Plan or in the applicable Stock Award Agreement, an Option may be exercised for all, or from time to time any part, of the Shares for which it is then exercisable. For purposes of this Section 6, the exercise date of an Option shall be the later of the date a notice of exercise is received by the Company and, if applicable, the date payment is received by the Company pursuant to clauses (i), (ii), (iii), (iv) or (v) of the following sentence. The purchase price for the Shares as to which an Option is exercised shall be paid to the Company as designated by the Committee in the applicable Stock Award Agreement or otherwise, pursuant to one or more of the following methods: (i) in cash or its equivalent (e.g., by personal check or wire transfer), (ii) in Shares having a Fair Market Value per Share equal to the aggregate Option Price per Share for the Shares being purchased and satisfying such other reasonable requirements as may be imposed by the Committee (provided, that such Shares have been held by the Participant for no less than six months (or such other period as established from time to time by the Committee in order to avoid adverse accounting treatment applying generally accepted accounting principles)), (iii) partly in cash and partly in such Shares, (iv) following an Initial Public Offering, through the delivery of irrevocable instructions to a broker to sell Shares obtained upon the exercise of the Option and to deliver promptly to the Company an amount out of the

proceeds of such sale equal to the aggregate Option Price for the Shares being purchased or (v) to the extent explicitly permitted by the Committee in the applicable Stock Award Agreement or otherwise, through net settlement in Shares. No Participant shall have any rights to dividends or other rights of a stockholder with respect to Shares subject to an Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Committee pursuant to this Plan. No fractional Shares will be issued in payment for Options, but instead cash will be paid for a fraction or, if the Committee should so determine, the number of Shares will be rounded downward to the next whole Share.

(d) ISOs. The Committee may grant Options under the Plan that are intended to be ISOs. Such ISOs shall comply with the requirements of Section 422 of the Code (or any successor section thereto). No ISO may be granted to any Participant who, at the time of such grant, owns more than ten percent of the total combined voting power of all classes of stock of the Company or of any Subsidiary, unless (i) the Option Price for such ISO is at least 110% of the Fair Market Value per Share on the date the ISO is granted and (ii) the date on which such ISO terminates is a date not later than the day preceding the fifth anniversary of the date on which the ISO is granted. Any Participant who disposes of Shares acquired upon the exercise of an ISO either (i) within two years after the date of grant of such ISO or (ii) within one year after the transfer of such Shares to the Participant, shall notify the Company of such disposition and of the amount realized upon such disposition. All Options granted under the Plan are intended to be nonqualified stock options, unless the applicable Stock Award Agreement expressly states that the Option is intended to be an ISO. If an Option is intended to be an ISO, and if for any reason such Option (or portion thereof) shall not qualify as an ISO, then, to the extent of such non-qualification, such Option (or portion thereof) shall be regarded as a nonqualified stock option granted under this Plan; provided, that such Option (or portion thereof) otherwise complies with this Plan's requirements relating to nonqualified stock options. In no event shall any member of the Committee, the Company or any of its Affiliates (or their respective employees, officers or directors) have any liability to any Participant (or any other Person) due to the failure of an Option to qualify for any reason as an ISO.

(e) Attestation. Wherever in this Plan or any Stock Award Agreement a Participant is permitted to pay the exercise price of an Option or taxes relating to the exercise of an Option by delivering Shares, the Participant may, subject to procedures satisfactory to the Committee, satisfy such delivery requirement by presenting proof of beneficial ownership of such Shares, in which case the Company shall treat the Option as exercised without further payment and/or shall withhold such number of Shares from the Shares acquired by the exercise of the Option, as appropriate.

7. Terms and Conditions of Stock Appreciation Rights.

(a) Grants. The Committee may grant (i) a Stock Appreciation Right independent of an Option or (ii) a Stock Appreciation Right in connection with an Option, or a portion thereof. A Stock Appreciation Right granted pursuant to clause (ii) of the preceding sentence (A) may be granted at the time the related Option is granted or at any time prior to the exercise or cancellation of the related Option, (B) shall cover the

same number of Shares covered by an Option (or such lesser number of Shares as the Committee may determine) and (C) shall be subject to the same terms and conditions as such Option except for such additional limitations as are contemplated by this Section 7 (or such additional limitations as may be included in the applicable Stock Award Agreement).

(b) Terms. The exercise price per Share of a Stock Appreciation Right shall be an amount determined by the Committee but in no event shall such amount be less than the Fair Market Value per Share on the date the Stock Appreciation Right is granted (other than in the case of Stock Appreciation Rights granted in substitution of previously granted awards, as described in Section 4); provided, however, that in the case of a Stock Appreciation Right granted in conjunction with an Option, or a portion thereof, the exercise price may not be less than the Option Price of the related Option. Each Stock Appreciation Right granted independent of an Option shall entitle a Participant upon exercise to an amount equal to (i) the excess of (A) the Fair Market Value per Share on the exercise date over (B) the exercise price per Share, times (ii) the number of Shares covered by the Stock Appreciation Right. Each Stock Appreciation Right granted in conjunction with an Option, or a portion thereof, shall entitle a Participant to surrender to the Company the unexercised Option, or any portion thereof, and to receive from the Company in exchange therefore an amount equal to (i) the excess of (A) the Fair Market Value per Share on the exercise date over (B) the Option Price per Share, times (ii) the number of Shares covered by the Option, or portion thereof, which is surrendered. In addition, each Stock Appreciation Right that is granted in conjunction with an Option or a portion thereof shall automatically terminate upon the exercise of such Option or portion thereof, as applicable. Payment shall be made in Shares or in cash, or partly in Shares and partly in cash (any such Shares valued at such Fair Market Value per Share), all as shall be determined by the Committee in the applicable Stock Award Agreement. Stock Appreciation Rights may be exercised from time to time upon actual receipt by the Company of written notice of exercise stating the number of Shares with respect to which the Stock Appreciation Right is being exercised. The date a notice of exercise is received by the Company shall be the exercise date. No fractional Shares will be issued in payment for Stock Appreciation Rights, but instead cash will be paid for a fraction or, if the Committee should so determine, the number of Shares will be rounded downward to the next whole Share.

(c) Limitations. The Committee may impose, in its discretion, such conditions upon the exercisability of Stock Appreciation Rights as it may deem fit, but in no event shall a Stock Appreciation Right be exercisable more than ten years after the date it is granted.

8. Other Stock-Based Awards.

The Committee, in its sole discretion, may grant or sell Stock Awards of Shares, Stock Awards of restricted Shares and Stock Awards that are valued in whole or in part by reference to, or are otherwise based on the Fair Market Value per Share of, Shares ("Other Stock-Based Awards"). Such Other Stock-Based Awards shall be in such form, and dependent on such conditions, as the Committee shall determine, including, without limitation, the right to receive, or vest with respect to, one or more Shares (or the equivalent cash value of such Shares) upon the

completion of a specified period of service, the occurrence of an event and/or the attainment of performance objectives. Other Stock-Based Awards may be granted alone or in addition to any other Stock Awards granted under the Plan. Subject to the provisions of the Plan, the Committee shall determine to whom and when Other Stock-Based Awards will be made; the number of Shares to be awarded under (or otherwise related to) such Other Stock-Based Awards; whether such Other Stock-Based Awards shall be settled in cash, Shares or a combination of cash and Shares; and all other terms and conditions of such Other Stock-Based Awards (including, without limitation, the vesting provisions thereof and provisions ensuring that all Shares so awarded and issued shall be fully paid and non-assessable).

9. Adjustments upon Certain Events.

Notwithstanding any other provision in this Plan to the contrary, the following provisions shall apply to all Stock Awards granted hereunder:

(a) Generally. In the event of any change in the outstanding Shares after the Effective Date by reason of any Share dividend or split, reorganization, recapitalization, merger, consolidation, spin-off, combination, transaction or exchange of Shares, other corporate exchange, or in the event of any cash dividend or distribution to shareholders other than ordinary cash dividends or any transaction similar to the foregoing, the Committee shall make such proportionate substitution or adjustment, if any, as it deems in good faith to be equitable (subject to Section 18), as to (i) the number or kind of Shares or other securities issued or reserved for issuance pursuant to the Plan or pursuant to outstanding Stock Awards, (ii) the Option Price or exercise price of any Stock Appreciation Right and/or (iii) any other affected terms of such Stock Awards; provided, that for the avoidance of doubt, in the case of the occurrence of any of the foregoing events that is an "equity restructuring" (within the meaning of the Financial Accounting Standards Board Accounting Standard Codification (ASC) Section 718, *Compensation — Stock Compensation* (FASB ASC 718)), the Committee shall make an equitable adjustment to outstanding Stock Awards to reflect such event.

(b) Change in Control. Without limiting any rights set forth in Section 9(a), above, in the event of a Change in Control after the Effective Date, the Committee may (subject to Section 18 and any Participant's rights under a Stock Award Agreement), but shall not be obligated to, (i) accelerate, vest or cause the restrictions to lapse with respect to all or any portion of a Stock Award, (ii) subject to any limitations or reductions as may be necessary to comply with Sections 424 or 409A of the Code and, in each case, the applicable regulations thereunder, cancel such Stock Awards for fair value (as determined by the Committee in its sole discretion in good faith), including with respect to Other Stock-Based Awards, for a cash payment or equity subject to deferred vesting and delivery consistent with the vesting restrictions applicable to such Other Stock-Based Awards or the underlying Shares, or which, in the case of Options and Stock Appreciation Rights, may, if so determined by the Committee, equal the excess, if any, of value of the consideration to be paid in the Change in Control transaction, directly or indirectly, to holders of the same number of Shares subject to such Options or Stock Appreciation Rights (or, if no consideration is paid in any such transaction, the Fair Market Value per Share of the Shares subject to such Options or Stock Appreciation Rights) over the aggregate Option Price of such Options or exercise price of such Stock

Appreciation Rights (it being understood that, in such event, any Option or Stock Appreciation Right having a per share Option Price or exercise price equal to, or in excess of, the Fair Market Value per Share of a Share subject thereto may be canceled and terminated without any payment or consideration therefor), (iii) subject to any limitations or reductions as may be necessary to comply with Sections 424 or 409A of the Code and, in each case, the applicable regulations thereunder, provide for the issuance of substitute Stock Awards that will preserve the rights under, and the otherwise applicable terms of, any affected Stock Awards previously granted hereunder as determined by the Committee in its sole discretion in good faith, and/or (iv) provide that for a period of at least fifteen (15) days prior to the Change in Control, Options and Stock Appreciation Rights shall be exercisable as to all Shares subject thereto (whether or not vested) and that upon the occurrence of the Change in Control, such Options and Stock Appreciation Rights shall terminate and be of no further force and effect. To the extent that any adjustments made pursuant to this Section 9 cause ISOs to cease to qualify as ISOs, such Options shall be deemed to be non-qualified Options.

(c) Other Requirements. Prior to any payment or adjustment contemplated under this Section 9, the Committee may require a Participant to (A) represent and warrant as to the unencumbered title to such Participant's Stock Awards, (B) bear such Participant's pro rata share of any post-closing indemnity obligations, and be subject to the same post-closing purchase price adjustments, escrow terms, offset rights, holdback terms, and similar conditions as the other holders of Shares, and (C) deliver customary transfer documentation as reasonably determined by the Committee.

10. No Right to Employment or Stock Awards; No Guarantees Regarding Tax Treatment.

The granting of a Stock Award under this Plan shall impose no obligation on the Company or any of its Affiliate to continue the Employment of a Participant and shall not lessen or affect the Company's right or any of its Affiliates' rights to terminate the Employment of such Participant. No Participant or other Person shall have any claim to be granted any Stock Award, and there is no obligation for uniformity of treatment of Participants, or holders or beneficiaries of Stock Awards. The terms and conditions of Stock Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant (whether or not such Participants are similarly situated).

Participants (or their beneficiaries) shall be responsible for all taxes with respect to any Stock Awards under the Plan. The Committee and the Company make no guarantees to any person regarding the tax treatment of any Stock Award or payments made under the Plan. Neither the Committee nor the Company has any obligation to take any action to prevent the assessment of any excise tax on any person with respect to any Stock Award under Section 409A of the Code or otherwise and none of the Company, its Subsidiaries or Affiliates, or any of their employees, directors or representatives shall have any liability to a Participant with respect thereto.

11. Successors and Assigns.

This Plan shall be binding on all successors and assigns of the Company and each Participant, including without limitation, the estate of each such Participant and the executor, administrator or trustee of any such estate and, if applicable, any receiver or trustee in bankruptcy or representative of the creditors of any such Participant.

12. Nontransferability of Awards.

Unless expressly permitted by the Committee in a Stock Award Agreement or otherwise in writing, and, in each case, to the extent permitted by Applicable Law, a Stock Award shall not be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or any other means whether such disposition be voluntary or by operation of law, by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect; provided, however, this Section 12 shall not prevent transfers by will or by the laws of descent and distribution. A Stock Award exercisable after the death of a Participant may be exercised by the legatees, personal representatives or distributees of the Participant, subject to any conditions or qualifications imposed by the Board.

13. Amendments or Termination.

The Board may amend, alter or discontinue the Plan, but no amendment, alteration or discontinuation shall be made, (a) without the approval of the shareholders of the Company, if such action would (except as is provided in Section 9 of the Plan), increase the total number of Shares reserved for the purposes of the Plan or, if applicable, change the maximum number of Shares for which Stock Awards may be granted to any Participant, or (b) without the consent of a Participant, if such action would materially diminish any of the rights of such Participant under any Stock Award theretofore granted to such Participant under the Plan; provided, however, that the Committee may amend the Plan or any outstanding Stock Award in the least restrictive manner necessary to comply with the requirements of the Code or other Applicable Laws (including, without limitation, to avoid adverse tax consequences to the Company or to Participants).

14. Choice of Law.

This Plan and the Stock Awards granted hereunder shall be governed by and construed in accordance with the law of the State of Delaware, without regard to conflicts of laws principles thereof.

15. Effectiveness of the Plan.

This Plan shall be effective as of the Effective Date.

16. Stockholders Agreement.

The issuance of Shares pursuant to any Stock Award granted under the Plan shall be subject to all the terms, conditions and restrictions contained in the Stockholders Agreement and Participant agrees to become a party to and subject such Stockholders Agreement upon the grant of any Stock Award.

17. Exchange Act Exemption.

Notwithstanding anything to the contrary in the Plan or any Stock Award Agreement, for or until such time as the Company becomes subject to the reporting requirements of Sections 12 or 15(d) of the Exchange Act, if the Company is relying on the exemption from registration under the Exchange Act set forth in Rule 12h-1(f) under the Exchange Act (the "Employee Options Exemption") in connection with the grant of Options hereunder or the issuance of Shares upon the exercise of such Options, the Plan, the Options granted hereunder and the Stock Award Agreements entered into in connection with such grants are intended to comply with the Employee Options Exemption and, accordingly, to the maximum extent permitted, the Plan, such Options and such Stock Award Agreements shall be interpreted to be in compliance therewith.

18. Section 409A.

The Plan is intended to comply with the requirements of Section 409A of the Code or an exemption or exclusion therefrom and, with respect to amounts that are subject to Section 409A of the Code, it is intended that the Plan be administered in all respects in accordance with Section 409A of the Code. Each payment under any Stock Award shall be treated as a separate payment for purposes of Section 409A of the Code. In no event may a Participant, directly or indirectly, designate the calendar year of any payment to be made under any Stock Award, but only to the extent such payment is considered "nonqualified deferred compensation" within the meaning of Section 409A of the Code. Notwithstanding any provision of the Plan or any Stock Award Agreement to the contrary, in the event that a Participant is a "specified employee" within the meaning of Section 409A of the Code (as determined in accordance with the methodology established by the Company), amounts that constitute "nonqualified deferred compensation" within the meaning of Section 409A of the Code that would otherwise be payable on account of a separation from service within the meaning of Section 409A of the Code and during the six-month period immediately following a Participant's "separation from service" within the meaning of Section 409A of the Code ("Separation from Service") shall instead be paid or provided on the first business day after the date that is six months following the Participant's Separation from Service. If the Participant dies following the Separation from Service and prior to the payment of any amounts delayed on account of Section 409A of the Code, such amounts shall be paid to the personal representative of the Participant's estate within 30 days after the date of the Participant's death. The Company shall use commercially reasonable efforts to implement the provisions of this Section 18 in good faith; provided, that neither the Company, the Committee nor any of the Company's employees, directors or representatives shall have any liability to any Participant with respect to this Section 18.

GLOBE HOLDING CORP.
2014 EQUITY INCENTIVE PLAN

AMENDED AND RESTATED
PERFORMANCE VESTING STOCK OPTION AGREEMENT

ARTICLE I
DEFINITIONS

Capitalized terms not otherwise defined in this Stock Option Agreement (this "Agreement") shall have the same meaning set forth in the Globe Holding Corp. 2014 Stock Incentive Plan, as amended from time to time ("Plan").

ARTICLE II
GRANT OF OPTIONS

Section 2.1. Grant of Options

Pursuant to the Stock Option Grant Notice ("Grant Notice") and this Agreement, Globe Holding Corp. (the "Company") has granted to the Optionee identified in the Grant Notice an Option under the Plan to purchase the number of Shares indicated in the Grant Notice, subject to the adjustments as set forth in Section 2.4 hereof. For the avoidance of doubt, the terms and conditions of the Grant Notice are a part of the Agreement, unless otherwise specified.

Section 2.2. Option Price

The per Share Option Price of the Shares covered by the Option is indicated in the Grant Notice, subject to the adjustments as set forth in Section 2.4 hereof.

Section 2.3. No Guarantee of Employment

Nothing in this Agreement or in the Plan shall confer upon the Optionee any right to continue in the employ or service of the Company or any Subsidiary or Affiliate thereof, or shall interfere with or restrict in any way the rights of the Company and its Subsidiaries and Affiliates, which are hereby expressly reserved, to terminate the Employment of the Optionee at any time for any reason whatsoever, with or without Cause, subject to the applicable provisions, if any, of the Optionee's Employment Agreement (if any such agreement is in effect at the time of such termination).

Section 2.4. Adjustments to Option

The Option shall be subject to the provisions of Section 9 of the Plan. Notwithstanding Section 9 of the Plan, in the event of an extraordinary cash dividend or distribution to stockholders, the Options will be equitably adjusted by the Committee in one of the following ways: (1) reduction in the Option exercise price, (2) paying a dividend equivalent payment to the Optionee (which for unvested Options may be held back until the Option vests), (3) adjusting the Option exercise price and number of Options on the basis of a deemed stock split based on the Fair Market Value of a Share, (4) any other action consented to by the Optionee or (5) any combination of the foregoing. Any determinations made by the Committee under this Section 2.4 shall be final and binding upon the Optionee, the Company and all other interested Persons.

ARTICLE III
PERIOD OF VESTING AND EXERCISABILITY

Section 3.1. Vesting and Commencement of Exercisability

(a) Performance Criteria. Subject to the limitations contained herein, the Shares subject to the Option will vest and become exercisable (to the extent not already vested) on each Measurement Date as follows:

(i) 0% if the IRR is less than 20%;

(ii) 50% if the IRR is 20%;

(iii) 50-100%, using linear interpolation, if the IRR is between 20% and 30%; and

(iv) 100% if the IRR is greater than or equal to 30%;

Upon the occurrence of the Final Measurement Date, the IRR shall be measured for the final time and any portion of the Option that does not vest at such time shall be forfeited without consideration to the Optionee and cease to be exercisable.

(b) Effect of Termination of Employment on Eligibility of Shares to Vest. No portion of the Option shall vest and become exercisable as to any additional Shares following the termination of the Optionee's Employment for any reason, and the portion of the Option that is unvested and unexercisable as of the date of such termination shall immediately expire without consideration or payment therefor.

(c) In the event that the Option has not become vested on or prior to the date of the Optionee's Qualifying Termination, then the Option shall remain outstanding and eligible to vest during the Tail Period in the event that a greater IRR performance vesting hurdle is achieved in connection with any Measurement Date that occurs within such Tail Period, and the Option shall remain exercisable following any vesting date that occurs during the Tail Period for the same duration (as determined under Section 3.2) as if the Optionee's Employment terminated on such vesting date. If no greater IRR performance vesting hurdle is achieved as described in this Section 3.1(c) during such Tail Period, the Option shall terminate as of the end of the Tail Period.

Section 3.2. Expiration of Option

The Optionee may not exercise any portion of the Option after its term expires. Subject to the provisions of the Plan and this Agreement, the Optionee may exercise all or any part of the vested portion of the Option at any time prior to the earliest to occur of:

(a) the Expiration Date indicated in the Grant Notice;

(b) the date on which the Optionee's Employment is terminated by the Company or any of its Affiliates for Cause, or the date on which the Optionee breaches any of the restrictive covenants set forth in Article V hereof or any other restrictive covenant agreement between the Optionee and the Company or any of its Affiliates;

(c) the one (1)-year anniversary of the date of any termination of Employment due to the Optionee's death or Disability; or

(d) the ninetieth (90^{th}) day immediately following the date on which the Optionee's Employment is terminated for any reason other than by the Company or any of its Affiliates for Cause or due to the Optionee's death or Disability.

ARTICLE IV
EXERCISE OF OPTION

Section 4.1. Person Eligible to Exercise

Except as otherwise permitted by the Committee in writing or provided in the Stockholders Agreement, the Optionee is the only Person that may exercise the exercisable portion of the Option, unless and until the Optionee dies or suffers a Disability. After the Disability or death of the Optionee, the exercisable portion of the Option may, prior to the time when the Option becomes unexercisable under Section 3.2 hereof, be exercised by the Optionee's personal representative, guardian or by any person empowered to do so under the Optionee's will or under the then Applicable Laws of descent and distribution.

Section 4.2. Partial Exercise

Any exercisable portion of an Option or the entire Option, if then wholly exercisable, may be exercised in whole or in part at any time prior to the time when the Option or portion thereof becomes unexercisable under Section 3.2 hereof; provided, that any partial exercise shall be for whole Shares only.

Section 4.3. Manner of Exercise

Any exercisable portion of the Option may be exercised solely by delivering to the Office of the Secretary of the Company at the Company's principal office, all of the following prior to the time when the Option or such portion becomes unexercisable under Section 3.2 hereof:

(a) notice in writing signed by the Optionee or the other Person then entitled to exercise the Option or portion thereof, stating that the Option or portion thereof is thereby exercised, such notice complying with all applicable rules established by the Committee;

(b) full payment of the aggregate Option Price for the Shares with respect to which such Option or portion thereof is exercised, pursuant to one or more of the following methods: (i) in cash (by check or wire transfer or a combination of the foregoing), or (ii) at the Optionee's election, a reduction in the number of Shares to be issued upon the exercise of the Option having an aggregate fair market value based on the FMV per Share on the date of exercise equal to such aggregate Option Price;

(c) a bona fide written representation and agreement, in a form satisfactory to the Committee, signed by the Optionee or other Person then entitled to exercise such Option or portion thereof, stating that the Shares are being acquired for the Optionee's own account, for investment and without any present intention of distributing or reselling said Shares or any of them except as may be permitted under the Securities Act;

(d) unless already delivered, a written instrument (a "Joinder") pursuant to which the Optionee agrees to be bound by the terms and conditions of the Stockholders Agreement, in form and substance reasonably satisfactory to the Company;

(e) full payment to the Company or any of its Affiliates, as applicable, of all amounts which, under federal, state, local and/or non-U.S. law, such entity is required to withhold upon exercise of the Option; provided, that, at the Optionee's election, such withholding obligation may be satisfied by the Company withholding from the Shares otherwise issuable to the Optionee that number of Shares having an aggregate fair market value based on the FMV per Share, determined as of the date the withholding tax obligation arises, equal to such withholding tax obligation (but in no event more than the minimum required tax withholding); and

(f) in the event the Option or portion thereof shall be exercised pursuant to Section 4.1 hereof by any Person or Persons other than the Optionee, appropriate proof of the right of such Person or Persons to exercise the Option.

Without limiting the generality of the foregoing, any subsequent transfer of Shares shall be subject to the terms and conditions of the Stockholders Agreement and the Committee may require an opinion of counsel acceptable to it to the effect that any subsequent transfer of Shares acquired on exercise of the Option does not violate the Securities Act, and may issue stop-transfer orders covering such Shares. The written representation and agreement referred to in subsection (c) above shall, however, not be required if the subsequent transfer of the Shares to be issued pursuant to such exercise has been registered under the Securities Act, and such registration is then effective in respect of such Shares.

Section 4.4. Conditions to Issuance of Shares

The Company shall not be required to record the ownership by the Optionee of Shares purchased upon the exercise of an Option or portion thereof prior to fulfillment of all of the following conditions:

(a) the obtaining of approval or other clearance from any federal, state, local or non-U.S. governmental agency which the Committee shall, in its reasonable and good faith discretion, determine to be necessary or advisable (and the Company agrees to use commercially reasonable efforts to seek such approval or other clearance);

(b) the lapse of such reasonable period of time following the exercise of the Option as the Committee may from time to time establish for reasons of administrative convenience (not to exceed three (3) business days) or as may otherwise be required by Applicable Law; and

(c) the execution and delivery of the Joinder by the Optionee to the extent the Optionee is not already party to the Stockholders Agreement.

Section 4.5. Rights as Stockholder

The Optionee shall not be, and shall not have any of the rights or privileges of, stockholders of the Company in respect of any Shares purchasable in connection with the Option or any portion thereof unless and until a book entry representing such Shares has been made on the books and records of the Company.

ARTICLE V
RESTRICTIVE COVENANTS

Section 5.1. Non- Competition

The Optionee shall not at any time during Employment directly or indirectly through an Affiliate or otherwise, own any direct or indirect interest in, manage, control, serve as a director of, participate in, consult with, render services for, or in any manner engage in any Competitive Business (as defined below). Notwithstanding the foregoing, the Optionee may own securities in any Competitive Business or affiliate of a Competitive Business that is a publicly held corporation, but only to the extent that such Optionee does not own, of record or beneficially, more than 1% (one percent) of the outstanding beneficial ownership of any such Competitive Business or affiliate. The parties intend that this non-competition provision shall be deemed to be a series of separate covenants, one for each and every county, state and political subdivision.

Section 5.2. Non-Disclosure of Confidential Information

The Optionee must maintain all “Confidential Information” (as defined below) in confidence and must not disclose any Confidential Information to anyone outside of the Company Group; and the Optionee must not at any time use any Confidential Information for the benefit of the Optionee or any third party. Nothing in this Agreement, however, prohibits the Optionee from: (1) disclosing any information (or taking any other action) in furtherance of the Optionee’s duties to the Company Group while employed by any member of the Company Group; or (2) disclosing Confidential Information to the extent required by law (after giving prompt notice to the Company in order that the Company Group may attempt to obtain a protective order or other assurance that confidential treatment shall be accorded to such information). Upon the Company’s request at any time, the Optionee must immediately deliver to the Company all tangible items in the Optionee’s possession or control that are or that contain Confidential Information, without keeping any copies.

Section 5.3. Non-Solicitation; No-Hire and Non-Interference

At all times during Employment and for the one-year period following termination of Employment for any reason or no reason (the "Restricted Period"), the Optionee covenants and agrees that the Optionee shall not, directly or indirectly, as an officer, director, employee, partner, stockholder, member, proprietor, consultant, joint venturer, investor or in any other capacity, (i) use any of the Company's Confidential Information to solicit any Persons who are customers of the Company Group, to purchase other than from the Company any goods or services sold by the Company Group relating to the Business or (ii) use any of the Company's Confidential Information to take any action to discourage any Persons who are, or within the one-year period immediately preceding the date of termination of Employment, were, suppliers of the Company Group, from doing business with the Company Group. In addition, at all times during Employment and the Restricted Period, the Optionee covenants and agrees that the Optionee shall not, directly or indirectly, as an officer, director, employee, partner, stockholder, member, proprietor, consultant, joint venturer, investor or in any other capacity, hire or solicit to perform services (as an employee, consultant or otherwise) or take any actions which are intended to persuade any termination of association with any member of the Company Group (as applicable) any Persons who are, or within the six (6) month period immediately preceding the solicitation were, employed by the Company Group; provided, however, that (A) solicitation or hiring by the Optionee or the Optionee's affiliates of an immediate family member of the Optionee shall not constitute a violation of this Section 5.3 and (B) general solicitations of employment published in a journal, newspaper or other publication of general circulation or listed on any internet job site and not specifically directed towards such employees shall not be deemed to constitute solicitation for purposes of this Section 5.3 and the hiring of any person as a result of such permitted solicitations shall not constitute a breach of this Section 5.3.

Section 5.4. Intellectual Property

(a) If the Optionee has created, invented, designed, developed, contributed to or improved any works of authorship, inventions, intellectual property, materials, documents or other work product (including without limitation, research, reports, software, databases, systems, applications, presentations, textual works, content, or audiovisual materials) ("Works"), either alone or with third parties, prior to the start of Optionee's Employment, that are relevant to or implicated by such Employment ("Prior Works"), the Optionee hereby grants the Company and its Affiliates a perpetual, non-exclusive, royalty-free, worldwide, assignable, sublicensable license under all rights and intellectual property rights (including rights under patent, industrial property, copyright, trademark, trade secret, unfair competition and related laws) therein for all purposes in connection with the Company and its Affiliate's current and future business.

(b) If the Optionee creates, invents, designs, develops, contributes to or improves any Works, either alone or with third parties, at any time during the Optionee's Employment and within the scope of such Employment and/or with the use of any Company (or its Affiliate's) resources ("Company Works"), the Optionee shall promptly and fully disclose such works to the Company and hereby irrevocably assigns, transfers, and conveys, to the

maximum extent permitted by applicable law, all rights and intellectual property rights therein (including rights under patent, industrial property, copyright, trademark, trade secret, unfair competition and related laws) to the Company and its Affiliates to the extent ownership of any such rights does not vest originally in the Company or its Affiliates. The Optionee agrees to keep and maintain adequate and current written records (in the form of notes, sketches, drawings, and any other form or media requested by the Company) of all Company Works. The records will be available to and remain the sole property and intellectual property of the Company and its Affiliates at all times.

(c) The Optionee shall take all requested actions and execute all requested documents (including any licenses or assignments required by a government contract) at the Company's expense (but without further remuneration) to assist the Company in validating, maintaining, protecting, enforcing, perfecting, recording, patenting or registering any of the Company's or its Affiliate's rights in the Prior Works and Company Works. If the Company is unable for any reason to secure the Optionee's signature on any document for this purpose, then the Optionee hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Optionee's agent and attorney-in-fact, to act for and on the Optionee's behalf to execute any documents and to do all other lawfully permitted acts in connection with the foregoing.

Section 5.5. Reasonableness of Restrictions

By virtue of the Optionee's Employment, the Optionee acknowledges that, during the period of Employment, the Optionee will have access to the Confidential Information, will meet and develop relationships with the Company Group's potential and existing customers, and will receive specialized training in, and knowledge of, the Business. The Optionee specifically acknowledges and agrees that the time, geographic and activity restrictions (as applicable) set forth in this Article V are reasonable and properly required for the protection of the Company Group. Should a court of competent jurisdiction or arbitrator determine that the duration or geographical extent of, or business activities covered by, any provision of this Article V be in excess of that which is found to be valid and enforceable under applicable law, then such provision shall be reformed to cover only that duration, extent or activities which is considered valid and enforceable. In the event that such provision is deemed incapable of reformation, such invalid or unenforceable part of such provision shall be considered deleted from this Agreement and the remainder of such provision and of this Agreement shall be unaffected and shall continue in full force and effect. To the extent any provision of this Agreement shall be declared invalid or unenforceable for any reason in any jurisdiction, this Agreement (or provision thereof) shall remain valid and enforceable in each other jurisdiction where it applies.

Section 5.6. Effect of Optionee's Employment Agreement and Restrictive Covenant Agreement

Notwithstanding anything contained in this Article V to the contrary, if the Optionee is subject to a more restrictive non-competition, non-disclosure, non-solicitation, non-interference, or non-disparagement covenant in any Employment Agreement or other restrictive covenant agreement, the most restrictive of such non-competition, non-disclosure, non-solicitation, non-interference, or non-disparagement covenant shall apply; it being understood that the activities which the Optionee is prohibited from engaging in contained herein or in such other Employment Agreement or other restrictive covenant agreement shall be deemed to apply for purposes of this Agreement.

Section 5.7. Definitions

For purposes of this Agreement:

(a) "Closing Date" means October 7, 2014, which was the Closing Date as defined under the Agreement and Plan of Merger by and among GOPB Holding, Inc., Globe Holding Corp. (formerly known as Cannery Sales Holding Corp.), Globe Merger Corp. (formerly known as Cannery Sales Merger Corp.), and BSR LLC, dated as of September 13, 2014, as amended.

(b) "Company Group" means individually and collectively the Company and its Affiliates.

(c) "Competing Grocery Store" means any grocery store, mass merchandise or other store (excluding any convenience store with limited grocery offerings such as a gas station or Seven Eleven store but, for the avoidance of doubt, including Walmart Neighborhood Stores, Aldi and similar stores) that sells (x) discount groceries, or (y) grocery merchandise sourced through opportunistic buying, in each case, that is located within five (5) miles of any grocery store operated by the Company or its subsidiaries or by a Grocery Outlet independent operator as of the Closing Date.

(d) "Competitive Business" means any business, person or entity that, together with its Subsidiaries, directly or indirectly, (a) owns, operates or franchises one or more Competing Grocery Stores (b) sells merchandise through consignment, independent operator or similar arrangement to one or more Competing Grocery Stores, (c) distributes primarily grocery merchandise to one or more Competing Grocery Stores, (d) licenses any trademark or brand for use by one or more Competing Grocery Stores, or (e) otherwise engages in the business of operating or developing one or more Competing Grocery Stores.

(e) "Confidential Information" means proprietary and confidential information regarding the Company Group that is not generally available to the public, including (to the extent that it is not so generally available): (1) information regarding the Company Group's business, operations, financial condition, customers, vendors, sales representatives and other employees; (2) projections, budgets and business plans regarding the Company Group; (3) information regarding the Company Group's planned or pending acquisitions, divestitures or other business combinations; (4) the Company Group's trade secrets and proprietary information; and (5) the Company Group's technical information, discoveries, inventions, improvements, techniques, processes, business methods, equipment, algorithms, software programs, software source documents and formulae. For purposes of the preceding sentence, information is not treated as being generally available to the public if it is made public by the Optionee in violation of this Agreement.

(f) "Employment Agreement" shall mean the employment, severance, change in control, consulting or other similar agreement, if any, specifying the terms of a Participant's Employment by the Company or one of its Affiliates.

(g) "Fair Market Value" has the meaning as defined under the Plan; provided, however, that the application of such definition shall apply not only to Common Stock, but also to Marketable Securities.

(h) "Final Measurement Date" shall mean the first to occur of (i) a Change in Control or (ii) the first time following an Initial Public Offering at which H&F Stockholders hold less than 10% of the issued and outstanding common stock of the Company for a period of thirty (30) consecutive trading days (a "Sell Down Event").

(i) "H&F Stockholders" shall have the meaning set forth in the Stockholders Agreement.

(j) "IRR" shall mean a pre-tax, internal rate of return, determined on the basis of monthly compounding, with respect to the Transaction Date Investment and any subsequent investments by the H&F Stockholders in Shares based on amounts received (or deemed received) through a Measurement Date by the H&F Stockholders, using a calculation methodology consistent with the calculation methodology used by the H&F Stockholders for the purpose of reporting gross internal rate of return to their limited partner investors, except as otherwise provided herein. For these purposes, IRR shall take into account only (i) proceeds, dividends or distributions (in each case, whether cash or non-cash) ("Proceeds") actually received by the H&F Stockholders (inclusive of any amounts reduced as a result of required withholding taxes) in respect of their Shares after the Closing Date (which for the avoidance of doubt will not include Shares received in respect of any dividend of Shares, stock split or similar event or the receipt of Holdco Securities in accordance with Section 2.10 of the Stockholders Agreement, but such Shares shall continue to be treated as held by the H&F Stockholders for purposes of calculating IRR), and (ii) any LP Distributions made after the Closing Date; provided, however, that, in connection with a Sell Down Event, the amounts realized by the H&F Stockholders for purposes of measuring IRR shall be deemed to include both Proceeds actually received in respect of the Shares through and including the Sell Down Event together with the value of any Shares then held by the H&F Stockholders immediately following the Sell Down Event, with such share valuation determined based on the 20-day trailing average closing trading price for such shares ending on the date of such Sell Down Event or, if such 20-day trailing average closing trading price is not available, at fair market value. For purposes herein, all non-cash Proceeds shall be valued at their fair market value, as determined in good faith by the Board. For the avoidance of doubt, the transfer of Shares to a Permitted Transferee (as defined in the Stockholders Agreement) of an H&F Stockholder shall not be deemed to give rise to the receipt of any proceeds by the H&F Stockholders or be deemed to be an LP Distribution, in each case, unless such transfer is for cash or securities that are freely tradeable on the New York Stock Exchange or Nasdaq stock market without restriction (excluding, for the avoidance of doubt, any securities received pursuant to a transaction of the type contemplated in Section 2.10 of the Stockholders Agreement) or covered by Section 2.4 of the Stockholders Agreement, and unless such transfer is for cash or securities that are freely tradeable on the New York Stock Exchange or Nasdaq stock market without restriction (excluding, for the avoidance of doubt, any

securities received pursuant to a transaction of the type contemplated in Section 2.10 of the Stockholders Agreement) or covered by Section 2.4 of the Stockholders Agreement, such Shares transferred shall continue to be treated as held by the H&F Stockholders for purposes of calculating IRR.

(k) "LP Distribution" means a distribution of shares of Common Stock by the H&F Stockholders to their limited partner investors, with the value of such shares of Common Stock being deemed to equal their average closing prices, as reported by The Wall Street Journal, for the 10 trading days before and 10 trading days after, the date of the LP Distribution or otherwise at fair market value.

(l) "Marketable Securities" shall have the meaning set forth in the Stockholders Agreement.

(m) "Measurement Date" means (i) prior to the occurrence of a Change in Control, each date upon which the H&F Stockholders receive Proceeds or (ii) the Final Measurement Date.

(n) "Qualifying Termination" means a termination of your employment (i) by the Company without "Cause", (ii) by you for "Good Reason" or (iii) due to your death or "Disability" (as such terms are defined under the Retention Agreement).

(o) "Tail Period" means the six month period following the date of a Qualifying Termination or, if shorter, the period from the date of a Qualifying Termination until the Expiration Date.

(p) "Transaction Date Investment" means the aggregate value of shares of Common Stock held by the H&F Stockholders as of the Closing Date.

Section 6.1. Administration

The Committee shall have the power to interpret the Plan and this Agreement and to adopt such rules for the administration, interpretation and application of the Plan as are consistent therewith and to interpret or revoke any such rules. All actions taken and all interpretations and determinations made by the Committee shall be taken in good faith and shall be final and binding upon the Optionee, the Company and all other interested persons. No member of the Committee shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan or the Option. In its absolute discretion, the Board may at any time, and from time to time, exercise any and all rights and duties of the Committee under the Plan and this Agreement.

Section 6.2. Option Not Transferable

Except as otherwise permitted by the Committee in writing or provided in the Stockholders Agreement, neither the Option nor any interest or right therein or part thereof shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or

any other means whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect; provided, however, that, to the extent permitted by Applicable Law, this Section 6.2 shall not prevent transfers by will or by the Applicable Laws of descent and distribution.

Section 6.3. Titles; Interpretation

Titles are provided herein for convenience only and are not to serve as a basis for interpretation or construction of this Agreement. Defined terms used in this Agreement shall apply equally to both the singular and plural forms thereof. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include”, “includes” and “including” shall be deemed to be followed by the phrase “without limitation”. The term “hereunder” shall mean this entire Agreement as a whole unless reference to a specific section or provision of this Agreement is made. Any reference to a section, subsection and provision is to this Agreement unless otherwise specified.

Section 6.4. Applicability of the Plan and the Stockholders Agreement

The Option and the Shares issued to the Optionee upon exercise of the Option shall be subject to all of the terms and provisions of the Plan and the Stockholders Agreement, to the extent applicable to the Option and such Shares. In the event of any conflict between this Agreement and the Plan, the terms of the Plan shall control. In the event of any conflict between this Agreement or the Plan and the Stockholders Agreement, the terms of the Stockholders Agreement shall control.

Section 6.5. 83(b) Election

If any Shares acquired upon exercise of the Option are subject to a “substantial risk of forfeiture” (within the meaning of Treasury Regulation Section 1.83-3(c)) immediately following such exercise, and the Optionee determines to file an election pursuant to Treasury Regulation Section 1.83-2 with respect to such Shares, the Optionee will furnish the Company with a copy of such filed election no later than 30 days after the date of such exercise.

Section 6.6. Notices

Any notice to be given to the Company pursuant to the provisions of the Plan or this Agreement shall be given by personal delivery, by telecopier or similar facsimile means, by registered or certified first-class U.S. mail, return receipt requested and postage prepaid, or by express courier or recognized overnight delivery service, charges prepaid. If directed to the Company, any such notice shall be addressed to the Company’s principal executive office, to the Company’s Secretary, or to such other address, person or telecopier number as the Company may designate from time to time. If directed to the Optionee, any such notice or communication shall be addressed to him or her at the most recent address of the Optionee on file with the Company. By a notice given pursuant to this Section 6.6, either party may hereafter designate a different address for notices to be given to that party. Any notice which is required to be given to the Optionee, shall, if the Optionee is then deceased, be given to the Optionee’s personal representative if such representative has previously informed the Company of the

representative's status and address by written notice under this Section 6.6. Any notice shall be deemed given: (a) when delivered personally to the recipient; (b) when received, if sent by telecopy or similar facsimile means (confirmation of such receipt by confirmed facsimile transmission being deemed receipt of communications sent by telecopy or other facsimile means); (c) on the date five days after the date mailed, if sent by registered or certified first-class U.S. mail, return receipt requested and postage prepaid; and (d) when delivered (or upon the date of attempted delivery where delivery is refused), if sent by express courier or recognized overnight delivery service, charges prepaid. Whenever the giving of notice is required pursuant to the provisions of the Plan or this Agreement, the giving of such notice may be waived by the party entitled to receive such notice.

Section 6.7. Resolution of Disputes

Any dispute or disagreement which may arise under, or as a result of, or which may in any way relate to, the interpretation, construction or application of this Agreement shall be determined by the Committee, in good faith, whose determination shall be final, binding and conclusive for all purposes.

Section 6.8. No Representations or Warranties

The Company makes no representations or warranties as to the income, estate or other tax consequences to the Optionee of the grant or exercise of the Option or the sale or other disposition of the Shares acquired pursuant to the exercise thereof.

Section 6.9. Submission to Jurisdiction

Each of the Company and the Optionee (i) consents to submit itself to the exclusive personal jurisdiction and venue of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (unless the Delaware Court of Chancery shall decline to accept jurisdiction over a particular matter, in which case, in any Delaware state or federal court within the State of Delaware) with respect to any suit (whether at law, in equity, in contract, in tort or otherwise) relating to or arising out of this Agreement or any of the transactions contemplated hereby, (ii) agrees that it will not, directly or indirectly, attempt to defeat or deny such personal jurisdiction or venue by motion or otherwise, (iii) agrees that it will not, and it will cause its Affiliates not to, bring or support any such suit in any court other than such courts of the State of Delaware, as described above, (iv) irrevocably agrees that any such suit (whether at law, in equity, in contract, in tort or otherwise) shall be heard and determined exclusively in such courts of the State of Delaware, as described above, (v) agrees to service of process in any such action in any manner prescribed by the laws of the State of Delaware and (vi) agrees that service of process upon such party in any action or proceeding shall be effective if notice is given in accordance with Section 6.6 hereof.

Section 6.10. Enforcement

The Company and the Optionee agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce

specifically the terms and provisions of this Agreement, in addition to any other remedy to which they are entitled at law or in equity. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available under applicable law. Each of the parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief as provided herein on the basis that (i) either party has an adequate remedy at law or (ii) an award of specific performance is not an appropriate remedy for any reason at law or equity. Any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

Section 6.11. Arbitration

In the event of any controversy among the parties hereto arising out of, or relating to, this Agreement (other than any claim seeking injunctive relief pursuant to Section 6.10), which cannot be settled amicably by the parties, such controversy shall be finally, exclusively, and conclusively settled by mandatory arbitration conducted expeditiously in accordance with the American Arbitration Association rules by a single independent arbitrator. Such arbitration process shall take place within 50 miles of the Company's principal executive offices. The decision of the arbitrator shall be final and binding upon all parties hereto and shall be rendered pursuant to a written decision, which contains a detailed recital of the arbitrator's reasoning. Judgment upon the award rendered may be entered in any court having jurisdiction thereof.

Section 6.12. Governing Law

This Agreement shall be governed in all respects by the laws of the State of Delaware, without regard to conflicts of law principles thereof.

GLOBE HOLDING CORP.
2014 EQUITY INCENTIVE PLAN

AMENDED AND RESTATED
PERFORMANCE VESTING STOCK OPTION AGREEMENT

ARTICLE I
DEFINITIONS

Capitalized terms not otherwise defined in this Stock Option Agreement (this "Agreement") shall have the same meaning set forth in the Globe Holding Corp. 2014 Stock Incentive Plan, as amended from time to time ("Plan").

ARTICLE II
GRANT OF OPTIONS

Section 2.1. Grant of Options

Pursuant to the Stock Option Grant Notice ("Grant Notice") and this Agreement, Globe Holding Corp. (the "Company") has granted to the Optionee identified in the Grant Notice an Option under the Plan to purchase the number of Shares indicated in the Grant Notice, subject to the adjustments as set forth in Section 2.4 hereof. For the avoidance of doubt, the terms and conditions of the Grant Notice are a part of the Agreement, unless otherwise specified.

Section 2.2. Option Price

The per Share Option Price of the Shares covered by the Option is indicated in the Grant Notice, subject to the adjustments as set forth in Section 2.4 hereof.

Section 2.3. No Guarantee of Employment

Nothing in this Agreement or in the Plan shall confer upon the Optionee any right to continue in the employ or service of the Company or any Subsidiary or Affiliate thereof, or shall interfere with or restrict in any way the rights of the Company and its Subsidiaries and Affiliates, which are hereby expressly reserved, to terminate the Employment of the Optionee at any time for any reason whatsoever, with or without Cause, subject to the applicable provisions, if any, of the Optionee's Employment Agreement (if any such agreement is in effect at the time of such termination).

Section 2.4. Adjustments to Option

The Option shall be subject to the provisions of Section 9 of the Plan. Notwithstanding Section 9 of the Plan, in the event of an extraordinary cash dividend or distribution to stockholders, the Options will be equitably adjusted by the Committee in one of the following ways: (1) reduction in the Option exercise price, (2) paying a dividend equivalent payment to the Optionee (which for unvested Options may be held back until the Option vests), (3) adjusting the Option exercise price and number of Options on the basis of a deemed stock split based on the Fair Market Value of a Share, (4) any other action consented to by the Optionee or (5) any combination of the foregoing. Any determinations made by the Committee under this Section 2.4 shall be final and binding upon the Optionee, the Company and all other interested Persons.

ARTICLE III
PERIOD OF VESTING AND EXERCISABILITY

Section 3.1. Vesting and Commencement of Exercisability

(a) Performance Criteria. Subject to the limitations contained herein, the Shares subject to the Option will vest and become exercisable (to the extent not already vested) on each Measurement Date as follows:

(i) 0% if the IRR is less than 20%;

(ii) 50% if the IRR is 20%;

(iii) 50-100%, using linear interpolation, if the IRR is between 20% and 30%; and

(iv) 100% if the IRR is greater than or equal to 30%;

Upon the occurrence of the Final Measurement Date, the IRR shall be measured for the final time and any portion of the Option that does not vest at such time shall be forfeited without consideration to the Optionee and cease to be exercisable.

(b) Effect of Termination of Employment on Eligibility of Shares to Vest. No portion of the Option shall vest and become exercisable as to any additional Shares following the termination of the Optionee's Employment for any reason, and the portion of the Option that is unvested and unexercisable as of the date of such termination shall immediately expire without consideration or payment therefor.

(c) In the event that the Option has not become vested on or prior to the date of the Optionee's Qualifying Termination, then the Option shall remain outstanding and eligible to vest during the Tail Period in the event that a greater IRR performance vesting hurdle is achieved in connection with any Measurement Date that occurs within such Tail Period, and the Option shall remain exercisable following any vesting date that occurs during the Tail Period for the same duration (as determined under Section 3.2) as if the Optionee's Employment terminated on such vesting date. If no greater IRR performance vesting hurdle is achieved as described in this Section 3.1(c) during such Tail Period, the Option shall terminate as of the end of the Tail Period.

Section 3.2. Expiration of Option

The Optionee may not exercise any portion of the Option after its term expires. Subject to the provisions of the Plan and this Agreement, the Optionee may exercise all or any part of the vested portion of the Option at any time prior to the earliest to occur of:

(a) the Expiration Date indicated in the Grant Notice;

(b) the date on which the Optionee's Employment is terminated by the Company or any of its Affiliates for Cause, or the date on which the Optionee breaches any of the restrictive covenants set forth in Article V hereof or any other restrictive covenant agreement between the Optionee and the Company or any of its Affiliates;

(c) the one (1)-year anniversary of the date of any termination of Employment due to the Optionee's death or Disability; or

(d) the ninetieth (90th) day immediately following the date on which the Optionee's Employment is terminated for any reason other than by the Company or any of its Affiliates for Cause or due to the Optionee's death or Disability.

ARTICLE IV
EXERCISE OF OPTION

Section 4.1. Person Eligible to Exercise

Except as otherwise permitted by the Committee in writing or provided in the Stockholders Agreement, the Optionee is the only Person that may exercise the exercisable portion of the Option, unless and until the Optionee dies or suffers a Disability. After the Disability or death of the Optionee, the exercisable portion of the Option may, prior to the time when the Option becomes unexercisable under Section 3.2 hereof, be exercised by the Optionee's personal representative, guardian or by any person empowered to do so under the Optionee's will or under the then Applicable Laws of descent and distribution.

Section 4.2. Partial Exercise

Any exercisable portion of an Option or the entire Option, if then wholly exercisable, may be exercised in whole or in part at any time prior to the time when the Option or portion thereof becomes unexercisable under Section 3.2 hereof; provided, that any partial exercise shall be for whole Shares only.

Section 4.3. Manner of Exercise

Any exercisable portion of the Option may be exercised solely by delivering to the Office of the Secretary of the Company at the Company's principal office, all of the following prior to the time when the Option or such portion becomes unexercisable under Section 3.2 hereof:

(a) notice in writing signed by the Optionee or the other Person then entitled to exercise the Option or portion thereof, stating that the Option or portion thereof is thereby exercised, such notice complying with all applicable rules established by the Committee;

(b) full payment of the aggregate Option Price for the Shares with respect to which such Option or portion thereof is exercised, pursuant to one or more of the following methods: (i) in cash (by check or wire transfer or a combination of the foregoing), or (ii) at the Optionee's election, a reduction in the number of Shares to be issued upon the exercise of the Option having an aggregate fair market value based on the FMV per Share on the date of exercise equal to such aggregate Option Price;

(c) a bona fide written representation and agreement, in a form satisfactory to the Committee, signed by the Optionee or other Person then entitled to exercise such Option or portion thereof, stating that the Shares are being acquired for the Optionee's own account, for investment and without any present intention of distributing or reselling said Shares or any of them except as may be permitted under the Securities Act;

(d) unless already delivered, a written instrument (a "Joinder") pursuant to which the Optionee agrees to be bound by the terms and conditions of the Stockholders Agreement, in form and substance reasonably satisfactory to the Company;

(e) full payment to the Company or any of its Affiliates, as applicable, of all amounts which, under federal, state, local and/or non-U.S. law, such entity is required to withhold upon exercise of the Option; provided, that, at the Optionee's election, such withholding obligation may be satisfied by the Company withholding from the Shares otherwise issuable to the Optionee that number of Shares having an aggregate fair market value based on the FMV per Share, determined as of the date the withholding tax obligation arises, equal to such withholding tax obligation (but in no event more than the minimum required tax withholding); and

(f) in the event the Option or portion thereof shall be exercised pursuant to Section 4.1 hereof by any Person or Persons other than the Optionee, appropriate proof of the right of such Person or Persons to exercise the Option.

Without limiting the generality of the foregoing, any subsequent transfer of Shares shall be subject to the terms and conditions of the Stockholders Agreement and the Committee may require an opinion of counsel acceptable to it to the effect that any subsequent transfer of Shares acquired on exercise of the Option does not violate the Securities Act, and may issue stop-transfer orders covering such Shares. The written representation and agreement referred to in subsection (c) above shall, however, not be required if the subsequent transfer of the Shares to be issued pursuant to such exercise has been registered under the Securities Act, and such registration is then effective in respect of such Shares.

Section 4.4. Conditions to Issuance of Shares

The Company shall not be required to record the ownership by the Optionee of Shares purchased upon the exercise of an Option or portion thereof prior to fulfillment of all of the following conditions:

(a) the obtaining of approval or other clearance from any federal, state, local or non-U.S. governmental agency which the Committee shall, in its reasonable and good faith discretion, determine to be necessary or advisable (and the Company agrees to use commercially reasonable efforts to seek such approval or other clearance);

(b) the lapse of such reasonable period of time following the exercise of the Option as the Committee may from time to time establish for reasons of administrative convenience (not to exceed three (3) business days) or as may otherwise be required by Applicable Law; and

(c) the execution and delivery of the Joinder by the Optionee to the extent the Optionee is not already party to the Stockholders Agreement.

Section 4.5. Rights as Stockholder

The Optionee shall not be, and shall not have any of the rights or privileges of, stockholders of the Company in respect of any Shares purchasable in connection with the Option or any portion thereof unless and until a book entry representing such Shares has been made on the books and records of the Company.

ARTICLE V
RESTRICTIVE COVENANTS

Section 5.1. Non-Competition

The Optionee shall not at any time during Employment directly or indirectly through an Affiliate or otherwise, own any direct or indirect interest in, manage, control, serve as a director of, participate in, consult with, render services for, or in any manner engage in any Competitive Business (as defined below). Notwithstanding the foregoing, the Optionee may own securities in any Competitive Business or affiliate of a Competitive Business that is a publicly held corporation, but only to the extent that such Optionee does not own, of record or beneficially, more than 1% (one percent) of the outstanding beneficial ownership of any such Competitive Business or affiliate. The parties intend that this non-competition provision shall be deemed to be a series of separate covenants, one for each and every county, state and political subdivision.

Section 5.2. Non-Disclosure of Confidential Information

The Optionee must maintain all “Confidential Information” (as defined below) in confidence and must not disclose any Confidential Information to anyone outside of the Company Group; and the Optionee must not at any time use any Confidential Information for the benefit of the Optionee or any third party. Nothing in this Agreement, however, prohibits the Optionee from: (1) disclosing any information (or taking any other action) in furtherance of the Optionee’s duties to the Company Group while employed by any member of the Company Group; or (2) disclosing Confidential Information to the extent required by law (after giving prompt notice to the Company in order that the Company Group may attempt to obtain a protective order or other assurance that confidential treatment shall be accorded to such information). Upon the Company’s request at any time, the Optionee must immediately deliver to the Company all tangible items in the Optionee’s possession or control that are or that contain Confidential Information, without keeping any copies.

Section 5.3. Non-Solicitation; No-Hire and Non-Interference

At all times during Employment and for the one-year period following termination of Employment for any reason or no reason (the "Restricted Period"), the Optionee covenants and agrees that the Optionee shall not, directly or indirectly, as an officer, director, employee, partner, stockholder, member, proprietor, consultant, joint venturer, investor or in any other capacity, (i) use any of the Company's Confidential Information to solicit any Persons who are customers of the Company Group, to purchase other than from the Company any goods or services sold by the Company Group relating to the Business or (ii) use any of the Company's Confidential Information to take any action to discourage any Persons who are, or within the one-year period immediately preceding the date of termination of Employment, were, suppliers of the Company Group, from doing business with the Company Group. In addition, at all times during Employment and the Restricted Period, the Optionee covenants and agrees that the Optionee shall not, directly or indirectly, as an officer, director, employee, partner, stockholder, member, proprietor, consultant, joint venturer, investor or in any other capacity, hire or solicit to perform services (as an employee, consultant or otherwise) or take any actions which are intended to persuade any termination of association with any member of the Company Group (as applicable) any Persons who are, or within the six (6) month period immediately preceding the solicitation were, employed by the Company Group; provided, however, that (A) solicitation or hiring by the Optionee or the Optionee's affiliates of an immediate family member of the Optionee shall not constitute a violation of this Section 5.3 and (B) general solicitations of employment published in a journal, newspaper or other publication of general circulation or listed on any internet job site and not specifically directed towards such employees shall not be deemed to constitute solicitation for purposes of this Section 5.3 and the hiring of any person as a result of such permitted solicitations shall not constitute a breach of this Section 5.3.

Section 5.4. Intellectual Property

(a) If the Optionee has created, invented, designed, developed, contributed to or improved any works of authorship, inventions, intellectual property, materials, documents or other work product (including without limitation, research, reports, software, databases, systems, applications, presentations, textual works, content, or audiovisual materials) ("Works"), either alone or with third parties, prior to the start of Optionee's Employment, that are relevant to or implicated by such Employment ("Prior Works"), the Optionee hereby grants the Company and its Affiliates a perpetual, non-exclusive, royalty-free, worldwide, assignable, sublicensable license under all rights and intellectual property rights (including rights under patent, industrial property, copyright, trademark, trade secret, unfair competition and related laws) therein for all purposes in connection with the Company and its Affiliate's current and future business.

(b) If the Optionee creates, invents, designs, develops, contributes to or improves any Works, either alone or with third parties, at any time during the Optionee's Employment and within the scope of such Employment and/or with the use of any Company (or its Affiliate's) resources ("Company Works"), the Optionee shall promptly and fully disclose such works to the Company and hereby irrevocably assigns, transfers, and conveys, to the

maximum extent permitted by applicable law, all rights and intellectual property rights therein (including rights under patent, industrial property, copyright, trademark, trade secret, unfair competition and related laws) to the Company and its Affiliates to the extent ownership of any such rights does not vest originally in the Company or its Affiliates. The Optionee agrees to keep and maintain adequate and current written records (in the form of notes, sketches, drawings, and any other form or media requested by the Company) of all Company Works. The records will be available to and remain the sole property and intellectual property of the Company and its Affiliates at all times.

(c) The Optionee shall take all requested actions and execute all requested documents (including any licenses or assignments required by a government contract) at the Company's expense (but without further remuneration) to assist the Company in validating, maintaining, protecting, enforcing, perfecting, recording, patenting or registering any of the Company's or its Affiliate's rights in the Prior Works and Company Works. If the Company is unable for any reason to secure the Optionee's signature on any document for this purpose, then the Optionee hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Optionee's agent and attorney-in-fact, to act for and on the Optionee's behalf to execute any documents and to do all other lawfully permitted acts in connection with the foregoing.

Section 5.5. Reasonableness of Restrictions

By virtue of the Optionee's Employment, the Optionee acknowledges that, during the period of Employment, the Optionee will have access to the Confidential Information, will meet and develop relationships with the Company Group's potential and existing customers, and will receive specialized training in, and knowledge of, the Business. The Optionee specifically acknowledges and agrees that the time, geographic and activity restrictions (as applicable) set forth in this Article V are reasonable and properly required for the protection of the Company Group. Should a court of competent jurisdiction or arbitrator determine that the duration or geographical extent of, or business activities covered by, any provision of this Article V be in excess of that which is found to be valid and enforceable under applicable law, then such provision shall be reformed to cover only that duration, extent or activities which is considered valid and enforceable. In the event that such provision is deemed incapable of reformation, such invalid or unenforceable part of such provision shall be considered deleted from this Agreement and the remainder of such provision and of this Agreement shall be unaffected and shall continue in full force and effect. To the extent any provision of this Agreement shall be declared invalid or unenforceable for any reason in any jurisdiction, this Agreement (or provision thereof) shall remain valid and enforceable in each other jurisdiction where it applies.

Section 5.6. Effect of Optionee's Employment Agreement and Restrictive Covenant Agreement

Notwithstanding anything contained in this Article V to the contrary, if the Optionee is subject to a more restrictive non-competition, non-disclosure, non-solicitation, non-interference, or non-disparagement covenant in any Employment Agreement or other restrictive covenant agreement, the most restrictive of such non-competition, non-disclosure, non-solicitation, non-interference, or non-disparagement covenant shall apply; it being understood

that the activities which the Optionee is prohibited from engaging in contained herein or in such other Employment Agreement or other restrictive covenant agreement shall be deemed to apply for purposes of this Agreement.

Section 5.7. Definitions

For purposes of this Agreement:

(a) "Closing Date" means October 7, 2014, which was the Closing Date as defined under the Agreement and Plan of Merger by and among GOPB Holding, Inc., Globe Holding Corp. (formerly known as Cannery Sales Holding Corp.), Globe Merger Corp. (formerly known as Cannery Sales Merger Corp.), and BSR LLC, dated as of September 13, 2014, as amended.

(b) "Company Group" means individually and collectively the Company and its Affiliates.

(c) "Competing Grocery Store" means any grocery store, mass merchandise or other store (excluding any convenience store with limited grocery offerings such as a gas station or Seven Eleven store but, for the avoidance of doubt, including Walmart Neighborhood Stores, Aldi and similar stores) that sells (x) discount groceries, or (y) grocery merchandise sourced through opportunistic buying, in each case, that is located within five (5) miles of any grocery store operated by the Company or its subsidiaries or by a Grocery Outlet independent operator as of the Closing Date.

(d) "Competitive Business" means any business, person or entity that, together with its Subsidiaries, directly or indirectly, (a) owns, operates or franchises one or more Competing Grocery Stores (b) sells merchandise through consignment, independent operator or similar arrangement to one or more Competing Grocery Stores, (c) distributes primarily grocery merchandise to one or more Competing Grocery Stores, (d) licenses any trademark or brand for use by one or more Competing Grocery Stores, or (e) otherwise engages in the business of operating or developing one or more Competing Grocery Stores.

(e) "Confidential Information" means proprietary and confidential information regarding the Company Group that is not generally available to the public, including (to the extent that it is not so generally available): (1) information regarding the Company Group's business, operations, financial condition, customers, vendors, sales representatives and other employees; (2) projections, budgets and business plans regarding the Company Group; (3) information regarding the Company Group's planned or pending acquisitions, divestitures or other business combinations; (4) the Company Group's trade secrets and proprietary information; and (5) the Company Group's technical information, discoveries, inventions, improvements, techniques, processes, business methods, equipment, algorithms, software programs, software source documents and formulae. For purposes of the preceding sentence, information is not treated as being generally available to the public if it is made public by the Optionee in violation of this Agreement.

(f) "Employment Agreement" shall mean the employment, severance, change in control, consulting or other similar agreement, if any, specifying the terms of a Participant's Employment by the Company or one of its Affiliates.

(g) "Fair Market Value" has the meaning as defined under the Plan; provided, however, that the application of such definition shall apply not only to Common Stock, but also to Marketable Securities.

(h) "Final Measurement Date" shall mean the first to occur of (i) a Change in Control or (ii) the first time following an Initial Public Offering at which H&F Stockholders hold less than 10% of the issued and outstanding common stock of the Company for a period of thirty (30) consecutive trading days (a "Sell Down Event").

(i) "H&F Stockholders" shall have the meaning set forth in the Stockholders Agreement.

(j) "IRR" shall mean a pre-tax, internal rate of return, determined on the basis of monthly compounding, with respect to the Transaction Date Investment and any subsequent investments by the H&F Stockholders in Shares based on amounts received (or deemed received) through a Measurement Date by the H&F Stockholders, using a calculation methodology consistent with the calculation methodology used by the H&F Stockholders for the purpose of reporting gross internal rate of return to their limited partner investors, except as otherwise provided herein. For these purposes, IRR shall take into account only (i) proceeds, dividends or distributions (in each case, whether cash or non-cash) ("Proceeds") actually received by the H&F Stockholders (inclusive of any amounts reduced as a result of required withholding taxes) in respect of their Shares after the Closing Date (which for the avoidance of doubt will not include Shares received in respect of any dividend of Shares, stock split or similar event or the receipt of Holdco Securities in accordance with Section 2.10 of the Stockholders Agreement, but such Shares shall continue to be treated as held by the H&F Stockholders for purposes of calculating IRR), and (ii) any LP Distributions made after the Closing Date; provided, however, that, in connection with a Sell Down Event, the amounts realized by the H&F Stockholders for purposes of measuring IRR shall be deemed to include both Proceeds actually received in respect of the Shares through and including the Sell Down Event together with the value of any Shares then held by the H&F Stockholders immediately following the Sell Down Event, with such share valuation determined based on the 20-day trailing average closing trading price for such shares ending on the date of such Sell Down Event or, if such 20-day trailing average closing trading price is not available, at fair market value. For purposes herein, all non-cash Proceeds shall be valued at their fair market value, as determined in good faith by the Board. For the avoidance of doubt, the transfer of Shares to a Permitted Transferee (as defined in the Stockholders Agreement) of an H&F Stockholder shall not be deemed to give rise to the receipt of any proceeds by the H&F Stockholders or be deemed to be an LP Distribution, in each case, unless such transfer is for cash or securities that are freely tradeable on the New York Stock Exchange or Nasdaq stock market without restriction (excluding, for the avoidance of doubt, any securities received pursuant to a transaction of the type contemplated in Section 2.10 of the Stockholders Agreement) or covered by Section 2.4 of the Stockholders Agreement, and unless such transfer is for cash or securities that are freely tradeable on the New York Stock Exchange or Nasdaq stock market without restriction (excluding, for the avoidance of doubt, any

securities received pursuant to a transaction of the type contemplated in Section 2.10 of the Stockholders Agreement) or covered by Section 2.4 of the Stockholders Agreement, such Shares transferred shall continue to be treated as held by the H&F Stockholders for purposes of calculating IRR.

(k) "LP Distribution" means a distribution of shares of Common Stock by the H&F Stockholders to their limited partner investors, with the value of such shares of Common Stock being deemed to equal their average closing prices, as reported by The Wall Street Journal, for the 10 trading days before and 10 trading days after, the date of the LP Distribution or otherwise at fair market value.

(l) "Marketable Securities" shall have the meaning set forth in the Stockholders Agreement.

(m) "Measurement Date" means (i) prior to the occurrence of a Change in Control, each date upon which the H&F Stockholders receive Proceeds or (ii) the Final Measurement Date.

(n) "Qualifying Termination" means a termination of your employment (i) by the Company without "Cause", (ii) by you for "Good Reason" or (iii) due to your death or "Disability" (as such terms are defined under the Retention Agreement).

(o) "Tail Period" means the six month period following the date of a Qualifying Termination or, if shorter, the period from the date of a Qualifying Termination until the Expiration Date.

(p) "Transaction Date Investment" means the aggregate value of shares of Common Stock held by the H&F Stockholders as of the Closing Date.

ARTICLE VI
MISCELLANEOUS

Section 6.1. Administration

The Committee shall have the power to interpret the Plan and this Agreement and to adopt such rules for the administration, interpretation and application of the Plan as are consistent therewith and to interpret or revoke any such rules. All actions taken and all interpretations and determinations made by the Committee shall be taken in good faith and shall be final and binding upon the Optionee, the Company and all other interested persons. No member of the Committee shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan or the Option. In its absolute discretion, the Board may at any time, and from time to time, exercise any and all rights and duties of the Committee under the Plan and this Agreement.

Section 6.2. Option Not Transferable

Except as otherwise permitted by the Committee in writing or provided in the Stockholders Agreement, neither the Option nor any interest or right therein or part thereof shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or

any other means whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect; provided, however, that, to the extent permitted by Applicable Law, this Section 6.2 shall not prevent transfers by will or by the Applicable Laws of descent and distribution.

Section 6.3. Titles; Interpretation

Titles are provided herein for convenience only and are not to serve as a basis for interpretation or construction of this Agreement. Defined terms used in this Agreement shall apply equally to both the singular and plural forms thereof. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include”, “includes” and “including” shall be deemed to be followed by the phrase “without limitation”. The term “hereunder” shall mean this entire Agreement as a whole unless reference to a specific section or provision of this Agreement is made. Any reference to a section, subsection and provision is to this Agreement unless otherwise specified.

Section 6.4. Applicability of the Plan and the Stockholders Agreement

The Option and the Shares issued to the Optionee upon exercise of the Option shall be subject to all of the terms and provisions of the Plan and the Stockholders Agreement, to the extent applicable to the Option and such Shares. In the event of any conflict between this Agreement and the Plan, the terms of the Plan shall control. In the event of any conflict between this Agreement or the Plan and the Stockholders Agreement, the terms of the Stockholders Agreement shall control.

Section 6.5. 83(b) Election

If any Shares acquired upon exercise of the Option are subject to a “substantial risk of forfeiture” (within the meaning of Treasury Regulation Section 1.83-3(c)) immediately following such exercise, and the Optionee determines to file an election pursuant to Treasury Regulation Section 1.83-2 with respect to such Shares, the Optionee will furnish the Company with a copy of such filed election no later than 30 days after the date of such exercise.

Section 6.6. Notices

Any notice to be given to the Company pursuant to the provisions of the Plan or this Agreement shall be given by personal delivery, by telecopier or similar facsimile means, by registered or certified first-class U.S. mail, return receipt requested and postage prepaid, or by express courier or recognized overnight delivery service, charges prepaid. If directed to the Company, any such notice shall be addressed to the Company’s principal executive office, to the Company’s Secretary, or to such other address, person or telecopier number as the Company may designate from time to time. If directed to the Optionee, any such notice or communication shall be addressed to him or her at the most recent address of the Optionee on file with the Company. By a notice given pursuant to this Section 6.6, either party may hereafter designate a different address for notices to be given to that party. Any notice which is required to be given to the Optionee, shall, if the Optionee is then deceased, be given to the Optionee’s personal representative if such representative has previously informed the Company of the

representative's status and address by written notice under this Section 6.6. Any notice shall be deemed given: (a) when delivered personally to the recipient; (b) when received, if sent by telecopy or similar facsimile means (confirmation of such receipt by confirmed facsimile transmission being deemed receipt of communications sent by telecopy or other facsimile means); (c) on the date five days after the date mailed, if sent by registered or certified first-class U.S. mail, return receipt requested and postage prepaid; and (d) when delivered (or upon the date of attempted delivery where delivery is refused), if sent by express courier or recognized overnight delivery service, charges prepaid. Whenever the giving of notice is required pursuant to the provisions of the Plan or this Agreement, the giving of such notice may be waived by the party entitled to receive such notice.

Section 6.7. Resolution of Disputes

Any dispute or disagreement which may arise under, or as a result of, or which may in any way relate to, the interpretation, construction or application of this Agreement shall be determined by the Committee, in good faith, whose determination shall be final, binding and conclusive for all purposes.

Section 6.8. No Representations or Warranties

The Company makes no representations or warranties as to the income, estate or other tax consequences to the Optionee of the grant or exercise of the Option or the sale or other disposition of the Shares acquired pursuant to the exercise thereof.

Section 6.9. Submission to Jurisdiction

Each of the Company and the Optionee (i) consents to submit itself to the exclusive personal jurisdiction and venue of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (unless the Delaware Court of Chancery shall decline to accept jurisdiction over a particular matter, in which case, in any Delaware state or federal court within the State of Delaware) with respect to any suit (whether at law, in equity, in contract, in tort or otherwise) relating to or arising out of this Agreement or any of the transactions contemplated hereby, (ii) agrees that it will not, directly or indirectly, attempt to defeat or deny such personal jurisdiction or venue by motion or otherwise, (iii) agrees that it will not, and it will cause its Affiliates not to, bring or support any such suit in any court other than such courts of the State of Delaware, as described above, (iv) irrevocably agrees that any such suit (whether at law, in equity, in contract, in tort or otherwise) shall be heard and determined exclusively in such courts of the State of Delaware, as described above, (v) agrees to service of process in any such action in any manner prescribed by the laws of the State of Delaware and (vi) agrees that service of process upon such party in any action or proceeding shall be effective if notice is given in accordance with Section 6.6 hereof.

Section 6.10. Enforcement

The Company and the Optionee agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce

specifically the terms and provisions of this Agreement, in addition to any other remedy to which they are entitled at law or in equity. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available under applicable law. Each of the parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief as provided herein on the basis that (i) either party has an adequate remedy at law or (ii) an award of specific performance is not an appropriate remedy for any reason at law or equity. Any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

Section 6.11. Arbitration

In the event of any controversy among the parties hereto arising out of, or relating to, this Agreement (other than any claim seeking injunctive relief pursuant to Section 6.10), which cannot be settled amicably by the parties, such controversy shall be finally, exclusively, and conclusively settled by mandatory arbitration conducted expeditiously in accordance with the American Arbitration Association rules by a single independent arbitrator. Such arbitration process shall take place within 50 miles of the Company's principal executive offices. The decision of the arbitrator shall be final and binding upon all parties hereto and shall be rendered pursuant to a written decision, which contains a detailed recital of the arbitrator's reasoning. Judgment upon the award rendered may be entered in any court having jurisdiction thereof.

Section 6.12. Governing Law

This Agreement shall be governed in all respects by the laws of the State of Delaware, without regard to conflicts of law principles thereof.

AMENDED AND RESTATED
TIME VESTING STOCK OPTION AGREEMENT

ARTICLE I
DEFINITIONS

Capitalized terms not otherwise defined in this Stock Option Agreement (this "Agreement") shall have the same meaning set forth in the Globe Holding Corp. 2014 Stock Incentive Plan, as amended from time to time ("Plan").

ARTICLE II
GRANT OF OPTIONS

Section 2.1. Grant of Options

Pursuant to the Stock Option Grant Notice ("Grant Notice") and this Agreement, Globe Holding Corp. (the "Company") has granted to the Optionee identified in the Grant Notice an Option under the Plan to purchase the number of Shares indicated in the Grant Notice, subject to the adjustments as set forth in Section 2.4 hereof. For the avoidance of doubt, the terms and conditions of the Grant Notice are a part of the Agreement, unless otherwise specified.

Section 2.2. Option Price

The per Share Option Price of the Shares covered by the Option is indicated in the Grant Notice, subject to the adjustments as set forth in Section 2.4 hereof.

Section 2.3. No Guarantee of Employment

Nothing in this Agreement or in the Plan shall confer upon the Optionee any right to continue in the employ or service of the Company or any Subsidiary or Affiliate thereof, or shall interfere with or restrict in any way the rights of the Company and its Subsidiaries and Affiliates, which are hereby expressly reserved, to terminate the Employment of the Optionee at any time for any reason whatsoever, with or without Cause, subject to the applicable provisions, if any, of the Optionee's Employment Agreement (if any such agreement is in effect at the time of such termination).

Section 2.4. Adjustments to Option

The Option shall be subject to the provisions of Section 9 of the Plan. Notwithstanding Section 9 of the Plan, in the event of an extraordinary cash dividend or distribution to stockholders, the Options will be equitably adjusted by the Committee in one of the following ways: (1) reduction in the Option exercise price, (2) paying a dividend equivalent payment to the Optionee (which for unvested Options may be held back until the Option vests), (3) adjusting the Option exercise price and number of Options on the basis of a deemed stock split based on the Fair Market Value of a Share, (4) any other action consented to by the Optionee or (5) any combination of the foregoing. Any determinations made by the Committee under this Section 2.4 shall be final and binding upon the Optionee, the Company and all other interested Persons.

ARTICLE III
PERIOD OF VESTING AND EXERCISABILITY

Section 3.1. Vesting and Commencement of Exercisability

(a) Subject to the limitations contained herein, the Option will vest and become exercisable as set forth in the Grant Notice; *provided*, that no portion of the Option shall vest and become exercisable as to any additional Shares following the termination of the Optionee's Employment for any reason, and the portion of the Option that is unvested and unexercisable as of the date of such termination shall immediately expire without consideration or payment therefor.

Section 3.2. Expiration of Option

The Optionee may not exercise any portion of the Option after its term expires. Subject to the provisions of the Plan and this Agreement, the Optionee may exercise all or any part of the vested portion of the Option at any time prior to the earliest to occur of:

(a) the Expiration Date indicated in the Grant Notice;

(b) the date on which the Optionee's Employment is terminated by the Company or any of its Affiliates for Cause, or the date on which the Optionee breaches any of the restrictive covenants set forth in Article V hereof or any other restrictive covenant agreement between the Optionee and the Company or any of its Affiliates;

(c) the one (1)-year anniversary of the date of any termination of Employment due to the Optionee's death or Disability; or

(d) the ninetieth (90th) day immediately following the date on which the Optionee's Employment is terminated for any reason other than by the Company or any of its Affiliates for Cause or due to the Optionee's death or Disability.

ARTICLE IV
EXERCISE OF OPTION

Section 4.1. Person Eligible to Exercise

Except as otherwise permitted by the Committee in writing or provided in the Stockholders Agreement, the Optionee is the only Person that may exercise the exercisable portion of the Option, unless and until the Optionee dies or suffers a Disability. After the Disability or death of the Optionee, the exercisable portion of the Option may, prior to the time when the Option becomes unexercisable under Section 3.2 hereof, be exercised by the Optionee's personal representative, guardian or by any person empowered to do so under the Optionee's will or under the then Applicable Laws of descent and distribution.

Section 4.2. Partial Exercise

Any exercisable portion of an Option or the entire Option, if then wholly exercisable, may be exercised in whole or in part at any time prior to the time when the Option or portion thereof becomes unexercisable under Section 3.2 hereof; provided, that any partial exercise shall be for whole Shares only.

Section 4.3. Manner of Exercise

Any exercisable portion of the Option may be exercised solely by delivering to the Office of the Secretary of the Company at the Company's principal office, all of the following prior to the time when the Option or such portion becomes unexercisable under Section 3.2 hereof:

(a) notice in writing signed by the Optionee or the other Person then entitled to exercise the Option or portion thereof, stating that the Option or portion thereof is thereby exercised, such notice complying with all applicable rules established by the Committee;

(b) full payment of the aggregate Option Price for the Shares with respect to which such Option or portion thereof is exercised, pursuant to one or more of the following methods: (i) in cash (by check or wire transfer or a combination of the foregoing), or (ii) at the Optionee's election, a reduction in the number of Shares to be issued upon the exercise of the Option having an aggregate fair market value based on the FMV per Share on the date of exercise equal to such aggregate Option Price;

(c) a bona fide written representation and agreement, in a form satisfactory to the Committee, signed by the Optionee or other Person then entitled to exercise such Option or portion thereof, stating that the Shares are being acquired for the Optionee's own account, for investment and without any present intention of distributing or reselling said Shares or any of them except as may be permitted under the Securities Act;

(d) unless already delivered, a written instrument (a "Joinder") pursuant to which the Optionee agrees to be bound by the terms and conditions of the Stockholders Agreement in form and substance reasonably satisfactory to the Company;

(e) full payment to the Company or any of its Affiliates, as applicable, of all amounts which, under federal, state, local and/or non-U.S. law, such entity is required to withhold upon exercise of the Option; provided, that, at the Optionee's election, such withholding obligation may be satisfied by the Company withholding from the Shares otherwise issuable to the Optionee that number of Shares having an aggregate fair market value based on the FMV per Share, determined as of the date the withholding tax obligation arises, equal to such withholding tax obligation (but in no event more than the minimum required tax withholding); and

(f) in the event the Option or portion thereof shall be exercised pursuant to Section 4.1 hereof by any Person or Persons other than the Optionee, appropriate proof of the right of such Person or Persons to exercise the Option.

Without limiting the generality of the foregoing, any subsequent transfer of Shares shall be subject to the terms and conditions of the Stockholders Agreement and the Committee may require an opinion of counsel acceptable to it to the effect that any subsequent transfer of Shares acquired on exercise of the Option does not violate the Securities Act, and may issue stop-transfer orders covering such Shares. The written representation and agreement referred to in subsection (c) above shall, however, not be required if the subsequent transfer of the Shares to be issued pursuant to such exercise has been registered under the Securities Act, and such registration is then effective in respect of such Shares.

Section 4.4. Conditions to Issuance of Shares

The Company shall not be required to record the ownership by the Optionee of Shares purchased upon the exercise of an Option or portion thereof prior to fulfillment of all of the following conditions:

(a) the obtaining of approval or other clearance from any federal, state, local or non-U.S. governmental agency which the Committee shall, in its reasonable and good faith discretion, determine to be necessary or advisable (and the Company agrees to use commercially reasonable efforts to seek such approval or other clearance);

(b) the lapse of such reasonable period of time following the exercise of the Option as the Committee may from time to time establish for reasons of administrative convenience (not to exceed three (3) business days) or as may otherwise be required by Applicable Law; and

(c) the execution and delivery of the Joinder by the Optionee to the extent the Optionee is not already party to the Stockholders Agreement.

Section 4.5. Rights as Stockholder

The Optionee shall not be, and shall not have any of the rights or privileges of, stockholders of the Company in respect of any Shares purchasable in connection with the Option or any portion thereof unless and until a book entry representing such Shares has been made on the books and records of the Company.

ARTICLE V
RESTRICTIVE COVENANTS

Section 5.1. Non- Competition

The Optionee shall not at any time during Employment directly or indirectly through an Affiliate or otherwise, own any direct or indirect interest in, manage, control, serve as a director of, participate in, consult with, render services for, or in any manner engage in any Competitive Business (as defined below). Notwithstanding the foregoing, the Optionee may own

securities in any Competitive Business or affiliate of a Competitive Business that is a publicly held corporation, but only to the extent that such Optionee does not own, of record or beneficially, more than 1% (one percent) of the outstanding beneficial ownership of any such Competitive Business or affiliate. The parties intend that this non-competition provision shall be deemed to be a series of separate covenants, one for each and every county, state and political subdivision.

Section 5.2. Non-Disclosure of Confidential Information

The Optionee must maintain all "Confidential Information" (as defined below) in confidence and must not disclose any Confidential Information to anyone outside of the Company Group; and the Optionee must not at any time use any Confidential Information for the benefit of the Optionee or any third party. Nothing in this Agreement, however, prohibits the Optionee from: (1) disclosing any information (or taking any other action) in furtherance of the Optionee's duties to the Company Group while employed by any member of the Company Group; or (2) disclosing Confidential Information to the extent required by law (after giving prompt notice to the Company in order that the Company Group may attempt to obtain a protective order or other assurance that confidential treatment shall be accorded to such information). Upon the Company's request at any time, the Optionee must immediately deliver to the Company all tangible items in the Optionee's possession or control that are or that contain Confidential Information, without keeping any copies.

Section 5.3. Non-Solicitation; No-Hire and Non-Interference

At all times during Employment and for the one-year period following termination of Employment for any reason or no reason (the "Restricted Period"), the Optionee covenants and agrees that the Optionee shall not, directly or indirectly, as an officer, director, employee, partner, stockholder, member, proprietor, consultant, joint venturer, investor or in any other capacity, (i) use any of the Company's Confidential Information to solicit any Persons who are customers of the Company Group, to purchase other than from the Company any goods or services sold by the Company Group relating to the Business or (ii) use any of the Company's Confidential Information to take any action to discourage any Persons who are, or within the one-year period immediately preceding the date of termination of Employment, were, suppliers of the Company Group, from doing business with the Company Group. In addition, at all times during Employment and the Restricted Period, the Optionee covenants and agrees that the Optionee shall not, directly or indirectly, as an officer, director, employee, partner, stockholder, member, proprietor, consultant, joint venturer, investor or in any other capacity, hire or solicit to perform services (as an employee, consultant or otherwise) or take any actions which are intended to persuade any termination of association with any member of the Company Group (as applicable) any Persons who are, or within the six (6) month period immediately preceding the solicitation were, employed by the Company Group; provided, however, that (A) solicitation or hiring by the Optionee or the Optionee's affiliates of an immediate family member of the Optionee shall not constitute a violation of this Section 5.3 and (B) general solicitations of employment published in a journal, newspaper or other publication of general circulation or listed on any internet job site and not specifically directed towards such employees shall not be deemed to constitute solicitation for purposes of this Section 5.3 and the hiring of any person as a result of such permitted solicitations shall not constitute a breach of this Section 5.3.

Section 5.4. Intellectual Property

(a) If the Optionee has created, invented, designed, developed, contributed to or improved any works of authorship, inventions, intellectual property, materials, documents or other work product (including without limitation, research, reports, software, databases, systems, applications, presentations, textual works, content, or audiovisual materials) ("Works"), either alone or with third parties, prior to the start of Optionee's Employment, that are relevant to or implicated by such Employment ("Prior Works"), the Optionee hereby grants the Company and its Affiliates a perpetual, non-exclusive, royalty-free, worldwide, assignable, sublicensable license under all rights and intellectual property rights (including rights under patent, industrial property, copyright, trademark, trade secret, unfair competition and related laws) therein for all purposes in connection with the Company and its Affiliate's current and future business.

(b) If the Optionee creates, invents, designs, develops, contributes to or improves any Works, either alone or with third parties, at any time during the Optionee's Employment and within the scope of such Employment and/or with the use of any Company (or its Affiliate's) resources ("Company Works"), the Optionee shall promptly and fully disclose such works to the Company and hereby irrevocably assigns, transfers, and conveys, to the maximum extent permitted by applicable law, all rights and intellectual property rights therein (including rights under patent, industrial property, copyright, trademark, trade secret, unfair competition and related laws) to the Company and its Affiliates to the extent ownership of any such rights does not vest originally in the Company or its Affiliates. The Optionee agrees to keep and maintain adequate and current written records (in the form of notes, sketches, drawings, and any other form or media requested by the Company) of all Company Works. The records will be available to and remain the sole property and intellectual property of the Company and its Affiliates at all times.

(c) The Optionee shall take all requested actions and execute all requested documents (including any licenses or assignments required by a government contract) at the Company's expense (but without further remuneration) to assist the Company in validating, maintaining, protecting, enforcing, perfecting, recording, patenting or registering any of the Company's or its Affiliate's rights in the Prior Works and Company Works. If the Company is unable for any reason to secure the Optionee's signature on any document for this purpose, then the Optionee hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Optionee's agent and attorney-in-fact, to act for and on the Optionee's behalf to execute any documents and to do all other lawfully permitted acts in connection with the foregoing.

Section 5.5. Reasonableness of Restrictions

By virtue of the Optionee's Employment, the Optionee acknowledges that, during the period of Employment, the Optionee will have access to the Confidential Information, will meet and develop relationships with the Company Group's potential and existing customers, and will receive specialized training in, and knowledge of, the Business. The Optionee specifically acknowledges and agrees that the time, geographic and activity restrictions (as applicable) set forth in this Article V are reasonable and properly required for the protection of the Company Group. Should a court of competent jurisdiction or arbitrator determine that the duration or

geographical extent of, or business activities covered by, any provision of this Article V be in excess of that which is found to be valid and enforceable under applicable law, then such provision shall be reformed to cover only that duration, extent or activities which is considered valid and enforceable. In the event that such provision is deemed incapable of reformation, such invalid or unenforceable part of such provision shall be considered deleted from this Agreement and the remainder of such provision and of this Agreement shall be unaffected and shall continue in full force and effect. To the extent any provision of this Agreement shall be declared invalid or unenforceable for any reason in any jurisdiction, this Agreement (or provision thereof) shall remain valid and enforceable in each other jurisdiction where it applies.

Section 5.6. Effect of Optionee's Employment Agreement and Restrictive Covenant Agreement

Notwithstanding anything contained in this Article V to the contrary, if the Optionee is subject to a more restrictive non-competition, non-disclosure, non-solicitation, non-interference, or non-disparagement covenant in any Employment Agreement or other restrictive covenant agreement, the most restrictive of such non-competition, non-disclosure, non-solicitation, non-interference, or non-disparagement covenant shall apply; it being understood that the activities which the Optionee is prohibited from engaging in contained herein or in such other Employment Agreement or other restrictive covenant agreement shall be deemed to apply for purposes of this Agreement.

All actions taken and all interpretations and determinations made by the Committee shall be taken in good faith and shall be final and binding upon the Optionee, the Company and all other interested persons. No member of the Committee shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan or the Option. In its absolute discretion, the Board may at any time, and from time to time, exercise any and all rights and duties of the Committee under the Plan and this Agreement.

Section 6.2. Option Not Transferable

Except as otherwise permitted by the Committee in writing or provided in the Stockholders Agreement, neither the Option nor any interest or right therein or part thereof shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect; provided, however, that, to the extent permitted by Applicable Law, this Section 6.2 shall not prevent transfers by will or by the Applicable Laws of descent and distribution.

Section 6.3. Titles; Interpretation

Titles are provided herein for convenience only and are not to serve as a basis for interpretation or construction of this Agreement. Defined terms used in this Agreement shall apply equally to both the singular and plural forms thereof. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words "include", "includes" and "including" shall be deemed to be followed by the phrase "without limitation". The term "hereunder" shall mean this entire Agreement as a whole unless reference to a specific section or provision of this Agreement is made. Any reference to a section, subsection and provision is to this Agreement unless otherwise specified.

Section 6.4. Applicability of the Plan and the Stockholders Agreement

The Option and the Shares issued to the Optionee upon exercise of the Option shall be subject to all of the terms and provisions of the Plan and the Stockholders Agreement, to the extent applicable to the Option and such Shares. In the event of any conflict between this Agreement and the Plan, the terms of the Plan shall control. In the event of any conflict between this Agreement or the Plan and the Stockholders Agreement, the terms of the Stockholders Agreement shall control.

Section 6.5. 83(b) Election

If any Shares acquired upon exercise of the Option are subject to a "substantial risk of forfeiture" (within the meaning of Treasury Regulation Section 1.83-3(c)) immediately following such exercise, and the Optionee determines to file an election pursuant to Treasury Regulation Section 1.83-2 with respect to such Shares, the Optionee will furnish the Company with a copy of such filed election no later than 30 days after the date of such exercise.

Section 6.6. Notices

Any notice to be given to the Company pursuant to the provisions of the Plan or this Agreement shall be given by personal delivery, by telecopier or similar facsimile means, by registered or certified first-class U.S. mail, return receipt requested and postage prepaid, or by express courier or recognized overnight delivery service, charges prepaid. If directed to the Company, any such notice shall be addressed to the Company's principal executive office, to the Company's Secretary, or to such other address, person or telecopier number as the Company may designate from time to time. If directed to the Optionee, any such notice or communication shall be addressed to him or her at the most recent address of the Optionee on file with the Company. By a notice given pursuant to this Section 6.6, either party may hereafter designate a different address for notices to be given to that party. Any notice which is required to be given to the Optionee, shall, if the Optionee is then deceased, be given to the Optionee's personal representative if such representative has previously informed the Company of the representative's status and address by written notice under this Section 6.6. Whenever the giving of notice is required pursuant to the provisions of the Plan or this Agreement, the giving of such notice may be waived by the party entitled to receive such notice.

Section 6.7. Resolution of Disputes

Any dispute or disagreement which may arise under, or as a result of, or which may in any way relate to, the interpretation, construction or application of this Agreement shall be determined by the Committee, in good faith, whose determination shall be final, binding and conclusive for all purposes.

Section 6.8. No Representations or Warranties

The Company makes no representations or warranties as to the income, estate or other tax consequences to the Optionee of the grant or exercise of the Option or the sale or other disposition of the Shares acquired pursuant to the exercise thereof.

Section 6.9. Submission to Jurisdiction

Each of the Company and the Optionee (i) consents to submit itself to the exclusive personal jurisdiction and venue of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (unless the Delaware Court of Chancery shall decline to accept jurisdiction over a particular matter, in which case, in any Delaware state or federal court within the State of Delaware) with respect to any suit (whether at law, in equity, in contract, in tort or otherwise) relating to or arising out of this Agreement or any of the transactions contemplated hereby, (ii) agrees that it will not, directly or indirectly, attempt to defeat or deny such personal jurisdiction or venue by motion or otherwise, (iii) agrees that it will not, and it will cause its Affiliates not to, bring or support any such suit in any court other than such courts of the State of Delaware, as described above, (iv) irrevocably agrees that any such suit (whether at law, in equity, in contract, in tort or otherwise) shall be heard and determined exclusively in such courts of the State of Delaware, as described above, (v) agrees to service of process in any such action in any manner prescribed by the laws of the State of Delaware and (vi) agrees that service of process upon such party in any action or proceeding shall be effective if notice is given in accordance with Section 6.6 hereof.

Section 6.10. Enforcement

The Company and the Optionee agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, in addition to any other remedy to which they are entitled at law or in equity. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available under applicable law. Each of the parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief as provided herein on the basis that (i) either party has an adequate remedy at law or (ii) an award of specific performance is not an appropriate remedy for any reason at law or equity. Any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

Section 6.11. Arbitration

In the event of any controversy among the parties hereto arising out of, or relating to, this Agreement (other than any claim seeking injunctive relief pursuant to Section 6.10), which cannot be settled amicably by the parties, such controversy shall be finally, exclusively, and conclusively settled by mandatory arbitration conducted expeditiously in accordance with the American Arbitration Association rules by a single independent arbitrator. Such arbitration process shall take place within 50 miles of the Company's principal executive offices. The decision of the arbitrator shall be final and binding upon all parties hereto and shall be rendered pursuant to a written decision, which contains a detailed recital of the arbitrator's reasoning. Judgment upon the award rendered may be entered in any court having jurisdiction thereof.

Section 6.12. Governing Law

This Agreement shall be governed in all respects by the laws of the State of Delaware, without regard to conflicts of law principles thereof.

GLOBE HOLDING CORP.
2014 EQUITY INCENTIVE PLAN

AMENDED AND RESTATED
TIME VESTING STOCK OPTION AGREEMENT

ARTICLE I
DEFINITIONS

Capitalized terms not otherwise defined in this Stock Option Agreement (this "Agreement") shall have the same meaning set forth in the Globe Holding Corp. 2014 Stock Incentive Plan, as amended from time to time ("Plan").

ARTICLE II
GRANT OF OPTIONS

Section 2.1. Grant of Options

Pursuant to the Stock Option Grant Notice ("Grant Notice") and this Agreement, Globe Holding Corp. (the "Company") has granted to the Optionee identified in the Grant Notice an Option under the Plan to purchase the number of Shares indicated in the Grant Notice, subject to the adjustments as set forth in Section 2.4 hereof. For the avoidance of doubt, the terms and conditions of the Grant Notice are a part of the Agreement, unless otherwise specified.

Section 2.2. Option Price

The per Share Option Price of the Shares covered by the Option is indicated in the Grant Notice, subject to the adjustments as set forth in Section 2.4 hereof.

Section 2.3. No Guarantee of Employment

Nothing in this Agreement or in the Plan shall confer upon the Optionee any right to continue in the employ or service of the Company or any Subsidiary or Affiliate thereof, or shall interfere with or restrict in any way the rights of the Company and its Subsidiaries and Affiliates, which are hereby expressly reserved, to terminate the Employment of the Optionee at any time for any reason whatsoever, with or without Cause, subject to the applicable provisions, if any, of the Optionee's Employment Agreement (if any such agreement is in effect at the time of such termination).

Section 2.4. Adjustments to Option

The Option shall be subject to the provisions of Section 9 of the Plan. Notwithstanding Section 9 of the Plan, in the event of an extraordinary cash dividend or distribution to stockholders, the Options will be equitably adjusted by the Committee in one of the following ways: (1) reduction in the Option exercise price, (2) paying a dividend equivalent payment to the Optionee (which for unvested Options may be held back until the Option vests), (3) adjusting the Option exercise price and number of Options on the basis of a deemed stock split based on the Fair Market Value of a Share, (4) any other action consented to by the Optionee or (5) any combination of the foregoing. Any determinations made by the Committee under this Section 2.4 shall be final and binding upon the Optionee, the Company and all other interested Persons.

ARTICLE III
PERIOD OF VESTING AND EXERCISABILITY

Section 3.1. Vesting and Commencement of Exercisability

(a) Subject to the limitations contained herein, the Option will vest and become exercisable as set forth in the Grant Notice; *provided*, that no portion of the Option shall vest and become exercisable as to any additional Shares following the termination of the Optionee's Employment for any reason, and the portion of the Option that is unvested and unexercisable as of the date of such termination shall immediately expire without consideration or payment therefor.

Section 3.2. Expiration of Option

The Optionee may not exercise any portion of the Option after its term expires. Subject to the provisions of the Plan and this Agreement, the Optionee may exercise all or any part of the vested portion of the Option at any time prior to the earliest to occur of:

(a) the Expiration Date indicated in the Grant Notice;

(b) the date on which the Optionee's Employment is terminated by the Company or any of its Affiliates for Cause, or the date on which the Optionee breaches any of the restrictive covenants set forth in Article V hereof or any other restrictive covenant agreement between the Optionee and the Company or any of its Affiliates;

(c) the one (1)-year anniversary of the date of any termination of Employment due to the Optionee's death or Disability; or

(d) the ninetieth (90^{th}) day immediately following the date on which the Optionee's Employment is terminated for any reason other than by the Company or any of its Affiliates for Cause or due to the Optionee's death or Disability.

ARTICLE IV
EXERCISE OF OPTION

Section 4.1. Person Eligible to Exercise

Except as otherwise permitted by the Committee in writing or provided in the Stockholders Agreement, the Optionee is the only Person that may exercise the exercisable portion of the Option, unless and until the Optionee dies or suffers a Disability. After the Disability or death of the Optionee, the exercisable portion of the Option may, prior to the time when the Option becomes unexercisable under Section 3.2 hereof, be exercised by the Optionee's personal representative, guardian or by any person empowered to do so under the Optionee's will or under the then Applicable Laws of descent and distribution.

Section 4.2. Partial Exercise

Any exercisable portion of an Option or the entire Option, if then wholly exercisable, may be exercised in whole or in part at any time prior to the time when the Option or portion thereof becomes unexercisable under Section 3.2 hereof; provided, that any partial exercise shall be for whole Shares only.

Section 4.3. Manner of Exercise

Any exercisable portion of the Option may be exercised solely by delivering to the Office of the Secretary of the Company at the Company's principal office, all of the following prior to the time when the Option or such portion becomes unexercisable under Section 3.2 hereof:

(a) notice in writing signed by the Optionee or the other Person then entitled to exercise the Option or portion thereof, stating that the Option or portion thereof is thereby exercised, such notice complying with all applicable rules established by the Committee;

(b) full payment of the aggregate Option Price for the Shares with respect to which such Option or portion thereof is exercised, pursuant to one or more of the following methods: (i) in cash (by check or wire transfer or a combination of the foregoing), or (ii) at the Optionee's election, a reduction in the number of Shares to be issued upon the exercise of the Option having an aggregate fair market value based on the FMV per Share on the date of exercise equal to such aggregate Option Price;

(c) a bona fide written representation and agreement, in a form satisfactory to the Committee, signed by the Optionee or other Person then entitled to exercise such Option or portion thereof, stating that the Shares are being acquired for the Optionee's own account, for investment and without any present intention of distributing or reselling said Shares or any of them except as may be permitted under the Securities Act;

(d) unless already delivered, a written instrument (a "Joinder") pursuant to which the Optionee agrees to be bound by the terms and conditions of the Stockholders Agreement in form and substance reasonably satisfactory to the Company;

(e) full payment to the Company or any of its Affiliates, as applicable, of all amounts which, under federal, state, local and/or non-U.S. law, such entity is required to withhold upon exercise of the Option; provided, that, at the Optionee's election, such withholding obligation may be satisfied by the Company withholding from the Shares otherwise issuable to the Optionee that number of Shares having an aggregate fair market value based on the FMV per Share, determined as of the date the withholding tax obligation arises, equal to such withholding tax obligation (but in no event more than the minimum required tax withholding); and

(f) in the event the Option or portion thereof shall be exercised pursuant to Section 4.1 hereof by any Person or Persons other than the Optionee, appropriate proof of the right of such Person or Persons to exercise the Option.

Without limiting the generality of the foregoing, any subsequent transfer of Shares shall be subject to the terms and conditions of the Stockholders Agreement and the Committee may require an opinion of counsel acceptable to it to the effect that any subsequent transfer of Shares acquired on exercise of the Option does not violate the Securities Act, and may issue stop-transfer orders covering such Shares. The written representation and agreement referred to in subsection (c) above shall, however, not be required if the subsequent transfer of the Shares to be issued pursuant to such exercise has been registered under the Securities Act, and such registration is then effective in respect of such Shares.

Section 4.4. Conditions to Issuance of Shares

The Company shall not be required to record the ownership by the Optionee of Shares purchased upon the exercise of an Option or portion thereof prior to fulfillment of all of the following conditions:

(a) the obtaining of approval or other clearance from any federal, state, local or non-U.S. governmental agency which the Committee shall, in its reasonable and good faith discretion, determine to be necessary or advisable (and the Company agrees to use commercially reasonable efforts to seek such approval or other clearance);

(b) the lapse of such reasonable period of time following the exercise of the Option as the Committee may from time to time establish for reasons of administrative convenience (not to exceed three (3) business days) or as may otherwise be required by Applicable Law; and

(c) the execution and delivery of the Joinder by the Optionee to the extent the Optionee is not already party to the Stockholders Agreement.

Section 4.5. Rights as Stockholder

The Optionee shall not be, and shall not have any of the rights or privileges of, stockholders of the Company in respect of any Shares purchasable in connection with the Option or any portion thereof unless and until a book entry representing such Shares has been made on the books and records of the Company.

ARTICLE V
RESTRICTIVE COVENANTS

Section 5.1. Non- Competition

The Optionee shall not at any time during Employment directly or indirectly through an Affiliate or otherwise, own any direct or indirect interest in, manage, control, serve as a director of, participate in, consult with, render services for, or in any manner engage in any Competitive Business (as defined below). Notwithstanding the foregoing, the Optionee may own

securities in any Competitive Business or affiliate of a Competitive Business that is a publicly held corporation, but only to the extent that such Optionee does not own, of record or beneficially, more than 1% (one percent) of the outstanding beneficial ownership of any such Competitive Business or affiliate. The parties intend that this non-competition provision shall be deemed to be a series of separate covenants, one for each and every county, state and political subdivision.

Section 5.2. Non-Disclosure of Confidential Information

The Optionee must maintain all "Confidential Information" (as defined below) in confidence and must not disclose any Confidential Information to anyone outside of the Company Group; and the Optionee must not at any time use any Confidential Information for the benefit of the Optionee or any third party. Nothing in this Agreement, however, prohibits the Optionee from: (1) disclosing any information (or taking any other action) in furtherance of the Optionee's duties to the Company Group while employed by any member of the Company Group; or (2) disclosing Confidential Information to the extent required by law (after giving prompt notice to the Company in order that the Company Group may attempt to obtain a protective order or other assurance that confidential treatment shall be accorded to such information). Upon the Company's request at any time, the Optionee must immediately deliver to the Company all tangible items in the Optionee's possession or control that are or that contain Confidential Information, without keeping any copies.

Section 5.3. Non-Solicitation; No-Hire and Non-Interference

At all times during Employment and for the one-year period following termination of Employment for any reason or no reason (the "Restricted Period"), the Optionee covenants and agrees that the Optionee shall not, directly or indirectly, as an officer, director, employee, partner, stockholder, member, proprietor, consultant, joint venturer, investor or in any other capacity, (i) use any of the Company's Confidential Information to solicit any Persons who are customers of the Company Group, to purchase other than from the Company any goods or services sold by the Company Group relating to the Business or (ii) use any of the Company's Confidential Information to take any action to discourage any Persons who are, or within the one-year period immediately preceding the date of termination of Employment, were, suppliers of the Company Group, from doing business with the Company Group. In addition, at all times during Employment and the Restricted Period, the Optionee covenants and agrees that the Optionee shall not, directly or indirectly, as an officer, director, employee, partner, stockholder, member, proprietor, consultant, joint venturer, investor or in any other capacity, hire or solicit to perform services (as an employee, consultant or otherwise) or take any actions which are intended to persuade any termination of association with any member of the Company Group (as applicable) any Persons who are, or within the six (6) month period immediately preceding the solicitation were, employed by the Company Group; provided, however, that (A) solicitation or hiring by the Optionee or the Optionee's affiliates of an immediate family member of the Optionee shall not constitute a violation of this Section 5.3 and (B) general solicitations of employment published in a journal, newspaper or other publication of general circulation or listed on any internet job site and not specifically directed towards such employees shall not be deemed to constitute solicitation for purposes of this Section 5.3 and the hiring of any person as a result of such permitted solicitations shall not constitute a breach of this Section 5.3.

Section 5.4. Intellectual Property

(a) If the Optionee has created, invented, designed, developed, contributed to or improved any works of authorship, inventions, intellectual property, materials, documents or other work product (including without limitation, research, reports, software, databases, systems, applications, presentations, textual works, content, or audiovisual materials) ("Works"), either alone or with third parties, prior to the start of Optionee's Employment, that are relevant to or implicated by such Employment ("Prior Works"), the Optionee hereby grants the Company and its Affiliates a perpetual, non-exclusive, royalty-free, worldwide, assignable, sublicensable license under all rights and intellectual property rights (including rights under patent, industrial property, copyright, trademark, trade secret, unfair competition and related laws) therein for all purposes in connection with the Company and its Affiliate's current and future business.

(b) If the Optionee creates, invents, designs, develops, contributes to or improves any Works, either alone or with third parties, at any time during the Optionee's Employment and within the scope of such Employment and/or with the use of any Company (or its Affiliate's) resources ("Company Works"), the Optionee shall promptly and fully disclose such works to the Company and hereby irrevocably assigns, transfers, and conveys, to the maximum extent permitted by applicable law, all rights and intellectual property rights therein (including rights under patent, industrial property, copyright, trademark, trade secret, unfair competition and related laws) to the Company and its Affiliates to the extent ownership of any such rights does not vest originally in the Company or its Affiliates. The Optionee agrees to keep and maintain adequate and current written records (in the form of notes, sketches, drawings, and any other form or media requested by the Company) of all Company Works. The records will be available to and remain the sole property and intellectual property of the Company and its Affiliates at all times.

(c) The Optionee shall take all requested actions and execute all requested documents (including any licenses or assignments required by a government contract) at the Company's expense (but without further remuneration) to assist the Company in validating, maintaining, protecting, enforcing, perfecting, recording, patenting or registering any of the Company's or its Affiliate's rights in the Prior Works and Company Works. If the Company is unable for any reason to secure the Optionee's signature on any document for this purpose, then the Optionee hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Optionee's agent and attorney-in-fact, to act for and on the Optionee's behalf to execute any documents and to do all other lawfully permitted acts in connection with the foregoing.

Section 5.5. Reasonableness of Restrictions

By virtue of the Optionee's Employment, the Optionee acknowledges that, during the period of Employment, the Optionee will have access to the Confidential Information, will meet and develop relationships with the Company Group's potential and existing customers, and will receive specialized training in, and knowledge of, the Business. The Optionee specifically acknowledges and agrees that the time, geographic and activity restrictions (as applicable) set forth in this Article V are reasonable and properly required for the protection of the Company Group. Should a court of competent jurisdiction or arbitrator determine that the duration or

geographical extent of, or business activities covered by, any provision of this Article V be in excess of that which is found to be valid and enforceable under applicable law, then such provision shall be reformed to cover only that duration, extent or activities which is considered valid and enforceable. In the event that such provision is deemed incapable of reformation, such invalid or unenforceable part of such provision shall be considered deleted from this Agreement and the remainder of such provision and of this Agreement shall be unaffected and shall continue in full force and effect. To the extent any provision of this Agreement shall be declared invalid or unenforceable for any reason in any jurisdiction, this Agreement (or provision thereof) shall remain valid and enforceable in each other jurisdiction where it applies.

Section 5.6. Effect of Optionee's Employment Agreement and Restrictive Covenant Agreement

Notwithstanding anything contained in this Article V to the contrary, if the Optionee is subject to a more restrictive non-competition, non-disclosure, non-solicitation, non-interference, or non-disparagement covenant in any Employment Agreement or other restrictive covenant agreement, the most restrictive of such non-competition, non-disclosure, non-solicitation, non-interference, or non-disparagement covenant shall apply; it being understood that the activities which the Optionee is prohibited from engaging in contained herein or in such other Employment Agreement or other restrictive covenant agreement shall be deemed to apply for purposes of this Agreement.

ARTICLE VI
MISCELLANEOUS

Section 6.1. Administration

The Committee shall have the power to interpret the Plan and this Agreement and to adopt such rules for the administration, interpretation and application of the Plan as are consistent therewith and to interpret or revoke any such rules. All actions taken and all interpretations and determinations made by the Committee shall be taken in good faith and shall be final and binding upon the Optionee, the Company and all other interested persons. No member of the Committee shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan or the Option. In its absolute discretion, the Board may at any time, and from time to time, exercise any and all rights and duties of the Committee under the Plan and this Agreement.

Section 6.2. Option Not Transferable

Except as otherwise permitted by the Committee in writing or provided in the Stockholders Agreement, neither the Option nor any interest or right therein or part thereof shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect; provided, however, that, to the extent permitted by Applicable Law, this Section 6.2 shall not prevent transfers by will or by the Applicable Laws of descent and distribution.

Section 6.3. Titles; Interpretation

Titles are provided herein for convenience only and are not to serve as a basis for interpretation or construction of this Agreement. Defined terms used in this Agreement shall apply equally to both the singular and plural forms thereof. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words "include", "includes" and "including" shall be deemed to be followed by the phrase "without

limitation". The term "hereunder" shall mean this entire Agreement as a whole unless reference to a specific section or provision of this Agreement is made. Any reference to a section, subsection and provision is to this Agreement unless otherwise specified.

Section 6.4. Applicability of the Plan and the Stockholders Agreement

The Option and the Shares issued to the Optionee upon exercise of the Option shall be subject to all of the terms and provisions of the Plan and the Stockholders Agreement, to the extent applicable to the Option and such Shares. In the event of any conflict between this Agreement and the Plan, the terms of the Plan shall control. In the event of any conflict between this Agreement or the Plan and the Stockholders Agreement, the terms of the Stockholders Agreement shall control.

Section 6.5. 83(b) Election

If any Shares acquired upon exercise of the Option are subject to a "substantial risk of forfeiture" (within the meaning of Treasury Regulation Section 1.83-3(c)) immediately following such exercise, and the Optionee determines to file an election pursuant to Treasury Regulation Section 1.83-2 with respect to such Shares, the Optionee will furnish the Company with a copy of such filed election no later than 30 days after the date of such exercise.

Section 6.6. Notices

Any notice to be given to the Company pursuant to the provisions of the Plan or this Agreement shall be given by personal delivery, by telecopier or similar facsimile means, by registered or certified first-class U.S. mail, return receipt requested and postage prepaid, or by express courier or recognized overnight delivery service, charges prepaid. If directed to the Company, any such notice shall be addressed to the Company's principal executive office, to the Company's Secretary, or to such other address, person or telecopier number as the Company may designate from time to time. If directed to the Optionee, any such notice or communication shall be addressed to him or her at the most recent address of the Optionee on file with the Company. By a notice given pursuant to this Section 6.6, either party may hereafter designate a different address for notices to be given to that party. Any notice which is required to be given to the Optionee, shall, if the Optionee is then deceased, be given to the Optionee's personal representative if such representative has previously informed the Company of the representative's status and address by written notice under this Section 6.6. Any notice shall be deemed given: (a) when delivered personally to the recipient; (b) when received, if sent by telecopy or similar facsimile means (confirmation of such receipt by confirmed facsimile transmission being deemed receipt of communications sent by telecopy or other facsimile means); (c) on the date five days after the date mailed, if sent by registered or certified first-class U.S. mail, return receipt requested and postage prepaid; and (d) when delivered (or upon the date of attempted delivery where delivery is refused), if sent by express courier or recognized overnight delivery service, charges prepaid. Whenever the giving of notice is required pursuant to the provisions of the Plan or this Agreement, the giving of such notice may be waived by the party entitled to receive such notice.

Section 6.7. Resolution of Disputes

Any dispute or disagreement which may arise under, or as a result of, or which may in any way relate to, the interpretation, construction or application of this Agreement shall be determined by the Committee, in good faith, whose determination shall be final, binding and conclusive for all purposes.

Section 6.8. No Representations or Warranties

The Company makes no representations or warranties as to the income, estate or other tax consequences to the Optionee of the grant or exercise of the Option or the sale or other disposition of the Shares acquired pursuant to the exercise thereof.

Section 6.9. Submission to Jurisdiction

Each of the Company and the Optionee (i) consents to submit itself to the exclusive personal jurisdiction and venue of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (unless the Delaware Court of Chancery shall decline to accept jurisdiction over a particular matter, in which case, in any Delaware state or federal court within the State of Delaware) with respect to any suit (whether at law, in equity, in contract, in tort or otherwise) relating to or arising out of this Agreement or any of the transactions contemplated hereby, (ii) agrees that it will not, directly or indirectly, attempt to defeat or deny such personal jurisdiction or venue by motion or otherwise, (iii) agrees that it will not, and it will cause its Affiliates not to, bring or support any such suit in any court other than such courts of the State of Delaware, as described above, (iv) irrevocably agrees that any such suit (whether at law, in equity, in contract, in tort or otherwise) shall be heard and determined exclusively in such courts of the State of Delaware, as described above, (v) agrees to service of process in any such action in any manner prescribed by the laws of the State of Delaware and (vi) agrees that service of process upon such party in any action or proceeding shall be effective if notice is given in accordance with Section 6.6 hereof.

Section 6.10. Enforcement

The Company and the Optionee agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, in addition to any other remedy to which they are entitled at law or in equity. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available under applicable law. Each of the parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief as provided herein on the basis that (i) either party has an adequate remedy at law or (ii) an award of specific performance is not an appropriate remedy for any reason at law or equity. Any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

Section 6.11. Arbitration

In the event of any controversy among the parties hereto arising out of, or relating to, this Agreement (other than any claim seeking injunctive relief pursuant to Section 6.10), which cannot be settled amicably by the parties, such controversy shall be finally, exclusively, and conclusively settled by mandatory arbitration conducted expeditiously in accordance with the American Arbitration Association rules by a single independent arbitrator. Such arbitration process shall take place within 50 miles of the Company's principal executive offices. The decision of the arbitrator shall be final and binding upon all parties hereto and shall be rendered pursuant to a written decision, which contains a detailed recital of the arbitrator's reasoning. Judgment upon the award rendered may be entered in any court having jurisdiction thereof.

Section 6.12. Governing Law

This Agreement shall be governed in all respects by the laws of the State of Delaware, without regard to conflicts of law principles thereof.

PERFORMANCE VESTING STOCK OPTION AGREEMENT

ARTICLE I
DEFINITIONS

Capitalized terms not otherwise defined in this Stock Option Agreement (this "Agreement") shall have the same meaning set forth in the Globe Holding Corp. 2014 Stock Incentive Plan, as amended from time to time ("Plan").

ARTICLE II
GRANT OF OPTIONS

Section 2.1. Grant of Options

Pursuant to the Stock Option Grant Notice ("Grant Notice") and this Agreement, Globe Holding Corp. (the "Company") has granted to the Optionee identified in the Grant Notice an Option under the Plan to purchase the number of Shares indicated in the Grant Notice, subject to the adjustments as set forth in Section 2.4 hereof. For the avoidance of doubt, the terms and conditions of the Grant Notice are a part of the Agreement, unless otherwise specified.

Section 2.2. Option Price

The per Share Option Price of the Shares covered by the Option is indicated in the Grant Notice, subject to the adjustments as set forth in Section 2.4 hereof.

Section 2.3. No Guarantee of Employment

Nothing in this Agreement or in the Plan shall confer upon the Optionee any right to continue in the employ or service of the Company or any Subsidiary or Affiliate thereof, or shall interfere with or restrict in any way the rights of the Company and its Subsidiaries and Affiliates, which are hereby expressly reserved, to terminate the Employment of the Optionee at any time for any reason whatsoever, with or without Cause, subject to the applicable provisions, if any, of the Optionee's Employment Agreement (if any such agreement is in effect at the time of such termination).

Section 2.4. Adjustments to Option

The Option shall be subject to the provisions of Section 9 of the Plan. Without limiting the foregoing, for the purposes of implementing any required equitable adjustments under Section 9 of the Plan, the Committee may, in the event of an extraordinary cash dividend or distribution to stockholders, as it deems appropriate and equitable, adjust the Option as provided in Section 9 of the Plan, pay to the Optionee a cash bonus in respect of the equity subject to the Option, or a combination thereof, in each case, subject to such conditions or limitations as the Committee may deem reasonable and necessary to preserve the economic value of the Option. Any determinations made by the Committee under this Section 2.4 shall be final and binding upon the Optionee, the Company and all other interested Persons.

ARTICLE III
PERIOD OF VESTING AND EXERCISABILITY

Section 3.1. Vesting and Commencement of Exercisability

(a) Performance Criteria. Subject to the limitations contained herein, the Shares subject to the Option will vest and become exercisable (to the extent not already vested) on each Measurement Date as follows:

(i) 0% if the IRR is less than 20%;

(ii) 50% if the IRR is 20%;

(iii) 50-100%, using linear interpolation, if the IRR is between 20% and 30%; and

(iv) 100% if the IRR is greater than or equal to 30%;

Upon the occurrence of the Final Measurement Date, the IRR shall be measured for the final time and any portion of the Option that does not vest at such time shall be forfeited without consideration to the Optionee and cease to be exercisable.

(b) Effect of Termination of Employment on Eligibility of Shares to Vest. No portion of the Option shall vest and become exercisable as to any additional Shares following the termination of the Optionee's Employment for any reason, and the portion of the Option that is unvested and unexercisable as of the date of such termination shall immediately expire without consideration or payment therefor.

Section 3.2. Expiration of Option

The Optionee may not exercise any portion of the Option after its term expires. Subject to the provisions of the Plan and this Agreement, the Optionee may exercise all or any part of the vested portion of the Option at any time prior to the earliest to occur of:

(a) the Expiration Date indicated in the Grant Notice;

(b) the date on which the Optionee's Employment is terminated by the Company or any of its Affiliates for Cause, or the date on which the Optionee breaches any of the restrictive covenants set forth in Article V hereof or any other restrictive covenant agreement between the Optionee and the Company or any of its Affiliates;

(c) the one (1)-year anniversary of the date of any termination of Employment due to the Optionee's death or Disability; or

(d) the ninetieth (90th) day immediately following the date on which the Optionee's Employment is terminated for any reason other than by the Company or any of its Affiliates for Cause or due to the Optionee's death or Disability.

ARTICLE IV
EXERCISE OF OPTION

Section 4.1. Person Eligible to Exercise

Except as otherwise permitted by the Committee in writing or provided in the Stockholders Agreement, the Optionee is the only Person that may exercise the exercisable portion of the Option, unless and until the Optionee dies or suffers a Disability. After the Disability or death of the Optionee, the exercisable portion of the Option may, prior to the time when the Option becomes unexercisable under Section 3.2 hereof, be exercised by the Optionee's personal representative, guardian or by any person empowered to do so under the Optionee's will or under the then Applicable Laws of descent and distribution.

Section 4.2. Partial Exercise

Any exercisable portion of an Option or the entire Option, if then wholly exercisable, may be exercised in whole or in part at any time prior to the time when the Option or portion thereof becomes unexercisable under Section 3.2 hereof; provided, that any partial exercise shall be for whole Shares only.

Section 4.3. Manner of Exercise

Any exercisable portion of the Option may be exercised solely by delivering to the Office of the Secretary of the Company at the Company's principal office, all of the following prior to the time when the Option or such portion becomes unexercisable under Section 3.2 hereof:

(a) notice in writing signed by the Optionee or the other Person then entitled to exercise the Option or portion thereof, stating that the Option or portion thereof is thereby exercised, such notice complying with all applicable rules established by the Committee;

(b) full payment of the aggregate Option Price for the Shares with respect to which such Option or portion thereof is exercised, pursuant to one or more of the following methods: (i) in cash (by check or wire transfer or a combination of the foregoing), or (ii) with the consent of the Committee, a reduction in the number of Shares to be issued upon the exercise of the Option having an aggregate fair market value based on the FMV per Share on the date of exercise equal to such aggregate Option Price;

(c) a bona fide written representation and agreement, in a form satisfactory to the Committee, signed by the Optionee or other Person then entitled to exercise such Option or portion thereof, stating that the Shares are being acquired for the Optionee's own account, for investment and without any present intention of distributing or reselling said Shares or any of them except as may be permitted under the Securities Act;

(d) unless already delivered, a written instrument (a "Joinder") pursuant to which the Optionee agrees to be bound by the terms and conditions of the Stockholders Agreement, in form and substance reasonably satisfactory to the Company;

(e) full payment to the Company or any of its Affiliates, as applicable, of all amounts which, under federal, state, local and/or non-U.S. law, such entity is required to withhold upon exercise of the Option; provided, that, solely at the Committee's election, such withholding obligation may be satisfied by the Company withholding from the Shares otherwise issuable to the Optionee that number of Shares having an aggregate fair market value based on the FMV per Share, determined as of the date the withholding tax obligation arises, equal to such withholding tax obligation (but in no event more than the minimum required tax withholding); and

(f) in the event the Option or portion thereof shall be exercised pursuant to Section 4.1 hereof by any Person or Persons other than the Optionee, appropriate proof of the right of such Person or Persons to exercise the Option.

Without limiting the generality of the foregoing, any subsequent transfer of Shares shall be subject to the terms and conditions of the Stockholders Agreement and the Committee may require an opinion of counsel acceptable to it to the effect that any subsequent transfer of Shares acquired on exercise of the Option does not violate the Securities Act, and may issue stop-transfer orders covering such Shares. The written representation and agreement referred to in subsection (c) above shall, however, not be required if the subsequent transfer of the Shares to be issued pursuant to such exercise has been registered under the Securities Act, and such registration is then effective in respect of such Shares.

Section 4.4. Conditions to Issuance of Shares

The Company shall not be required to record the ownership by the Optionee of Shares purchased upon the exercise of an Option or portion thereof prior to fulfillment of all of the following conditions:

(a) the obtaining of approval or other clearance from any federal, state, local or non-U.S. governmental agency which the Committee shall, in its reasonable and good faith discretion, determine to be necessary or advisable (and the Company agrees to use commercially reasonable efforts to seek such approval or other clearance);

(b) the lapse of such reasonable period of time following the exercise of the Option as the Committee may from time to time establish for reasons of administrative convenience (not to exceed three (3) business days) or as may otherwise be required by Applicable Law; and

(c) the execution and delivery of the Joinder by the Optionee to the extent the Optionee is not already party to the Stockholders Agreement.

Section 4.5. Rights as Stockholder

The Optionee shall not be, and shall not have any of the rights or privileges of, stockholders of the Company in respect of any Shares purchasable in connection with the Option or any portion thereof unless and until a book entry representing such Shares has been made on the books and records of the Company.

ARTICLE V
RESTRICTIVE COVENANTS

Section 5.1. Non-Competition

The Optionee shall not at any time during Employment directly or indirectly through an Affiliate or otherwise, own any direct or indirect interest in, manage, control, serve as a director of, participate in, consult with, render services for, or in any manner engage in any Competitive Business (as defined below). Notwithstanding the foregoing, the Optionee may own securities in any Competitive Business or affiliate of a Competitive Business that is a publicly held corporation, but only to the extent that such Optionee does not own, of record or beneficially, more than 1% (one percent) of the outstanding beneficial ownership of any such Competitive Business or affiliate. The parties intend that this non-competition provision shall be deemed to be a series of separate covenants, one for each and every county, state and political subdivision.

Section 5.2. Non-Disclosure of Confidential Information

The Optionee must maintain all "Confidential Information" (as defined below) in confidence and must not disclose any Confidential Information to anyone outside of the Company Group; and the Optionee must not at any time use any Confidential Information for the benefit of the Optionee or any third party. Nothing in this Agreement, however, prohibits the Optionee from: (1) disclosing any information (or taking any other action) in furtherance of the Optionee's duties to the Company Group while employed by any member of the Company Group; or (2) disclosing Confidential Information to the extent required by law (after giving prompt notice to the Company in order that the Company Group may attempt to obtain a protective order or other assurance that confidential treatment shall be accorded to such information). Upon the Company's request at any time, the Optionee must immediately deliver to the Company all tangible items in the Optionee's possession or control that are or that contain Confidential Information, without keeping any copies.

Section 5.3. Non-Solicitation; No-Hire and Non-Interference

At all times during Employment and for the one-year period following termination of Employment for any reason or no reason (the "Restricted Period"), the Optionee covenants and agrees that the Optionee shall not, directly or indirectly, as an officer, director, employee, partner, stockholder, member, proprietor, consultant, joint venturer, investor or in any other capacity, (i) use any of the Company's Confidential Information to solicit any Persons who are customers of the Company Group, to purchase other than from the Company any goods or services sold by the Company Group relating to the Business or (ii) use any of the Company's

Confidential Information to take any action to discourage any Persons who are, or within the one-year period immediately preceding the date of termination of Employment, were, suppliers of the Company Group, from doing business with the Company Group. In addition, at all times during Employment and the Restricted Period, the Optionee covenants and agrees that the Optionee shall not, directly or indirectly, as an officer, director, employee, partner, stockholder, member, proprietor, consultant, joint venturer, investor or in any other capacity, hire or solicit to perform services (as an employee, consultant or otherwise) or take any actions which are intended to persuade any termination of association with any member of the Company Group (as applicable) any Persons who are, or within the six (6) month period immediately preceding the solicitation were, employed by the Company Group; provided, however, that (A) solicitation or hiring by the Optionee or the Optionee's affiliates of an immediate family member of the Optionee shall not constitute a violation of this Section 5.3 and (B) general solicitations of employment published in a journal, newspaper or other publication of general circulation or listed on any internet job site and not specifically directed towards such employees shall not be deemed to constitute solicitation for purposes of this Section 5.3 and the hiring of any person as a result of such permitted solicitations shall not constitute a breach of this Section 5.3.

Section 5.4. Non-Disparagement

The Optionee shall not at any time prior to the date on which the Option has been fully exercised or the date on which the Option otherwise expires for any reason, make (or cause to be made) to any Person any knowingly disparaging, derogatory or other negative statement about the Company Group. The foregoing shall not be violated by (i) truthful statements in response to legal process, required governmental testimony or filings, or administrative or arbitral proceedings (including, without limitation, depositions in connection with such proceedings), or (ii) statements that the Optionee in good faith believes are necessary or appropriate to make in connection with his or her good faith performance of the Optionee's duties to the Company Group.

Section 5.5. Intellectual Property

(a) If the Optionee has created, invented, designed, developed, contributed to or improved any works of authorship, inventions, intellectual property, materials, documents or other work product (including without limitation, research, reports, software, databases, systems, applications, presentations, textual works, content, or audiovisual materials) ("Works"), either alone or with third parties, prior to the start of Optionee's Employment, that are relevant to or implicated by such Employment ("Prior Works"), the Optionee hereby grants the Company and its Affiliates a perpetual, non-exclusive, royalty-free, worldwide, assignable, sublicensable license under all rights and intellectual property rights (including rights under patent, industrial property, copyright, trademark, trade secret, unfair competition and related laws) therein for all purposes in connection with the Company and its Affiliate's current and future business.

(b) If the Optionee creates, invents, designs, develops, contributes to or improves any Works, either alone or with third parties, at any time during the Optionee's Employment and within the scope of such Employment and/or with the use of any Company (or its Affiliate's) resources ("Company Works"), the Optionee shall promptly and fully disclose such works to the Company and hereby irrevocably assigns, transfers, and conveys, to the

maximum extent permitted by applicable law, all rights and intellectual property rights therein (including rights under patent, industrial property, copyright, trademark, trade secret, unfair competition and related laws) to the Company and its Affiliates to the extent ownership of any such rights does not vest originally in the Company or its Affiliates. The Optionee agrees to keep and maintain adequate and current written records (in the form of notes, sketches, drawings, and any other form or media requested by the Company) of all Company Works. The records will be available to and remain the sole property and intellectual property of the Company and its Affiliates at all times.

(c) The Optionee shall take all requested actions and execute all requested documents (including any licenses or assignments required by a government contract) at the Company's expense (but without further remuneration) to assist the Company in validating, maintaining, protecting, enforcing, perfecting, recording, patenting or registering any of the Company's or its Affiliate's rights in the Prior Works and Company Works. If the Company is unable for any reason to secure the Optionee's signature on any document for this purpose, then the Optionee hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Optionee's agent and attorney-in-fact, to act for and on the Optionee's behalf to execute any documents and to do all other lawfully permitted acts in connection with the foregoing.

Section 5.6. Reasonableness of Restrictions

By virtue of the Optionee's Employment, the Optionee acknowledges that, during the period of Employment, the Optionee will have access to the Confidential Information, will meet and develop relationships with the Company Group's potential and existing customers, and will receive specialized training in, and knowledge of, the Business. The Optionee specifically acknowledges and agrees that the time, geographic and activity restrictions (as applicable) set forth in this Article V are reasonable and properly required for the protection of the Company Group. Should a court of competent jurisdiction or arbitrator determine that the duration or geographical extent of, or business activities covered by, any provision of this Article V be in excess of that which is found to be valid and enforceable under applicable law, then such provision shall be reformed to cover only that duration, extent or activities which is considered valid and enforceable. In the event that such provision is deemed incapable of reformation, such invalid or unenforceable part of such provision shall be considered deleted from this Agreement and the remainder of such provision and of this Agreement shall be unaffected and shall continue in full force and effect. To the extent any provision of this Agreement shall be declared invalid or unenforceable for any reason in any jurisdiction, this Agreement (or provision thereof) shall remain valid and enforceable in each other jurisdiction where it applies.

Section 5.7. Effect of Optionee's Employment Agreement and Restrictive Covenant Agreement

Notwithstanding anything contained in this Article V to the contrary, if the Optionee is subject to a more restrictive non-competition, non-disclosure, non-solicitation, non-interference, or non-disparagement covenant in any Employment Agreement or other restrictive covenant agreement, the most restrictive of such non-competition, non-disclosure, non-solicitation, non-interference, or non-disparagement covenant shall apply; it being understood that the activities which the Optionee is prohibited from engaging in contained herein or in such other Employment Agreement or other restrictive covenant agreement shall be deemed to apply for purposes of this Agreement.

Section 5.8. Definitions

For purposes of this Agreement:

(a) "Closing Date" means October 7, 2014, which was the Closing Date as defined under the Agreement and Plan of Merger by and among GOPB Holding, Inc., Globe Holding Corp. (formerly known as Cannery Sales Holding Corp.), Globe Merger Corp. (formerly known as Cannery Sales Merger Corp.), and BSR LLC, dated as of September 13, 2014, as amended.

(b) "Company Group" means individually and collectively the Company and its Affiliates.

(c) "Competing Grocery Store" means any grocery store, mass merchandise or other store (excluding any convenience store with limited grocery offerings such as a gas station or Seven Eleven store but, for the avoidance of doubt, including Walmart Neighborhood Stores, Aldi and similar stores) that sells (x) discount groceries, or (y) grocery merchandise sourced through opportunistic buying, in each case, that is located within five (5) miles of any grocery store operated by the Company or its subsidiaries or by a Grocery Outlet independent operator as of the Closing Date.

(d) "Competitive Business" means any business, person or entity that, together with its Subsidiaries, directly or indirectly, (a) owns, operates or franchises one or more Competing Grocery Stores (b) sells merchandise through consignment, independent operator or similar arrangement to one or more Competing Grocery Stores, (c) distributes primarily grocery merchandise to one or more Competing Grocery Stores, (d) licenses any trademark or brand for use by one or more Competing Grocery Stores, or (e) otherwise engages in the business of operating or developing one or more Competing Grocery Stores.

(e) "Confidential Information" means proprietary and confidential information regarding the Company Group that is not generally available to the public, including (to the extent that it is not so generally available): (1) information regarding the Company Group's business, operations, financial condition, customers, vendors, sales representatives and other employees; (2) projections, budgets and business plans regarding the Company Group; (3) information regarding the Company Group's planned or pending acquisitions, divestitures or other business combinations; (4) the Company Group's trade secrets and proprietary information; and (5) the Company Group's technical information, discoveries, inventions, improvements, techniques, processes, business methods, equipment, algorithms, software programs, software source documents and formulae. For purposes of the preceding sentence, information is not treated as being generally available to the public if it is made public by the Optionee in violation of this Agreement.

(f) "Employment Agreement" shall mean the employment, severance, change in control, consulting or other similar agreement, if any, specifying the terms of a Participant's Employment by the Company or one of its Affiliates.

(g) "Fair Market Value" has the meaning as defined under the Plan; provided, however, that the application of such definition shall apply not only to Common Stock, but also to Marketable Securities.

(h) "Final Measurement Date" shall mean the first to occur of (i) a Change in Control or (ii) the first time following an Initial Public Offering at which H&F Stockholders hold less than 10% of the issued and outstanding common stock of the Company for a period of thirty (30) consecutive trading days (a "Sell Down Event").

(i) "H&F Stockholders" shall have the meaning set forth in the Stockholders Agreement.

(j) "IRR" shall mean a pre-tax, internal rate of return, determined on the basis of monthly compounding, with respect to the Transaction Date Investment and any subsequent investments by the H&F Stockholders in Shares based on amounts received (or deemed received) through a Measurement Date by the H&F Stockholders, using a calculation methodology consistent with the calculation methodology used by the H&F Stockholders for the purpose of reporting gross internal rate of return to their limited partner investors, except as otherwise provided herein. For these purposes, IRR shall take into account only (i) proceeds, dividends or distributions (in each case, whether cash or non-cash) ("Proceeds") actually received by the H&F Stockholders (inclusive of any amounts reduced as a result of required withholding taxes) in respect of their Shares after the Closing Date (which for the avoidance of doubt will not include Shares received in respect of any dividend of Shares, stock split or similar event or the receipt of Holdco Securities in accordance with Section 2.10 of the Stockholders Agreement, but such Shares shall continue to be treated as held by the H&F Stockholders for purposes of calculating IRR), and (ii) any LP Distributions made after the Closing Date; provided, however, that, in connection with a Sell Down Event, the amounts realized by the H&F Stockholders for purposes of measuring IRR shall be deemed to include both Proceeds actually received in respect of the Shares through and including the Sell Down Event together with the value of any Shares then held by the H&F Stockholders immediately following the Sell Down Event, with such share valuation determined based on the 20-day trailing average closing trading price for such shares ending on the date of such Sell Down Event or, if such 20-day trailing average closing trading price is not available, at fair market value. For purposes herein, all non-cash Proceeds shall be valued at their fair market value, as determined in good faith by the Board. For the avoidance of doubt, the transfer of Shares to a Permitted Transferee (as defined in the Stockholders Agreement) of an H&F Stockholder shall not be deemed to give rise to the receipt of any proceeds by the H&F Stockholders or be deemed to be an LP Distribution, in each case, unless such transfer is for cash or securities that are freely tradeable on the New York Stock Exchange or Nasdaq stock market without restriction (excluding, for the avoidance of doubt, any securities received pursuant to a transaction of the type contemplated in Section 2.10 of the Stockholders Agreement) or covered by Section 2.4 of the Stockholders Agreement, and unless such transfer is for cash or securities that are freely tradeable on the New York Stock Exchange or Nasdaq stock market without restriction (excluding, for the avoidance of doubt, any

securities received pursuant to a transaction of the type contemplated in Section 2.10 of the Stockholders Agreement) or covered by Section 2.4 of the Stockholders Agreement, such Shares transferred shall continue to be treated as held by the H&F Stockholders for purposes of calculating IRR.

(k) "LP Distribution" means a distribution of shares of Common Stock by the H&F Stockholders to their limited partner investors, with the value of such shares of Common Stock being deemed to equal their average closing prices, as reported by The Wall Street Journal, for the 10 trading days before and 10 trading days after, the date of the LP Distribution or otherwise at fair market value.

(l) "Marketable Securities" shall have the meaning set forth in the Stockholders Agreement.

(m) "Measurement Date" means (i) prior to the occurrence of a Change in Control, each date upon which the H&F Stockholders receive Proceeds or (ii) the Final Measurement Date.

(n) "Transaction Date Investment" means the aggregate value of shares of Common Stock held by the H&F Stockholders as of the Closing Date.

No member of the Committee shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan or the Option. In its absolute discretion, the Board may at any time, and from time to time, exercise any and all rights and duties of the Committee under the Plan and this Agreement.

Section 6.2. Option Not Transferable

Except as otherwise permitted by the Committee in writing or provided in the Stockholders Agreement, neither the Option nor any interest or right therein or part thereof shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect; provided, however, that, to the extent permitted by Applicable Law, this Section 6.2 shall not prevent transfers by will or by the Applicable Laws of descent and distribution.

Section 6.3. Titles; Interpretation

Titles are provided herein for convenience only and are not to serve as a basis for interpretation or construction of this Agreement. Defined terms used in this Agreement shall apply equally to both the singular and plural forms thereof. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include”, “includes” and “including” shall be deemed to be followed by the phrase “without limitation”. The term “hereunder” shall mean this entire Agreement as a whole unless reference to a specific section or provision of this Agreement is made. Any reference to a section, subsection and provision is to this Agreement unless otherwise specified.

Section 6.4. Applicability of the Plan and the Stockholders Agreement

The Option and the Shares issued to the Optionee upon exercise of the Option shall be subject to all of the terms and provisions of the Plan and the Stockholders Agreement, to the extent applicable to the Option and such Shares. In the event of any conflict between this Agreement and the Plan, the terms of the Plan shall control. In the event of any conflict between this Agreement or the Plan and the Stockholders Agreement, the terms of the Stockholders Agreement shall control.

Section 6.5. 83(b) Election

If any Shares acquired upon exercise of the Option are subject to a “substantial risk of forfeiture” (within the meaning of Treasury Regulation Section 1.83-3(c)) immediately following such exercise, and the Optionee determines to file an election pursuant to Treasury Regulation Section 1.83-2 with respect to such Shares, the Optionee will furnish the Company with a copy of such filed election no later than 30 days after the date of such exercise.

Section 6.6. Notices

Any notice to be given to the Company pursuant to the provisions of the Plan or this Agreement shall be given by personal delivery, by telecopier or similar facsimile means, by registered or certified first-class U.S. mail, return receipt requested and postage prepaid, or by express courier or recognized overnight delivery service, charges prepaid. If directed to the Company, any such notice shall be addressed to the Company’s principal executive office, to the Company’s Secretary, or to such other address, person or telecopier number as the Company may designate from time to time. If directed to the Optionee, any such notice or communication shall be addressed to him or her at the most recent address of the Optionee on file with the Company. By a notice given pursuant to this Section 6.6, either party may hereafter designate a different address for notices to be given to that party. Any notice which is required to be given to the Optionee, shall, if the Optionee is then deceased, be given to the Optionee’s personal representative if such representative has previously informed the Company of the representative’s status and address by written notice under this Section 6.6. Any notice shall be deemed given: (a) when delivered personally to the recipient; (b) when received, if sent by telecopy or similar facsimile means (confirmation of such receipt by confirmed facsimile transmission being deemed receipt of communications sent by telecopy or other facsimile means); (c) on the date five days after the date mailed, if sent by registered or certified first-class

U.S. mail, return receipt requested and postage prepaid; and (d) when delivered (or upon the date of attempted delivery where delivery is refused), if sent by express courier or recognized overnight delivery service, charges prepaid. Whenever the giving of notice is required pursuant to the provisions of the Plan or this Agreement, the giving of such notice may be waived by the party entitled to receive such notice.

Section 6.7. Resolution of Disputes

Any dispute or disagreement which may arise under, or as a result of, or which may in any way relate to, the interpretation, construction or application of this Agreement shall be determined by the Committee, in good faith, whose determination shall be final, binding and conclusive for all purposes.

Section 6.8. No Representations or Warranties

The Company makes no representations or warranties as to the income, estate or other tax consequences to the Optionee of the grant or exercise of the Option or the sale or other disposition of the Shares acquired pursuant to the exercise thereof.

Section 6.9. Submission to Jurisdiction

Each of the Company and the Optionee (i) consents to submit itself to the exclusive personal jurisdiction and venue of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (unless the Delaware Court of Chancery shall decline to accept jurisdiction over a particular matter, in which case, in any Delaware state or federal court within the State of Delaware) with respect to any suit (whether at law, in equity, in contract, in tort or otherwise) relating to or arising out of this Agreement or any of the transactions contemplated hereby, (ii) agrees that it will not, directly or indirectly, attempt to defeat or deny such personal jurisdiction or venue by motion or otherwise, (iii) agrees that it will not, and it will cause its Affiliates not to, bring or support any such suit in any court other than such courts of the State of Delaware, as described above, (iv) irrevocably agrees that any such suit (whether at law, in equity, in contract, in tort or otherwise) shall be heard and determined exclusively in such courts of the State of Delaware, as described above, (v) agrees to service of process in any such action in any manner prescribed by the laws of the State of Delaware and (vi) agrees that service of process upon such party in any action or proceeding shall be effective if notice is given in accordance with Section 6.6 hereof.

Section 6.10. Enforcement

The Company and the Optionee agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, in addition to any other remedy to which they are entitled at law or in equity. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available under applicable law. Each of the parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief as provided herein on the basis that (i) either party has an

adequate remedy at law or (ii) an award of specific performance is not an appropriate remedy for any reason at law or equity. Any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

Section 6.11. Arbitration

In the event of any controversy among the parties hereto arising out of, or relating to, this Agreement (other than any claim seeking injunctive relief pursuant to Section 6.10), which cannot be settled amicably by the parties, such controversy shall be finally, exclusively, and conclusively settled by mandatory arbitration conducted expeditiously in accordance with the American Arbitration Association rules by a single independent arbitrator. Such arbitration process shall take place within 50 miles of the Company's principal executive offices. The decision of the arbitrator shall be final and binding upon all parties hereto and shall be rendered pursuant to a written decision, which contains a detailed recital of the arbitrator's reasoning. Judgment upon the award rendered may be entered in any court having jurisdiction thereof.

Section 6.12. Governing Law

This Agreement shall be governed in all respects by the laws of the State of Delaware, without regard to conflicts of law principles thereof.

2014 EQUITY INCENTIVE PLAN

TIME VESTING STOCK OPTION AGREEMENT

ARTICLE I
DEFINITIONS

Capitalized terms not otherwise defined in this Stock Option Agreement (this "Agreement") shall have the same meaning set forth in the Globe Holding Corp. 2014 Stock Incentive Plan, as amended from time to time ("Plan").

ARTICLE II
GRANT OF OPTIONS

Section 2.1. Grant of Options

Pursuant to the Stock Option Grant Notice ("Grant Notice") and this Agreement, Globe Holding Corp. (the "Company") has granted to the Optionee identified in the Grant Notice an Option under the Plan to purchase the number of Shares indicated in the Grant Notice, subject to the adjustments as set forth in Section 2.4 hereof. For the avoidance of doubt, the terms and conditions of the Grant Notice are a part of the Agreement, unless otherwise specified.

Section 2.2. Option Price

The per Share Option Price of the Shares covered by the Option is indicated in the Grant Notice, subject to the adjustments as set forth in Section 2.4 hereof.

Section 2.3. No Guarantee of Employment

Nothing in this Agreement or in the Plan shall confer upon the Optionee any right to continue in the employ or service of the Company or any Subsidiary or Affiliate thereof, or shall interfere with or restrict in any way the rights of the Company and its Subsidiaries and Affiliates, which are hereby expressly reserved, to terminate the Employment of the Optionee at any time for any reason whatsoever, with or without Cause, subject to the applicable provisions, if any, of the Optionee's Employment Agreement (if any such agreement is in effect at the time of such termination).

Section 2.4. Adjustments to Option

The Option shall be subject to the provisions of Section 9 of the Plan. Without limiting the foregoing, for the purposes of implementing any required equitable adjustments under Section 9 of the Plan, the Committee may, in the event of an extraordinary cash dividend or distribution to stockholders, as it deems appropriate and equitable, adjust the Option as provided in Section 9 of the Plan, pay to the Optionee a cash bonus in respect of the equity subject to the Option, or a combination thereof, in each case, subject to such conditions or limitations as the Committee may deem reasonable and necessary to preserve the economic value of the Option. Any determinations made by the Committee under this Section 2.4 shall be final and binding upon the Optionee, the Company and all other interested Persons.

ARTICLE III
PERIOD OF VESTING AND EXERCISABILITY

Section 3.1. Vesting and Commencement of Exercisability

(a) Subject to the limitations contained herein, the Option will vest and become exercisable as set forth in the Grant Notice; *provided*, that no portion of the Option shall vest and become exercisable as to any additional Shares following the termination of the Optionee's Employment for any reason, and the portion of the Option that is unvested and unexercisable as of the date of such termination shall immediately expire without consideration or payment therefor.

Section 3.2. Expiration of Option

The Optionee may not exercise any portion of the Option after its term expires. Subject to the provisions of the Plan and this Agreement, the Optionee may exercise all or any part of the vested portion of the Option at any time prior to the earliest to occur of:

(a) the Expiration Date indicated in the Grant Notice;

(b) the date on which the Optionee's Employment is terminated by the Company or any of its Affiliates for Cause, or the date on which the Optionee breaches any of the restrictive covenants set forth in Article V hereof or any other restrictive covenant agreement between the Optionee and the Company or any of its Affiliates;

(c) the one (1)-year anniversary of the date of any termination of Employment due to the Optionee's death or Disability; or

(d) the ninetieth (90^{th}) day immediately following the date on which the Optionee's Employment is terminated for any reason other than by the Company or any of its Affiliates for Cause or due to the Optionee's death or Disability.

ARTICLE IV
EXERCISE OF OPTION

Section 4.1. Person Eligible to Exercise

Except as otherwise permitted by the Committee in writing or provided in the Stockholders Agreement, the Optionee is the only Person that may exercise the exercisable portion of the Option, unless and until the Optionee dies or suffers a Disability. After the Disability or death of the Optionee, the exercisable portion of the Option may, prior to the time when the Option becomes unexercisable under Section 3.2 hereof, be exercised by the Optionee's personal representative, guardian or by any person empowered to do so under the Optionee's will or under the then Applicable Laws of descent and distribution.

Section 4.2. Partial Exercise

Any exercisable portion of an Option or the entire Option, if then wholly exercisable, may be exercised in whole or in part at any time prior to the time when the Option or portion thereof becomes unexercisable under Section 3.2 hereof; provided, that any partial exercise shall be for whole Shares only.

Section 4.3. Manner of Exercise

Any exercisable portion of the Option may be exercised solely by delivering to the Office of the Secretary of the Company at the Company's principal office, all of the following prior to the time when the Option or such portion becomes unexercisable under Section 3.2 hereof:

(a) notice in writing signed by the Optionee or the other Person then entitled to exercise the Option or portion thereof, stating that the Option or portion thereof is thereby exercised, such notice complying with all applicable rules established by the Committee;

(b) full payment of the aggregate Option Price for the Shares with respect to which such Option or portion thereof is exercised, pursuant to one or more of the following methods: (i) in cash (by check or wire transfer or a combination of the foregoing), or (ii) with the consent of the Committee, a reduction in the number of Shares to be issued upon the exercise of the Option having an aggregate fair market value based on the FMV per Share on the date of exercise equal to such aggregate Option Price;

(c) a bona fide written representation and agreement, in a form satisfactory to the Committee, signed by the Optionee or other Person then entitled to exercise such Option or portion thereof, stating that the Shares are being acquired for the Optionee's own account, for investment and without any present intention of distributing or reselling said Shares or any of them except as may be permitted under the Securities Act;

(d) unless already delivered, a written instrument (a "Joinder") pursuant to which the Optionee agrees to be bound by the terms and conditions of the Stockholders Agreement in form and substance reasonably satisfactory to the Company;

(e) full payment to the Company or any of its Affiliates, as applicable, of all amounts which, under federal, state, local and/or non-U.S. law, such entity is required to withhold upon exercise of the Option; provided, that, solely at the Committee's election, such withholding obligation may be satisfied by the Company withholding from the Shares otherwise issuable to the Optionee that number of Shares having an aggregate fair market value based on the FMV per Share, determined as of the date the withholding tax obligation arises, equal to such withholding tax obligation (but in no event more than the minimum required tax withholding); and

(f) in the event the Option or portion thereof shall be exercised pursuant to Section 4.1 hereof by any Person or Persons other than the Optionee, appropriate proof of the right of such Person or Persons to exercise the Option.

Without limiting the generality of the foregoing, any subsequent transfer of Shares shall be subject to the terms and conditions of the Stockholders Agreement and the Committee may require an opinion of counsel acceptable to it to the effect that any subsequent transfer of Shares acquired on exercise of the Option does not violate the Securities Act, and may issue stop-transfer orders covering such Shares. The written representation and agreement referred to in subsection (c) above shall, however, not be required if the subsequent transfer of the Shares to be issued pursuant to such exercise has been registered under the Securities Act, and such registration is then effective in respect of such Shares.

Section 4.4. Conditions to Issuance of Shares

The Company shall not be required to record the ownership by the Optionee of Shares purchased upon the exercise of an Option or portion thereof prior to fulfillment of all of the following conditions:

(a) the obtaining of approval or other clearance from any federal, state, local or non-U.S. governmental agency which the Committee shall, in its reasonable and good faith discretion, determine to be necessary or advisable (and the Company agrees to use commercially reasonable efforts to seek such approval or other clearance);

(b) the lapse of such reasonable period of time following the exercise of the Option as the Committee may from time to time establish for reasons of administrative convenience (not to exceed three (3) business days) or as may otherwise be required by Applicable Law; and

(c) the execution and delivery of the Joinder by the Optionee to the extent the Optionee is not already party to the Stockholders Agreement.

Section 4.5. Rights as Stockholder

The Optionee shall not be, and shall not have any of the rights or privileges of, stockholders of the Company in respect of any Shares purchasable in connection with the Option or any portion thereof unless and until a book entry representing such Shares has been made on the books and records of the Company.

ARTICLE V
RESTRICTIVE COVENANTS

Section 5.1. Non- Competition

The Optionee shall not at any time during Employment directly or indirectly through an Affiliate or otherwise, own any direct or indirect interest in, manage, control, serve as a director of, participate in, consult with, render services for, or in any manner engage in any Competitive Business (as defined below). Notwithstanding the foregoing, the Optionee may own securities in any Competitive Business or affiliate of a Competitive Business that is a publicly held corporation, but only to the extent that such Optionee does not own, of record or beneficially, more than 1% (one percent) of the outstanding beneficial ownership of any such Competitive Business or affiliate. The parties intend that this non-competition provision shall be deemed to be a series of separate covenants, one for each and every county, state and political subdivision.

Section 5.2. Non-Disclosure of Confidential Information

The Optionee must maintain all "Confidential Information" (as defined below) in confidence and must not disclose any Confidential Information to anyone outside of the Company Group; and the Optionee must not at any time use any Confidential Information for the benefit of the Optionee or any third party. Nothing in this Agreement, however, prohibits the Optionee from: (1) disclosing any information (or taking any other action) in furtherance of the Optionee's duties to the Company Group while employed by any member of the Company Group; or (2) disclosing Confidential Information to the extent required by law (after giving prompt notice to the Company in order that the Company Group may attempt to obtain a protective order or other assurance that confidential treatment shall be accorded to such information). Upon the Company's request at any time, the Optionee must immediately deliver to the Company all tangible items in the Optionee's possession or control that are or that contain Confidential Information, without keeping any copies.

Section 5.3. Non-Solicitation; No-Hire and Non-Interference

At all times during Employment and for the one-year period following termination of Employment for any reason or no reason (the "Restricted Period"), the Optionee covenants and agrees that the Optionee shall not, directly or indirectly, as an officer, director, employee, partner, stockholder, member, proprietor, consultant, joint venturer, investor or in any other capacity, (i) use any of the Company's Confidential Information to solicit any Persons who are customers of the Company Group, to purchase other than from the Company any goods or services sold by the Company Group relating to the Business or (ii) use any of the Company's Confidential Information to take any action to discourage any Persons who are, or within the one-year period immediately preceding the date of termination of Employment, were, suppliers of the Company Group, from doing business with the Company Group. In addition, at all times during Employment and the Restricted Period, the Optionee covenants and agrees that the Optionee shall not, directly or indirectly, as an officer, director, employee, partner, stockholder, member, proprietor, consultant, joint venturer, investor or in any other capacity, hire or solicit to perform services (as an employee, consultant or otherwise) or take any actions which are intended to persuade any termination of association with any member of the Company Group (as applicable) any Persons who are, or within the six (6) month period immediately preceding the solicitation were, employed by the Company Group; provided, however, that (A) solicitation or hiring by the Optionee or the Optionee's affiliates of an immediate family member of the Optionee shall not constitute a violation of this Section 5.3 and (B) general solicitations of employment published in a journal, newspaper or other publication of general circulation or listed on any internet job site and not specifically directed towards such employees shall not be deemed to constitute solicitation for purposes of this Section 5.3 and the hiring of any person as a result of such permitted solicitations shall not constitute a breach of this Section 5.3.

Section 5.4. Non-Disparagement

The Optionee shall not at any time prior to the date on which the Option has been fully exercised or the date on which the Option otherwise expires for any reason, make (or cause to be made) to any Person any knowingly disparaging, derogatory or other negative statement about the Company Group. The foregoing shall not be violated by (i) truthful statements in response to legal process, required governmental testimony or filings, or administrative or arbitral proceedings (including, without limitation, depositions in connection with such proceedings), or (ii) statements that the Optionee in good faith believes are necessary or appropriate to make in connection with his or her good faith performance of the Optionee's duties to the Company Group.

Section 5.5. Intellectual Property

(a) If the Optionee has created, invented, designed, developed, contributed to or improved any works of authorship, inventions, intellectual property, materials, documents or other work product (including without limitation, research, reports, software, databases, systems, applications, presentations, textual works, content, or audiovisual materials) ("Works"), either alone or with third parties, prior to the start of Optionee's Employment, that are relevant to or implicated by such Employment ("Prior Works"), the Optionee hereby grants the Company and its Affiliates a perpetual, non-exclusive, royalty-free, worldwide, assignable, sublicensable license under all rights and intellectual property rights (including rights under patent, industrial property, copyright, trademark, trade secret, unfair competition and related laws) therein for all purposes in connection with the Company and its Affiliate's current and future business.

(b) If the Optionee creates, invents, designs, develops, contributes to or improves any Works, either alone or with third parties, at any time during the Optionee's Employment and within the scope of such Employment and/or with the use of any Company (or its Affiliate's) resources ("Company Works"), the Optionee shall promptly and fully disclose such works to the Company and hereby irrevocably assigns, transfers, and conveys, to the maximum extent permitted by applicable law, all rights and intellectual property rights therein (including rights under patent, industrial property, copyright, trademark, trade secret, unfair competition and related laws) to the Company and its Affiliates to the extent ownership of any such rights does not vest originally in the Company or its Affiliates. The Optionee agrees to keep and maintain adequate and current written records (in the form of notes, sketches, drawings, and any other form or media requested by the Company) of all Company Works. The records will be available to and remain the sole property and intellectual property of the Company and its Affiliates at all times.

(c) The Optionee shall take all requested actions and execute all requested documents (including any licenses or assignments required by a government contract) at the Company's expense (but without further remuneration) to assist the Company in validating, maintaining, protecting, enforcing, perfecting, recording, patenting or registering any of the Company's or its Affiliate's rights in the Prior Works and Company Works. If the Company is unable for any reason to secure the Optionee's signature on any document for this purpose, then the Optionee hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Optionee's agent and attorney-in-fact, to act for and on the Optionee's behalf to execute any documents and to do all other lawfully permitted acts in connection with the foregoing.

Section 5.6. Reasonableness of Restrictions

By virtue of the Optionee's Employment, the Optionee acknowledges that, during the period of Employment, the Optionee will have access to the Confidential Information, will meet and develop relationships with the Company Group's potential and existing customers, and will receive specialized training in, and knowledge of, the Business. The Optionee specifically acknowledges and agrees that the time, geographic and activity restrictions (as applicable) set forth in this Article V are reasonable and properly required for the protection of the Company Group. Should a court of competent jurisdiction or arbitrator determine that the duration or geographical extent of, or business activities covered by, any provision of this Article V be in excess of that which is found to be valid and enforceable under applicable law, then such provision shall be reformed to cover only that duration, extent or activities which is considered valid and enforceable. In the event that such provision is deemed incapable of reformation, such invalid or unenforceable part of such provision shall be considered deleted from this Agreement and the remainder of such provision and of this Agreement shall be unaffected and shall continue in full force and effect. To the extent any provision of this Agreement shall be declared invalid or unenforceable for any reason in any jurisdiction, this Agreement (or provision thereof) shall remain valid and enforceable in each other jurisdiction where it applies.

Section 5.7. Effect of Optionee's Employment Agreement and Restrictive Covenant Agreement

Notwithstanding anything contained in this Article V to the contrary, if the Optionee is subject to a more restrictive non-competition, non-disclosure, non-solicitation, non-interference, or non-disparagement covenant in any Employment Agreement or other restrictive covenant agreement, the most restrictive of such non-competition, non-disclosure, non-solicitation, non-interference, or non-disparagement covenant shall apply; it being understood that the activities which the Optionee is prohibited from engaging in contained herein or in such other Employment Agreement or other restrictive covenant agreement shall be deemed to apply for purposes of this Agreement.

Section 6.6. Notices

Any notice to be given to the Company pursuant to the provisions of the Plan or this Agreement shall be given by personal delivery, by telecopier or similar facsimile means, by registered or certified first-class U.S. mail, return receipt requested and postage prepaid, or by express courier or recognized overnight delivery service, charges prepaid. If directed to the Optionee, any such notice or communication shall be addressed to him or her at the most recent address of the Optionee on file with the Company. By a notice given pursuant to this Section 6.6, either party may hereafter designate a different address for notices to be given to that party. Whenever the giving of notice is required pursuant to the provisions of the Plan or this Agreement, the giving of such notice may be waived by the party entitled to receive such notice.

Section 6.7. Resolution of Disputes

Any dispute or disagreement which may arise under, or as a result of, or which may in any way relate to, the interpretation, construction or application of this Agreement shall be determined by the Committee, in good faith, whose determination shall be final, binding and conclusive for all purposes.

Section 6.8. No Representations or Warranties

The Company makes no representations or warranties as to the income, estate or other tax consequences to the Optionee of the grant or exercise of the Option or the sale or other disposition of the Shares acquired pursuant to the exercise thereof.

Section 6.9. Submission to Jurisdiction

Each of the Company and the Optionee (i) consents to submit itself to the exclusive personal jurisdiction and venue of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (unless the Delaware Court of Chancery shall decline to accept jurisdiction over a particular matter, in which case, in any Delaware state or federal court within the State of Delaware) with respect to any suit (whether at law, in equity, in contract, in tort or otherwise) relating to or arising out of this Agreement or any of the transactions contemplated hereby, (ii) agrees that it will not, directly or indirectly, attempt to defeat or deny such personal jurisdiction or venue by motion or otherwise, (iii) agrees that it will not, and it will cause its Affiliates not to, bring or support any such suit in any court other than such courts of the State of Delaware, as described above, (iv) irrevocably agrees that any such suit (whether at law, in equity, in contract, in tort or otherwise) shall be heard and determined exclusively in such courts of the State of Delaware, as described above, (v) agrees to service of process in any such action in any manner prescribed by the laws of the State of Delaware and (vi) agrees that service of process upon such party in any action or proceeding shall be effective if notice is given in accordance with Section 6.6 hereof.

Section 6.10. Enforcement

The Company and the Optionee agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, in addition to any other remedy to which they are entitled at law or in equity. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available under applicable

law. Each of the parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief as provided herein on the basis that (i) either party has an adequate remedy at law or (ii) an award of specific performance is not an appropriate remedy for any reason at law or equity. Any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

Section 6.11. Arbitration

In the event of any controversy among the parties hereto arising out of, or relating to, this Agreement (other than any claim seeking injunctive relief pursuant to Section 6.10), which cannot be settled amicably by the parties, such controversy shall be finally, exclusively, and conclusively settled by mandatory arbitration conducted expeditiously in accordance with the American Arbitration Association rules by a single independent arbitrator. Such arbitration process shall take place within 50 miles of the Company's principal executive offices. The decision of the arbitrator shall be final and binding upon all parties hereto and shall be rendered pursuant to a written decision, which contains a detailed recital of the arbitrator's reasoning. Judgment upon the award rendered may be entered in any court having jurisdiction thereof.

Section 6.12. Governing Law

This Agreement shall be governed in all respects by the laws of the State of Delaware, without regard to conflicts of law principles thereof.

2.1 Position and Duties. Subject to terms set forth herein, the Company agrees to continue to employ Executive in the position of Co-Chief Executive Officer and Executive hereby accepts such continued employment. Executive shall serve in an executive capacity and shall perform such duties as are customarily associated with the position of Co-Chief Executive Officer and such other duties as are assigned to Executive by the Board. During the term of Executive's employment with the Company, Executive will devote Executive's best efforts and substantially all of Executive's business time and attention (except for vacation periods and reasonable periods of illness or other incapacities permitted by the Company's general employment policies or as otherwise set forth in this Agreement) to the business of the Company.

2.2 Employment at Will. Both the Company and Executive shall have the right to terminate Executive's employment with the Company at any time, with or without Cause, and without prior notice. If Executive's employment with the Company is terminated, Executive will be eligible to receive severance benefits to the extent provided in this Agreement.

2.3 Employment Policies. The employment relationship between the parties shall also be governed by the general employment policies and practices of the Company, including those relating to protection of confidential information and assignment of inventions, except that when the terms of this Agreement differ from or are in conflict with the Company's general employment policies or practices, this Agreement shall control.

ARTICLE III

3.1 Base Salary. Executive shall receive for services to be rendered hereunder an annual base salary of $504,000, payable on the regular payroll dates of the Company, subject to increase in the sole discretion of the Board (the "Annual Base Salary").

3.2 Annual Bonus. Each calendar year, Executive shall be eligible to participate in a performance-based bonus compensation program pursuant to which Executive may be paid an amount up to 100% of Executive' s Annual Base Salary (the "Target Bonus"), as determined by

the Board in its discretion (the "Annual Bonus"). The amount, if any, of such Annual Bonus for each such calendar year shall be determined based upon the attainment of reasonable performance goals approved by the Board in its sole discretion. Each such Annual Bonus shall be payable during the calendar year following the year for which such Annual Bonus is earned.

3.3 Standard Company Benefits. Executive shall be entitled to all rights and benefits for which Executive is eligible under the terms and conditions of the standard Company benefits and compensation practices that may be in effect from time to time and are provided by the Company to its executive employees generally.

ARTICLE IV
TERMINATION OF EMPLOYMENT; SEVERANCE

4.1 Termination. The Executive's employment hereunder may be terminated by the Company or the Executive, as applicable, without any breach of this Agreement only under the following circumstances:

(a) Circumstances

(i) Death. The Executive's employment hereunder shall terminate upon his death.

(ii) Disability. If the Executive incurs a Disability, the Company may give the Executive written notice of its intention to terminate the Executive's employment. In that event, the Executive's employment with the Company shall terminate effective on the later of the 30th day after receipt of such notice by the Executive or the date specified in such notice, *provided* that within the 30 days after such receipt, the Executive shall not have returned to full-time performance of his duties.

(iii) Termination for Cause. The Company may terminate the Executive's employment for Cause.

(iv) Termination without Cause. The Company may terminate the Executive's employment without Cause.

(v) Resignation for Good Reason. The Executive may resign his employment hereunder for Good Reason.

(vi) Resignation without Good Reason. The Executive may resign his employment hereunder without Good Reason.

(b) Notice of Termination. Any termination of the Executive's employment by the Company or by the Executive under this Section 4.1 (other than termination pursuant to paragraph (a)(i)) shall be communicated by a written notice to the other party hereto indicating (i) the specific termination provision in this Agreement relied upon, (ii) except with respect to a termination pursuant to Section 4.1(a)(iv) or 4.1(a)(vi), setting forth in reasonable detail the facts and circumstances claimed to provide a basis for termination of the Executive's employment under the provision so indicated, and (iii) specifying a Date of Termination which, (A) if

submitted by the Executive, shall be at least 30 days following the date of such notice, or (B) if submitted by the Company, may, in the case of a termination pursuant to Section 4.1(a)(iii) or Section 4.1(a)(iv), be the date the Executive receives such notice, or any date thereafter elected by the Company in its sole discretion or, in the case of a termination pursuant to Section 4.1(a)(ii), the date determined pursuant to Section 4.1(a)(ii) (each, a "Notice of Termination"); *provided, however*, that in the event that the Executive delivers a Notice of Termination to the Company, the Company may, in its sole discretion, change the Date of Termination to any date that occurs during the period beginning on the date of Company's receipt of such Notice of Termination and ending on the date specified in such Notice of Termination. The failure by the Company to set forth in the Notice of Termination any fact or circumstance which contributes to a showing of Cause shall not waive any right of the Company hereunder or preclude the Company from asserting such fact or circumstance in enforcing the Company's rights hereunder. Notwithstanding the foregoing, a termination pursuant to Section 4.1(a)(iii) shall be deemed to include a determination following the Executive's termination of employment for any reason if the circumstances existing prior to such termination would have entitled the Company to have terminated the Executive's employment pursuant to Section 4.1(a)(iii).

4.2 Company Obligations Upon Termination of Employment.

(a) In General. Upon a termination of the Executive's employment for any reason, the Executive (or the Executive's estate) shall be entitled to receive the sum of the Executive's Annual Base Salary through the Date of Termination not theretofore paid; and any amount arising from the Executive's participation in, or benefits under, any employee benefit plans, programs or arrangements under Section 3.2 (including without limitation, any disability or life insurance benefit plans, programs or arrangements), which amounts shall be payable in accordance with the terms and conditions of such employee benefit plans, programs or arrangements.

(b) Termination without Cause or for Good Reason. If the Executive's employment shall be terminated by the Company without Cause or by the Executive for Good Reason (but not by reason of the Executive's death, Disability, termination by the Company for Cause or resignation by the Executive without Good Reason), then, in addition to the payments described in Section 4.2(a), the Company shall:

(i) For a period of 24 months following the Date of Termination, continue to pay to the Executive, the Executive's Annual Base Salary as in effect immediately prior to the Date of Termination in equal installments in accordance with the Company's regular payroll practices starting on the first regularly scheduled payroll date on or after the 60th day following the Date of Termination (with the portion of such amounts that would have been payable between the Date of Termination and such date paid in a lump sum on such date);

(ii) Pay to the Executive, an amount equal to two (2) times the Executive's Target Bonus for the year in which the Date of Termination occurs, payable in equal installments in accordance with the Company's regular payroll practices for a period of 24 months following the Date of Termination, starting on the first regularly scheduled payroll date on or after the 60th day following the Date of Termination (with the portion of such amounts that would have been payable between the Date of Termination and such date paid in a lump sum on such date); and

(iii) For the period beginning on the Date of Termination and ending on the earlier of (A) the date which is eighteen (18) full months following the Date of Termination, or (B) the date on which the Executive accepts employment with another employer that provides comparable benefits in terms of cost and scope of coverage, the Company shall pay for and provide the Executive and his or her dependents with medical and dental benefits which are substantially the same as the group health benefits provided to the Executive immediately prior to the Date of Termination, including, in the Company's discretion, paying the costs associated with continuation coverage pursuant to COBRA.

(c) Termination upon Death or Disability. If the Executive's employment shall be terminated by reason of his death or Disability, then, in addition to the payments described in Section 4.2(a), as soon as reasonably practicable following the Date of Termination the Company shall pay to the Executive in a lump sum, an amount equal to the Executive's Target Bonus for the year in which the Date of Termination occurs, prorated based on the ratio of the number of days during such year that the Executive was employed to 365.

(d) Section 409A. Notwithstanding any provision to the contrary in this Agreement: (i) no amount shall be payable pursuant to Section 4.2(b) unless the Executive's termination of employment constitutes a Separation from Service and unless, prior to the 60th day following the Date of Termination the Executive executes a waiver and release of claims agreement in the Company's customary form and does not subsequently revoke such waiver and release of claims agreement and (ii) if at the time of the Executive's Separation from Service the Executive is determined to be a "specified employee" for purposes of Section 409A(a)(2)(B)(i) of the Code, to the extent delayed commencement of any portion of the termination benefits to which the Executive is entitled under this Agreement is required in order to avoid a prohibited distribution under Section 409A(a)(2)(B)(i) of the Code, such portion of the Executive's termination benefits shall not be provided to the Executive prior to the earlier of (A) the expiration of the six-month period measured from the date of the Executive's Separation from Service or (B) the date of the Executive's death. Upon the earlier of such dates, all payments deferred pursuant to this Section 4.2(d) shall be paid in a lump sum to the Executive, and any remaining payments due under the Agreement shall be paid as otherwise provided herein. For purposes of Section 409A of the Code, the Executive's right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. To the extent that any reimbursement of any expense under Sections 3.3 or 4.2 or in-kind benefits provided under this Agreement are deemed to constitute taxable compensation to the Executive, such amounts will be reimbursed or provided no later than December 31 of the year following the year in which the expense was incurred. The amount of any such expenses reimbursed or in-kind benefits provided in one year shall not affect the expenses or in-kind benefits eligible for reimbursement or payment in any subsequent year, and the Executive's right to such reimbursement or payment of any such expenses will not be subject to liquidation or exchange for any other benefit. The determination of whether the Executive is a "specified employee" for purposes of Section 409A(a)(2)(B)(i) of the Code as of the time of his Separation from Service shall be made by the Company in accordance with the terms of Section 409A of the Code and applicable guidance thereunder (including without limitation Treasury Regulation Section 1.409A-1(i) and any successor provision thereto).

4.3 Mitigation. Executive shall not be required to mitigate damages or the amount of any payment provided under this Agreement by seeking other employment or otherwise, nor shall the amount of any payment provided for under this Agreement be reduced by any compensation earned by Executive as a result of employment by another employer or by any retirement benefits received by Executive after the Date of Termination, or otherwise.

ARTICLE V
PROPRIETARY INFORMATION OBLIGATIONS

Confidentiality. Executive agrees to execute and abide by the Company's customary form of Confidentiality Agreement (the "Confidentiality Agreement"). Without limiting the foregoing, Executive acknowledges that the Company has a legitimate and continuing proprietary interest in the Company's confidential and proprietary information which the Company has expended great sums to develop and maintain. Except as required by law, including disclosure required by judicial process, or as otherwise necessary to fulfill his duties to the Company, the Executive shall not use, exploit, publish or disclose in any manner, and the Executive shall maintain in the strictest confidence, all confidential or proprietary information concerning the Company's business and operations (including information regarding suppliers, customers, details of contracts, pricing policies, market information, operational methods or future plans), and shall keep all such information confidential so long as such information does not become known to third persons other than by reason of an improper disclosure of such information by the Executive.

5.1 Remedies. Executive's duties under the Confidentiality Agreement shall survive termination of Executive's employment with the Company and the termination of this Agreement. Executive acknowledges that a remedy at law for any breach or threatened breach by Executive of the provisions of the Confidentiality Agreement would be inadequate, and Executive therefore agrees that the Company shall be entitled to injunctive relief in case of any such breach or threatened breach.

ARTICLE VI
OUTSIDE ACTIVITIES

6.1 Other Activities. Except with the prior written consent of the Board, Executive shall not during the term of this Agreement undertake or engage in any other employment, occupation or business enterprise, other than ones in which Executive is a passive investor. Executive may engage in civic and not-for-profit activities so long as such activities do not materially interfere with the performance of Executive's duties hereunder.

6.2 Competition/Investments. During the term of Executive's employment by the Company, except on behalf of the Globe Group, Executive shall not directly or indirectly, whether as an officer, director, stockholder, partner, proprietor, associate, representative, consultant, or in any capacity whatsoever engage in, become financially interested in, be employed by or have any business connection with any other person, corporation, firm, partnership or other entity whatsoever which were known by Executive to compete directly with the Globe Group, throughout the United States, in any line of business engaged in (or planned to be engaged in) by the Globe Group; provided, however, that anything above to the contrary

notwithstanding, Executive may own, as a passive investor, securities of any competitor corporation, so long as Executive's direct holdings in any one such corporation shall not in the aggregate constitute more than 5% of the voting stock of such corporation.

ARTICLE VII
NONINTERFERENCE

While employed by, or providing services to, the Company, and for one (1) year immediately following the later of the Date of Termination or the date Executive otherwise ceases providing services to the Company, Executive agrees not to interfere with the business of the Company by soliciting or attempting to solicit any employee of the Company to terminate such employee's employment in order to become an employee, consultant or independent contractor to or for any other entity. For the avoidance of doubt, a bona fide advertisement for employment placed by any party any not specifically targeted at employees of the Company shall not constitute a violation of this Article 7. Executive's duties under this Article 7 shall survive termination of Executive's employment with the Company and the termination of this Agreement.

ARTICLE VIII
GENERAL PROVISIONS

8.1 Notices. Any notices provided hereunder must be in writing and shall be deemed effective upon the earlier of personal delivery (including personal delivery by facsimile) or the third day after mailing by first class mail, to the Company at its primary office location and to Executive at Executive's address as listed on the Company payroll.

8.2 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or any other jurisdiction, but this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provisions had never been contained herein.

8.3 Waiver. If either party should waive any breach of any provisions of this Agreement, they shall not thereby be deemed to have waived any preceding or succeeding breach of the same or any other provision of this Agreement.

8.4 Complete Agreement. The terms of this Agreement (together with any other agreements and instruments contemplated hereby or referred to herein) is intended by the parties to be the final expression of their agreement with respect to the employment of the Executive by the Company and may not be contradicted by evidence of any prior or contemporaneous agreement. This Agreement shall supersede all undertakings or agreements, whether written or oral, previously entered into by the Executive and the Company or any predecessor thereto or affiliate thereof with respect to the employment of the Executive by the Company or with respect to severance payable by the Company upon termination of employment (including, without limitation, the Prior Agreement and that certain Executive Change in Control Agreement entered

into by the Company and Executive dated October 5, 2006). The parties further intend that this Agreement shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever may be introduced in any judicial, administrative, or other legal proceeding to vary the terms of this Agreement. This Agreement is entered into without reliance on any promise or representation other than those expressly contained herein or therein, and cannot be modified or amended except in a writing signed by an officer of the Company and Executive.

8.5 Counterparts. This Agreement may be executed in separate counterparts, any one of which need not contain signatures of more than one party, but all of which taken together will constitute one and the same Agreement.

8.6 Headings. The headings of the sections hereof are inserted for convenience only and shall not be deemed to constitute a part hereof nor to affect the meaning thereof.

8.7 Successors and Assigns. The Company may assign its rights and obligations under this Agreement to any entity, including any successor to all or substantially all the assets of the Company, by merger or otherwise, and may assign or encumber this Agreement and its rights hereunder as security for indebtedness of the Company and its affiliates. The Executive may not assign the Executive's rights or obligations under this Agreement to any individual or entity. This Agreement shall be binding upon and inure to the benefit of the Company, the Executive and their respective successors, assigns, personnel and legal representatives, executors, administrators, heirs, distributees, devisees, and legatees, as applicable.

8.8 Arbitration. To ensure the timely and economical resolution of disputes that arise in connection with Executive's employment with the Company, Executive and the Company agree that any and all disputes, claims, or causes of action arising from or relating to the enforcement, breach, performance or interpretation of this Agreement, Executive's employment, or the termination of Executive's employment, shall be resolved to the fullest extent permitted by law by final, binding and confidential arbitration, by a single arbitrator, in San Francisco, California, conducted by Judicial Arbitration and Mediation Services, Inc. ("JAMS") under the applicable JAMS employment rules. **By agreeing to this arbitration procedure, both Executive and the Company waive the right to resolve any such dispute through a trial by jury or judge or administrative proceeding.** The arbitrator shall: (a) have the authority to compel adequate discovery for the resolution of the dispute and to award such relief as would otherwise be permitted by law; and (b) issue a written arbitration decision, to include the arbitrator's essential findings and conclusions and a statement of the award. The arbitrator shall be authorized to award any or all remedies that Executive or the Company would be entitled to seek in a court of law. The Company shall pay all JAMS' arbitration fees. Nothing in this Agreement is intended to prevent either Executive or the Company from obtaining injunctive relief in court to prevent irreparable harm pending the conclusion of any such arbitration.

8.9 Attorneys' Fees. If either party hereto brings any action to enforce rights hereunder, each party in any such action shall be responsible for its own attorneys' fees and costs incurred in connection with such action.

8.10 Withholding. The Company shall be entitled to withhold from any amounts payable under this Agreement any federal, state, local or foreign withholding or other taxes or charges which the Company is required to withhold. The Company shall be entitled to rely on an opinion of counsel if any questions as to the amount or requirement of withholding shall arise.

8.11 Section 409A. The parties acknowledge and agree that, to the extent applicable, this Agreement shall be interpreted in accordance with, and the parties agree to use their best efforts to achieve timely compliance with, Section 409A of the Code, and the Department of Treasury Regulations and other interpretive guidance issued thereunder ("Section 409A"), including without limitation any such regulations or other guidance that may be issued after the Effective Date. Notwithstanding any provision of this Agreement to the contrary, in the event that the Company determines that any compensation or benefits payable or provided under this Agreement may be subject to Section 409A, the Company reserves the right to (without any obligation to do so or to indemnify the Executive for failure to do so) adopt such limited amendments to this Agreement and appropriate policies and procedures, including amendments and policies with retroactive effect, that the Company reasonably determines are necessary or appropriate to (a) exempt the compensation and benefits payable under this Agreement from Section 409A and/or preserve the intended tax treatment of the compensation and benefits provided with respect to this Agreement or (b) comply with the requirements of Section 409A, and thereby avoid the application of penalty taxes thereunder.

8.12 Choice of Law. All questions concerning the construction, validity and interpretation of this Agreement will be governed by the law of the State of California without regard to the conflicts of law provisions thereof.

8.13 Grant of Stock Options. Within two (2) weeks of the Effective Date Globe shall make a grant of stock options to acquire shares of its common stock to Executive in final forms mutually agreed between Executive and Globe consistent with the terms set forth in Exhibit A of the Transfer Contribution and Support Agreement between Executive, the Lindberg Revocable Trust u/a/d 2/14/06 and Globe (formerly known as Cannery Sales Holding Corp.) dated September 13, 2014.

ARTICLE II
EMPLOYMENT BY THE COMPANY

2.1 Position and Duties. Subject to terms set forth herein, the Company agrees to continue to employ Executive in the position of Co-Chief Executive Officer and Executive hereby accepts such continued employment. Executive shall serve in an executive capacity and shall perform such duties as are customarily associated with the position of Co-Chief Executive Officer and such other duties as are assigned to Executive by the Board. During the term of Executive's employment with the Company, Executive will devote Executive's best efforts and substantially all of Executive's business time and attention (except for vacation periods and reasonable periods of illness or other incapacities permitted by the Company's general employment policies or as otherwise set forth in this Agreement) to the business of the Company.

2.2 Employment at Will. Both the Company and Executive shall have the right to terminate Executive's employment with the Company at any time, with or without Cause, and without prior notice. If Executive's employment with the Company is terminated, Executive will be eligible to receive severance benefits to the extent provided in this Agreement.

2.3 Employment Policies. The employment relationship between the parties shall also be governed by the general employment policies and practices of the Company, including those relating to protection of confidential information and assignment of inventions, except that when the terms of this Agreement differ from or are in conflict with the Company's general employment policies or practices, this Agreement shall control.

ARTICLE III
COMPENSATION

3.1 Base Salary. Executive shall receive for services to be rendered hereunder an annual base salary of $504,000, payable on the regular payroll dates of the Company, subject to increase in the sole discretion of the Board (the "Annual Base Salary").

3.2 Annual Bonus. Each calendar year, Executive shall be eligible to participate in a performance-based bonus compensation program pursuant to which Executive may be paid an amount up to 100% of Executive's Annual Base Salary (the "Target Bonus"), as determined by

the Board in its discretion (the "Annual Bonus"). The amount, if any, of such Annual Bonus for each such calendar year shall be determined based upon the attainment of reasonable performance goals approved by the Board in its sole discretion. Each such Annual Bonus shall be payable during the calendar year following the year for which such Annual Bonus is earned.

3.3 Standard Company Benefits. Executive shall be entitled to all rights and benefits for which Executive is eligible under the terms and conditions of the standard Company benefits and compensation practices that may be in effect from time to time and are provided by the Company to its executive employees generally.

ARTICLE IV
TERMINATION OF EMPLOYMENT; SEVERANCE

4.1 Termination. The Executive's employment hereunder may be terminated by the Company or the Executive, as applicable, without any breach of this Agreement only under the following circumstances:

(a) Circumstances

(i) Death. The Executive's employment hereunder shall terminate upon his death.

(ii) Disability. If the Executive incurs a Disability, the Company may give the Executive written notice of its intention to terminate the Executive's employment. In that event, the Executive's employment with the Company shall terminate effective on the later of the 30th day after receipt of such notice by the Executive or the date specified in such notice, *provided* that within the 30 days after such receipt, the Executive shall not have returned to full-time performance of his duties.

(iii) Termination for Cause. The Company may terminate the Executive's employment for Cause.

(iv) Termination without Cause. The Company may terminate the Executive's employment without Cause.

(v) Resignation for Good Reason. The Executive may resign his employment hereunder for Good Reason.

(vi) Resignation without Good Reason. The Executive may resign his employment hereunder without Good Reason.

(b) Notice of Termination. Any termination of the Executive's employment by the Company or by the Executive under this Section 4.1 (other than termination pursuant to paragraph (a)(i)) shall be communicated by a written notice to the other party hereto indicating (i) the specific termination provision in this Agreement relied upon, (ii) except with respect to a termination pursuant to Section 4.1(a)(iv) or 4.1(a)(vi), setting forth in reasonable detail the facts and circumstances claimed to provide a basis for termination of the Executive's employment under the provision so indicated, and (iii) specifying a Date of Termination which, (A) if

submitted by the Executive, shall be at least 30 days following the date of such notice, or (B) if submitted by the Company, may, in the case of a termination pursuant to Section 4.1(a)(iii) or Section 4.1(a)(iv), be the date the Executive receives such notice, or any date thereafter elected by the Company in its sole discretion or, in the case of a termination pursuant to Section 4.1(a)(ii), the date determined pursuant to Section 4.1(a)(ii) (each, a "Notice of Termination"); *provided, however*, that in the event that the Executive delivers a Notice of Termination to the Company, the Company may, in its sole discretion, change the Date of Termination to any date that occurs during the period beginning on the date of Company's receipt of such Notice of Termination and ending on the date specified in such Notice of Termination. The failure by the Company to set forth in the Notice of Termination any fact or circumstance which contributes to a showing of Cause shall not waive any right of the Company hereunder or preclude the Company from asserting such fact or circumstance in enforcing the Company's rights hereunder. Notwithstanding the foregoing, a termination pursuant to Section 4.1(a)(iii) shall be deemed to include a determination following the Executive's termination of employment for any reason if the circumstances existing prior to such termination would have entitled the Company to have terminated the Executive's employment pursuant to Section 4.1(a)(iii).

4.2 Company Obligations Upon Termination of Employment.

(a) In General. Upon a termination of the Executive's employment for any reason, the Executive (or the Executive's estate) shall be entitled to receive the sum of the Executive's Annual Base Salary through the Date of Termination not theretofore paid; and any amount arising from the Executive's participation in, or benefits under, any employee benefit plans, programs or arrangements under Section 3.2 (including without limitation, any disability or life insurance benefit plans, programs or arrangements), which amounts shall be payable in accordance with the terms and conditions of such employee benefit plans, programs or arrangements.

(b) Termination without Cause or for Good Reason. If the Executive's employment shall be terminated by the Company without Cause or by the Executive for Good Reason (but not by reason of the Executive's death, Disability, termination by the Company for Cause or resignation by the Executive without Good Reason), then, in addition to the payments described in Section 4.2(a), the Company shall:

(i) For a period of 24 months following the Date of Termination, continue to pay to the Executive, the Executive's Annual Base Salary as in effect immediately prior to the Date of Termination in equal installments in accordance with the Company's regular payroll practices starting on the first regularly scheduled payroll date on or after the 60th day following the Date of Termination (with the portion of such amounts that would have been payable between the Date of Termination and such date paid in a lump sum on such date);

(ii) Pay to the Executive, an amount equal to two (2) times the Executive's Target Bonus for the year in which the Date of Termination occurs, payable in equal installments in accordance with the Company's regular payroll practices for a period of 24 months following the Date of Termination, starting on the first regularly scheduled payroll date on or after the 60th day following the Date of Termination (with the portion of such amounts that would have been payable between the Date of Termination and such date paid in a lump sum on such date); and

(iii) For the period beginning on the Date of Termination and ending on the earlier of (A) the date which is eighteen (18) full months following the Date of Termination, or (B) the date on which the Executive accepts employment with another employer that provides comparable benefits in terms of cost and scope of coverage, the Company shall pay for and provide the Executive and his or her dependents with medical and dental benefits which are substantially the same as the group health benefits provided to the Executive immediately prior to the Date of Termination, including, in the Company's discretion, paying the costs associated with continuation coverage pursuant to COBRA.

(c) Termination upon Death or Disability. If the Executive's employment shall be terminated by reason of his death or Disability, then, in addition to the payments described in Section 4.2(a), as soon as reasonably practicable following the Date of Termination the Company shall pay to the Executive in a lump sum, an amount equal to the Executive's Target Bonus for the year in which the Date of Termination occurs, prorated based on the ratio of the number of days during such year that the Executive was employed to 365.

(d) Section 409A. Notwithstanding any provision to the contrary in this Agreement: (i) no amount shall be payable pursuant to Section 4.2(b) unless the Executive's termination of employment constitutes a Separation from Service and unless, prior to the 60th day following the Date of Termination the Executive executes a waiver and release of claims agreement in the Company's customary form and does not subsequently revoke such waiver and release of claims agreement and (ii) if at the time of the Executive's Separation from Service the Executive is determined to be a "specified employee" for purposes of Section 409A(a)(2)(B)(i) of the Code, to the extent delayed commencement of any portion of the termination benefits to which the Executive is entitled under this Agreement is required in order to avoid a prohibited distribution under Section 409A(a)(2)(B)(i) of the Code, such portion of the Executive's termination benefits shall not be provided to the Executive prior to the earlier of (A) the expiration of the six-month period measured from the date of the Executive's Separation from Service or (B) the date of the Executive's death. Upon the earlier of such dates, all payments deferred pursuant to this Section 4.2(d) shall be paid in a lump sum to the Executive, and any remaining payments due under the Agreement shall be paid as otherwise provided herein. For purposes of Section 409A of the Code, the Executive's right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. To the extent that any reimbursement of any expense under Sections 3.3 or 4.2 or in-kind benefits provided under this Agreement are deemed to constitute taxable compensation to the Executive, such amounts will be reimbursed or provided no later than December 31 of the year following the year in which the expense was incurred. The amount of any such expenses reimbursed or in-kind benefits provided in one year shall not affect the expenses or in-kind benefits eligible for reimbursement or payment in any subsequent year, and the Executive's right to such reimbursement or payment of any such expenses will not be subject to liquidation or exchange for any other benefit. The determination of whether the Executive is a "specified employee" for purposes of Section 409A(a)(2)(B)(i) of the Code as of the time of his Separation from Service shall be made by the Company in accordance with the terms of Section 409A of the Code and applicable guidance thereunder (including without limitation Treasury Regulation Section 1.409A-1(i) and any successor provision thereto).

4.3 Mitigation. Executive shall not be required to mitigate damages or the amount of any payment provided under this Agreement by seeking other employment or otherwise, nor shall the amount of any payment provided for under this Agreement be reduced by any compensation earned by Executive as a result of employment by another employer or by any retirement benefits received by Executive after the Date of Termination, or otherwise.

ARTICLE V
PROPRIETARY INFORMATION OBLIGATIONS

Confidentiality. Executive agrees to execute and abide by the Company's customary form of Confidentiality Agreement (the "Confidentiality Agreement"). Without limiting the foregoing, Executive acknowledges that the Company has a legitimate and continuing proprietary interest in the Company's confidential and proprietary information which the Company has expended great sums to develop and maintain. Except as required by law, including disclosure required by judicial process, or as otherwise necessary to fulfill his duties to the Company, the Executive shall not use, exploit, publish or disclose in any manner, and the Executive shall maintain in the strictest confidence, all confidential or proprietary information concerning the Company's business and operations (including information regarding suppliers, customers, details of contracts, pricing policies, market information, operational methods or future plans), and shall keep all such information confidential so long as such information does not become known to third persons other than by reason of an improper disclosure of such information by the Executive.

5.1 Remedies. Executive's duties under the Confidentiality Agreement shall survive termination of Executive's employment with the Company and the termination of this Agreement. Executive acknowledges that a remedy at law for any breach or threatened breach by Executive of the provisions of the Confidentiality Agreement would be inadequate, and Executive therefore agrees that the Company shall be entitled to injunctive relief in case of any such breach or threatened breach.

ARTICLE VI
OUTSIDE ACTIVITIES

6.1 Other Activities. Except with the prior written consent of the Board, Executive shall not during the term of this Agreement undertake or engage in any other employment, occupation or business enterprise, other than ones in which Executive is a passive investor. Executive may engage in civic and not-for-profit activities so long as such activities do not materially interfere with the performance of Executive's duties hereunder.

6.2 Competition/Investments. During the term of Executive's employment by the Company, except on behalf of the Globe Group, Executive shall not directly or indirectly, whether as an officer, director, stockholder, partner, proprietor, associate, representative, consultant, or in any capacity whatsoever engage in, become financially interested in, be employed by or have any business connection with any other person, corporation, firm, partnership or other entity whatsoever which were known by Executive to compete directly with the Globe Group, throughout the United States, in any line of business engaged in (or planned to be engaged in) by the Globe Group; provided, however, that anything above to the contrary

notwithstanding, Executive may own, as a passive investor, securities of any competitor corporation, so long as Executive's direct holdings in any one such corporation shall not in the aggregate constitute more than 5% of the voting stock of such corporation.

ARTICLE VII
NONINTERFERENCE

While employed by, or providing services to, the Company, and for one (1) year immediately following the later of the Date of Termination or the date Executive otherwise ceases providing services to the Company, Executive agrees not to interfere with the business of the Company by soliciting or attempting to solicit any employee of the Company to terminate such employee's employment in order to become an employee, consultant or independent contractor to or for any other entity. For the avoidance of doubt, a bona fide advertisement for employment placed by any party any not specifically targeted at employees of the Company shall not constitute a violation of this Article 7. Executive's duties under this Article 7 shall survive termination of Executive's employment with the Company and the termination of this Agreement.

ARTICLE VIII
GENERAL PROVISIONS

8.1 Notices. Any notices provided hereunder must be in writing and shall be deemed effective upon the earlier of personal delivery (including personal delivery by facsimile) or the third day after mailing by first class mail, to the Company at its primary office location and to Executive at Executive's address as listed on the Company payroll.

8.2 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or any other jurisdiction, but this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provisions had never been contained herein.

8.3 Waiver. If either party should waive any breach of any provisions of this Agreement, they shall not thereby be deemed to have waived any preceding or succeeding breach of the same or any other provision of this Agreement.

8.4 Complete Agreement. The terms of this Agreement (together with any other agreements and instruments contemplated hereby or referred to herein) is intended by the parties to be the final expression of their agreement with respect to the employment of the Executive by the Company and may not be contradicted by evidence of any prior or contemporaneous agreement. This Agreement shall supersede all undertakings or agreements, whether written or oral, previously entered into by the Executive and the Company or any predecessor thereto or affiliate thereof with respect to the employment of the Executive by the Company or with respect to severance payable by the Company upon termination of employment (including, without limitation, the Prior Agreement and that certain Executive Change in Control Agreement entered

into by the Company and Executive dated October 5, 2006). The parties further intend that this Agreement shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever may be introduced in any judicial, administrative, or other legal proceeding to vary the terms of this Agreement. This Agreement is entered into without reliance on any promise or representation other than those expressly contained herein or therein, and cannot be modified or amended except in a writing signed by an officer of the Company and Executive.

8.5 Counterparts. This Agreement may be executed in separate counterparts, any one of which need not contain signatures of more than one party, but all of which taken together will constitute one and the same Agreement.

8.6 Headings. The headings of the sections hereof are inserted for convenience only and shall not be deemed to constitute a part hereof nor to affect the meaning thereof.

8.7 Successors and Assigns. The Company may assign its rights and obligations under this Agreement to any entity, including any successor to all or substantially all the assets of the Company, by merger or otherwise, and may assign or encumber this Agreement and its rights hereunder as security for indebtedness of the Company and its affiliates. The Executive may not assign the Executive's rights or obligations under this Agreement to any individual or entity. This Agreement shall be binding upon and inure to the benefit of the Company, the Executive and their respective successors, assigns, personnel and legal representatives, executors, administrators, heirs, distributees, devisees, and legatees, as applicable.

8.8 Arbitration. To ensure the timely and economical resolution of disputes that arise in connection with Executive's employment with the Company, Executive and the Company agree that any and all disputes, claims, or causes of action arising from or relating to the enforcement, breach, performance or interpretation of this Agreement, Executive's employment, or the termination of Executive's employment, shall be resolved to the fullest extent permitted by law by final, binding and confidential arbitration, by a single arbitrator, in San Francisco, California, conducted by Judicial Arbitration and Mediation Services, Inc. ("JAMS") under the applicable JAMS employment rules. **By agreeing to this arbitration procedure, both Executive and the Company waive the right to resolve any such dispute through a trial by jury or judge or administrative proceeding.** The arbitrator shall: (a) have the authority to compel adequate discovery for the resolution of the dispute and to award such relief as would otherwise be permitted by law; and (b) issue a written arbitration decision, to include the arbitrator's essential findings and conclusions and a statement of the award. The arbitrator shall be authorized to award any or all remedies that Executive or the Company would be entitled to seek in a court of law. The Company shall pay all JAMS' arbitration fees. Nothing in this Agreement is intended to prevent either Executive or the Company from obtaining injunctive relief in court to prevent irreparable harm pending the conclusion of any such arbitration.

8.9 Attorneys' Fees. If either party hereto brings any action to enforce rights hereunder, each party in any such action shall be responsible for its own attorneys' fees and costs incurred in connection with such action.

8.10 Withholding. The Company shall be entitled to withhold from any amounts payable under this Agreement any federal, state, local or foreign withholding or other taxes or charges which the Company is required to withhold. The Company shall be entitled to rely on an opinion of counsel if any questions as to the amount or requirement of withholding shall arise.

8.11 Section 409A. The parties acknowledge and agree that, to the extent applicable, this Agreement shall be interpreted in accordance with, and the parties agree to use their best efforts to achieve timely compliance with, Section 409A of the Code, and the Department of Treasury Regulations and other interpretive guidance issued thereunder ("Section 409A"), including without limitation any such regulations or other guidance that may be issued after the Effective Date. Notwithstanding any provision of this Agreement to the contrary, in the event that the Company determines that any compensation or benefits payable or provided under this Agreement may be subject to Section 409A, the Company reserves the right to (without any obligation to do so or to indemnify the Executive for failure to do so) adopt such limited amendments to this Agreement and appropriate policies and procedures, including amendments and policies with retroactive effect, that the Company reasonably determines are necessary or appropriate to (a) exempt the compensation and benefits payable under this Agreement from Section 409A and/or preserve the intended tax treatment of the compensation and benefits provided with respect to this Agreement or (b) comply with the requirements of Section 409A, and thereby avoid the application of penalty taxes thereunder.

8.12 Choice of Law. All questions concerning the construction, validity and interpretation of this Agreement will be governed by the law of the State of California without regard to the conflicts of law provisions thereof.

8.13 Grant of Stock Options. Within two (2) weeks of the Effective Date Globe shall make a grant of stock options to acquire shares of its common stock to Executive in final forms mutually agreed between Executive and Globe consistent with the terms set forth in Exhibit A of the Transfer Contribution and Support Agreement between Executive, the 2012 Separate Property Trust dated 1/23/12, the Tuckernuck Trust and Globe (formerly known as Cannery Sales Holding Corp.) dated September 13, 2014.

NOW, THEREFORE, in consideration of all of the foregoing, and the mutual terms, covenants, agreements and conditions hereinafter set forth, Buyer and the Selling Stockholders hereby agree, subject to the closing of the Merger (as defined in the Merger Agreement) as follows:

1. The Selling Stockholders agree that from the Closing Date until the five (5) year anniversary of the Closing Date (or, if earlier, the two (2) year anniversary of termination of Executive's employment with the Buyer and its Subsidiaries (as defined in the Merger Agreement) in the event such employment is terminated by the Buyer and its Subsidiaries without Cause or by Executive's resignation for Good Reason, as such terms are defined in the Selling Stockholders employment agreement with the Company) (the "Restricted Period"), the Selling Stockholders shall not, directly or indirectly through an Affiliate (as defined in the Merger Agreement) or otherwise, own any direct or indirect interest in, manage, control, serve as a director of, participate in, consult with, render services for, or in any manner engage in any Competitive Business. Notwithstanding the foregoing, the Executive shall be permitted to provide services to (1) a private equity fund that owns a Competitive Business or (2) a conglomerate company that together with its Subsidiaries is not primarily engaged in a Competitive Business, in either case, as long as the Executive does not, directly or indirectly manage, control, serve as a director of, participate in, consult with, render services for, or in any manner engage in such Competitive Business.

2. Nothing herein shall prohibit the Selling Stockholders during the Restricted Period from being a passive owner of not more than one percent (1%) of the outstanding stock of any class of a corporation which is publicly traded and that engages in a Competitive Business, so long as the Selling Stockholders have no active participation in the business or management of such corporation, its subsidiaries or its or their businesses or operations.

3. The Selling Stockholders agree that during the Restricted Period, the Selling Stockholders shall not, directly or indirectly through an Affiliate or otherwise, (i) cause, solicit, induce or encourage any employees of the Company or the subsidiaries as of the Closing Date to leave such employment (other than through general advertisements or executive searches not specifically directed at any of the Company or the subsidiaries or any of their respective employees) or (ii) cause, induce or encourage any material actual or prospective supplier or licensor of the Company or the subsidiaries as of the Closing Date or any other Person who has a material business relationship with the Company or the subsidiaries as of the Closing Date to terminate or modify any such actual or prospective relationship.

4. In the event of the breach or a threatened breach by the Selling Stockholders of any of the provisions of any of Sections 1 through 3 above, Buyer, in addition and supplementary to other rights and remedies existing in its favor, may apply to any court of law or equity of competent jurisdiction for specific performance and/or injunctive or other relief in order to enforce or prevent any violations of the provisions hereof (without posting a bond or other security).

5. This Agreement shall, except with respect to Sections 6 and 7 (which shall survive the termination of this Agreement indefinitely) terminate on the earlier of (i) the date on which the Merger Agreement terminates in accordance with its terms, and (ii) with respect to a Competitive Business, the time that the Company and its subsidiaries cease to (A) own, operate or have an economic interest in any grocery store within five (5) miles of any Competing Grocery Store of such Competitive Business and (B) sell any goods or merchandise through any grocery store within five (5) miles of any Competing Grocery Store of such Competitive Business.

6. It is the intent of the parties hereto that all questions with respect to the construction of this Agreement and the rights and liabilities of the parties hereunder shall be determined in accordance with the laws of the State of Delaware, without regard to principles of conflicts of laws thereof that would call for the application of the substantive law of any jurisdiction other than the State of Delaware. Each party irrevocably agrees for the exclusive benefit of the other that any and all suits, actions or proceedings relating to this Agreement shall be maintained in either the courts of the State of Delaware or the federal District Courts sitting in Wilmington, Delaware (the "Chosen Courts") and that the Chosen Courts shall have exclusive jurisdiction over any proceeding and that any such proceedings shall only be brought in the Chosen Courts. Each of the parties hereto agrees that this Agreement involves at least $100,000 and that this Agreement has been entered into in express reliance on Section 2708 of Title 6 of the Delaware Code. Each of the parties hereto irrevocably and unconditionally agrees that, to the extent such party is not otherwise subject to service of process in the State of Delaware, service of process may be made on such party by pre-paid certified mail with a validated proof of mailing receipt constituting evidence of valid service sent to such party at the last address provided by either party to the other, and that service sent made pursuant to this Section 6 shall, to the fullest extent permitted by applicable law, have the same legal force and effect as if served upon such party personally within the State of Delaware.

7. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY PROCEEDING, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE, AMONG THE PARTIES HERETO ARISING OUT OF OR RELATED TO THIS AGREEMENT OR ANY OTHER AGREEMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH OR FOR ANY COUNTERCLAIM THEREIN. THE PARTIES HERETO MAY FILE AN ORIGINAL COUNTERPART OR COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

8. The Selling Stockholders agree that (i) the covenants contained herein are reasonable and lawful under the circumstances (*e.g.*, in connection with the disposition of the Selling Stockholders' ownership interests in the Company and its Subsidiaries and the Selling Stockholders' goodwill related thereto in connection with the transactions described in the Merger Agreement, in return for which the Selling Stockholders are receiving cash and other good and valuable consideration), (ii) the Selling Stockholders have consulted with counsel of the Selling Stockholders' choosing, and based upon such counsel's advice, the covenants contained herein constitute a valid and enforceable agreement under Section 16601 of the California Business and Professional Code, and (iii) the Selling Stockholders will not contest the validity or unenforceability of this Agreement during the Restricted Period. It is expressly understood and agreed that although the Selling Stockholders and the Company consider the restrictions contained in this Agreement to be reasonable and lawful, if a final judicial determination is made by a court of competent jurisdiction that the time or territory or any other restriction contained in this Agreement is an unenforceable restriction against the Selling Stockholders, the provisions of this Agreement shall not be rendered void but shall be deemed amended to apply as to such maximum time and territory and to such maximum extent as such court may judicially determine or indicate to be enforceable. Alternatively, if any court of competent jurisdiction finds that any restriction contained in this Agreement is unenforceable, and such restriction cannot be amended so as to make it enforceable, such finding shall not affect the enforceability of any of the other restrictions contained herein

9. This Agreement and the Merger Agreement contains the entire understanding of the parties with respect to the subject matter hereof and supersedes any other agreement by the parties with respect to the subject matter hereof. There are no restrictions, agreements, promises, warranties, covenants or undertakings between the parties with respect to the subject matter herein other than those expressly set forth herein. This Agreement may not be altered, modified, or amended except by written instrument signed by the parties hereto.

10. The failure of a party to insist upon strict adherence to any term of this Agreement on any occasion shall not be considered a waiver of such party's rights or deprive such party of the right thereafter to insist upon strict adherence to that term or any other term of this Agreement.

11. This Agreement shall not be assignable by the Selling Stockholders. This Agreement may only be assigned by Buyer to any Affiliate or successor of Buyer that in either case is a successor in interest to the business of Buyer and its Subsidiaries. Upon such assignment in accordance herewith, the rights and obligations of Buyer hereunder shall become the rights and obligations of such successor.

12. This Agreement shall inure to the benefit of and be binding upon the successors and permitted assignees of the parties hereto. Notwithstanding anything in this Agreement, the Selling Stockholders acknowledge and agrees that Buyer, its Subsidiaries and any of their respective Affiliates shall be entitled to injunctive or other relief in order to enforce the covenants as set forth in Sections 1 through 3 of this Agreement.

13. This Agreement may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

If Executive's employment terminates due to a Covered Termination, Executive shall receive any annual base salary that has accrued but is unpaid as of the date of such Covered Termination. Executive shall also be entitled to receive payments equal to the sum of (a) one hundred fifty percent (150%) of Executive's annual base salary as in effect during the last regularly scheduled payroll period immediately preceding the Covered Termination and (b) Executive's target annual bonus for the year in which the Covered Termination occurs, pro-rated for the portion of the applicable performance period within which the Covered Termination occurs and determined assuming that any performance goals relating to such annual bonus have been attained at their targeted levels as of the date of the Covered Termination, subject to applicable tax withholding (the "Severance Benefits"). The Severance Benefits shall be payable in a single lump sum on the first regularly scheduled payroll date on or after the 60th day following the date the Covered Termination occurs.

4.2 Mitigation. Executive shall not be required to mitigate damages or the amount of any payment provided under this Agreement by seeking other employment or otherwise, nor shall the amount of any payment provided for under this Agreement be reduced by any compensation earned by Executive as a result of employment by another employer or by any retirement benefits received by Executive after the date of the Covered Termination, or otherwise.

4.3 Section 409A. Notwithstanding any provision to the contrary in this Agreement: (i) no amount shall be payable pursuant to Section 4.1 unless the Executive's termination of employment constitutes a Separation from Service and unless, on or prior to the 60th day following the date of Executive's Covered Termination, Executive executes a waiver and release of claims agreement in the Company's customary form and does not subsequently revoke such waiver and release of claims agreement and (ii) if at the time of the Executive's Separation from Service the Executive is determined to be a "specified employee" for purposes of Section 409A(a)(2)(B)(i) of the Code, to the extent delayed commencement of any portion of the termination benefits to which the Executive is entitled under this Agreement is required in order to avoid a prohibited distribution under Section 409A(a)(2)(B)(i) of the Code, such portion of the Executive's termination benefits shall not be provided to the Executive prior to the earlier of (A) the expiration of the six-month period measured from the date of the Executive's Separation from Service or (B) the date of the Executive's death. Upon the earlier of such dates, all payments deferred pursuant to this Section 4.3 shall be paid in a lump sum to the Executive, and any remaining payments due under the Agreement shall be paid as otherwise provided herein. For purposes of Section 409A of the Code, the Executive's right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. To the extent that any reimbursement of any expense under Sections 3.2 or 4.1 or in-kind benefits provided under this Agreement are deemed to constitute taxable compensation to the Executive, such amounts will be reimbursed or provided no later than December 31 of the year following the year in which the expense was incurred. The amount of any such expenses reimbursed or in-kind benefits provided in one year shall not affect the expenses or in-kind benefits eligible for reimbursement or payment in any subsequent year, and the Executive's right to such reimbursement or payment of any such expenses will not be subject to liquidation or exchange for any other benefit. The determination of whether the Executive is a "specified employee" for purposes of Section 409A(a)(2)(B)(i) of the Code as of the time of his Separation from Service shall be made by the Company in accordance with the terms of Section 409A of the Code and applicable guidance thereunder (including without limitation Treasury Regulation Section 1.409A-1(i) and any successor provision thereto).

ARTICLE V
PROPRIETARY INFORMATION OBLIGATIONS

5.1 Confidentiality. Executive agrees to execute and abide by the Company's customary form of Confidentiality Agreement (the "Confidentiality Agreement"). Without limiting the foregoing, Executive agrees the terms of this Agreement and its subject matter are sensitive and should be kept confidential and that without the prior authorization of the Company Executive shall not disclose to any third party any and all information, whether written or oral, relating to any transaction involving the Company that, if consummated, could constitute a change in control, other than information that (a) is or becomes generally available to the public other than as a result of a breach of this Agreement by Executive; or (b) becomes available to Executive on a non-confidential basis from a source other than the Company or a member of the Read Family, provided that such source is not to your knowledge, after reasonable investigation, bound by a confidentiality agreement or other legal or fiduciary obligation of secrecy to the Company or any of its affiliates.

5.2 Remedies. Executive's duties under the Confidentiality Agreement shall survive termination of Executive's employment with the Company and the termination of this Agreement. Executive acknowledges that a remedy at law for any breach or threatened breach by Executive of the provisions of the Confidentiality Agreement would be inadequate, and Executive therefore agrees that the Company shall be entitled to injunctive relief in case of any such breach or threatened breach.

ARTICLE VI
OUTSIDE ACTIVITIES

6.1 Other Activities. Except with the prior written consent of the Board, Executive shall not during the term of this Agreement undertake or engage in any other employment, occupation or business enterprise, other than ones in which Executive is a passive investor. Executive may engage in civic and not-for-profit activities so long as such activities do not materially interfere with the performance of Executive's duties hereunder.

6.2 Competition/Investments. During the term of Executive's employment by the Company, except on behalf of the Globe Group, Executive shall not directly or indirectly, whether as an officer, director, stockholder, partner, proprietor, associate, representative, consultant, or in any capacity whatsoever engage in, become financially interested in, be employed by or have any business connection with any other person, corporation, firm, partnership or other entity whatsoever which were known by Executive to compete directly with the Globe Group, throughout the United States, in any line of business engaged in (or planned to be engaged in) by the Globe Group; provided, however, that anything above to the contrary notwithstanding, Executive may own, as a passive investor, securities of any competitor corporation, so long as Executive's direct holdings in any one such corporation shall not in the aggregate constitute more than 5% of the voting stock of such corporation.

ARTICLE VII
NONINTERFERENCE

While employed by the Company, and for one (1) year immediately following the date on which Executive terminates employment or otherwise ceases providing services to the Company, Executive agrees not to interfere with the business of the Company by soliciting or attempting to solicit any employee of the Company to terminate such employee's employment in order to become an employee, consultant or independent contractor to or for any other entity. For the avoidance of doubt, a bona fide advertisement for employment placed by any party any not specifically targeted at employees of the Company shall not constitute a violation of this Article 7. Executive's duties under this Article 7 shall survive termination of Executive's employment with the Company and the termination of this Agreement.

ARTICLE VIII
GENERAL PROVISIONS

8.1 Notices. Any notices provided hereunder must be in writing and shall be deemed effective upon the earlier of personal delivery (including personal delivery by facsimile) or the third day after mailing by first class mail, to the Company at its primary office location and to Executive at Executive's address as listed on the Company payroll.

8.2 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or any other jurisdiction, but this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provisions had never been contained herein.

8.3 Waiver. If either party should waive any breach of any provisions of this Agreement, they shall not thereby be deemed to have waived any preceding or succeeding breach of the same or any other provision of this Agreement.

8.4 Complete Agreement. This Agreement constitutes the entire agreement between Executive and the Company and is the complete, final, and exclusive embodiment of their agreement with regard to this subject matter. This Agreement shall supersede all undertakings or agreements, whether written or oral, previously entered into by the Executive and the Company or any predecessor thereto or affiliate thereof with respect to the employment of the Executive by the Company or with respect to severance payable by the Company upon termination of employment. This Agreement is entered into without reliance on any promise or representation other than those expressly contained herein or therein, and cannot be modified or amended except in a writing signed by an officer of the Company and Executive.

8.5 Counterparts. This Agreement may be executed in separate counterparts, any one of which need not contain signatures of more than one party, but all of which taken together will constitute one and the same Agreement.

8.6 Headings. The headings of the sections hereof are inserted for convenience only and shall not be deemed to constitute a part hereof nor to affect the meaning thereof.

8.7 Successors and Assigns. This Agreement is intended to bind and inure to the benefit of and be enforceable by Executive, the Company, and Globe, and their respective successors, assigns, heirs, executors and administrators, except that Executive may not assign any of Executive's duties hereunder and Executive may not assign any of Executive's rights hereunder, without the written consent of the Company, which shall not be withheld unreasonably.

8.8 Arbitration. To ensure the timely and economical resolution of disputes that arise in connection with Executive's employment with the Company, Executive and the Company agree that any and all disputes, claims, or causes of action arising from or relating to the enforcement, breach, performance or interpretation of this Agreement, Executive's employment, or the termination of Executive's employment, shall be resolved to the fullest extent permitted by law by final, binding and confidential arbitration, by a single arbitrator, in San Francisco, California, conducted by Judicial Arbitration and Mediation Services, Inc. ("JAMS") under the applicable JAMS employment rules. **By agreeing to this arbitration procedure, both Executive and the Company waive the right to resolve any such dispute through a trial by jury or judge or administrative proceeding.** The arbitrator shall: (a) have the authority to compel adequate discovery for the resolution of the dispute and to award such relief as would otherwise be permitted by law; and (b) issue a written arbitration decision, to include the arbitrator's essential findings and conclusions and a statement of the award. The arbitrator shall be authorized to award any or all remedies that Executive or the Company would be entitled to seek in a court of law. The Company shall pay all JAMS' arbitration fees. Nothing in this Agreement is intended to prevent either Executive or the Company from obtaining injunctive relief in court to prevent irreparable harm pending the conclusion of any such arbitration.

8.9 Attorneys' Fees. If either party hereto brings any action to enforce rights hereunder, each party in any such action shall be responsible for its own attorneys' fees and costs incurred in connection with such action.

8.10 Section 409A. This Agreement shall be interpreted, construed and administered in a manner that satisfies the requirements of Section 409A of the Internal Revenue Code of 1986, as amended and the final and proposed Department of Treasury Regulations promulgated thereunder.

8.11 Choice of Law. All questions concerning the construction, validity and interpretation of this Agreement will be governed by the law of the State of California without regard to the conflicts of law provisions thereof.

IN WITNESS WHEREOF, the parties have executed this Agreement on the day and year first above written.

To the extent that any reimbursement of any expense under Sections 3.2 or 4.1 or in-kind benefits provided under this Agreement are deemed to constitute taxable compensation to the Executive, such amounts will be reimbursed or provided no later than December 31 of the year following the year in which the expense was incurred. The amount of any such expenses reimbursed or in-kind benefits provided in one year shall not affect the expenses or in-kind benefits eligible for reimbursement or payment in any subsequent year, and the Executive's right to such reimbursement or payment of any such expenses will not be subject to liquidation or exchange for any other benefit. 1.10 "Involuntary Termination Without Cause" means Executive's dismissal or discharge other than for Cause. The termination of Executive's employment as a result of Executive's death or disability will not be deemed to be an Involuntary Termination Without Cause.

1.11 "Read Family" means the Company; Steven Read; Peter Read; any member of either Steven Read's or Peter Read's family by blood or marriage to and including the level of first cousin; any trust or estate in which any of the preceding persons is a trustee or has a beneficiary interest or any person controlled directly or indirectly by one or more of the preceding persons.

1.12 "Separation from Service" shall mean a "separation from service," as defined in Treasury Regulation Section 1.409A-1(h), as determined by the Company on the date of a Covered Termination in accordance with the terms of Section 409A of the Code and applicable guidance thereunder (including without limitation Treasury Regulation Section 1.409A-1(h) and any successor provision thereto).

ARTICLE II
EMPLOYMENT BY THE COMPANY

2.1 Position and Duties. Subject to terms set forth herein, the Company agrees to continue to employ Executive in the position of Vice President of Sales and Retail Merchandising and Executive hereby accepts such continued employment. Executive shall serve in an executive capacity and shall perform such duties as are customarily associated with the position of Vice President of Sales and Retail Merchandising and such other duties as are assigned to Executive by the Company's Chief Executive Officer. During the term of Executive's employment with the Company, Executive will devote Executive's best efforts and substantially all of Executive's business time and attention (except for vacation periods and reasonable periods of illness or other incapacities permitted by the Company's general employment policies or as otherwise set forth in this Agreement) to the business of the Company.

2.2 Employment at Will. Both the Company and Executive shall have the right to terminate Executive's employment with the Company at any time, with or without Cause, and without prior notice. If Executive's employment with the Company is terminated, Executive will be eligible to receive severance benefits to the extent provided in this Agreement.

2.3 Employment Policies. The employment relationship between the parties shall also be governed by the general employment policies and practices of the Company, including those relating to protection of confidential information and assignment of inventions, except that when the terms of this Agreement differ from or are in conflict with the Company's general employment policies or practices, this Agreement shall control.

ARTICLE III
COMPENSATION

3.1 Base Salary. Executive shall receive for services to be rendered hereunder an annual base salary of $309,000, payable on the regular payroll dates of the Company, subject to increase in the sole discretion of the Board.

3.2 Standard Company Benefits. Executive shall be entitled to all rights and benefits for which Executive is eligible under the terms and conditions of the standard Company benefits and compensation practices that may be in effect from time to time and are provided by the Company to its executive employees generally.

ARTICLE IV
SEVERANCE AND CHANGE IN CONTROL BENEFITS

4.1 Severance Benefits. If Executive's employment terminates due to a Covered Termination, Executive shall receive any annual base salary that has accrued but is unpaid as of the date of such Covered Termination. Executive shall also be entitled to receive payments equal to the sum of (a) one hundred fifty percent (150%) of Executive's annual base salary as in effect during the last regularly scheduled payroll period immediately preceding the Covered Termination and (b) Executive's target annual bonus for the year in which the Covered Termination occurs, pro-rated for the portion of the applicable performance period within which the Covered Termination occurs and determined assuming that any performance goals relating to such annual bonus have been attained at their targeted levels as of the date of the Covered Termination, subject to applicable tax withholding (the "Severance Benefits"). The Severance Benefits shall be payable in a single lump sum on the first regularly scheduled payroll date on or after the 60th day following the date the Covered Termination occurs.

4.2 Mitigation. Executive shall not be required to mitigate damages or the amount of any payment provided under this Agreement by seeking other employment or otherwise, nor shall the amount of any payment provided for under this Agreement be reduced by any compensation earned by Executive as a result of employment by another employer or by any retirement benefits received by Executive after the date of the Covered Termination, or otherwise.

4.3 Section 409A. Notwithstanding any provision to the contrary in this Agreement: (i) no amount shall be payable pursuant to Section 4.1 unless the Executive's termination of employment constitutes a Separation from Service and unless, on or prior to the 60th day following the date of Executive's Covered Termination, Executive executes a waiver and release of claims agreement in the Company's customary form and does not subsequently revoke such waiver and release of claims agreement and (ii) if at the time of the Executive's Separation from Service the Executive is determined to be a "specified employee" for purposes of Section 409A(a)(2)(B)(i) of the Code, to the extent delayed commencement of any portion of the termination benefits to which the Executive is entitled under this Agreement is required in order to avoid a prohibited distribution under Section 409A(a)(2)(B)(i) of the Code, such portion of the Executive's termination benefits shall not be provided to the Executive prior to the earlier of (A) the expiration of the six-month period measured from the date of the Executive's Separation from Service or (B) the date of the Executive's death. Upon the earlier of such dates, all payments deferred pursuant to this Section 4.3 shall be paid in a lump sum to the Executive, and any remaining payments due under the Agreement shall be paid as otherwise provided herein. For purposes of Section 409A of the Code, the Executive's right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. To the extent that any reimbursement of any expense under Sections 3.2 or 4.1 or in-kind benefits provided under this Agreement are deemed to constitute taxable compensation to the Executive, such amounts will be reimbursed or provided no later than December 31 of the

year following the year in which the expense was incurred. The amount of any such expenses reimbursed or in-kind benefits provided in one year shall not affect the expenses or in-kind benefits eligible for reimbursement or payment in any subsequent year, and the Executive's right to such reimbursement or payment of any such expenses will not be subject to liquidation or exchange for any other benefit. The determination of whether the Executive is a "specified employee" for purposes of Section 409A(a)(2)(B)(i) of the Code as of the time of his Separation from Service shall be made by the Company in accordance with the terms of Section 409A of the Code and applicable guidance thereunder (including without limitation Treasury Regulation Section 1.409A-1(i) and any successor provision thereto).

ARTICLE V
PROPRIETARY INFORMATION OBLIGATIONS

5.1 Confidentiality. Executive agrees to execute and abide by the Company's customary form of Confidentiality Agreement (the "Confidentiality Agreement"). Without limiting the foregoing, Executive agrees the terms of this Agreement and its subject matter are sensitive and should be kept confidential and that without the prior authorization of the Company Executive shall not disclose to any third party any and all information, whether written or oral, relating to any transaction involving the Company that, if consummated, could constitute a change in control, other than information that (a) is or becomes generally available to the public other than as a result of a breach of this Agreement by Executive; or (b) becomes available to Executive on a non-confidential basis from a source other than the Company or a member of the Read Family, provided that such source is not to your knowledge, after reasonable investigation, bound by a confidentiality agreement or other legal or fiduciary obligation of secrecy to the Company or any of its affiliates.

5.2 Remedies. Executive's duties under the Confidentiality Agreement shall survive termination of Executive's employment with the Company and the termination of this Agreement. Executive acknowledges that a remedy at law for any breach or threatened breach by Executive of the provisions of the Confidentiality Agreement would be inadequate, and Executive therefore agrees that the Company shall be entitled to injunctive relief in case of any such breach or threatened breach.

ARTICLE VI
OUTSIDE ACTIVITIES

6.1 Other Activities. Except with the prior written consent of the Board, Executive shall not during the term of this Agreement undertake or engage in any other employment, occupation or business enterprise, other than ones in which Executive is a passive investor. Executive may engage in civic and not-for-profit activities so long as such activities do not materially interfere with the performance of Executive's duties hereunder.

6.2 Competition/Investments. During the term of Executive's employment by the Company, except on behalf of the Globe Group, Executive shall not directly or indirectly, whether as an officer, director, stockholder, partner, proprietor, associate, representative, consultant, or in any capacity whatsoever engage in, become financially interested in, be employed by or have any business connection with any other person, corporation, firm, partnership or other entity

whatsoever which were known by Executive to compete directly with the Globe Group, throughout the United States, in any line of business engaged in (or planned to be engaged in) by the Globe Group; provided, however, that anything above to the contrary notwithstanding, Executive may own, as a passive investor, securities of any competitor corporation, so long as Executive's direct holdings in any one such corporation shall not in the aggregate constitute more than 5% of the voting stock of such corporation.

ARTICLE VII
NONINTERFERENCE

While employed by the Company, and for one (1) year immediately following the date on which Executive terminates employment or otherwise ceases providing services to the Company, Executive agrees not to interfere with the business of the Company by soliciting or attempting to solicit any employee of the Company to terminate such employee's employment in order to become an employee, consultant or independent contractor to or for any other entity. For the avoidance of doubt, a bona fide advertisement for employment placed by any party any not specifically targeted at employees of the Company shall not constitute a violation of this Article 7. Executive's duties under this Article 7 shall survive termination of Executive's employment with the Company and the termination of this Agreement.

ARTICLE VIII
GENERAL PROVISIONS

8.1 Notices. Any notices provided hereunder must be in writing and shall be deemed effective upon the earlier of personal delivery (including personal delivery by facsimile) or the third day after mailing by first class mail, to the Company at its primary office location and to Executive at Executive's address as listed on the Company payroll.

8.2 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or any other jurisdiction, but this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provisions had never been contained herein.

8.3 Waiver. If either party should waive any breach of any provisions of this Agreement, they shall not thereby be deemed to have waived any preceding or succeeding breach of the same or any other provision of this Agreement.

8.4 Complete Agreement. This Agreement constitutes the entire agreement between Executive and the Company and is the complete, final, and exclusive embodiment of their agreement with regard to this subject matter. This Agreement shall supersede all undertakings or agreements, whether written or oral, previously entered into by the Executive and the Company or any predecessor thereto or affiliate thereof with respect to the employment of the Executive by the Company or with respect to severance payable by the Company upon termination of employment, including, without limitation, the Prior Agreement (which shall have no further force or effect). This Agreement is entered into without reliance on any promise or representation other than those expressly contained herein or therein, and cannot be modified or amended except in a writing signed by an officer of the Company and Executive.

8.5 Counterparts. This Agreement may be executed in separate counterparts, any one of which need not contain signatures of more than one party, but all of which taken together will constitute one and the same Agreement.

8.6 Headings. The headings of the sections hereof are inserted for convenience only and shall not be deemed to constitute a part hereof nor to affect the meaning thereof.

8.7 Successors and Assigns. This Agreement is intended to bind and inure to the benefit of and be enforceable by Executive, the Company, and Globe, and their respective successors, assigns, heirs, executors and administrators, except that Executive may not assign any of Executive's duties hereunder and Executive may not assign any of Executive's rights hereunder, without the written consent of the Company, which shall not be withheld unreasonably.

8.8 Arbitration. To ensure the timely and economical resolution of disputes that arise in connection with Executive's employment with the Company, Executive and the Company agree that any and all disputes, claims, or causes of action arising from or relating to the enforcement, breach, performance or interpretation of this Agreement, Executive's employment, or the termination of Executive's employment, shall be resolved to the fullest extent permitted by law by final, binding and confidential arbitration, by a single arbitrator, in San Francisco, California, conducted by Judicial Arbitration and Mediation Services, Inc. ("JAMS") under the applicable JAMS employment rules. **By agreeing to this arbitration procedure, both Executive and the Company waive the right to resolve any such dispute through a trial by jury or judge or administrative proceeding.** The arbitrator shall: (a) have the authority to compel adequate discovery for the resolution of the dispute and to award such relief as would otherwise be permitted by law; and (b) issue a written arbitration decision, to include the arbitrator's essential findings and conclusions and a statement of the award. The arbitrator shall be authorized to award any or all remedies that Executive or the Company would be entitled to seek in a court of law. The Company shall pay all JAMS' arbitration fees. Nothing in this Agreement is intended to prevent either Executive or the Company from obtaining injunctive relief in court to prevent irreparable harm pending the conclusion of any such arbitration.

8.9 Attorneys' Fees. If either party hereto brings any action to enforce rights hereunder, each party in any such action shall be responsible for its own attorneys' fees and costs incurred in connection with such action.

8.10 Section 409A. This Agreement shall be interpreted, construed and administered in a manner that satisfies the requirements of Section 409A of the Internal Revenue Code of 1986, as amended and the final and proposed Department of Treasury Regulations promulgated thereunder.

8.11 Choice of Law. All questions concerning the construction, validity and interpretation of this Agreement will be governed by the law of the State of California without regard to the conflicts of law provisions thereof.

IN WITNESS WHEREOF, the parties have executed this Agreement on the day and year first above written.

8.8 Arbitration. To ensure the timely and economical resolution of disputes that arise in connection with Executive's employment with the Company, Executive and the Company agree that any and all disputes, claims, or causes of action arising from or relating to the enforcement, breach, performance or interpretation of this Agreement, Executive's employment, or the termination of Executive's employment, shall be resolved to the fullest extent permitted by law by final, binding and confidential arbitration, by a single arbitrator, in San Francisco, California, conducted by Judicial Arbitration and Mediation Services, Inc. The arbitrator shall be authorized to award any or all remedies that Executive or the Company would be entitled to seek in a court of law. The Company shall pay all JAMS' arbitration fees. Nothing in this Agreement is intended to prevent either Executive or the Company from obtaining injunctive relief in court to prevent irreparable harm pending the conclusion of any such arbitration.

8.9 Attorneys' Fees. If either party hereto brings any action to enforce rights hereunder, each party in any such action shall be responsible for its own attorneys' fees and costs incurred in connection with such action.
